

Apwh 2023 Frq

Name: _____ Date: _____ Period: _____

Point No Point - APES FRQ 2023 #1 (Set 1)

For each response written below, decide if the answer earns a point or not. There are no half points. Use the [rubric](#) provided by your teacher to guide your decisions.

(a) Identify the control group in this experiment.

1. The control group is the plot of unmodified beans.	____/1
2. Plot D	____/1
3. The control would be the amount of water.	____/1
4. The control group in the experiment would be Plot D.	____/1

(b) Identify the scientific question for the investigation.

1. Do GMO green beans affect crop yield?	____/1
2. Do genetically modified green beans yield a higher amount of beans than unmodified beans in arid regions?	____/1
3. How will green beans grown in the same environment be affected by different genetic modifications in terms of crop yields?	____/1
4. The scientific question would be which new variety of green beans produce a higher yield in arid regions.	____/1

(c) Researchers repeated the experiment modifying the length of time for the spray irrigation to 20 minutes per day. Explain how the results of the experiment could be altered with this modification.

1. By reducing the time for spray irrigation to 20 minutes this can effect the rate of which the experiment changes.	____/1
2. By reducing irrigation there will be fewer beans collected in the plots.	____/1
3. The crops would receive less water, which would help beans that can survive on little water thrive, while the other types wither, changing the results of the experiment.	____/1
4. Shorter irrigation time would mean less water to the plots which could create longer growing time.	____/1

(d) Based on the data in the table, identify the plot with the lowest soil temperature.

1. Plot C	____/1
2. The plot with the lowest temperature would be plot D (unmodified beans).	____/1
3. D (unmodified beans)	____/1
4. Plot D, the unmodified beans has the lowest temperature.	____/1

APWH 2023 FRQ: A Comprehensive Guide to Mastering the Free-Response Questions

The AP World History exam looms large, and for many students, the Free Response Questions (FRQs) are the most daunting part. Successfully navigating the APWH 2023 FRQs requires a strategic approach, a solid understanding of historical context, and effective writing skills. This comprehensive guide will equip you with the tools and knowledge to tackle these challenging questions, boosting your chances of achieving a high score. We'll break down the FRQ format, provide effective strategies for answering each question type, and offer tips for maximizing your score. Let's dive in!

Understanding the APWH 2023 FRQ Structure

The AP World History exam features three FRQs, each demanding a different approach. Knowing the structure beforehand is crucial for effective time management and a strong performance. The three types are:

1. Comparative Essay:

This essay requires you to compare and contrast two historical developments or societies. The prompt will usually present a specific theme or historical period. You need to show not only

similarities and differences but also a nuanced understanding of the historical context influencing those similarities and differences. Successful comparative essays require strong thesis statements and well-supported arguments.

2. Continuity and Change-Over-Time (CCOT) Essay:

This essay tasks you with analyzing historical developments over a specified period. You need to identify key continuities (things that stayed the same) and changes that occurred during that period. This requires a deep understanding of historical processes and the ability to synthesize information effectively. A strong argument, supported by relevant evidence, is essential.

3. Document-Based Question (DBQ):

The DBQ presents you with a set of primary source documents related to a specific historical event or theme. You must analyze these documents, synthesize their information, and craft an essay that answers the prompt using the documents as evidence. Effective DBQ responses demonstrate a critical understanding of the documents, including their biases and perspectives, and incorporate outside information to enhance your argument.

Strategies for Success on APWH 2023 FRQs

Mastering the APWH 2023 FRQs is not just about memorizing facts; it's about developing strategic thinking and effective writing skills. Here are some crucial strategies:

1. Master the APWH Curriculum:

Thorough knowledge of the APWH curriculum is foundational. Review key themes, eras, and historical developments. Focus on understanding the broader historical context and the connections between different events and societies.

2. Practice, Practice, Practice:

Practice writing FRQs under timed conditions. Use past APWH exams to simulate the testing environment. This will help you improve your time management skills and refine your essay-writing techniques.

3. Develop a Strong Thesis Statement:

Your thesis statement is the backbone of your essay. It should clearly and concisely answer the prompt and outline the main arguments you will present. A strong thesis sets the stage for a well-structured and focused essay.

4. Use Specific Examples and Evidence:

Support your arguments with specific historical examples and evidence. Refer to key figures, events, and movements to illustrate your points. Cite your sources appropriately.

5. Analyze and Synthesize Information:

Don't just describe historical events; analyze them. Explain the causes and consequences, identify patterns and trends, and synthesize information from different sources to create a comprehensive and insightful response.

6. Structure Your Essays Effectively:

Organize your essays logically with clear introductory and concluding paragraphs, well-developed body paragraphs, and smooth transitions between ideas. Use clear topic sentences to guide the reader through your arguments.

Tips for the Different FRQ Types

Comparative Essay: Focus on establishing clear similarities and differences. Use comparative words like "similarly," "conversely," and "however" to guide the reader through your analysis.

CCOT Essay: Clearly identify continuities and changes. Organize your essay chronologically or thematically, depending on the prompt. Explain the causes and consequences of changes.

DBQ Essay: Analyze the documents carefully, paying attention to their context, audience, and purpose. Incorporate outside information to enrich your analysis and demonstrate your broader understanding of the topic.

Conclusion

Conquering the APWH 2023 FRQs requires preparation, planning, and practice. By understanding the structure of the questions, developing effective writing strategies, and mastering the historical content, you can significantly improve your chances of achieving a high score. Remember to practice regularly, analyze your weaknesses, and seek feedback on your essays. With diligent effort, success is within your reach!

Frequently Asked Questions (FAQs)

1. What is the best way to study for the APWH FRQs? The best way is a combination of thorough content review, focused practice with past FRQs, and seeking feedback on your writing.
2. How much time should I spend on each FRQ? Allocate your time strategically. Aim for roughly 40 minutes per essay to allow sufficient time for planning, writing, and reviewing.

3. How important is outside information in the DBQ? Outside information is crucial for a strong DBQ. It demonstrates your broader understanding of the topic and enhances your analysis of the documents.

4. What if I run out of time during the exam? Prioritize completing all three essays. Even incomplete essays that show some understanding are better than leaving an essay blank.

5. Are there any specific resources you recommend for APWH FRQ preparation? Past AP exam questions, released scoring guidelines, and reputable AP World History review books are excellent resources. Utilize online resources and study groups to enhance your understanding.

apwh 2023 frq: Understanding by Design Grant P. Wiggins, Jay McTighe, 2005 What is understanding and how does it differ from knowledge? How can we determine the big ideas worth understanding? Why is understanding an important teaching goal, and how do we know when students have attained it? How can we create a rigorous and engaging curriculum that focuses on understanding and leads to improved student performance in today's high-stakes, standards-based environment? Authors Grant Wiggins and Jay McTighe answer these and many other questions in this second edition of *Understanding by Design*. Drawing on feedback from thousands of educators around the world who have used the UbD framework since its introduction in 1998, the authors have greatly revised and expanded their original work to guide educators across the K-16 spectrum in the design of curriculum, assessment, and instruction. With an improved UbD Template at its core, the book explains the rationale of backward design and explores in greater depth the meaning of such key ideas as essential questions and transfer tasks. Readers will learn why the familiar coverage- and activity-based approaches to curriculum design fall short, and how a focus on the six facets of understanding can enrich student learning. With an expanded array of practical strategies, tools, and examples from all subject areas, the book demonstrates how the research-based principles of *Understanding by Design* apply to district frameworks as well as to individual units of curriculum. Combining provocative ideas, thoughtful analysis, and tested approaches, this new edition of *Understanding by Design* offers teacher-designers a clear path to the creation of curriculum that ensures better learning and a more stimulating experience for students and teachers alike.

Enclosed with the manual is a CD-ROM that presents two more practice tests with answers, explanations, and automatic scoring, as well as extensive subject review.

apwh 2023 frq: Southeast Asia in World History Craig Lockard, 2009-04-24 Here is a brief, well-written, and lively survey of the history of Southeast Asia from ancient times to the present, paying particular attention to the region's role in world history and the distinctive societies that arose in lands shaped by green fields and forests, blue rivers and seas. Craig Lockard shows how for several millennia Southeast Asians, living at the crossroads of Asia, enjoyed ever expanding connections to both China and India, and later developed maritime trading networks to the Middle East and Europe. He explores how the people of the region combined local and imported ideas to form unique cultures, reflected in such striking creations as Malay sailing craft, Javanese gamelan music, and batik cloth, classical Burmese and Cambodian architecture, and social structures in which women have often played unusually influential roles. Lockard describes colonization by Europeans and Americans between 1500 and 1914, tracing how the social, economic, and political frameworks inherited from the past, combined with active opposition to domination by foreign powers, enabled Southeast Asians to overcome many challenges and regain their independence after World War II. The book also relates how Malaysia, Singapore, Thailand, Indonesia, and Vietnam are now among the fastest growing economies in the world and play a critical role in today's global marketplace.

apwh 2023 frq: AP World History Review Book 2021-2022 Cox, 2021-01-05 Updated for 2021, Accepted, Inc.'s unofficial AP World History Review Book 2021-2022: Study Guide with

apwh 2023 frq: *AP Us Hist 2016* John J. Newman, 2016-01-01 Equip your students to excel on the AP® United States History Exam, as updated for 2016 Features flexibility designed to use in a one-semester or one-year course divided into nine chronological periods mirroring the structure of the new AP® U.S. College Board Curriculum Framework, the text reflects the Board's effort to focus on trends rather than isolated facts each period features a one-page overview summarizing the major developments of the period and lists the three featured Key Concepts from the College Board Curriculum Framework each Think As a Historian feature focuses on one of the nine historical

thinking skills that the AP® exam will test each chapter narrative concludes with Historical Perspectives, a feature that addresses the College Board emphasis on how historians have interpreted the events of the chapter in various ways the chapter conclusion features a list of key terms, people, and events organized by theme, reflecting the College Board's focus on asking students to identify themes, not just events chapter assessments include eight multiple-choice items, each tied to a source as on the new AP® exam, as well as four short-answer questions period reviews include both long-essay questions and Document-Based Questions in the format of those on the AP® exam, as updated for 2016

apwh 2023 frq: The Age of Walls Tim Marshall, 2019-10-15 Tim Marshall, the New York Times bestselling author of *Prisoners of Geography*, offers “a readable primer to many of the biggest problems facing the world” (Daily Express, UK) by examining the borders, walls, and boundaries that divide countries and their populations. The globe has always been a world of walls, from the Great Wall of China to Hadrian’s Wall to the Berlin Wall. But a new age of isolationism and economic nationalism is upon us, visible in Trump’s obsession with building a wall on the Mexico border, in Britain’s Brexit vote, and in many other places as well. China has the great Firewall, holding back Western culture. Europe’s countries are walling themselves against immigrants, terrorism, and currency issues. South Africa has heavily gated communities, and massive walls or fences separate people in the Middle East, Korea, Sudan, India, and other places around the world. In fact, more than a third of the world’s nation-states have barriers along their borders. Understanding what is behind these divisions is essential to understanding much of what’s going on in the world today. Written in Tim Marshall’s brisk, inimitable style, *The Age of Walls* is divided by geographic region. He provides an engaging context that is often missing from political discussion and draws on his real life experiences as a reporter from hotspots around the globe. He examines how walls, borders, and barriers have been shaping our political landscape for hundreds of years, and especially since 2001, and how they figure in the diplomatic relations and geo-political events of today. “Marshall is a skilled explainer of the world as it is, and geography buffs will be pleased by his latest” (Kirkus Reviews). “Accomplished, well researched, and pacey...The Age of Walls is for anyone who wants to look beyond the headlines and explore the context of some of the biggest challenges facing the world today, it is a fascinating and fast read” (City AM, UK).

apwh 2023 frq: Cracking the AP Human Geography Exam, 2016 Edition Princeton Review (Firm), 2015-08 A guide to preparing for the human geography exam for advanced placement, featuring subject reviews, lists of key terms, maps and graphics, and two full-length practice tests with explained answers.

apwh 2023 frq: Barron's AP United States History Michael R. Bergman, Kevin Preis, 2011-02-01 Students preparing for the Advanced Placement U.S. History exam will welcome this revised and updated set of flash cards. The cards encompass the entire AP course and offer students the flexibility to study American history in ways not available with textbooks and study guides. The 500 cards run chronologically from the Colonial era of the early 1600s to the present day, and are divided into seven general categories: Arts and Sciences, Domestic Policies, Presidential Matters, Wars and Foreign Relations, Economy and Business, Legal Issues, and Society and Culture. They are numbered and labeled so that students can arrange them within a chronological time frame or according to any of the above-noted categories. Students can use the enclosed metal ring to rearrange the cards in any order that fits their study needs. Each card has a small corner punch hole to accommodate the ring.

apwh 2023 frq: *Ways of the World with Sources for AP*, Second Edition* Robert W. Strayer, 2013-06-10 Comparisons, Connections, & Change-contexts for the particulars Ways of the World is the textbook preferred by AP World History teachers and students across North America. Like the AP course it supports, Ways of the World focuses on significant historical trends, themes, and developments in world history. Author Robert W. Strayer provides a thoughtful and insightful

synthesis that helps students see the big picture. Each chapter then culminates with collections of primary sources (written and visual) organized around a particular theme, issue, or question, thus allowing students to consider the evidence the way historians do. The second edition includes a wealth of supporting resources and supplements for the AP course, including an AP Skills Primer and AP Chapter Wrap-Ups, and rolls out Bedford/St. Martin's new digital history tools, including LearningCurve, an adaptive quizzing engine that garners over a 90% student satisfaction rate, and LaunchPad, the all new interactive e-book and course space that puts high quality easy-to-use assessment at your fingertips. Featuring video, additional primary sources, a wealth of adaptive and summative quizzing, and more, LaunchPad cements student understanding of the text while helping them make progress toward learning outcomes. It's the best content joined up with the best technology.

apwh 2023 frq: American Government: Stories of a Nation Scott Abernathy, Karen Waples, 2018-12-10 This new offering from AP® teacher Karen Waples and college professor Scott Abernathy is tailor-made to help teachers and students transition to the redesigned AP® U.
