

Antichrist Parents Guide

Antichrist Parents Guide: Navigating a Complex and Controversial Film

Are you considering watching Lars von Trier's *Antichrist*, but unsure if it's appropriate for your family? This comprehensive parents' guide will equip you with the knowledge needed to make an informed decision. We'll delve into the film's disturbing themes, explicit content, and overall impact, helping you decide if *Antichrist* is something you want to watch, or even allow your children to see,

perhaps many years from now, when they've gained perspective and maturity. This guide aims to provide a balanced assessment, avoiding censorship while highlighting the film's intense and potentially traumatic elements.

Understanding the Nature of Antichrist

Before diving into specifics, it's crucial to understand that *Antichrist* is not your typical horror film. It's a highly stylized, deeply psychological drama exploring themes of grief, guilt, despair, and the destructive power of nature. It eschews traditional narrative structure and relies heavily on symbolism and unsettling imagery. This unconventional approach makes it profoundly impactful, but also potentially disturbing for viewers unprepared for its explicit and graphic content.

Graphic Content and Violence: What Parents Need to Know

Antichrist contains extremely graphic depictions of violence and sexual acts. These scenes are not gratuitous; rather, they serve to underscore the film's exploration of trauma and the breakdown of the human psyche. However, their intensity is undeniable and could be deeply upsetting, even triggering for some viewers. The level of explicitness is far beyond what's typically found in mainstream horror films. Parents should be prepared for prolonged and unflinching portrayals of self-harm and violence.

Psychological Themes and Disturbing Imagery: A Deeper Dive

Beyond the explicit content, the film's psychological themes are equally unsettling. The characters grapple with profound grief, guilt, and a descent into madness. The imagery throughout is often surreal and symbolic, contributing to a pervasive sense of unease and dread. The film explores complex issues of faith, nature's destructive power, and the inherent darkness within humanity. These themes may be too intense or confusing for younger or more sensitive viewers.

Exploring the Allegorical Elements of the Film

The film heavily employs allegory and symbolism. The forest, for example, represents primal chaos and female sexuality, whilst the characters themselves can be seen as representations of opposing forces. Understanding these symbols can enhance appreciation, but their complexity might be lost on a younger audience, leading to confusion or misunderstanding.

Language and Maturity Level: Who Should Watch?

The language used in *Antichrist* is intense and often profane. While not excessive, it contributes to the overall bleak and unsettling atmosphere. The film's themes and imagery require a significant level of maturity and emotional resilience to process. We recommend *Antichrist* only for mature adults (18+) who can critically engage with complex and disturbing themes without experiencing significant emotional distress. Even then, viewer discretion is strongly advised.

Alternatives for Different Age Groups

If you're looking for films exploring similar themes of grief and loss, but with a less graphic and intense approach, there are many alternatives available. Consider films dealing with grief and trauma in a more nuanced way. Many films explore themes of despair and mental health in a mature but less explicit way.

Conclusion: A Necessary Warning

Antichrist is not a film for casual viewing. Its graphic content, disturbing imagery, and psychologically intense themes make it unsuitable for the vast majority of viewers, particularly younger audiences. This parents' guide aims to provide you with the necessary information to make an informed decision, but we strongly advise against viewing it if you are sensitive to graphic violence, sexual content, or psychologically disturbing narratives. Proceed with extreme caution.

FAQs:

Q1: Is there a director's cut of *Antichrist*? A: No, there isn't a director's cut significantly different from the theatrical release.

Q2: Are there any jump scares in *Antichrist*? A: While the film employs shocking imagery, it relies less on jump scares and more on a sustained atmosphere of dread and psychological tension.

Q3: What is the overall message of *Antichrist*? A: The film's message is open to interpretation, but it explores the destructive power of grief, guilt, and the inherent darkness within human nature.

Q4: Is *Antichrist* based on a true story? A: No, *Antichrist* is a work of fiction, although it draws upon themes of psychological trauma and despair that resonate with many viewers.

Q5: Where can I watch *Antichrist*? A: *Antichrist* is available for rent or purchase on various streaming platforms and digital stores, but parental controls should be carefully considered given the content.

antichrist parents guide: The Binge Watcher's Guide to Supernatural Jessica Mason, 2021-10-12 Dad's on a hunting trip and he hasn't been home in a few days. These simple words hook viewers into the story of Sam and Dean Winchester and the epic rocking ride that is *Supernatural*, the longest-running genre show in American television history. But with 15 seasons, 327 episodes, and more angels, demons, and resurrections than you can shake a first blade at, the series can be a little bit intimidating. That's where we come in. *The Binge Watcher's Guide to Supernatural* is your complete source on all the themes, ideas, trivia and more in this legendary series. From dissecting the meta madness to swooning over shipping highs and lows, this book will give readers insight like nothing before into the complex and sometimes confusing world of Sam, Dean, Castiel, and their extended family. Think of this as John Winchester's journal, guiding you through trivia and tribulations to enrich watching this incredible show. Whether you're a long-time super fan or a newbie, Jessica Mason's expert insight into the show will make this road trip the best one yet. Get ready to ride along as we save people, hunt things, and raise more than a little hell.

antichrist parents guide: Oh God - What the hell do I tell them?! Kathy Fray, For parents who are devoutly religious they can feel safe in God's will, and for parents who are devotedly new-age they can feel secure in the Universe's plans. But for the growing amounts of parents who aren't either, but also don't wish for their children to be spiritual orphans, it can feel like a lonely Parenting Place to reside. So OH GOD is about imbuing our Alpha Generation-Z children with the insightful Cosmopolitan IQ and Old-Age New-Age IQ of understanding the beliefs of others - so that our children can become more intelligently equipped to live in this exponentially expanding multi-cultural multi-religious society. It's about teaching our children the societal intelligences that no-one ever taught us. But this book won't be for everyone - oh no, this will be for those select

parents who find themselves irresistibly drawn to delving more deeply into these topics. OH GOD will be for the hardcore amongst parents!

antichrist parents guide: *The Servants of Twilight* Dean Koontz, 2011-08-02 A mother experiences a fear beyond her wildest nightmares in this terrifying thriller from #1 New York Times bestselling author Dean Koontz. An ordinary parking lot in southern California. Christine Scavello and her six-year-old son are accosted by a strange old woman. "I know who you are," she snaps at the boy. "I know what you are." A scream, a threat—and then a grotesque act of violence. Suddenly Christine's pride and joy, her only son, is targeted by a group of religious fanatics. They've branded him the Antichrist. They want to kill him. And they are everywhere...

antichrist parents guide: *Revelation Revealed* Dr. Paul A Vallee, 2019-11-22 In popular culture, the focus of the biblical book of Revelation has been on the identity of the antichrist and the end of the world. Though Revelation speaks to these issues, the book is primarily about Christ and how he addresses humanity's enemies, including our greatest enemy, death. *Revelation Revealed* is an expository commentary that pushes through popular misconceptions and explains Revelation in a clear and engaging manner. Often viewed as a confusing book that is difficult to understand, filled with all kinds of incredible imagery, Revelation actually brings a message of hope in times of perplexity and crisis. In *Revelation Revealed*, Dr. Paul A. Vallee addresses the cultural background in which the ancient readers understood the text and shows the relevancy of that message to today's readers. This book is the culmination of forty years of biblical study. The content was originally presented to a live audience over the course of twenty-six weeks. The response encouraged Dr. Vallee to put into print what the audience described as a positive message, clarifying and removing misunderstandings and fear by instilling hope in a world that, like the book of Revelation itself, is often confusing and overwhelming.

antichrist parents guide: *Two Is Enough* Laura S Scott, 2009-10-27 Fall in love. Get married. Have children. For most couples, marriage and children go hand in hand. And yet, the number of people choosing childlessness is on the rise. These are the childless by choice—people who have actively decided not to have children—rather than the childless by circumstance. In *Two Is Enough*, Laura S. Scott explores the assumptions surrounding childrearing, and explores the reasons many people are choosing to forgo this experience. Scott, founder of the Childless by Choice Project, examines the personal stories of people who have faced this decision and explores the growing trend of childlessness. Scott's expert knowledge and analysis offer a picture of the childless by choice—who they are, why they've chosen to remain childless, and how they've had these conversations with loved ones. Honest and unapologetic, *Two Is Enough* recognizes the challenges of being childless in today's society and offers suggestions on how that same society can change to make room for the

childless and the childfree.

antichrist parents guide: *I Love Jesus, But I Want to Die* Sarah J. Robinson, 2021-05-11 A compassionate, shame-free guide for your darkest days “A one-of-a-kind book . . . to read for yourself or give to a struggling friend or loved one without the fear that depression and suicidal thoughts will be minimized, medicalized or over-spiritualized.”—Kay Warren, cofounder of Saddleback Church What happens when loving Jesus doesn’t cure you of depression, anxiety, or suicidal thoughts? You might be crushed by shame over your mental illness, only to be told by well-meaning Christians to “choose joy” and “pray more.” So you beg God to take away the pain, but nothing eases the ache inside. As darkness lingers and color drains from your world, you’re left wondering if God has abandoned you. You just want a way out. But there’s hope. In *I Love Jesus, But I Want to Die*, Sarah J. Robinson offers a healthy, practical, and shame-free guide for Christians struggling with mental illness. With unflinching honesty, Sarah shares her story of battling depression and fighting to stay alive despite toxic theology that made her afraid to seek help outside the church. Pairing her own story with scriptural insights, mental health research, and simple practices, Sarah helps you reconnect with the God who is present in our deepest anguish and discover that you are worth everything it takes to get better. Beautifully written and full of hard-won wisdom, *I Love Jesus, But I Want to Die* offers a path toward a rich, hope-filled life in Christ, even when healing doesn’t look like what you expect.

antichrist parents guide: *Lars von Trier's Women* Rex Butler, David Denny, 2016-11-17 The Danish director Lars von Trier is undoubtedly one of the world's most important and controversial filmmakers, and arguably so because of the depiction of women in his films. He has been criticized for subjecting his female characters to unacceptable levels of violence or reducing them to masochistic self-abnegation, as with Bess in *Breaking the Waves*, 'She' in *Antichrist* and Joe in *Nymphomaniac*. At other times, it is the women in his films who are dominant or break out in violence, as in his adaptation of Euripides' *Medea*, the conclusion of *Dogville* and perhaps throughout *Nymphomaniac*. Lars von Trier's *Women* confronts these dichotomies head on. Editors Rex Butler and David Denny do not take a position either for or against von Trier, but rather consider how both attitudes fall short of the real difficulty of his films, which may simply not conform to any kind of feminist or indeed anti-feminist politics as they are currently configured. Using Lacanian psychoanalysis and acknowledging the work of prior scholars on the films, *Lars von Trier's Women* reveals hidden resources for a renewed 'feminist' politics and social practice.

antichrist parents guide: *Wholehearted Faith* Rachel Held Evans, Jeff Chu, 2021-11-02 New York Times Bestseller “A touching series of essays in which Evans, with Chu’s invisible pen, explores how one might find a path forward in Christianity beyond conservative evangelicalism” -Eliza Griswold, *The New Yorker* “Evans died at 37, but a beautiful new book captures her brave outlook. . . . I could not help but notice the poetry in Evans’s prose. . . . What readers will find in these pages was someone deeply human: funny, irreverent, curious, wise, forgiving, nonjudgmental.” -Maggie Smith, *The Washington Post* A collection of original writings by Rachel Held Evans, whose reflections on faith and life continue to encourage, challenge, and influence. Rachel Held Evans is widely recognized for her theologically astute, profoundly honest, and beautifully personal books, which have guided, instructed, edified, and shaped Christians as they seek to live out a just and loving faith. At the time of her tragic death in 2019, Rachel was working on a new book about wholeheartedness. With the help of her close friend and author Jeff Chu, that work-in-progress has been woven together with some of her other unpublished writings into a rich collection of essays that ask candid questions about the stories we’ve been told—and the stories we tell—about our faith, our selves, and our world. This book is for the doubter and the dreamer, the seeker and the sojourner, those who long for a sense of spiritual wholeness as well as those who have been hurt by the Church but can’t seem to let go of the story of Jesus. Through theological reflection and personal recollection, Rachel wrestles with God’s grace and love, looks unsparingly at what the Church is and does, and explores universal human questions about becoming and belonging. An unforgettable, moving, and intimate book.

antichrist parents guide: Basic Writings of Nietzsche Friedrich Nietzsche, 2009-08-05

Introduction by Peter Gay Translated and edited by Walter Kaufmann Commentary by Martin Heidegger, Albert Camus, and Gilles Deleuze One hundred years after his death, Friedrich Nietzsche remains the most influential philosopher of the modern era. Basic Writings of Nietzsche gathers the complete texts of five of Nietzsche's most important works, from his first book to his last: *The Birth of Tragedy*, *Beyond Good and Evil*, *On the Genealogy of Morals*, *The Case of Wagner*, and *Ecce Homo*. Edited and translated by the great Nietzsche scholar Walter Kaufmann, this volume also features seventy-five aphorisms, selections from Nietzsche's correspondence, and variants from drafts for *Ecce Homo*. It is a definitive guide to the full range of Nietzsche's thought. Includes a Modern Library Reading Group Guide

antichrist parents guide: Good Omens Neil Gaiman, Terry Pratchett, 2011-06-28 The classic collaboration from the internationally bestselling authors Neil Gaiman and Terry Pratchett, soon to be an original series starring Michael Sheen and David Tennant. ?Season 2 of *Good Omens* coming soon! "Good Omens . . . is something like what would have happened if Thomas Pynchon, Tom Robbins and Don DeLillo had collaborated. Lots of literary inventiveness in the plotting and chunks of very good writing and characterization. It's a wow. It would make one hell of a movie. Or a heavenly one. Take your pick." —Washington Post According to The Nice and Accurate Prophecies of Agnes Nutter, Witch (the world's only completely accurate book of prophecies, written in 1655, before she exploded), the world will end on a Saturday. Next Saturday, in fact. Just before dinner. So the armies of Good and Evil are amassing, Atlantis is rising, frogs are falling, tempers are flaring. Everything appears to be going according to Divine Plan. Except a somewhat fussy angel and a fast-living demon—both of whom have lived amongst Earth's mortals since The Beginning and have grown rather fond of the lifestyle—are not actually looking forward to the coming Rapture. And someone seems to have misplaced the Antichrist . . .

antichrist parents guide: Farthing Jo Walton, 2006-08-08 An influential family's weekend party is the stage for murder in this alternative history trilogy opener set in a post-WWII England where the Nazis won. Eight years have passed since the upper-crust "Farthing Set" overthrew Winston Churchill and led Britain into a separate peace with Hitler. Now those families have gathered for a weekend retreat. Among them is estranged scion Lucy Kahn, who can't understand why she and her husband, David, were so enthusiastically invited. But all becomes clear when the eminent Sir James Thirkie is found murdered—with a yellow Star of David pinned to his chest. Lucy realizes that her Jewish husband is about to be framed for the crime, an outcome that would be altogether too politically convenient, given the machinations underway in Parliament in the coming week. The Farthing Set are determined to pass laws further restricting the right to vote, and a new outcry against Jews and foreigners would suit them fine. But whoever's behind the murder and the frame-up didn't count on the principal investigator from Scotland Yard being so prone to look beyond the obvious—or his being a man with his own private reasons for sympathizing with outcasts and underdogs . . . Praise for *Farthing* "If *le Carré* scares you, try Jo Walton. Of course her brilliant story of a democracy selling itself out to fascism sixty years ago is just a mystery, just a thriller, just a fantasy—of course we know nothing like that could happen now. Don't we?" —Ursula K. Le Guin "Walton . . . crosses genres without missing a beat with this stunningly powerful alternative history set in 1949. . . . While the whodunit plot is compelling, it's the convincing portrait of a country's incremental slide into fascism that makes this novel a standout. Mainstream readers should be enthralled as well." —Publishers Weekly (starred review)

antichrist parents guide: The Dark Side Of The Sun Terry Pratchett, 2009-11-24 DOM SALABOS HAD A LOT OF ADVANTAGES As heir to a huge fortune, he had an excellent robot servant (with Man-Friday subcircuitry), a planet (the First Syrian Bank) as godfather, a security chief who even ran checks on himself, and on Dom's home world even death was not always fatal. Why, then, in an age when prediction was a science, was his future in doubt?

antichrist parents guide: American Book Publishing Record , 2005

antichrist parents guide: Antichrist Amy Simmons, 2015-03-17 Written and directed by Lars

von Trier, one of the most influential and provocative filmmakers working today, *Antichrist* (2009), tells a story of parental loss, mourning and despair that result from the tragic death of a child. When the film screened at the 2009 Cannes Film Festival, it split audiences down the middle. Some attacked von Trier for misogyny (amongst other things), while others defended him for creating a daring and poetic portrait of grief and separation. Dense, shocking, and thought-provoking, *Antichrist* is a film which calls for careful analysis and in her *Devil's Advocate* on the film Amy Simmons follows an account of the film's making with an in-depth consideration of the themes and issues arising from it -- the ambiguous depiction of the natural world, the shifting gender power relations, its reflections on Christianity and the limitations of rationality. At the film's heart, says the author, is a heartbreaking depiction of grief-stricken parents, a confounding interplay between psychology and psychosis, misogyny and empowerment.

antichrist parents guide: *How to Raise an Antiracist* Ibram X. Kendi, 2022-06-14 NEW YORK TIMES BESTSELLER • The book that every parent, caregiver, and teacher needs to raise the next generation of antiracist thinkers, from the author of *How to Be an Antiracist* and recipient of the MacArthur "Genius" Grant. "Kendi's latest . . . combines his personal experience as a parent with his scholarly expertise in showing how racism affects every step of a child's life. . . . Like all his books, this one is accessible to everyone regardless of race or class."—Los Angeles Times (Book Club Pick) ONE OF THE BEST BOOKS OF THE YEAR: PopSugar The tragedies and reckonings around racism that are rocking the country have created a specific crisis for parents, educators, and other caregivers: How do we talk to our children about racism? How do we teach children to be antiracist? How are kids at different ages experiencing race? How are racist structures impacting children? How can we inspire our children to avoid our mistakes, to be better, to make the world better? These are the questions Ibram X. Kendi found himself avoiding as he anticipated the birth of his first child. Like most parents or parents-to-be, he felt the reflex to not talk to his child about racism, which he feared would stain her innocence and steal away her joy. But research and experience changed his mind, and he realized that raising his child to be antiracist would actually protect his child, and preserve her innocence and joy. He realized that teaching students about the reality of racism and the myth of race provides a protective education in our diverse and unequal world. He realized that building antiracist societies safeguards all children from the harms of racism. Following the accessible genre of his internationally bestselling *How to Be an Antiracist*, Kendi combines a century of scientific research with a vulnerable and compelling personal narrative of his own journey as a parent and as a child in school. The chapters follow the stages of child development from pregnancy to toddler to schoolkid to teenager. It is never too early or late to start raising young people to be antiracist.

antichrist parents guide: Book of Commandments, for the Government of the Church of Christ Church of Jesus Christ of Latter-Day Saints, 1884

antichrist parents guide: *Vincent and Theo* Deborah Heiligman, 2017-04-18 Printz Honor Book • YALSA Nonfiction Award Winner • Boston Globe-Horn Book Award Winner • SCBWI Golden Kite Winner • Cybils Senior High Nonfiction Award Winner From the author of National Book Award finalist *Charles and Emma* comes an incredible story of brotherly love. The deep and enduring friendship between Vincent and Theo Van Gogh shaped both brothers' lives. Confidant, champion, sympathizer, friend—Theo supported Vincent as he struggled to find his path in life. They shared everything, swapping stories of lovers and friends, successes and disappointments, dreams and ambitions. Meticulously researched, drawing on the 658 letters Vincent wrote to Theo during his lifetime, Deborah Heiligman weaves a tale of two lives intertwined and the extraordinary love of the Van Gogh brothers.

Featured in its own episode in the Netflix original show *Bookmarks: Celebrating Black Voices*, *Good Morning America*, NPR's *Morning Edition*, CBS *This Morning*, and more!

antichrist parents guide: America's Demise, Antichrist's Rise Thomas G. Reed, 2021-11-02 Are you aware that the current events shaping our world reflect apocalyptic biblical predictions? It's clear that the end of time is near. This book is a wake-up call for Christians and American patriots who can no longer afford to shrug and hope for the best. The strong foundation of Judeo-Christian values that built our great country has crumbled to the ground in the face of humanism and liberal progressivism. America's demise parallels the demise of mankind as a whole. How have we reached this state of crisis? We explore the death grip that humanism has on America and the ultimate fate of all the world's citizens. We examine both the source of sin and the path toward holiness, including death to the old self and resurrection of the new. It is essential to heed the warnings found in God's Word, warnings which become increasingly relevant as the Great Tribulation draws near. With a detailed evaluation of the Scriptures, we identify the timeline of the Tribulation, Rapture, return of Jesus Christ, and the thousand-year millennium. Realizing that the Rapture will not take place prior to the Tribulation, we must accept the Tribulation when it begins and recognize its ramifications or risk being deceived by Satan and the Antichrist. As the Tribulation defines our end, so does it offer an opportunity for a new beginning if we can achieve perfection through our Lord. While cataclysmic occurrences may be imminent, devoted Christians can also expect wondrous rewards both here and now and for all eternity.

antichrist parents guide: *Fighting for the Soul of Your Child* Jimmy Evans, Karen Evans, Julie Evans Albracht, 2023-09-26 You can raise godly kids in an ungodly world. As a parent, you want your child to be happy and successful. You might focus on their clothes, curfews, and crushes. But do you

know that there is something more important to fight for—your child's soul? God gave you this child, and He will equip you to raise them. Don't let fear, shame, or anxiety make you feel inadequate for the task. With practical, how-to wisdom, Jimmy and Karen Evans join their daughter Julie Evans Albracht to explore what every parent needs to know about: · Finding your true purpose as a parent · Setting the right priorities · Protecting your family from outside pressures · Allowing God's Word to determine your agenda · Facing battlefields with confidence Your child is a gift, and fighting for their soul is a worthy battle.

antichrist parents guide: Raising Antiracist Children Britt Hawthorne, 2022-06-07 NEW YORK TIMES BESTSELLER A must-have guide to raising inclusive, antiracist children from educator and advocate, Britt Hawthorne. Raising antiracist children is a noble goal for any parent, caregiver, or educator, but it can be hard to know where to start. Let Britt Hawthorne—a nationally recognized teacher and advocate—be your guide. Raising Antiracist Children acts as an interactive guide for strategically incorporating the tools of inclusivity into everyday life and parenting. Hawthorne breaks down antiracist parenting into four comprehensive sections: -Healthy bodies—Establishing a safe and body-positive home environment to combat stereotypes and create boundaries. -Radical minds—Encouraging children to be agents of change, accompanied by scripts for teaching advocacy, giving and taking productive feedback, and becoming a coconspirator for change. -Conscious shopping—Raising awareness of how local shopping can empower or hinder a community's ability to thrive, and teaching readers of all ages how to create shopping habits that support their values. -Thriving communities—Acknowledging the personal power we have to shape our schools, towns, and worlds, accompanied by exercises for instigating change. Full of questionnaires, stories, activities, tips, and tools, Raising Antiracist Children is a must-have, practical guide essential for parents and caregivers everywhere.

antichrist parents guide: Handbook to Bach's Sacred Cantata Texts Melvin P. Unger, 1996-04-16 The German church cantata of the eighteenth century was the culmination of a long tradition of Lutheran sermon music that used the proclamation, amplification, and interpretation of scripture to teach and persuade the listener. Bach's cantatas also served this didactic purpose and typically incorporate numerous allusions to scriptural passages or themes in their librettos. Unfortunately, many of these passages remain obscure to the twentieth-century musician because they demand a much closer familiarity with the Bible than is common today. The Handbook to Bach's Sacred Cantata Texts identifies scriptural references for the wording, imagery, and themes that Bach's listeners would have known. In addition, the religious or literary theme of each text is summarized within the specific context of the cantata as a whole. With interlinear translations and a full complement of indexes.

antichrist parents guide: The Rough Guide to Cult Movies Rough Guides, 2010-08-02 The Rough Guide to Cult Movies offers a blend of essential trivia and informed opinion as it takes you on a tour of the most compellingly weird - and weirdly compelling - films in the world. Whether you're a paid-up member of The Big Lebowski fan club or just looking for a night in with an interesting DVD, The Rough Guide to Cult Movies is the ultimate guide to the world's most memorable films. The Rough Guide to Cult Movies selects cinema's most compelling triumphs: films that are brilliant, intriguing or just plain bizarre; from action flicks to zombie films, by way of nuns, yakuza, musicals and mutations. You'll find expert, pithy reviews of over 1500 movies, with forgotten legends like Charlie Chan and the Opera or contemporary classics like There Will Be Blood, plus filmmakers' picks of their favourite cult movies, in their own words. There are good movies and there are bad movies and then there are cult movies.

antichrist parents guide: Education and Conversation David Bakhurst, Paul Fairfield, 2016-05-19 Since Michael Oakeshott spoke of education as initiation into 'the conversation of mankind' more than fifty years ago, the idea has inspired a diverse array of thinkers and continues to be invoked today by those seeking to resist the influence of managerialism and narrow instrumentalism in educational policy and practice. Education and Conversation draws together

papers written by scholars from both the analytic and continental philosophical traditions to offer a variety of perspectives on the implications of Oakeshott's educational ideas. The metaphor of the conversation of mankind is explored, together with the roots of Oakeshott's thinking in his early philosophical work, the relevance of his ideas to the concept of Bildung, and the significance of his political conservatism in evaluating the seemingly progressive potential of his educational ideas. In addition, concepts prominent in Oakeshott's thought are taken up and brought to bear on contemporary philosophical discussions about education, learning and development, including the nature of initiation, the phenomenology of listening, and the value of the liberal arts tradition. Education and Conversation shows how the idea of conversation illuminates both the character and the ends of education, yielding insight into the scope and limits of the philosophy of education and the character of philosophical inquiry more generally.

antichrist parents guide: A Better Way to Pray Andrew Wommack, 2007 After nearly four decades of ministry, Andrew Wommack has discovered some important truths about prayer. His prayer life is much different than it was thirty years ago and the results have dramatically improved! You may be asking many of the same questions Andrew once did. Is prayer my Christian duty? Is prayer primarily about asking God to meet my needs and the needs of others? Is God's answer to my prayer based on the degree of my humility and sincerity? Is answered prayer a sovereign decision of God or do I have the ability to influence Him? Clear, scriptural answers to these questions and more could significantly change the way you pray. These principles may not be the only way to pray, but if you're not getting the results you desire, consider changing directions; maybe there is A Better Way to Pray.
