

True Crime Society Podcast Hosts

True Crime Society Podcast Hosts: Delving into the Minds Behind the Microphone

Are you captivated by the intricate narratives of unsolved mysteries and chilling real-life crimes? Then you're likely a devotee of the ever-expanding world of true crime podcasts. But beyond the compelling stories, there's a fascinating layer: the hosts themselves. This post dives deep into the world of True Crime Society podcast hosts, exploring their backgrounds, storytelling styles, and what makes them so compelling to listeners. We'll uncover the unique approaches different hosts bring to the genre, highlighting some of the most popular names and discussing what contributes to their success in a crowded marketplace.

The Allure of True Crime Podcast Hosts: More Than Just Narrators

True crime podcast hosts aren't simply readers of scripts; they are storytellers, investigators, and empathetic guides navigating complex and often disturbing narratives. Their success hinges on a potent blend of skills:

1. Exceptional Research and Fact-Checking:

The backbone of any credible true crime podcast is meticulous research. Top hosts demonstrate a commitment to accuracy, verifying details and presenting a balanced perspective, even when dealing with emotionally charged cases. Sloppy research can damage credibility and even cause harm to victims' families. Listeners rely on these hosts to present the facts responsibly.

2. Compelling Storytelling and Narrative Structure:

Even the most fascinating case can fall flat without skillful storytelling. Effective hosts know how to build suspense, create emotional connection with the victims, and maintain listener engagement throughout the episode. They understand pacing, the use of sound effects, and the art of weaving together multiple sources of information into a cohesive narrative.

3. Empathy and Respect:

Handling sensitive subject matter requires a high degree of emotional intelligence. Successful hosts demonstrate empathy for victims and their families, avoiding sensationalism and respecting the gravity of the events being discussed. This ethical approach builds trust with the audience.

4. Engaging Personality and Host Chemistry (for collaborative podcasts):

For podcasts featuring multiple hosts, chemistry is crucial. Listeners connect with personalities they find relatable and enjoyable to listen to. A good rapport between hosts keeps the discussion lively and engaging, preventing the content from becoming monotonous.

Exploring Different Styles of True Crime Podcast Hosting:

The true crime podcast landscape is diverse, encompassing a range of hosting styles:

The Investigative Journalist: These hosts approach each case like a journalistic inquiry, digging deep into evidence, interviewing witnesses, and pursuing leads. They often focus on uncovering overlooked details and presenting fresh perspectives on well-known cases.

The Conversational Duo: Many popular podcasts feature two hosts who engage in a dynamic back-and-forth, offering differing viewpoints and adding a layer of informal banter to the discussion. This style can make even complex cases feel accessible and relatable.

The Solo Narrator: Some hosts prefer a more solitary approach, carefully crafting narratives and guiding listeners through the story with their own distinct voice and perspective. This style often emphasizes a deeper dive into emotional impact and analysis.

The Academic Approach: Some podcasts adopt a more analytical lens, incorporating criminological theories and historical context to provide richer understanding of the cases examined.

The Impact of Social Media and Community Engagement:

Successful True Crime Society podcast hosts leverage social media platforms to connect with their audiences, fostering a sense of community among listeners. Interactive features, Q&A sessions, and behind-the-scenes content enhance listener engagement and cultivate a loyal following.

Challenges Faced by True Crime Podcast Hosts:

The popularity of the genre also presents challenges. Hosts face pressure to produce high-quality content consistently, manage ethical considerations surrounding sensitive cases, and compete in a saturated marketplace. Maintaining accuracy, avoiding misinformation, and protecting the privacy of individuals involved are critical ethical considerations.

Conclusion

The world of true crime podcasts is thriving, and the hosts are key to its success. Their dedication to meticulous research, compelling storytelling, and ethical considerations shapes the listener experience. The diverse range of hosting styles ensures there's a podcast for everyone, showcasing the power of storytelling and the ongoing fascination with true crime narratives. The future of the genre will undoubtedly continue to evolve, driven by innovative storytelling techniques and the enduring human curiosity about unsolved mysteries and the complexities of human nature.

FAQs:

1. How do I become a true crime podcast host? Start by honing your research and storytelling skills. Develop a unique approach to the genre, build a strong online presence, and network with others in the podcasting community.
2. What are the ethical considerations for true crime podcast hosts? Hosts must prioritize accuracy, respect the privacy of individuals involved, avoid sensationalism, and demonstrate empathy for victims and their families.
3. What software do most true crime podcast hosts use? Popular choices include Audacity (free), GarageBand (Mac), and Adobe Audition (professional).
4. How can I find less-known true crime podcasts? Explore smaller podcasting platforms, search for niche topics within the genre, and follow podcast recommendations from other true crime enthusiasts online.
5. What makes a true crime podcast successful? A combination of compelling storytelling, thorough research, ethical considerations, and effective promotion contribute to a podcast's success.

true crime society podcast hosts: Redhanded Suruthi Bala, Hannah Maguire, 2021-09-16 The instant Sunday Times bestseller from the UK's number one true crime podcast, RedHanded! What is it about killers, cults, and cannibals that capture our imaginations even as they terrify and disturb

us? How do we carefully consume these cases and what can they teach us about what makes victims and their murderers our collective responsibility? RedHanded rejects the outdated narrative of killers as monsters and that a victim 'was just in the wrong place at the wrong time.' Instead, it dissects the stories of killers in a way that challenges perceptions and asks the hard questions about society, gender, poverty, culture, and even our politics. With Bala and Maguire's trademark humour, research on real-life cases, and unflinching analysis of what makes a criminal, the authors take you through the societal, behavioural, and cultural drivers of the most extreme of human behaviour to find out once and for all: what makes a killer tick?

true crime society podcast hosts: *The Rise of True Crime* Jean Murley, 2008-08-30 During the 1950s and 1960s True Detective magazine developed a new way of narrating and understanding murder. It was more sensitive to context, gave more psychologically sophisticated accounts, and was more willing to make conjectures about the unknown thoughts and motivations of killers than others had been before. This turned out to be the start of a revolution, and, after a century of escalating accounts, we have now become a nation of experts, with many ordinary people able to speak intelligently about blood-spatter patterns and organized vs. disorganized serial killers. The Rise of True Crime examines the various genres of true crime using the most popular and well-known examples. And despite its examination of some of the potentially negative effects of the genre, it is written for people who read and enjoy true crime, and wish to learn more about it. With skyrocketing crime rates and the appearance of a frightening trend toward social chaos in the 1970s, books, documentaries, and fiction films in the true crime genre tried to make sense of the Charles Manson crimes and the Gary Gilmore execution events. And in the 1980s and 1990s, true crime taught pop culture consumers about forensics, profiling, and highly technical aspects of criminology. We have thus now become a nation of experts, with many ordinary people able to speak intelligently about blood-spatter patterns and organized vs. disorganized serial killers. Through the suggestion that certain kinds of killers are monstrous or outside the realm of human morality, and through the perpetuation of the stranger-danger idea, the true crime aesthetic has both responded to and fostered our culture's fears. True crime is also the site of a dramatic confrontation with the concept of evil, and one of the few places in American public discourse where moral terms are used without any irony, and notions and definitions of evil are presented without ambiguity. When seen within its historical context, true crime emerges as a vibrant and meaningful strand of popular culture, one that is unfortunately devalued as lurid and meaningless pulp.

true crime society podcast hosts: *Dangerous Ground* M. William Phelps, 2018-02-27 The bestselling author of Targeted shares the identity of the serial killer who co-starred with him on Dark Minds and the story of their intriguing bond. In September 2011, M. William Phelps made a decision that would change reality-based television—and his own life. He asked a convicted serial killer to act as a consultant for his TV series. Under the code name “Raven,” the murderer shared his insights into the minds of other killers and helped analyze their crimes. As the series became an international sensation, Raven became Phelps's unlikely confidante, ally—and friend. In this deeply personal account, Phelps traces his own family's dark history, and takes us into the heart and soul of a serial murderer. He also chronicles the complex relationship he developed with Raven. From questions about morality to Raven's thoughts on the still-unsolved, brutal murder of Phelps's sister-in-law, the author found himself grappling with an unwanted, unexpected, unsettling connection with a cold-blooded killer. Drawing on over seven thousand pages of letters, dozens of hours of recorded conversations, personal and Skype visits, and a friendship five years in the making, Phelps sheds new light on Raven's bloody history, including details of an unknown victim, the location of a still-buried body—and a jaw-dropping admission. All this makes for an unforgettable journey into the mind of a charming, manipulative psychopath that few would dare to know—and the determined journalist who did just that. Praise for New York Times bestselling author M. William Phelps “Anything by Phelps is an eye-opening experience.” —Suspense Magazine “Phelps is the king of true crime.” —Lynda Hirsch, Creators Syndicate columnist

true crime society podcast hosts: *Stay Sexy & Don't Get Murdered* Karen Kilgariff, Georgia

Hardstark, 2019-05-28 The instant #1 New York Times and USA Today best seller by Karen Kilgariff and Georgia Hardstark, the voices behind the hit podcast My Favorite Murder! Sharing never-before-heard stories ranging from their struggles with depression, eating disorders, and addiction, Karen and Georgia irreverently recount their biggest mistakes and deepest fears, reflecting on the formative life events that shaped them into two of the most followed voices in the nation. In Stay Sexy & Don't Get Murdered, Karen and Georgia focus on the importance of self-advocating and valuing personal safety over being 'nice' or 'helpful.' They delve into their own pasts, true crime stories, and beyond to discuss meaningful cultural and societal issues with fierce empathy and unapologetic frankness. "In many respects, Stay Sexy & Don't Get Murdered distills the My Favorite Murder podcast into its most essential elements: Georgia and Karen. They lay themselves bare on the page, in all of their neuroses, triumphs, failures, and struggles. From eating disorders to substance abuse and kleptomania to the wonders of therapy, Kilgariff and Hardstark recount their lives with honesty, humor, and compassion, offering their best unqualified life-advice along the way." —Entertainment Weekly "Like the podcast, the book offers funny, feminist advice for survival—both in the sense of not getting killed and just, like, getting a job and working through your personal shit so you can pay your bills and have friends." —Rolling Stone At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

true crime society podcast hosts: Cold Case Club Jon R. Minks, 2016-07-16 Five women form the Cold Case Club to solve cold murder cases for entertainment. They have no idea what awaits them. Their successes and failures result in five murders, bringing the mystery into the lives of police and civilians as they follow the clues. Omaha Police Detective Sean O'Mally is assigned to the case the week before Christmas. During the investigation, he is surprised to learn what he left behind when he relocated to Omaha from Boston. With fresh ideas from a new source, he solves the case, takes a bullet, and changes his family as he confronts the killer.

true crime society podcast hosts: True Crime Story Joseph Knox, 2021-12-07 Cleverly blending the real and imagined worlds until the reader can't differentiate the two, Knox has created a twisty, turny thriller that cuts through the heart of the modern true crime fascination, all while keeping us enraptured by it.—BuzzFeed THE #1 INTERNATIONAL BESTSELLER! For fans of true crime documentaries and Only Murders in the Building comes the chilling story of a university student's sudden disappearance, the woman who became obsessed with her case, and the crime writer who uncovered the truth about what happened... What happens to all the girls who go missing? In 2011, Zoe Nolan walked out of her dormitory in Manchester and was never seen or heard from again. Her case went cold. Her story was sad, certainly, but hardly sensational, crime writer Joseph Knox thought. He wouldn't have given her any more thought were it not for his friend, Evelyn Mitchell. Another writer struggling to come up with a new idea, Evelyn was wondering just what happens to all the girls who go missing. What happens to the Zoe Nolans of the world? Evelyn began investigating herself, interviewing Zoe's family and friends, and emailing Joseph with chapters of the book she was writing with her findings. Uneasy with the corkscrew twists and turns, Joseph Knox embedded himself in the case, ultimately discovering a truth more tragic and shocking than he could have possibly imagined... Just remember: Everything you read is fiction. Praise for True Crime Story: Stunningly unique...For fans of stories with a little something extra, this book is set up like an oral history, complete with emails, newspaper clippings and photos that propel the story all the way to a shocking and satisfying conclusion. —Newsweek Mr. Knox is a fantastic writer. His ambitious fourth novel satirises and celebrates the true-crime genre with glee. True Crime Story, by turns horrific and hilarious, is scandalously entertaining. —The Times (UK) The gifted Joseph Knox continues his upwards trajectory with True Crime Story forging something original and innovative. —Financial Times (UK) This is one of the most engaging cold-case novels I have read. —Literary Review (UK)

true crime society podcast hosts: Unsolved: The JonBenét Ramsey Murder 25 Years Later Paula Woodward, 2021-11-09 In 1996, six-year-old JonBenét Ramsey was tortured and murdered in her family home. Twenty-five years later, Emmy Award-winning investigative journalist

Paula Woodward revisits the cold case to share new insider information on the heinous murder that gripped the nation. After the murder of JonBenét Ramsey, rumors and misinformation planted by Boulder, Colorado law enforcement sped rapidly around the world. Suspicion immediately fell on the family as police sought to exploit her death in the media. Prosecutors and law enforcement intentionally manipulated existing evidence and ignored inconvenient evidence. Child beauty pageant photos of JonBenét whipped the case into a judgmental frenzy. Paula Woodward was one of the few journalists who reported the family's side of the story. She's still investigating the 25-year conspiracy to convict John and Patsy Ramsey by law enforcement who acted with arrogance, insecurity, incompetence, and benign neglect. In *Unsolved*, the follow-up to Woodward's award-winning and acclaimed true crime exposé *We Have Your Daughter*, Woodward explores outstanding questions still swirling around the cold case: Who wrote the baffling ransom note? What was found in the 11 pages of exclusive police report summaries backgrounding the Ramseys? And why has the case languished for years? Included in the book are new, exclusive interviews with John Ramsey, his wife Jan, and his son John Andrew as they look back at the case, 25 years later, and react with stunning candor. New photos and reports from JonBenét's teachers, friends, and family cut through the sensationalized headlines to show who JonBenét really was. Interwoven throughout the book is expert commentary on what the actual evidence shows, and whether the killer might ever be caught. With never-before-released evidence from a now-passive investigation, *Unsolved* presents the known facts of the killing of JonBenét Ramsey, the bizarre yet intriguing aspects of this ongoing mystery, and gives you rare insight into whether a family member or an intruder savagely murdered JonBenét.

true crime society podcast hosts: The Case of the Golden State Killer Michael Morford, Michael Ferguson, 2018-08-29 By the creators of *Criminology*: a complete chronicle of the Golden State serial killer investigation, including photographs and documents. In 1976, a serial rapist terrorized California's Sacramento County, breaking into homes and leaving a trail of destruction behind him. As the masked predator expanded his turf, his evil urges drove him to murder. In Northern California, he was known as the East Area Rapist. In Southern California, he was called the Original Night Stalker. When his crimes were finally connected, he would become known as the Golden State Killer. By 1986, he had committed a staggering tally of crimes, including at least 12 murders. In season two of their popular podcast, *Criminology*, veteran podcaster Mike Morford and true crime researcher Mike Ferguson unmasked this killer in a story that spans more than forty years. Joined by the investigators who hunted him, the witnesses who saw him, and the survivors who lived to tell their stories, *Criminology Season Two: The Case of the Golden State Killer* examines the story of the most prolific serial rapist and murderer in American history. Now, *The Case of the Golden State Killer* presents an even more complete chronicle of this true crime story. Based on the podcast, this digital volume features additional commentary, photographs and primary source documents.

true crime society podcast hosts: The (Mis)Representation of Queer Lives in True Crime Abbie E. Goldberg, Danielle C. Slakoff, Carrie L. Buist, 2023-08-25 This book examines the representation and misrepresentation of queer people in true crime, addressing their status as both victims and perpetrators in actual crime, as well as how the media portrays them. The chapters apply an intersectional perspective in examining criminal cases involving LGBTQ people, as well as the true crime media content surrounding the cases. The book illuminates how sexual orientation, gender, race, and other social locations impact the treatment of queer people in the criminal legal system and the mass media. Each chapter describes one or more high-profile criminal cases involving queer people (e.g., the murders of Brandon Teena and Kitty Genovese; serial killer Aileen Wuornos; the Pulse nightclub mass shooting). The authors examine how the cases are portrayed in the media via news, films, podcasts, documentaries, books, social media, and more. Each chapter discusses not only what is visible or emphasized by the media but also what is invisible in the accounting or societal focus surrounding the case. Lesser-known (but similar) cases are used in the book to call attention to how race, gender, sexuality, sexual orientation, social class, and/or other

features influence the dominant narrative surrounding these cases. Each chapter addresses teachable moments from each case and its coverage, leaving readers with several considerations to take with them into the future. The book also provides media resources and supplemental materials so that curious readers, including scholars, students, content creators, and advocates, can examine the cases and media content further. The book will appeal to scholars and students of criminology, psychology, sociology, law, media studies, sexuality studies, and cultural studies, and people with an interest in true crime.

true crime society podcast hosts: *The Last Book on the Left* Ben Kissel, Marcus Parks, Henry Zebrowski, 2020 A NEW YORK TIMES BESTSELLER An equal parts haunting and hilarious deep-dive review of history's most notorious and cold-blooded serial killers, from the creators of the award-winning Last Podcast on the Left Since its first show in 2010, The Last Podcast on the Left has barreled headlong into all things horror, as hosts Henry Zebrowski, Ben Kissel, and Marcus Parks cover subjects spanning Jeffrey Dahmer, werewolves, Jonestown, and supernatural phenomena. Deeply researched but with a morbidly humorous bent, the podcast has earned a dedicated and aptly cultlike following for its unique take on all things macabre. In their first book, the guys take a deep dive into history's most infamous serial killers, from Ted Bundy to John Wayne Gacy, exploring their origin stories, haunting habits, and perverse predilections. Featuring newly developed content alongside updated fan favorites, each profile is an exhaustive examination of the darker side of human existence. With appropriately creepy four-color illustrations throughout and a gift-worthy paper over board format, *The Last Book on the Left* will satisfy the bloodlust of readers everywhere.

true crime society podcast hosts: *Savage Appetites* Rachel Monroe, 2020-07-07 A “necessary and brilliant” (NPR) exploration of our cultural fascination with true crime told through four “enthraling” (The New York Times Book Review) narratives of obsession. In *Savage Appetites*, Rachel Monroe links four criminal roles—Detective, Victim, Defender, and Killer—to four true stories about women driven by obsession. From a frustrated and brilliant heiress crafting crime-scene dollhouses to a young woman who became part of a Manson victim’s family, from a landscape architect in love with a convicted murderer to a Columbine fangirl who planned her own mass shooting, these women are alternately mesmerizing, horrifying, and sympathetic. A revealing study of women’s complicated relationship with true crime and the fear and desire it can inspire, together these stories provide a window into why many women are drawn to crime narratives—even as they also recoil from them. Monroe uses these four cases to trace the history of American crime through the growth of forensic science, the evolving role of victims, the Satanic Panic, the rise of online detectives, and the long shadow of the Columbine shooting. Combining personal narrative, reportage, and a sociological examination of violence and media in the 20th and 21st centuries, *Savage Appetites* is a “corrective to the genre it interrogates” (The New Statesman), scrupulously exploring empathy, justice, and the persistent appeal of crime.

true crime society podcast hosts: *Met Her on the Mountain* Mark I. Pinsky, 2022-04-05 In June of 1970, the body of 24-year-old Nancy Morgan was found inside a government-owned car in Madison County, North Carolina. It had been four days since anyone had heard from the bubbly, hard-working brunette who had moved to the Appalachian community less than a year prior as an organizer for Volunteers in Service to America. At the time of her death, her tenure in the Tar Heel State was just weeks from ending, her intentions set on New York and nursing school and a new life that she would never see. The initial investigation was thwarted by inept police work, jurisdictional confusion, and the influence of local corruption. Fourteen years would pass before an arrest in the case would be made, but even then, a pall would be cast over the veracity of the evidence. *Met Her on the Mountain* is the culmination of former Los Angeles Times staff writer Mark Pinsky's efforts to solve the 40-year-old mystery once and for all. An exhaustive piece of investigative journalism, Pinsky's work, now with a new postscript, dissects this modern Southern Gothic tale and takes readers on a journey to convince them that the truth of Morgan's murder is within reach.

true crime society podcast hosts: *Norco '80* Peter Houlahan, 2019-06-11 5 young men. 32

destroyed police vehicles. 1 spectacular bank robbery. This “cinematic” true crime story transports readers to the scene of one of the most shocking bank heists in U.S. history—a crime that’s almost too wild to be real (The New York Times Book Review). Norco ’80 tells the story of how five heavily armed young men—led by an apocalyptic born-again Christian—attempted a bank robbery that turned into one of the most violent criminal events in U.S. history, forever changing the face of American law enforcement. Part action thriller and part courtroom drama, this Edgar Award finalist for Best Fact Crime transports the reader back to the Southern California of the 1970s, an era of predatory evangelical gurus, doomsday predictions, megachurches, and soaring crime rates, with the threat of nuclear obliteration looming over it all. In this riveting true story, a group of landscapers transforms into a murderous gang of bank robbers armed to the teeth with military-grade weapons. Their desperate getaway turns the surrounding towns into war zones. And when it’s over, three are dead and close to twenty wounded; a police helicopter has been forced down from the sky, and thirty-two police vehicles have been completely demolished by thousands of rounds of ammo. The resulting trial shakes the community to the core, raising many issues that continue to plague society today: from the epidemic of post-traumatic stress disorder within law enforcement to religious extremism and the militarization of local police forces.

true crime society podcast hosts: *If I Disappear* Eliza Jane Brazier, 2021 This new novel has more twists and fakeouts than an episode of *Serial*. --Rolling Stone An eerie, twisted thriller sure to shake up the most seasoned true crime die-hard. --Harper's Bazaar A Most Anticipated Book of 2021 by Rolling Stone - CNN - E! Online - Buzzfeed - New York Post - Popsugar - Woman's Day - Crime Reads - Hello Giggles When her favorite true crime podcast host goes missing, an adrift young woman sets out to investigate and plunges headfirst into the wild backcountry of Northern California and her own dangerous obsession. Sera loves true crime podcasts. They give her a sense of control in a world where women just like her disappear daily. She's sure they are preparing her for something. So when Rachel, her favorite podcast host, goes missing, Sera knows it's time to act. Rachel has always taught her to trust her instincts. Sera follows the clues hidden in the episodes to an isolated ranch outside Rachel's small hometown to begin her search. She's convinced her investigation will make Rachel so proud. But the more Sera digs into this unfamiliar world, the more off things start to feel. Because Rachel is not the first woman to vanish from the ranch, and she won't be the last... Rachel did try to warn her.

true crime society podcast hosts: *And the Dead Shall Rise* Steve Oney, 2023-04-12 The definitive account of one of American history’s most repellent and most fascinating moments, combining investigative journalism and sweeping social history Years later, the tale of murder and revenge in Georgia still has the power to fascinate...Intense, suspenseful.” —The Washington Post Book World In 1913, 13-year-old Mary Phagan was found brutally murdered in the basement of the Atlanta pencil factory where she worked. The factory manager, a college-educated Jew named Leo Frank, was arrested, tried, and convicted in a trial that seized national headlines. When the governor commuted his death sentence, Frank was kidnapped and lynched by a group of prominent local citizens. Steve Oney’s acclaimed account re-creates the entire story for the first time, from the police investigations to the gripping trial to the brutal lynching and its aftermath. Oney vividly renders Atlanta, a city enjoying newfound prosperity a half-century after the Civil War, but still rife with barely hidden prejudices and resentments. He introduces a Dickensian pageant of characters, including zealous policemen, intrepid reporters, Frank’s martyred wife, and a fiery populist who manipulated local anger at Northern newspapers that pushed for Frank’s exoneration.

true crime society podcast hosts: *Ask a Manager* Alison Green, 2018-05-01 From the creator of the popular website Ask a Manager and New York’s work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There’s a reason Alison Green has been called “the Dear Abby of the work world.” Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don’t know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You’ll learn what

to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit “reply all” • you’re being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate’s loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for *Ask a Manager* “A must-read for anyone who works . . . [Alison Green’s] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work.”—Booklist (starred review) “The author’s friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers’ lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience.”—Library Journal (starred review) “I am a huge fan of Alison Green’s *Ask a Manager* column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor.”—Robert Sutton, Stanford professor and author of *The No Asshole Rule* and *The Asshole Survival Guide* “*Ask a Manager* is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way.”—Erin Lowry, author of *Broke Millennial: Stop Scraping By and Get Your Financial Life Together*

true crime society podcast hosts: Murder Book Hilary Fitzgerald Campbell, 2021-11-09 Why is it so much fun to read about death and dismemberment? In *Murder Book*, lifelong true-crime obsessive and New Yorker cartoonist Hilary Fitzgerald Campbell tries to puzzle out the answer. An unconventional graphic exploration of a lifetime of Ann Rule super-fandom, amateur armchair sleuthing, and a deep dive into the high-profile murders that have fascinated the author for decades, this is a funny, thoughtful, and highly personal blend of memoir, cultural criticism, and true crime with a focus on the often-overlooked victims of notorious killers.

true crime society podcast hosts: Why We Love Serial Killers Scott Bonn, 2014-10-28 For decades now, serial killers have taken center stage in the news and entertainment media. The coverage of real-life murderers such as Ted Bundy and Jeffrey Dahmer has transformed them into ghoulish celebrities. Similarly, the popularity of fictional characters such as Hannibal “The Cannibal” Lecter or Dexter demonstrates just how eager the public is to be frightened by these human predators. But why is this so? Could it be that some of us have a gruesome fascination with serial killers for the same reasons we might morbidly stare at a catastrophic automobile accident? Or it is something more? In *Why We Love Serial Killers*, criminology professor Dr. Scott Bonn explores our powerful appetite for the macabre, while also providing new and unique insights into the world of the serial killer, including those he has gained from his correspondence with two of the world’s most notorious examples, David Berkowitz (“Son of Sam”) and Dennis Rader (“Bind, Torture, Kill”). In addition, Bonn examines the criminal profiling techniques used by law enforcement professionals to identify and apprehend serial predators, he discusses the various behaviors—such as the charisma of the sociopath—that manifest themselves in serial killers, and he explains how and why these killers often become popular cultural figures. Groundbreaking in its approach, *Why We Love Serial Killers* is a compelling look at how the media, law enforcement agencies, and public perception itself shapes and feeds the “monsters” in our midst.

true crime society podcast hosts: Stuff You Should Know Josh Clark, Chuck Bryant, 2020-11-24 From the duo behind the massively successful and award-winning podcast *Stuff You Should Know* comes an unexpected look at things you thought you knew. Josh Clark and Chuck Bryant started the podcast *Stuff You Should Know* back in 2008 because they were curious—curious about the world around them, curious about what they might have missed in their formal educations, and curious to dig deeper on stuff they thought they understood. As it turns out, they aren’t the only curious ones. They’ve since amassed a rabid fan base, making *Stuff You Should Know* one of the most popular podcasts in the world. Armed with their inquisitive natures and a passion for sharing, they uncover the weird, fascinating, delightful, or unexpected elements of a wide variety of topics. The pair have now taken their near-boundless whys and hows from your earbuds to the pages of a book for the first time—featuring a completely new array of subjects that they’ve long wondered

about and wanted to explore. Each chapter is further embellished with snappy visual material to allow for rabbit-hole tangents and digressions—including charts, illustrations, sidebars, and footnotes. Follow along as the two dig into the underlying stories of everything from the origin of Murphy beds, to the history of facial hair, to the psychology of being lost. Have you ever wondered about the world around you, and wished to see the magic in everyday things? Come get curious with Stuff You Should Know. With Josh and Chuck as your guide, there's something interesting about everything (...except maybe jackhammers).

true crime society podcast hosts: The Cruelty Is the Point Adam Serwer, 2021-06-29 NEW YORK TIMES BESTSELLER • From an award-winning journalist at The Atlantic, these searing essays make a powerful case that “real hope lies not in a sunny nostalgia for American greatness but in seeing this history plain—in all of its brutality, unadorned by euphemism” (The New York Times). NAMED ONE OF THE BEST BOOKS OF THE YEAR BY NPR • “No writer better demonstrates how American dreams are so often sabotaged by American history. Adam Serwer is essential.”—Ta-Nehisi Coates To many, our most shocking political crises appear unprecedented—un-American, even. But they are not, writes The Atlantic’s Adam Serwer in this prescient essay collection, which dissects the most devastating moments in recent memory to reveal deeply entrenched dynamics, patterns as old as the country itself. The January 6 insurrection, anti-immigrant sentiment, and American authoritarianism all have historic roots that explain their continued power with or without President Donald Trump—a fact borne out by what has happened since his departure from the White House. Serwer argues that Trump is not the cause, he is a symptom. Serwer’s phrase “the cruelty is the point” became among the most-used descriptions of Trump’s era, but as this book demonstrates, it resonates across centuries. The essays here combine revelatory reporting, searing analysis, and a clarity that’s bracing. In this new, expanded version of his bestselling debut, Serwer elegantly dissects white supremacy’s profound influence on our political system, looking at the persistence of the Lost Cause, the past and present of police unions, the mythology of migration, and the many faces of anti-Semitism. In so doing, he offers abundant proof that our past is present and demonstrates the devastating costs of continuing to pretend it’s not. The Cruelty Is the Point dares us, the reader, to not look away.

true crime society podcast hosts: Lloyd been story 3 diff encyclopedias aspect of Gov. CHANGE EFFORTS OF AIF military America King , New Book by America King: No Government Shutdown by Royal Commission Government FOR IMMEDIATE RELEASE New Book by America King: No Government Shutdown by Royal Commission Government City, Date - America King, an esteemed author and political analyst, has released a groundbreaking book titled No Government Shutdown by Royal Commission Government. This compelling work delves into the concept of the Royal Commission Government as an alternative system to prevent government shutdowns and mitigate the associated challenges. With meticulously researched data and highly informative graphs and charts, this book provides an in-depth analysis of how a Royal Commission Government can safeguard society, citizens, and the economy from structures damage, GDP fluctuations, and pollution. With the aim of fostering a more stable and efficient political system, America King proposes the implementation of a Royal Commission Government. Drawing from historical examples and visionary ideas, the book highlights the potential benefits of such a system in avoiding government shutdowns, improving society, and protecting the environment. Through the use of engaging graphs and charts, America King presents an evidence-based argument on the damaging effects of government shutdowns on multiple fronts. The book demonstrates how these shutdowns can negatively impact society, hinder economic growth, and cause irreparable damage to the environment. By analyzing data and presenting it in a visually appealing manner, readers gain a comprehensive understanding of the pressing issues at hand. No Government Shutdown by Royal Commission Government is poised to be a thought-provoking and important contribution to the ongoing political discourse. America King's expertise and extensive research make this book a must-read for policymakers, political scientists, and anyone interested in shaping a better future for society and the economy. With a passion for creating positive change, King's works have been influential in shaping political discourse and reimagining governmental systems. With a focus on innovation and progress, America King continues to be a leading voice in the field of political science. On Sun, Nov 26, 2023, 9:29 AM God Autokrator <royalcommission84@gmail.com> wrote: Royal Commission Government Funds Welfare Programs and Payrolls Worldwide FOR IMMEDIATE RELEASE Royal Commission Government Funds Welfare Programs and Payrolls Worldwide City, State Workers and Social Welfare Beneficiaries Now Supported by the Royal Commission Government [City, State] - [Date] The Royal Commission Government, a registered world government, is now taking the lead in funding welfare programs such as SNAP, EBT, and SSI, as well as government payrolls globally. This new initiative ensures the efficient and timely provision of social assistance and employee salaries worldwide. As a world government, the Royal Commission Government is committed to ensuring the well-being of citizens around the globe. By overseeing the funding of essential welfare programs, the Royal Commission Government aims to alleviate poverty, promote equality, and provide a safety net for those in need. This groundbreaking development has the potential to revolutionize the way governments address social welfare on a global scale. In addition to funding welfare programs, the Royal Commission Government is now responsible for paying the salaries of former City and State workers worldwide. This move guarantees the continuation of payments for retired and former public employees, ensuring financial stability and security for these individuals and their families. The decision to entrust the Royal Commission Government with the responsibility of funding welfare programs and government payrolls is a testament to its credibility and efficiency. With its vast resources and international reach, this world government is well-equipped to manage these crucial tasks, ensuring that citizens worldwide receive the support they need. Furthermore, this development opens up new avenues for collaboration and exchange of best practices among governments globally. The Royal Commission Government's involvement in social welfare and payroll funding creates an opportunity for governments to learn from each other and work together towards a more inclusive and equitable world. The Royal Commission Government's commitment to funding welfare programs and payrolls worldwide is a significant step towards achieving global social welfare and economic stability. With its extensive reach and resources, it has the potential to positively impact the lives of millions of people and promote a more equitable society. For more information about the Royal Commission Government and its initiatives, please visit [royalcommission.simdif.com]. ### About the Royal Commission Government: The Royal Commission Government is a registered world government that aims to address global challenges and promote social welfare. Through its various initiatives, it strives to create a more inclusive and equitable world for all citizens. true crime society podcast hosts: Scoundrel Sarah Weinman, 2022-02-22 A Recommended Read from: The Los Angeles Times * Town and Country * The Seattle Times * Publishers Weekly * Lit Hub * Crime Reads * Alma From the author of *The Real Lolita* and editor of *Unspeakable Acts*, the astonishing story of a murderer who conned the people around him—including conservative thinker William F. Buckley—into helping set him free In the 1960s, Edgar Smith, in prison and sentenced to death for the murder of teenager Victoria Zielinski, struck up a correspondence with William F. Buckley, the founder of *National Review*. Buckley, who refused to believe that a man who supported the neoconservative movement could have committed such a heinous crime, began to advocate not only for Smith's life to be spared but also for his sentence to be overturned. So begins a bizarre and tragic tale of mid-century America. Sarah Weinman's *Scoundrel* leads us through the twists of fate and fortune that brought Smith to freedom, book deals, fame, and eventually to attempting murder again. In *Smith*, Weinman has uncovered a psychopath who slipped his way into public acclaim and

acceptance before crashing down to earth once again. From the people Smith deceived—Buckley, the book editor who published his work, friends from back home, and the women who loved him—to Americans who were willing to buy into his lies, Weinman explores who in our world is accorded innocence, and how the public becomes complicit in the stories we tell one another. Scoundrel shows, with clear eyes and sympathy for all those who entered Smith's orbit, how and why he was able to manipulate, obfuscate, and make a mockery of both well-meaning people and the American criminal justice system. It tells a forgotten part of American history at the nexus of justice, prison reform, and civil rights, and exposes how one man's ill-conceived plan to set another man free came at the great expense of Edgar Smith's victims.

true crime society podcast hosts: *When a Killer Calls* John E. Douglas, Mark Olshaker, 2022-02-01 From John Douglas—the legendary FBI criminal profiler, #1 New York Times bestselling author, and inspiration for the Netflix show *Mindhunter*—comes a chilling journey inside the mind and crimes of Larry Gene Bell, one of the most dangerous serial killers Douglas confronted, and the desperate effort to identify and catch him. On May 31, 1985, two days before her high school graduation, Shari Smith was abducted from the driveway of her family home in South Carolina. Based on the crime scene and the abductor's repeated and taunting calls to the family, law enforcement quickly realized they were dealing with a sophisticated and highly dangerous criminal. A letter arrived the next day entitled "Last Will & Testament," in which Shari, knowing she was to be murdered, wrote bravely and achingly of her love for her parents, siblings, and boyfriend, saying that while they would miss her, she knew they would persevere through their faith. The abduction rocked her quiet town, triggering a massive manhunt and bringing in the FBI, which enlisted profiler John Douglas. A few days later, a phone call told the family where they could find Shari's body. Then nine-year-old Debra May Helmick was kidnapped from her yard, confirming the harsh realization that Smith's murder was no random act. A serial killer was evolving, and the only way to stop him would be to use the study of criminal behavior to anticipate his next move before he could kill again. Douglas devised a risky and emotionally fraught strategy to use Shari's lookalike older sister Dawn as bait to draw out the unknown subject. Dawn and her parents courageously agreed. One of the most haunting investigations of Douglas's storied career, this case details how the eerily accurate profile he created—alongside his carefully crafted and stage-managed manipulation of the killer's psychology—combined with dedicated police work and cutting-edge forensic science to end a reign of criminal terror. As Shari's family took incredible personal risks to lure her killer from the shadows, Douglas and the FBI pushed criminal profiling to its limits, culminating in one of his most dramatic and effective confrontations with a sadistic and remorseless killer.

true crime society podcast hosts: *All That Is Wicked* Kate Winkler Dawson, 2022-10-04 Acclaimed crime historian, podcaster, and author of *American Sherlock* Kate Winkler Dawson tells the thrilling story of Edward Ruloff—a serial murderer who was called "too intelligent to be killed"—and the array of 19th century investigators who were convinced his brain held the key to finally understanding the criminal mind. Edward Ruloff was a brilliant yet utterly amoral murderer—some have called him a "Victorian-era Hannibal Lecter"—whose crimes spanned decades and whose victims were chosen out of revenge, out of envy, and sometimes out of necessity. From his humble beginnings in upstate New York to the dazzling salons and social life he established in New York City, at every turn Ruloff used his intelligence and regal bearing to evade detection and avoid punishment. He could talk his way out of any crime...until one day, Ruloff's luck ran out. By 1871 Ruloff sat chained in his cell—a psychopath holding court while curious 19th-century mindhunters tried to understand what made him tick. From alienists (early psychiatrists who tried to analyze the source of his madness) to neurologists (who wanted to dissect his brain) to phrenologists (who analyzed the bumps on his head to determine his character), each one thought he held the key to understanding the essential question: is evil born or made? Eventually, Ruloff's brain would be placed in a jar at Cornell University as the prize specimen of their anatomy collection...where it still sits today, slowly moldering in a dusty jar. But his story—and its implications for the emerging field of criminal psychology—were just beginning. Expanded from season one of her hit podcast on the

Exactly Right network (7 million downloads and growing), in *All That Is Wicked* Kate Winkler Dawson draws on hundreds of source materials and never-before-shared historical documents to present one of the first glimpses into the mind of a serial killer—a century before the term was coined—through the scientists whose work would come to influence criminal justice for decades to come.

true crime society podcast hosts: *So Close to You* Rachel Carter, 2012-07-10 Rachel Carter launches a mind-blowing time-travel trilogy with her YA novel *So Close to You*. Lydia Bentley doesn't believe the rumors about the Montauk Project, that there's some sort of government conspiracy involving people vanishing and tortured children. But her grandfather is sure that the Project is behind his father's disappearance more than sixty years earlier. While helping her grandfather search Camp Hero, a seemingly abandoned military base on Long Island, for information about the disappearance, Lydia is transported back to 1944—just a few days before her great-grandfather's disappearance. Lydia begins to unravel the dark secrets of the Montauk Project and her own family history, despite warnings from Wes, a mysterious boy she is powerfully attracted to but not sure she should trust.

true crime society podcast hosts: *Cold Cases* Cheyna Roth, 2020-07-14 Examine the evidence in this volume of notorious true crimes that remain unsolved, from mystifying heists to shocking murders and more. *Cold Cases: A True Crime Collection* features case file facts, fascinating details, and chilling testimonies of the world's most famous cold cases. Written for true crime junkies and armchair detectives, this book delves into the investigations of JonBenét Ramsey, the Black Dahlia, the Isabella Stewart Gardner Museum theft, the Cleveland Torso Murders, and more. Each chapter examines the facts, while also illuminating the many theories surrounding these baffling cases: - The Zodiac Killer - The disappearance of Natalee Holloway - The murder of JonBenét Ramsey - The Isabella Stewart Gardner Museum heist - The Kingsbury Run murders, aka the Cleveland Torso murders - The Black Dahlia murder - The Freeway Phantom murders - D. B. Cooper's airplane heist - The Amber Alert case (the death of Amber Hagerman) - The Golden State Killer

true crime society podcast hosts: *America's First Female Serial Killer* Mary Kay McBrayer, 2020-05-19 This is Capote's *In Cold Blood* for serial killer enthusiasts: meticulously researched, superbly written, and incredibly vivid. Don't miss it." —Gabino Iglesias, author of *Coyote Songs* *America's First Female Serial Killer* novelizes the true story of first-generation Irish-American nurse Jane Toppan, born as Honora Kelley. Although all the facts are intact, books about her life and her crimes are all facts and no story. Jane Toppan was absolutely a monster, but she did not start out that way. When Jane was a young child, her father abandoned her and her sister to the Boston Female Asylum. From there, Jane was indentured to a wealthy family who changed her name, never adopted her, wrote her out of the will, and essentially taught her how to hate herself. Jilted at the altar, Jane became a nurse and took control of her life—and the lives of her victims. "A thoughtful and inspired take on one of the greatest poisoners in history. *America's First Female Serial Killer: Jane Toppan and the Making of a Monster* seethes with rage, compulsion, and a righteous condemnation of the servitude of the underclass. A chilling and sobering read." —Robert Levy, author of *The Glittering World* "McBrayer offers us a complex—and terrifying—portrait of a killer who seemed almost doomed from birth." —Kate Winkler Dawson, author of *American Sherlock: Murder, Forensics, and the Birth of American CSI* "Brings the horrifying true story of Jane Toppan to lurid, novelistic life, and forces the reader face-to-face with the thoughtlessness and cruelty that helped turn a gifted, damaged child into one of America's most legendary killers." —Shaun Hamill, author of *A Cosmology of Monsters*

true crime society podcast hosts: *Monsters Who Murder* Amanda Howard, 2018-09-25 Go behind the killer profiles on the podcast *MONSTERS WHO MURDER* and read the case files, the heinous crimes committed by serial killers, mass murderers and child killers. In a special edition for *MONSTERS WHO MURDER* listeners, best-selling crime author Amanda Howard, known as the 'Serial Killer Whisperer brings together a collection of the cases from the podcast's episodes.

true crime society podcast hosts: *To Have and To Kill* John Glatt, 2008-12-02 Documents

the case of Melanie McGuire, a New Jersey nurse involved in a long-term affair with a married doctor, who was arrested and convicted of murdering and dismembering her husband, William.

true crime society podcast hosts: Chase Darkness with Me Billy Jensen, 2019-08-13

With an exclusive behind-the-scenes conversation between Billy Jensen and retired detective Paul Holes on the Golden State Killer, their favorite cold cases, and more Have you ever wanted to solve a murder? Gather the clues the police overlooked? Put together the pieces? Identify the suspect? Journalist Billy Jensen spent fifteen years investigating unsolved murders, fighting for the families of victims. Every story he wrote had one thing in common—they didn't have an ending. The killer was still out there. But after the sudden death of a friend, crime writer and author of *I'll Be Gone in the Dark*, Michelle McNamara, Billy became fed up. Following a dark night, he came up with a plan. A plan to investigate past the point when the cops had given up. A plan to solve the murders himself. You'll ride shotgun as Billy identifies the Halloween Mask Murderer, finds a missing girl in the California Redwoods, and investigates the only other murder in New York City on 9/11. You'll hear intimate details of the hunts for two of the most terrifying serial killers in history: his friend Michelle McNamara's pursuit of the Golden State Killer and his own quest to find the murderer of the Allenstown Four. And Billy gives you the tools—and the rules—to help solve murders yourself. Gripping, complex, unforgettable, *Chase Darkness with Me* is an examination of the evil forces that walk among us, illustrating a novel way to catch those killers, and a true-crime narrative unlike any you've read before.

true crime society podcast hosts: Disgraceland Jake Brennan, 2019-10-01 From the creator of the popular rock 'n' roll true crime podcast, *Disgraceland* comes an off-kilter, hysterical, at times macabre book inspired by true stories from the highly entertaining underbelly of music history. You may know Jerry Lee Lewis married his thirteen-year-old cousin but did you know he shot his bass player in the chest with a shotgun or that a couple of his wives died under extremely mysterious circumstances? Or that Sam Cooke was shot dead in a seedy motel after barging into the manager's office naked to attack her? Maybe not. Would it change your view of him if you knew that, or would your love for his music triumph? Real rock stars do truly insane things and invite truly insane things to happen to them; murder, drug trafficking, rape, cannibalism and the occult. We allow this behavior. We are complicit because a rock star behaving badly is what's expected. It's baked into the cake. Deep down, way down, past all of our self-righteous notions of justice and right and wrong, when it comes down to it, we want our rock stars to be bad. We know the music industry is full of demons, ones that drove Elvis Presley, Phil Spector, Sid Vicious and that consumed the Norwegian Black Metal scene. We want to believe in the myths because they're so damn entertaining. *Disgraceland* is a collection of the best of these stories about some of the music world's most beloved stars and their crimes. It will mix all-new, untold stories with expanded stories from the first two seasons of the *Disgraceland* podcast. Using figures we already recognize, *Disgraceland* shines a light into the dark corners of their fame revealing the fine line that separates heroes and villains as well as the danger Americans seek out in their news cycles, tabloids, reality shows and soap operas. At the center of this collection of stories is the ever-fascinating music industry—a glittery stage populated by gangsters, drug dealers, pimps, groupies with violence, scandal and pure unadulterated rock 'n' roll entertainment.

true crime society podcast hosts: The Making of a Detective Pat Marry, 2019-09-26 When he retired in 2018 Pat Marry had been instrumental in solving dozens of serious crimes, including many murders. But as a newly qualified garda in 1985, Marry had no idea how to become a detective. He soon realised he would have to learn on the job - put himself forward and show that he had what it took. Taking initiative, following up hunches (even far-fetched ones), obsessing about details, trying new investigative techniques, thinking laterally - these were essential. In addition, you had to be a bit of a psychologist. *The Making of a Detective* follows Pat Marry's path from rookie to Detective Inspector through the stories of key cases he worked on and investigations he led. It includes high profile cases like Rachel Calally's murder by her husband Joe O'Reilly. But there are also stories that have faded from public memory, such as the 1995 murder of Marilyn Rynn, which involved the first

use of DNA evidence to solve a crime in Ireland. Or the 2001 murder of Mary Gough, a case solved mainly by scrutinizing her husband's internet use - then a new investigative tool. *The Making of a Detective* is a unique and gripping insight into the work of a dedicated garda operating at the very top of his profession. 'An absolutely fascinating book ... Really interesting stories and insights' Sean O'Rourke, RTÉ Radio 1 'An absolute must-read . . . as page turning as a crime novel' Irish Examiner

true crime society podcast hosts: Pain Management and the Opioid Epidemic National Academies of Sciences, Engineering, and Medicine, Health and Medicine Division, Board on Health Sciences Policy, Committee on Pain Management and Regulatory Strategies to Address Prescription Opioid Abuse, 2017-09-28 Drug overdose, driven largely by overdose related to the use of opioids, is now the leading cause of unintentional injury death in the United States. The ongoing opioid crisis lies at the intersection of two public health challenges: reducing the burden of suffering from pain and containing the rising toll of the harms that can arise from the use of opioid medications. Chronic pain and opioid use disorder both represent complex human conditions affecting millions of Americans and causing untold disability and loss of function. In the context of the growing opioid problem, the U.S. Food and Drug Administration (FDA) launched an Opioids Action Plan in early 2016. As part of this plan, the FDA asked the National Academies of Sciences, Engineering, and Medicine to convene a committee to update the state of the science on pain research, care, and education and to identify actions the FDA and others can take to respond to the opioid epidemic, with a particular focus on informing FDA's development of a formal method for incorporating individual and societal considerations into its risk-benefit framework for opioid approval and monitoring.

true crime society podcast hosts: Unmasked PAUL. HOLES, Anonymous, 2022-04-26

true crime society podcast hosts: Hunting Ghislaine John Sweeney, 2022-11-03 'A cracking read ... Ghislaine Maxwell's story has had endless column inches, but John gives such a great overview, and has mined so many sources that it still feels fresh and compelling.' Mail on Sunday Once upon a time there was a beautiful princess who suffered a tragedy, the death of her father, a war hero, a philanthropist, a good man, in suspicious circumstances. She fled to New York where she made a new life with a brilliant mathematician. Her name is Ghislaine Maxwell and her lover was Jeffrey Epstein. Through Jeffrey, and her family name, Ghislaine became friends with some of the most powerful people on earth, ex-President Bill Clinton and President-to-be Donald Trump and the second son of the Queen of England, Prince Andrew, the Duke of York. But this is no fairy tale. HUNTING GHISLAINE sets out the other side of the story, and it's one of the darkest you will ever read. Ghislaine's father, Robert Maxwell, was a sadist, a war criminal, a monster. His cruelty deformed Ghislaine Maxwell long before she met Jeffrey Epstein. Her one-time lover was convicted for being a paedophile. So Ghislaine's life has been spent serving not one monster but two. In HUNTING GHISLAINE, legendary investigative journalist John Sweeney uncovers the truth behind this fairy tale story in reverse.

true crime society podcast hosts: Think Like a Monk Jay Shetty, 2020-09-08 Jay Shetty, social media superstar and host of the #1 podcast On Purpose, distills the timeless wisdom he learned as a monk into practical steps anyone can take every day to live a less anxious, more meaningful life. When you think like a monk, you'll understand: -How to overcome negativity -How to stop overthinking -Why comparison kills love -How to use your fear -Why you can't find happiness by looking for it -How to learn from everyone you meet -Why you are not your thoughts -How to find your purpose -Why kindness is crucial to success -And much more... Shetty grew up in a family where you could become one of three things—a doctor, a lawyer, or a failure. His family was convinced he had chosen option three: instead of attending his college graduation ceremony, he headed to India to become a monk, to meditate every day for four to eight hours, and devote his life to helping others. After three years, one of his teachers told him that he would have more impact on the world if he left the monk's path to share his experience and wisdom with others. Heavily in debt, and with no recognizable skills on his résumé, he moved back home in north London with his parents. Shetty reconnected with old school friends—many working for some of the world's largest

corporations—who were experiencing tremendous stress, pressure, and unhappiness, and they invited Shetty to coach them on well-being, purpose, and mindfulness. Since then, Shetty has become one of the world's most popular influencers. In 2017, he was named in the *Forbes* magazine 30-under-30 for being a game-changer in the world of media. In 2018, he had the #1 video on Facebook with over 360 million views. His social media following totals over 38 million, he has produced over 400 viral videos which have amassed more than 8 billion views, and his podcast, *On Purpose*, is consistently ranked the world's #1 Health and Wellness podcast. In this inspiring, empowering book, Shetty draws on his time as a monk to show us how we can clear the roadblocks to our potential and power. Combining ancient wisdom and his own rich experiences in the ashram, *Think Like a Monk* reveals how to overcome negative thoughts and habits, and access the calm and purpose that lie within all of us. He transforms abstract lessons into advice and exercises we can all apply to reduce stress, improve relationships, and give the gifts we find in ourselves to the world. Shetty proves that everyone can—and should—think like a monk.

true crime society podcast hosts: *The Kill Jar* J. Reuben Appelman, 2019-02-26 Now the subject of the Discovery+ series *Children of the Snow*, a cold case murder investigation is cracked open by “a powerful, confident voice in the new true crime memoir genre” (James Renner, author of *True Crime Addict*). Four children were abducted and murdered outside of Detroit during the winters of 1976 and 1977, their bodies eventually dumped in snow banks around the city. J. Reuben Appelman was only six years old when the murders began and even evaded an abduction attempt during that same period, fueling a lifelong obsession with what became known as the Oakland County Child Killings. Autopsies showed that the victims had been fed while in captivity, reportedly held with care. And yet, with equal care, their bodies had allegedly been groomed post-mortem, scrubbed-free of evidence that might link to a killer. There were few credible leads, and equally few credible suspects. That's what the cops had passed down to the press, and that's what the city of Detroit, and Appelman, had come to believe. When the abductions mysteriously stopped, a task force operating on one of the largest manhunt budgets in history shut down without an arrest. Although no more murders occurred, Detroit remained haunted. Eerily overlaid upon the author's own decades-old history with violence, *The Kill Jar* tells the gripping story of Appelman's ten-year investigation into buried leads, apparent police cover-ups, con men, child pornography rings, and high-level corruption saturating Detroit's most notorious serial killer case. “Always deft, often sublime, Appelman uses his investigation to draw us into his personal journey through darkness, to light and life” (Chip Johannessen, producer of *Dexter*).

true crime society podcast hosts: *Confident Women* Tori Telfer, 2021-02-23 The true crime author of *Lady Killers* presents a roundup of history's most notorious female con artists and their bold, outrageous scams. From Elizabeth Holmes and Anna Delvey to Frank Abagnale and Charles Ponzi, audacious scams and charismatic scammers continue to intrigue us. As Tori Telfer reveals in *Confident Women*, the art of the con has a long and venerable tradition, and its female practitioners are some of the best—or worst. In 18th century Paris, Jeanne de Saint-Rémy scammed the royal jewelers out of a priceless diamond necklace by pretending to be best friends with Queen Marie Antoinette. In 19th century Rochester, NY, Kate and Maggie Fox accidentally started a religious movement by pretending they could speak to spirits. In the 20th century, a woman named Margaret Lydia Burton embezzled money all over the country—and stole upwards of forty prized show dogs. A few decades later, a teenager named Roxie Ann Rice scammed the entire NFL. *Confident Women* investigates how these and other notorious women were able to so spectacularly dupe and swindle their victims . . .

true crime society podcast hosts: *The Killer's Shadow* John E. Douglas, Mark Olshaker, 2020-11-17 The legendary FBI criminal profiler and international bestselling author of *Mindhunter* and *The Killer Across the Table* returns with this timely, relevant book that goes to the heart of extremism and domestic terrorism, examining in-depth his chilling pursuit of, and eventual prison confrontation with Joseph Paul Franklin, a White Nationalist serial killer and one of the most disturbing psychopaths he has ever encountered. Worshipers stream out of an Midwestern

synagogue after sabbath services, unaware that only a hundred yards away, an expert marksman and avowed racist, antisemite and member of the Ku Klux Klan, patiently awaits, his hunting rifle at the ready. The October 8, 1977 shooting was a forerunner to the tragedies and divisiveness that plague us today. John Douglas, the FBI's pioneering, first full-time criminal profiler, hunted the shooter—a white supremacist named Joseph Paul Franklin, whose Nazi-inspired beliefs propelled a three-year reign of terror across the United States, targeting African Americans, Jews, and interracial couples. In addition, Franklin bombed the home of Jewish leader Morris Amitay, shot and paralyzed Hustler magazine publisher Larry Flynt, and seriously wounded civil rights leader Vernon Jordan. The fugitive supported his murderous spree robbing banks in five states, from Georgia to Ohio. Douglas and his writing partner Mark Olshaker return to this disturbing case that reached the highest levels of the Bureau, which was fearful Franklin would become a presidential assassin—and haunted him for years to come as the threat of copycat domestic terrorist killers increasingly became a reality. Detailing the dogged pursuit of Franklin that employed profiling, psychology and meticulous detective work, Douglas and Olshaker relate how the case was a make-or-break test for the still-experimental behavioral science unit and revealed a new type of, determined, mission-driven serial killer whose only motivation was hate. A riveting, cautionary tale rooted in history that continues to echo today, *The Killer's Shadow* is a terrifying and essential exploration of the criminal personality in the vile grip of extremism and what happens when rage-filled speech evolves into deadly action and hatred of the “other is allowed full reign. *The Killer's Shadow* includes an 8-page color photo insert.

true crime society podcast hosts: The Beatle Bandit Nate Hendley, 2021-11-16 In 1964, bank robber Matt Smith's getaway was interrupted by Jack Blanc, an army veteran brandishing a revolver. A wild shootout left Blanc dead and Smith the object of a massive manhunt.
