

# Why Do Christians Hate Gay People

## Why Do Christians Hate Gay People? Unpacking a Complex Issue

The statement "Christians hate gay people" is a sweeping generalization that simplifies a deeply complex issue. While some Christians hold strongly negative views towards LGBTQ+ individuals, it's inaccurate and harmful to paint an entire religious group with the same brush. This blog post aims to explore the nuances of this question, examining the biblical interpretations, theological debates, and personal experiences that contribute to diverse perspectives within Christianity. We will avoid generalizations and instead focus on understanding the varied beliefs and actions that shape this contentious topic.

## H2: Biblical Interpretations and Their Diverse Readings

A primary source of contention lies in interpretations of biblical texts. Verses often cited by those who oppose same-sex relationships are found primarily in Leviticus and 1 Corinthians. However, the context and translation of these passages are frequently debated. Conservative interpretations often emphasize literal readings, focusing on specific prohibitions. However, progressive interpretations consider the historical and cultural context, arguing that these passages shouldn't be applied directly to modern understandings of sexuality and relationships. Furthermore, other biblical passages emphasize love, compassion, and inclusivity, leading to contrasting theological viewpoints. The challenge lies not in the absence of biblical texts, but in the multitude of interpretations and the weight given to individual verses within a larger theological framework.

## **H3: The Role of Tradition and Doctrine**

Beyond specific verses, Christian traditions and doctrines also play a significant role. For centuries, certain denominations have upheld traditional interpretations of sexuality, influencing their stances on LGBTQ+ issues. These traditions are deeply ingrained within church structures and have shaped theological education and pastoral practices. However, theological understanding is not static. Progressive Christian movements are actively re-examining these traditions, arguing for a more inclusive interpretation that aligns with core Christian values of love and acceptance.

## **H2: The Spectrum of Christian Beliefs on LGBTQ+ Issues**

It's crucial to recognize the vast spectrum of beliefs within Christianity regarding LGBTQ+ individuals. There is no single, monolithic Christian perspective. Some denominations and individuals fully embrace LGBTQ+ inclusion, ordaining LGBTQ+ clergy and performing same-sex marriages. Others maintain traditional views but emphasize love and respect for LGBTQ+ individuals, even if they disagree with their lifestyle choices. Still others hold more conservative positions, believing that homosexual acts are sinful and should not be condoned. This diversity highlights the limitations of generalizations and emphasizes the importance of understanding individual beliefs and experiences.

## **H3: The Impact of Fear and Misunderstanding**

Beyond theological debates, fear and misunderstanding often fuel negative attitudes towards LGBTQ+ individuals. Some Christians may fear the perceived societal changes associated with LGBTQ+ rights or harbor misconceptions about LGBTQ+ identities and relationships. These fears can be exacerbated by misinformation spread through various media sources, contributing to a climate of prejudice and intolerance. Addressing these fears and misconceptions requires open dialogue, education, and empathy.

## **H2: The Importance of Compassion and Dialogue**

The question of how Christians should interact with LGBTQ+ individuals remains a critical point of discussion. While some individuals may hold strongly held beliefs that differ from those of the LGBTQ+ community, the Christian emphasis on love, compassion, and forgiveness necessitates respectful and compassionate dialogue. This involves actively listening to the experiences of LGBTQ+ individuals, challenging harmful stereotypes, and striving to build bridges of understanding. It requires acknowledging the pain caused by discriminatory practices and working

towards a more inclusive and accepting environment.

## H2: Moving Forward: Towards Understanding and Acceptance

The complex issue of Christian attitudes towards LGBTQ+ people necessitates nuanced conversations and a willingness to move beyond simplistic narratives. Understanding the varied interpretations of scripture, the influence of tradition, and the impact of fear and misunderstanding is crucial for fostering more inclusive and accepting communities. While disagreements will inevitably persist, a commitment to compassionate dialogue and a focus on shared values can help bridge divides and promote a more just and equitable society for everyone.

Conclusion:

The question of why some Christians hold negative views toward gay people is multifaceted, stemming from interpretations of scripture, theological traditions, and personal beliefs. However, it's vital to remember that this does not represent the entirety of Christian thought. Many Christians actively champion LGBTQ+ inclusion and fight against discrimination. Understanding the complexities of this issue requires empathy, respectful dialogue, and a willingness to engage with diverse perspectives.

FAQs:

1. Are all Christians homophobic? Absolutely not. The Christian faith encompasses a wide range of views on LGBTQ+ issues, with many Christians actively supporting LGBTQ+ rights and inclusion.
2. What are some resources for LGBTQ+ Christians? Many organizations provide support and resources for LGBTQ+ Christians, such as Reconciling Ministries Network and Affirming Ministries.
3. How can I have a respectful conversation with a Christian who holds opposing views on LGBTQ+ issues? Approach the conversation with empathy and a willingness to listen. Focus on shared values and find common ground, rather than engaging in aggressive debate.
4. Do all interpretations of the Bible condemn homosexuality? No. Many progressive interpretations of the Bible emphasize love, acceptance, and inclusivity, offering alternative perspectives on verses often cited against LGBTQ+ relationships.
5. What role can churches play in promoting LGBTQ+ inclusion? Churches can play a vital role by creating welcoming and affirming spaces, educating their congregations on LGBTQ+ issues, and actively combating homophobia and transphobia within their communities.

**why do christians hate gay people:** *God and the Gay Christian* Matthew Vines, 2014  
Reinterpretations of key Bible texts related to sexual orientation, written by a Harvard student, present an accessible case for a modern Christian conservative acceptance of sexual diversity.

**why do christians hate gay people: Is God anti-gay?** Sam Allberry, 2013-07-01 A practical

and sensitive exploration of the Bible's teaching on homosexuality. A practical and sensitive exploration of the Bible's teaching on homosexuality. It's the hot topic of the moment. Christians, the church and the Bible seem to be out of step with modern attitudes towards homosexuality. And there is growing hostility towards those who hold a different view to the culture's. So is God homophobic? And how do we relate to both Christians and non-Christians who experience same-sex attraction? In this short, simple book, Sam Allberry wants to help confused Christians understand what God has said about these questions in the scriptures. Drawing on his own experience, he offers a positive and liberating way forward through the debate. This revised and updated version includes answers to some new questions, including: \* Should Christians attend gay weddings? \* Isn't the Christian view of sexuality dangerous and harmful? \* Is it sinful to experience same-sex attraction?

**why do christians hate gay people:** Messy Grace Caleb Kaltenbach, 2015-10-20 Sometimes, grace gets messy. Caleb Kaltenbach was raised by LGBT parents, marched in gay pride parades as a youngster, and experienced firsthand the hatred and bitterness of some Christians toward his family. But then Caleb surprised everyone, including himself, by becoming a Christian...and a pastor. Very few issues in Christianity are as divisive as the acceptance of the LGBT community in the church. As a pastor and as a person with beloved family members living a gay lifestyle, Caleb had to face this issue with courage and grace. Messy Grace shows us that Jesus's command to "love your neighbor as yourself" doesn't have an exception clause for a gay "neighbor"—or for that matter, any other "neighbor" we might find it hard to relate to. Jesus was able to love these people and yet still hold on to his beliefs. So can you. Even when it's messy. "Messy Grace is an important contribution to the conversation about sexual identity for churches and leaders. Caleb's story is surprising and unique, and he weaves it together compellingly. He states his views clearly, leaves room for disagreement, and champions love no matter where you are in this conversation." —Jud Wilhite, Sr. Pastor, Central Christian Church

**why do christians hate gay people: Can You Be Gay and Christian?** Michael L. Brown, 2014 How do we respond to gay people who tell us how much they love the Lord and experience God's power? What do we do with the argument that the Old Testament laws no longer apply? Brown provides solid biblical answers, clearly written and based on sound scholarship, in a compassionate way that causes the reader to wrestle with the issues and discover the biblical truth. He also provides practical guidelines for ministry, and shows readers how they can resist the gay agenda while reaching out to their gay friends and family.

**why do christians hate gay people: A War of Loves** David Bennett, 2018-11-13 At 14, David Bennett came out to his parents. At 19, he encountered Jesus Christ. At that moment, his life changed forever. As a young gay man, David Bennett saw Christianity as an enemy to freedom for LGBTIQ people, and his early experiences with prejudice and homophobia led him to become a gay activist. But when Jesus came into his life in a highly unexpected way, he was led down a path he never would have predicted or imagined. In A War of Loves, David recounts his dramatic story, from his early years exploring new age religions and French existentialism to his university experiences as an activist. Following supernatural encounters with God, he embarked on a journey not only of seeking to reconcile his faith and sexuality but also of discovering the higher call of Jesus Christ. A War of Loves investigates what the Bible teaches about sexuality and demonstrates the profligate, unqualified grace of God for all people. David describes the joy and intimacy he found in following Jesus Christ and how love has taken on a radically new and far richer meaning for him.

**why do christians hate gay people: Single, Gay, Christian** Gregory Coles, 2017-08-22 In an age where neither society nor the church knows what to do with gay Christians, Greg Coles shares his story—a story about a boy in love with Jesus who, at the fateful onset of puberty, realized his sexual attractions were persistently and exclusively for other guys. This honest, hopeful account shows life through one man's eyes and assures all people: You are not a mistake.

**why do christians hate gay people: Reasonable Faith** William Lane Craig, 2008 This updated edition by one of the world's leading apologists presents a systematic, positive case for Christianity that reflects the latest work in the contemporary hard sciences and humanities. Brilliant and

accessible.

**why do christians hate gay people: Scripture, Ethics, and the Possibility of Same-Sex Relationships** Karen R. Keen, 2018-10-11 WHEN IT COMES TO SAME-SEX RELATIONSHIPS, this book by Karen Keen contains the most thoughtful, balanced, biblically grounded discussion you're likely to encounter anywhere. With pastoral sensitivity and respect for biblical authority, Keen breaks through current stalemates in the debate surrounding faith and sexual identity. The fresh, evenhanded reevaluation of Scripture, Christian tradition, theology, and science in Keen's Scripture, Ethics, and the Possibility of Same-Sex Relationships will appeal to both traditionalist and progressive church leaders and parishioners, students of ethics and biblical studies, and gay and lesbian people who often feel painfully torn between faith and sexuality.

**why do christians hate gay people: Covenant and Calling** Robert Song, 2014-09-24 No other issue in recent times has proved as potentially divisive for the churches as that of same-sex relationships. At the same time as many countries have been moving towards legal recognition of civil partnerships or same-sex marriage, Christian responses have tended towards either finding alliances with proponents of conservative social mores, or providing what amounts to theological endorsement of secular liberal values.

**why do christians hate gay people: What Does the Bible Really Teach about Homosexuality?** Kevin DeYoung, 2015-04-16 In just a few short years, massive shifts in public opinion have radically reshaped society's views on homosexuality. Feeling the pressure to forsake long-held beliefs about sex and marriage, some argue that Christians have historically misunderstood the Bible's teaching on this issue. But does this approach do justice to what the Bible really teaches about homosexuality? In this timely book, award-winning author Kevin DeYoung challenges each of us—the skeptic, the seeker, the certain, and the confused—to take a humble look at God's Word. Examining key biblical passages in both the Old and New Testaments and the Bible's overarching teaching regarding sexuality, DeYoung responds to popular objections raised by Christians and non-Christians alike—offering readers an indispensable resource for thinking through one of the most pressing issues of our day.

**why do christians hate gay people: Mercy for Today** Jonathan Parnell, 2020-01-07 You cannot make it without God's mercy. Do we just need God's grace in dark and shameful moments? Are prayers for mercy only for those times when we really mess up? Jonathan Parnell says we need God's mercy all the time. In fact, contrary to many church cultures, Parnell shows that asking God for mercy should be as regular as asking God for our daily bread. There's no doubt that David was in a terrible predicament when he first prayed the words of Psalm 51. It was a dark and shameful moment in the Bible, and one so dark and shameful it seldom feels relevant to us today. But David's most desperate prayer is really a prayer for all of us—and not just for our worst moments, but for our every moment. In these pages, you'll discover: how to pray a daily, memorable prayer derived from Psalm 51 how to practice daily repentance and soul care how to pursue God and experience his joy in the Christian life This is God's mercy, and it's Mercy for Today.

**why do christians hate gay people: The Book of Deuteronomy** Peter C. Craigie, 1976-08-12 Deuteronomy is a book about a community being prepared for a new life. Hardship and the wilderness lie behind; the promised land lies ahead. But in the present moment, there is a call for a new commitment to God and a fresh understanding of the nature of the community of God's people. Though the scene is set more than three thousand years in the past, Deuteronomy is still a book of considerable contemporary relevance. The book of Deuteronomy, however, is not only a book of contemporary relevance. It has been, and continues to be, one of the most important and debated works in modern biblical scholarship. - Author's preface.

**why do christians hate gay people: *The Christ of the New Testament*** Paul Elmer More, 1924

**why do christians hate gay people: The Queer Bible** Jack Guinness, 2021-06-15 An O, The Oprah Magazine LGBTQ Book Changing the Literary Landscape A gorgeously illustrated collection of essays written by today's queer heroes—featuring contributions from Elton John, Tan France, Gus Kenworthy, Paris Lees, Russell Tovey, Munroe Bergdorf, and many others. The Queer Bible is a

celebration of LGBTQ+ history and culture, edited by model, performer, and GQ contributing editor Jack Guinness. Our queer heroes write about theirs. In 2016, model and queer activist Jack Guinness decided that the LGBTQ+ community desperately needed to be reminded of its long and glorious history of stardom—and he was spurred to action. The following year, *QueerBible.com* was born, an online community devoted to celebrating queer heroes, both past and present. “So much queer history is hidden or erased,” says Guinness. “The Queer Bible is a home for all those personal stories and histories.” In this book, contemporary queer heroes pay homage to those who helped pave their paths. Contributors include Vogue columnist Paris Lees (writing on Edward Enninful), singer and songwriter Elton John (writing on Divine), comedian Mae Martin (writing on Tim Curry), author Joseph Cassara (writing on Pedro Almodóvar), and many others, honoring timeless queer icons such as Susan Sontag, David Bowie, Sylvester, RuPaul, and George Michael through illuminating essays paired with stunning illustrations. The Queer Bible is a powerful and intimate essay collection of gratitude, and an essential, enduring love letter to the queer community. We stand on the shoulders of giants. Now we praise their names.

**why do christians hate gay people:** *Washed and Waiting* Wesley Hill, 2010-11-29 Yet many who sit next to us in the pew at church fit that description, says author Wesley Hill. As a celibate gay Christian, Hill gives us a glimpse of what it looks like to wrestle firsthand with God's "No" to same-sex relationships. What does it mean for gay Christians to live faithful to God while struggling with the challenge of their homosexuality? What is God's will for believers who experience same-sex desires? Those who choose celibacy are often left to deal with loneliness and the hunger for relationships. How can gay Christians experience God's favor and blessing in the midst of a struggle that for many brings a crippling sense of shame and guilt? Weaving together reflections from his own life and the lives of other Christians, such as Henri Nouwen and Gerard Manley Hopkins, Hill offers a fresh perspective on these questions. He advocates neither unqualified "healing" for those who struggle, nor their accommodation to temptation, but rather faithfulness in the midst of brokenness. "I hope this book may encourage other homosexual Christians to take the risky step of opening up their lives to others in the body of Christ," Hill writes. "In so doing, they may find, as I have, by grace, that being known is spiritually healthier than remaining behind closed doors, that the light is better than the darkness.

**why do christians hate gay people:** *Bringing Up Boys* James C. Dobson, 2014-08-22 Here's sensible advice and caring encouragement on raising boys from the nation's most trusted parenting authority, Dr. James Dobson. With so much confusion about the role of men in our society, it's no wonder so many parents and teachers are asking questions about how to bring up boys. Why are so many boys in crisis? What qualities should we be trying to instill in young males? Our culture has vilified masculinity and, as a result, an entire generation of boys is growing up without a clear idea of what it means to be a man. In the runaway bestseller *Bringing Up Boys*, Dr. Dobson draws from his experience as a child psychologist and family counselor, as well as extensive research, to offer advice and encouragement based on a firm foundation of biblical principles.

**why do christians hate gay people:** *Does Jesus Really Love Me?* Jeff Chu, 2014-04-15 “Fascinating, thoughtful, and important. [Jeff Chu] captures the fractures and conflict at a moment when the issue of what to do with L.G.B.T. people is tearing Christian denominations apart. Does Jesus Really Love Me? deserves to be widely read.” —Dan Savage, New York Times Book Review In this timely work—part memoir, part investigative analysis—a prize-winning writer explores the explosive and confusing intersection of faith, politics, and sexuality in Christian America. When Jeff Chu came out to his parents as a gay man, his devout Christian mother cried. And cried. Every time she looked at him. For months. As a journalist and a believer, Chu knew that he had to get to the heart of a question that had been haunting him for years: Does Jesus really love me? The quest to find an answer propels Chu on a remarkable cross-country journey to discover the God “forbidden to him” because of his sexuality. Surveying the breadth of the political and theological spectrum, from the most conservative viewpoints to the most liberal, he tries to distill what the diverse followers of Christ believe about homosexuality and to understand how these people who purportedly follow the

same God and the same Scriptures have come to hold such a wide range of opinions. Why does Pastor A believe that God hates me, especially because of my gayness? Why does Person B believe that God loves me, gayness and all? From Brooklyn to Nashville to California, from Westboro Baptist Church and their god hates fags protest signs to the pioneering Episcopal bishop Mary Glasspool, who proclaims a message of liberation and divine love, Chu captures spiritual snapshots of Christian America at a remarkable moment, when tensions between both sides in the culture wars have rarely been higher. Both funny and heartbreaking, perplexing and wise, Does Jesus Really Love Me? is an intellectual, emotional, and spiritual pilgrimage that reveals a portrait of a faith and a nation at odds.

**why do christians hate gay people:** *A Simple Guide to Experience Miracles* J. P. Moreland, 2021-11-16 Does God Still Do Miracles Today? *A Simple Guide to Experience Miracles* will give you confidence in and awareness of the supernatural realm as you learn how to flourish spiritually by experiencing more miraculous interventions in your life and ministry. Internationally renowned philosopher J. P. Moreland looks at the nature of miracles and explains why bearing and receiving credible testimony to God's miraculous acts is a crucial feature of a mature Jesus-follower. He also shows how to distinguish a real miracle from a mere coincidence. Miracles bring comfort to believers, strengthening faith in God and creating boldness in our lives. While miraculous healings have occurred frequently throughout church history, Moreland provides data showing how the last fifty years have seen a massive outbreak of miracles and supernatural activity. Today, he argues, the church should humbly expect to see more of these miraculous works of God than we do. Moreland looks at topics like: The relationship between sickness and suffering, along with two different ways to pray for healing How to discern clearly the difference between a genuine miracle and a mere coincidence How to increase your faith that petitionary prayer really works and what to make of unanswered prayer Six ways God speaks to us and advice for hearing God wisely and biblically The role angels play in our lives, how they appear to us, and how to combat demonic influence The biblical basis for most Near-Death Experiences and what we can learn from them *A Simple Guide to Experience Miracles* increases your expectation and hope that God can and often does miraculously intervene to bring help and comfort. Moreland shows that it makes rational sense to step out and engage in employing Kingdom power and to strengthen courage to witness and act on behalf of the gospel of Jesus. Filled with inspiring, credible, motivating accounts of miracles, he covers five different kinds of supernatural activities and provides practical wisdom about how to begin practices such as healing prayer and learning to deal with the demonic.

**why do christians hate gay people:** *Torn* Justin Lee, 2012-11-13 An evangelical Christian examines the impact of sexuality, the LGBTQ+ movement, and the future of the church in this thoughtful, deeply researched guide to navigating and mending the social and political division in our families and churches. As a teenager and young man, Justin Lee felt deeply torn. Nicknamed God Boy by his peers, he knew that he was called to a life in the evangelical Christian ministry. But Lee harbored a secret: He also knew that he was gay. In this groundbreaking book, Lee recalls the events--his coming out to his parents, his experiences with the ex-gay movement, and his in-depth study of the Bible--that led him, eventually, to self-acceptance. But more than just a memoir, *TORN* provides insightful, practical guidance for all committed Christians who wonder how to relate to gay friends or family members--or who struggle with their own sexuality. Convinced that in a culture that sees gays and Christians as enemies, gay Christians are in a unique position to bring peace, Lee demonstrates that people of faith on both sides of the debate can respect, learn from, and love one another.

**why do christians hate gay people:** *Life Application* Tyndale, 2001-08-20 1990 Gold Medallion Award winner! **why do christians hate gay people: Where the Light Fell** Philip Yancey, 2023-03-14 In this searing meditation on the bonds of family and the allure of extremist faith, one of today's most celebrated Christian writers recounts his unexpected journey from a strict fundamentalist upbringing to a life of compassion and grace—a revelatory memoir that “invites comparison to *Hillbilly Elegy*” (Publishers Weekly, starred review). “Searing, heartrending . . . This stunning tale reminds us that the only way to keep living is to ask God for the impossible: love, forgiveness, and hope.”—Kate Bowler, New York Times bestselling author of *Everything Happens for a Reason* Raised by an impoverished widow who earned room and board as a Bible teacher in 1950s Atlanta, Philip Yancey and his brother, Marshall, found ways to venture out beyond the confines of their eight-foot-wide trailer. But when Yancey was in college, he uncovered a shocking secret about his father's death—a secret that began to illuminate the motivations that drove his mother to extreme, often hostile religious convictions and a belief that her sons had been ordained for a divine cause. Searching for answers, Yancey dives into his family origins, taking us on an evocative journey from the backwoods of the Bible Belt to the bustling streets of Philadelphia; from trailer parks to church sanctuaries; from family oddballs to fire-and-brimstone preachers and childhood awakenings through nature, music, and literature. In time, the weight of religious and family pressure sent both sons on opposite paths—one toward healing from the impact of what he calls a “toxic faith,” the other into a self-destructive spiral. *Where the Light Fell* is a gripping family narrative set against a turbulent time in post-World War II America, shaped by the collision of Southern fundamentalism with the mounting pressures of the civil rights movement and Sixties-era forces of social change. In piecing together his fragmented personal history and his search for redemption, Yancey gives testament to the enduring power of our hunger for truth and the possibility of faith rooted in grace instead of fear. “I truly believe this is the one book I was put on earth to write,” says Yancey. “So many of the strands from my childhood—racial hostility, political division, culture wars—have resurfaced in modern form. Looking back points me forward.”

**why do christians hate gay people: Gay and Catholic** Eve Tushnet, 2014-10-20 Winner of a 2015 Catholic Press Award: Gender Issues Category (First Place). In this first book from an openly lesbian and celibate Catholic, widely published writer and blogger Eve Tushnet recounts her spiritual and intellectual journey from liberal atheism to faithful Catholicism and shows how gay Catholics can love and be loved while adhering to Church teaching. Eve Tushnet was among the unlikeliest of converts. The only child of two atheist academics, Tushnet was a typical Yale undergraduate until the day she went out to poke fun at a gathering of philosophical debaters, who happened also to be Catholic. Instead of enjoying mocking what she termed the “zoo animals,” she found herself engaged in intellectual conversation with them and, in a move that surprised even her, she soon converted to Catholicism. Already self-identifying as a lesbian, Tushnet searched for a third way in the seeming two-option system available to gay Catholics: reject Church teaching on homosexuality or reject the truth of your sexuality. *Gay and Catholic: Accepting My Sexuality, Finding Community, Living My Faith* is the fruit of Tushnet's searching: what she learned in studying Christian history and theology and her articulation of how gay Catholics can pour their love and need for connection into friendships, community, service, and artistic creation.

**why do christians hate gay people: Why Celibacy?: Reclaiming the Fatherhood of the Priest** Fr. Carter Griffin, 2019-07-01 “The Church today demands a profound renewal of celibate priesthood and the fatherhood to which it is ordered.” Priestly celibacy, some say, is an outdated relic from another age. Others see it as a lonely way of life. But as Fr. Carter Griffin argues in *Why Celibacy?: Reclaiming the Fatherhood of the Priest*, the ancient practice of celibacy, when lived well,

helps a priest exercise his spiritual fatherhood joyfully and fruitfully. Along the way, Griffin explores: the question of optional celibacy some pitfalls of celibate paternity the selection and formation of candidates for celibate priesthood why biological fathers are also called to spiritual fatherhood the powerful impact of celibacy on the Church and the wider culture In a critical moment for the Catholic priesthood, Fr. Griffin brings light and hope with a new perspective on the Church's perennial wisdom on celibacy.

**why do christians hate gay people:** *Deuteronomy* Edward J. Woods, 2016-03-02 An all-new, replacement volume in the classic Tyndale Commentary series! Delivered on the verge of Israel's entry into the land of Canaan, Deuteronomy has been described as a book on the boundary. Edward J. Woods underscores the book's demand that Israel make its words the interpreter of their life story in the land beyond the Jordan.

**why do christians hate gay people:** *Out of a Far Country* Christopher Yuan, Angela Yuan, 2011-05-03 Over 100,000 copies sold! Coming Out, Then Coming Home Christopher Yuan, the son of Chinese immigrants, discovered at an early age that he was different. He was attracted to other boys. As he grew into adulthood, his mother, Angela, hoped to control the situation. Instead, she found that her son and her life were spiraling out of control—and her own personal demons were determined to defeat her. Years of heartbreak, confusion, and prayer followed before the Yuans found a place of complete surrender, which is God's desire for all families. Their amazing story, told from the perspectives of both mother and son, offers hope for anyone affected by homosexuality. God calls all who are lost to come home to him. Casting a compelling vision for holy sexuality, *Out of a Far Country* speaks to prodigals, parents of prodigals, and those wanting to minister to the gay community. "But while he was still a long way off, his father saw him and felt compassion, and ran and embraced him and kissed him." - Luke 15:20 Includes a discussion guide for personal reflection and group use.

**why do christians hate gay people:** *Surprised by Joy* C. S. Lewis, 2017-02-14 A repackaged edition of the revered author's spiritual memoir, in which he recounts the story of his divine journey and eventual conversion to Christianity. C. S. Lewis—the great British writer, scholar, lay theologian, broadcaster, Christian apologist, and bestselling author of *Mere Christianity*, *The Screwtape Letters*, *The Great Divorce*, *The Chronicles of Narnia*, and many other beloved classics—takes readers on a spiritual journey through his early life and eventual embrace of the Christian faith. Lewis begins with his childhood in Belfast, surveys his boarding school years and his youthful atheism in England, reflects on his experience in World War I, and ends at Oxford, where he became the most dejected and reluctant convert in all England. As he recounts his lifelong search for joy, Lewis demonstrates its role in guiding him to find God.

**why do christians hate gay people:** *People to Be Loved* Preston Sprinkle, 2015-12-08 Christians who are confused by the homosexuality debate raging in the US are looking for resources that are based solidly on a deep study of what Scripture says about the issue. In *People to Be Loved*, Preston Sprinkle challenges those on all sides of the debate to consider what the Bible says and how we should approach the topic of homosexuality in light of it. In a manner that appeals to a scholarly and lay-audience alike, Preston takes on difficult questions such as how should the church treat people struggling with same-sex attraction? Is same-sex attraction a product of biological or societal factors or both? How should the church think about larger cultural issues, such as gay marriage, gay pride, and whether intolerance over LGBT amounts to racism? How (or if) Christians should do business with LGBT persons and supportive companies? Simply saying that the Bible condemns homosexuality is not accurate, nor is it enough to end the debate. Those holding a traditional view still struggle to reconcile the Bible's prohibition of same-sex attraction with the message of radical, unconditional grace. This book meets that need.

**why do christians hate gay people:** *The Hedonism and Homosexuality of John Piper and Sam Allberry* Enoch Burke, 2020-08

**why do christians hate gay people:** *The Love Hypothesis* Ali Hazelwood, 2021-09-14 The Instant New York Times Bestseller and TikTok Sensation! As seen on THE VIEW! A BuzzFeed Best

Summer Read of 2021 When a fake relationship between scientists meets the irresistible force of attraction, it throws one woman's carefully calculated theories on love into chaos. As a third-year Ph.D. candidate, Olive Smith doesn't believe in lasting romantic relationships--but her best friend does, and that's what got her into this situation. Convincing Anh that Olive is dating and well on her way to a happily ever after was always going to take more than hand-wavy Jedi mind tricks: Scientists require proof. So, like any self-respecting biologist, Olive panics and kisses the first man she sees. That man is none other than Adam Carlsen, a young hotshot professor--and well-known ass. Which is why Olive is positively floored when Stanford's reigning lab tyrant agrees to keep her charade a secret and be her fake boyfriend. But when a big science conference goes haywire, putting Olive's career on the Bunsen burner, Adam surprises her again with his unyielding support and even more unyielding...six-pack abs. Suddenly their little experiment feels dangerously close to combustion. And Olive discovers that the only thing more complicated than a hypothesis on love is putting her own heart under the microscope.

**why do christians hate gay people: Why Evolution is True** Jerry A. Coyne, 2010-01-14 For all the discussion in the media about creationism and 'Intelligent Design', virtually nothing has been said about the evidence in question - the evidence for evolution by natural selection. Yet, as this succinct and important book shows, that evidence is vast, varied, and magnificent, and drawn from many disparate fields of science. The very latest research is uncovering a stream of evidence revealing evolution in action - from the actual observation of a species splitting into two, to new fossil discoveries, to the deciphering of the evidence stored in our genome. Why Evolution is True weaves together the many threads of modern work in genetics, palaeontology, geology, molecular biology, anatomy, and development to demonstrate the 'indelible stamp' of the processes first proposed by Darwin. It is a crisp, lucid, and accessible statement that will leave no one with an open mind in any doubt about the truth of evolution.

**why do christians hate gay people: Heavy Burdens** Bridget Eileen Rivera, 2021-10-26 Religious faith reduces the risk of suicide for virtually every American demographic except one: LGBTQ people. Generations of LGBTQ people have been alienated or condemned by Christian communities. It's past time that Christians confronted the ongoing and devastating effects of this legacy. Many LGBTQ people face overwhelming challenges in navigating faith, gender, and sexuality. Christian communities that uphold the traditional sexual ethic often unwittingly make the path more difficult through unexamined attitudes and practices. Drawing on her sociological training and her leadership in the Side B/Revoice conversation, Bridget Eileen Rivera, who founded the popular website Meditations of a Traveling Nun, speaks to the pain of LGBTQ Christians and helps churches develop a better pastoral approach. Rivera calls to mind Jesus's woe to religious leaders: They tie up heavy burdens, hard to bear, and lay them on the shoulders of others; but they themselves are unwilling to lift a finger to move them (Matt. 23:4). Heavy Burdens provides an honest account of seven ways LGBTQ people experience discrimination in the church, helping Christians grapple with hard realities and empowering churches across the theological spectrum to navigate better paths forward.

**why do christians hate gay people: What's So Amazing About Grace? Revised and Updated** Philip Yancey, 2023-10-03 OVER TWO MILLION COPIES SOLD! It's the most powerful force in the universe, our only hope for love and forgiveness, and a foretaste of eternal life: amazing, radical, life-changing grace. Millions of lives have been changed by award-winning author Philip Yancey's startling exploration of grace at street level. Grace is the one thing the world can't duplicate, the healing force we need, and the key to transforming a broken world. In this revised and updated edition of his personal and provocative book, Yancey offers true portraits of grace's life-changing power. These stories, set in the midst of life's stark realities, evoke such questions as: If grace is God's love for the undeserving, how do I get it? How well are we dispensing grace to a world that knows far more of strife and unforgiveness than it does of mercy? Can grace make a difference in the midst of such atrocities as the Nazi holocaust, and how can it withstand the brutality of hate? With powerful stories, rich theology, and practical suggestions, Yancey challenges

us to become living answers to a world that desperately needs to know, What's So Amazing About Grace?

**why do christians hate gay people: Culture Shock** Chip Ingram, 2014-08-05 We live in a reactionary culture where divisive issues arise, people on either side throw stones, and everyone ends up more entrenched in their opinions than in reaching common ground--or even exhibiting common courtesy! If there ever was a time for Christians to understand and communicate God's truth about controversial and polarizing issues, it is now. Believers must develop convictions based on research, reason, and biblical truth--and be able (and willing) to communicate these convictions with a love and respect that reflects God's own heart. In *Culture Shock*, bestselling author, pastor, and radio personality Chip Ingram shows readers how they can bring light rather than heat to the most controversial and divisive issues of our day. Covering topics such as right and wrong, sex, homosexuality, abortion, politics, and the environment, *Culture Shock* is every engaged believer's must-have guidebook to replacing reactionary hate with revolutionary love.

**why do christians hate gay people: Gay Christian 101** Richard G. Brentlinger, 2007

**why do christians hate gay people: Gay Girl, Good God** Jackie Hill Perry, 2018-09-03 "I used to be a lesbian." In *Gay Girl, Good God*, author Jackie Hill Perry shares her own story, offering practical tools that helped her in the process of finding wholeness. Jackie grew up fatherless and experienced gender confusion. She embraced masculinity and homosexuality with every fiber of her being. She knew that Christians had a lot to say about all of the above. But was she supposed to change herself? How was she supposed to stop loving women, when homosexuality felt more natural to her than heterosexuality ever could? At age nineteen, Jackie came face-to-face with what it meant to be made new. And not in a church, or through contact with Christians. God broke in and turned her heart toward Him right in her own bedroom in light of His gospel. Read in order to understand. Read in order to hope. Or read in order, like Jackie, to be made new.

**why do christians hate gay people: The Bible, Christianity, & Homosexuality** Justin R. Cannon, 2008-07-14 There are many commendable books on the Bible and homosexuality which span anywhere from a hundred to several hundred pages in length. For the curious, such books can sometimes be inaccessible or more than they really want to read. *The Bible, Christianity, & Homosexuality* is a concise yet profound analysis of the Bible verses often misused to condemn gay and lesbian Christians. This study was written to be accessible to all, indeed, something family members and friends of gay and lesbian Christians might actually take the time to read. The Los Angeles Times describes this work as an illuminating...analysis that argues the Bible doesn't condemn faithful gay relationships. (McGough, 7/18/05).

**why do christians hate gay people: *A Letter to My Congregation, Second Edition*** Ken Wilson, 2016-05-20 "A breakthrough work coming from the heart of evangelical Christianity," writes theologian David Gushee. "Wilson shows how God has led him on a journey toward a rethinking of what the fully authoritative and inspired Bible ought to be taken to mean in the life of the church today." "This book ... will shape what the church becomes," writes anthropologist Tanya Luhrmann. "One of the most exquisite, painful, candid, brilliant pieces ... that I have ever seen," writes Christian author Phyllis Tickle. The second edition contains expanded material.

**why do christians hate gay people: *Still Time to Care*** Greg Johnson, 2021-12-07 At the start of the gay rights movement in 1969, evangelicalism's leading voices cast a vision for gay people who turn to Jesus. It was C.S. Lewis, Billy Graham, Francis Schaeffer and John Stott who were among the most respected leaders within theologically orthodox Protestantism. We see with them a positive pastoral approach toward gay people, an approach that viewed homosexuality as a fallen condition experienced by some Christians who needed care more than cure. With the birth and rise of the ex-gay movement, the focus shifted from care to cure. As a result, there are an estimated 700,000 people alive today who underwent conversion therapy in the United States alone. Many of these patients were treated by faith-based, testimony-driven parachurch ministries centered on the ex-gay script. Despite the best of intentions, the movement ended with very troubling results. Yet the ex-gay movement died not because it had the wrong sex ethic. It died because it was founded on a practice

that diminished the beauty of the gospel. Yet even after the closure of the ex-gay umbrella organization Exodus International in 2013, the ex-gay script continues to walk about as the undead among us, pressuring people like me to say, I used to be gay, but I'm not gay anymore. Now I'm just same-sex attracted. For orthodox Christians, the way forward is a path back to where we were forty years ago. It is time again to focus with our Neo-Evangelical fathers on care--not cure--for our non-straight sisters and brothers who are living lives of costly obedience to Jesus. With warmth and humor as well as original research, Still Time to Care will chart the path forward for our churches and ministries in providing care. It will provide guidance for the gay person who hears the gospel and finds themselves smitten by the life-giving call of Jesus. Woven throughout the book will be Richard Lovelace's 1978 call for a double repentance in which gay Christians repent of their homosexual sins and the church repents of its homophobia--putting on display for all the power of the gospel.

**why do christians hate gay people: Queer Virtue** The Reverend Elizabeth M. Edman, 2017-05-23 LGBTQ people are a gift to the Church and have the potential to revitalize Christianity. As an openly lesbian Episcopal priest and professional advocate for LGBTQ justice, the Reverend Elizabeth Edman has spent her career grappling with the core tenets of her faith. After deep reflection on her tradition, Edman is struck by the realization that her queer identity has taught her more about how to be a good Christian than the church. In *Queer Virtue*, Edman posits that Christianity, at its scriptural core, incessantly challenges its adherents to rupture false binaries, to "queer" lines that pit people against one another. Thus, Edman asserts that Christianity, far from being hostile to queer people, is itself inherently queer. Arguing from the heart of scripture, she reveals how queering Christianity—that is, disrupting simplistic ways of thinking about self and other—can illuminate contemporary Christian faith. Pushing well past the notion that "Christian love = tolerance," Edman offers a bold alternative: the recognition that queer people can help Christians better understand their fundamental calling and the creation of sacred space where LGBTQ Christians are seen as gifts to the church. By bringing queer ethics and Christian theology into conversation, Edman also shows how the realities of queer life demand a lived response of high moral caliber—one that resonates with the ethical path laid down by Christianity. Lively and impassioned, Edman proposes that queer experience be celebrated as inherently valuable, ethically virtuous, and illuminating the sacred. A rich and nuanced exploration, *Queer Virtue* mines the depths of Christianity's history, mission, and core theological premises to call all Christians to a more authentic and robust understanding of their faith.

**why do christians hate gay people: Holy Homosexuals** Michael S. Piazza, 1997 Yes, you can be gay or lesbian and Christian! What does it mean for lesbian and gay people that Jesus was tempted like we are in every way? Fundamentalists have created God in their image. What if God has qualities other than being right wing, upper middle class, white, male? Rev. Piazza challenges us to look at God from a different angle--Page [4] of cover.

"Why ...?" vs. "Why is it that ... ?" - English Language & Usage Stack ...

I don't know why, but it seems to me that Bob would sound a bit strange if he said, "Why is it that you have to get going?" in that situation.

Reason for different pronunciations of "lieutenant"

Dec 6, 2014 · While Americans (and possibly others) pronounce this as "loo-tenant", folks from the UK pronounce it as "lef-tenant". Why?

Why was "Spook" a slur used to refer to African Americans?

Jul 29, 2023 · I understand that the word spook is a racial slur that rose in usage during WWII; I also know Germans called black gunners Spookwaffe. What I don't understand is why. Spook ...

Contextual difference between "That is why" vs "Which is why"?

Thus we say: You never know, which is why... but You never know. That is why... And goes on to explain: There is a subtle but important difference between the use of that and which in a ...

Why is 'c\*nt' so much more derogatory in the US than the UK?

It certainly is offensive here in the US, and I'm not sure why it's considered so much worse than other "Anglo-Saxon" words. I've used all of the other ones on occasion.

indefinite articles - Is it 'a usual' or 'an usual'? Why? - English ...

As Jimi Oke points out, it doesn't matter what letter the word starts with, but what sound it starts with. Since "usual" starts with a 'y' sound, it should take 'a' instead of 'an'. Also, If you say ...
