would you marry a stranger commonlit answer key: Let Me Tell You Shirley Jackson, 2015-08-04 NAMED ONE OF THE BEST BOOKS OF THE YEAR BY NPR • From the renowned author of "The Lottery" and *The Haunting of Hill House*, a spectacular volume of previously unpublished and uncollected stories, essays, and other writings. Features "Family Treasures," nominated for the Edgar Award for Best Short Story Shirley Jackson is one of the most important American writers of the last hundred years. Since her death in 1965, her place in the landscape of twentieth-century fiction has grown only more exalted. As we approach the centenary of her birth comes this astonishing compilation of fifty-six pieces—more than forty of which have never been published before. Two of Jackson's children co-edited this volume, culling through the vast archives of their mother's papers at the Library of Congress, selecting only the very best for inclusion. *Let Me Tell You* brings together the deliciously eerie short stories Jackson is best known for, along with frank, inspiring lectures on writing; comic essays about her large, boisterous family; and whimsical drawings. Jackson's landscape here is most frequently domestic: dinner parties and bridge, household budgets and homeward-bound commutes, children's games and neighborly gossip. But this familiar setting is also her most subversive: She wields humor, terror, and the uncanny to explore the real challenges of marriage, parenting, and community—the pressure of social norms, the veins of distrust in love, the constant lack of time and space. For the first time, this collection showcases Shirley Jackson's radically different modes of writing side by side. Together they show her to be a magnificent storyteller, a sharp, sly humorist, and a powerful feminist. This volume includes a Foreword by the celebrated literary critic and Jackson biographer Ruth Franklin. Praise for *Let Me Tell You* "Stunning."—O: The Oprah Magazine "Let us now—at last—celebrate dangerous women writers: how cheering to see justice done with [this collection of] Shirley Jackson's heretofore unpublished works—uniquely unsettling stories and ruthlessly barbed essays on domestic life."—Vanity Fair "Feels like an uncanny dollhouse: Everything perfectly rendered, but something deliciously not quite right."—NPR "There are . . . times in reading [Jackson's] accounts of desperate women in their thirties slowly going crazy that she seems an American Jean Rhys, other times when she rivals even Flannery O'Connor in her cool depictions of inhumanity and insidious cruelty, and still others when she matches Philip K. Dick at his most hallucinatory. At her best, though, she's just incomparable."—The Washington Post "Offers insights into the vagaries of [Jackson's] mind, which was ruminant and generous, accommodating such diverse figures as Dr. Seuss and Samuel Richardson."—The New York Times Book Review "The best pieces clutch your throat, gently at first, and then with growing strength. . . . The whole collection has a timelessness."—The Boston Globe "[Jackson's] writing, both fiction and nonfiction, has such enduring power—she brings out the darkness in life, the poltergeists shut into everyone's basement, and offers them up, bringing wit and even joy to the examination."—USA Today "The closest we can get to sitting down and having a conversation with . . . one of the most original voices of her generation."—The Huffington Post

#1 NEW YORK TIMES BESTSELLER • More than one million copies sold! A "brilliant" (Lupita Nyong'o, Time), "poignant" (Entertainment Weekly), "soul-nourishing" (USA Today) memoir about coming of age during the twilight of apartheid "Noah's childhood stories are told with all the hilarity and intellect that characterizes his comedy, while illuminating a dark and brutal period in South Africa's history that must never be forgotten."—Esquire Winner of the Thurber Prize for American Humor and an NAACP Image Award • Named one of the best books of the year by The New York Time, USA Today, San Francisco Chronicle, NPR, Esquire, Newsday, and Booklist Trevor Noah's unlikely path from apartheid South Africa to the desk of The Daily Show began with a criminal act: his birth. Trevor was born to a white Swiss father and a black Xhosa mother at a time when such a union was punishable by five years in prison. Living proof of his parents' indiscretion, Trevor was kept mostly indoors for the earliest years of his life, bound by the extreme and often absurd measures his mother took to hide him from a government that could, at any moment, steal him away. Finally liberated by the end of South Africa's tyrannical white rule, Trevor and his mother set forth on a grand adventure, living openly and freely and embracing the opportunities won by a centuries-long struggle. Born a Crime is the story of a mischievous young boy who grows into a restless young man as he struggles to find himself in a world where he was never supposed to exist. It is also the story of that young man's relationship with his fearless, rebellious, and fervently religious mother—his teammate, a woman determined to save her son from the cycle of poverty, violence, and abuse that would ultimately threaten her own life. The stories collected here are by turns hilarious, dramatic, and deeply affecting. Whether subsisting on caterpillars for dinner during hard times, being thrown from a moving car during an attempted kidnapping, or just trying to survive the life-and-death pitfalls of dating in high school, Trevor illuminates his curious world with an incisive wit and unflinching honesty. His stories weave together to form a moving and searingly funny portrait of a boy making his way through a damaged world in a dangerous time, armed only with a keen sense of humor and a mother's unconventional, unconditional love.

would you marry a stranger commonlit answer key: *King Leopold's Ghost* Adam Hochschild, 2019-05-14 With an introduction by award-winning novelist Barbara Kingsolver In the late nineteenth century, when the great powers in Europe were tearing Africa apart and seizing ownership of land for themselves, King Leopold of Belgium took hold of the vast and mostly unexplored territory surrounding the Congo River. In his devastatingly barbarous colonization of this area, Leopold stole its rubber and ivory, pummelled its people and set up a ruthless regime that would reduce the population by half. . While he did all this, he carefully constructed an image of himself as a deeply feeling humanitarian. Winner of the Duff Cooper Prize in 1999, *King Leopold's Ghost* is the true and haunting account of this man's brutal regime and its lasting effect on a ruined nation. It is also the inspiring and deeply moving account of a handful of missionaries and other idealists who travelled to Africa and unwittingly found themselves in the middle of a gruesome holocaust. Instead of turning away, these brave few chose to stand up against Leopold. Adam Hochschild brings life to this largely untold story and, crucially, casts blame on those responsible for this atrocity.

would you marry a stranger commonlit answer key: Recitatif Toni Morrison, 2022-02-01 A beautiful, arresting short story by Toni Morrison—the only one she ever wrote—about race and the relationships that shape us through life, with an introduction by Zadie Smith. Twyla and Roberta have known each other since they were eight years old and spent four months together as roommates in the St. Bonaventure shelter. Inseparable at the time, they lose touch as they grow older, only to find each other later at a diner, then at a grocery store, and again at a protest. Seemingly at opposite ends of every problem, and in disagreement each time they meet, the two women still cannot deny the deep bond their shared experience has forged between them. Written in 1980 and anthologized in a number of collections, this is the first time Recitatif is being published as a stand-alone hardcover. In the story, Twyla's and Roberta's races remain ambiguous. We know that one is white and one is black, but which is which? And who is right about the race of the woman the girls tormented at the orphanage? Morrison herself described this story as "an experiment in the removal of all racial codes from a narrative about two characters of different races for whom racial identity is crucial." Recitatif is a remarkable look into what keeps us together and what keeps us apart, and about how perceptions are made tangible by reality.

would you marry a stranger commonlit answer key: *Man Jesus Loved* Theodore W. Jr. Jennings, Theodore W. Jennings, 2009-06-24 Homosexuality has been at the forefront of debate in the church for the last quarter-century, with Biblical interpretation at the heart of this debate. Some biblical passages appear to condemn certain same-sex relationships or erotic practices, resulting in a challenge to clergy as well as laity regarding the preaching and understanding of these Biblical passages. In *The Man Jesus Loved*, Jennings proposes a gay-affirmative reading of the Bible in the hope of respecting the integrity of these texts and making them more clear as well as persuasive. This reading suggests that the exclusion of persons on the basis of their sexual orientation or same-sex practices fundamentally distorts the Bible generally and the traditions concerning Jesus in particular.
