Becoming a Living God: A Journey of Self-Mastery and Transcendence

Introduction:

Have you ever felt a deep, resonant longing within you, a yearning for something beyond the mundane, a desire to transcend the limitations of your current self? The phrase "becoming a living god" might sound fantastical, even blasphemous, to some. But stripped of its religious connotations, it speaks to a powerful human aspiration: to achieve a state of mastery over oneself and one's life, to live with purpose, power, and unwavering self-belief. This post explores what it truly means to embark on this transformative journey, offering practical steps and philosophical insights to help you cultivate your own inner divinity. We won't be discussing literal deification, but rather the process of self-actualization and the creation of a life that reflects your highest potential.

H2: Defining "Living God" in a Secular Context

The term "living god" doesn't necessitate a belief in traditional deities. Instead, it represents the pinnacle of human potential – a state of complete self-mastery, unwavering self-belief, and profound connection to something greater than oneself. This "something greater" could be nature, humanity, creativity, or a personal philosophy. A living god, in this context, is an individual who:

Lives authentically: They are deeply connected to their values and act in accordance with them, irrespective of external pressures.

Exerts influence: They inspire others through their actions, words, and the impact they have on the world.

Embraces continuous growth: They are committed to lifelong learning, self-improvement, and

pushing their personal boundaries.

Radiates positive energy: They possess an inner strength and resilience that enables them to overcome adversity and inspire others.

Lives with purpose: They have a clear understanding of their life's mission and are driven to achieve it.

H2: The Pillars of Becoming a Living God

This transformation is not a quick fix; it's a lifelong journey requiring dedication and self-awareness. Here are some key pillars to guide you:

H3: Self-Knowledge and Acceptance:

Understanding your strengths, weaknesses, values, and beliefs is paramount. This involves deep introspection, meditation, journaling, and perhaps even therapy. Embrace your imperfections; they are part of your unique journey.

H3: Mastering Your Emotions:

Emotional intelligence is crucial. Learn to regulate your emotions, manage stress, and respond rather than react to challenging situations. Practices like mindfulness and meditation can be incredibly helpful.

H3: Cultivating Discipline and Willpower:

Becoming a living god requires consistent effort and unwavering discipline. Set realistic goals, break them down into smaller steps, and celebrate your achievements along the way.

H3: Expanding Your Consciousness:

Explore different philosophies, spiritual practices, and forms of self-expression to broaden your perspective and deepen your understanding of the world and your place in it.

H3: Serving a Higher Purpose:

Identify a purpose that resonates deeply with you and dedicate your life to serving it. This could be anything from contributing to your community to pursuing a creative passion.

H2: Practical Steps on Your Journey

Create a daily ritual: Incorporate practices like meditation, journaling, or exercise into your daily routine to cultivate self-awareness and inner peace.

Set meaningful goals: Define clear, achievable goals that align with your values and purpose.

Seek mentorship and guidance: Connect with individuals who inspire you and can offer support and guidance.

Embrace challenges: View challenges as opportunities for growth and learning.

Practice gratitude: Regularly express gratitude for the good things in your life.

H2: Overcoming Obstacles on the Path

The journey to self-mastery is rarely easy. You'll face setbacks, doubts, and temptations. It's crucial to develop resilience, learn from your mistakes, and maintain a positive mindset. Remember that progress, not perfection, is the key.

Conclusion:

Becoming a living god is not about achieving some unattainable state of perfection but rather about continually striving for self-improvement and living a life of purpose, authenticity, and impact. It's a journey of self-discovery, transformation, and ultimately, the creation of a life that reflects your highest potential. Embrace the challenge, and you will find yourself evolving into a more powerful, compassionate, and fulfilled version of yourself.

FAQs:

1. Is "becoming a living god" a religious concept? Not necessarily. This concept can be interpreted in a secular context as achieving peak human potential and living a life of purpose and impact.
2. How long does it take to become a "living god"? This is a lifelong journey, not a destination. Continuous growth and self-improvement are key.
3. What if I fail along the way? Setbacks are inevitable. Learn from your mistakes, adjust your approach, and keep moving forward.
4. Do I need to be exceptionally talented to achieve this? No. The journey is about self-mastery, not innate talent. Dedication and perseverance are more important.
5. What are some resources to help me on this journey? Explore books on self-improvement, mindfulness, and philosophy. Consider seeking mentorship or joining a supportive community.

becoming a living god: Plan of Life Roger J., 2019-03-25 This book is meant for teens to older adults of all educational levels who aspire to spiritual growth; it's also a great aid for parents and grandparents who need help in teaching children and young people how to grow in God. There are many Catholics who are not familiar with having a plan of life that includes these basic elements. Many Catholics would like to grow spiritually, but don't know where to start and welcome this kind of practical, doable approach.

becoming a living god: Future Home of the Living God Louise Erdrich, 2017-11-14 A New York Times Notable Book Louise Erdrich, the New York Times bestselling, National Book Award-winning author of *LaRose* and *The Round House*, paints a startling portrait of a young woman fighting for her life and her unborn child against oppressive forces that manifest in the wake of a cataclysmic event. The world as we know it is ending. Evolution has reversed itself, affecting every living creature on earth. Science cannot stop the world from running backwards, as woman after woman gives birth to infants that appear to be primitive species of humans. Twenty-six-year-old Cedar Hawk Songmaker, adopted daughter of a pair of big-hearted, open-minded Minneapolis liberals, is as disturbed and uncertain as the rest of America around her. But for Cedar, this change is profound and deeply personal. She is four months pregnant. Though she wants to tell the adoptive parents who raised her from infancy, Cedar first feels compelled to find her birth mother, Mary Potts, an Ojibwe living on the reservation, to understand both her and her baby's origins. As Cedar goes back to her own biological beginnings, society around her begins to disintegrate, fueled by a swelling panic about the end of humanity. There are rumors of martial law, of Congress confining pregnant women. Of a registry, and rewards for those who turn these wanted women in. Flickering through the chaos are signs of increasing repression: a shaken Cedar witnesses a family wrenched apart when police violently drag a mother from her husband and child in a parking lot. The streets of her neighborhood have been renamed with Bible verses. A stranger answers the phone when she calls her adoptive parents, who have vanished without a trace. It will take all Cedar has to avoid the prying eyes of potential informants and keep her baby safe. A chilling dystopian novel both provocative and prescient, *Future Home of the Living God* is a startlingly original work from one of our most acclaimed writers: a moving meditation on female agency, self-determination, biology, and natural rights that speaks to the troubling changes of our time.

becoming a living god: *Becoming the Woman God Wants Me to Be* Donna Partow, 2008-06-01 Every woman needs a little jump start in life. Donna Partow knows how to make it happen. In *Becoming the Woman God Wants Me to Be*, author Donna Partow shows women how to reenergize their lives in 90 days. She covers everything from faith and family to fitness and fashion (with lots more) in this comprehensive plan for greater vitality in life and intimacy with God. This in-depth study of Proverbs 31:10-31 will make women feel in control and on top of things as they study and even memorize that famous passage about the ideal woman of God. This positive, life-affirming book includes a leader's guide, making it perfect for small group use.

becoming a living god: *The Birth of the Living God* Ana-Marie Rizzuto, 2011-09-28 Utilizing both clinical material based on the life histories of twenty patients and theoretical insights from the works of Freud, Erikson, Fairbairn, and Winnicott, Ana-Maria Rizzuto examines the origin, development, and use of our God images. Whereas Freud postulated that belief in God is based on a child's idea of his father, Rizzuto argues that the God representation draws from a variety of sources and is a major element in the fabric of one's view of self, others, and the world.

becoming a living god: *Becoming Who God Intended* David Eckman, 2005 *Becoming Who God Intended* answers the heart questions of those who are deeply frustrated with their Christian life: Is it normal that my emotional experience doesn't match up with the Bible? Why do I feel alive only when I engage in habitual sins and compulsions? Do I just have to live with anxiety, anger, shame, and depression? Every person's heart life is filled with pictures of reality--often false ones, says David Eckman. But as believers use the truth of their new identity in Christ to develop biblical

pictures, they will be able to truly accept God's acceptance of them, be freed from negative emotions and habitual sins...and finally experience a life that matches what Scripture promises.

becoming a living god: *Becoming Whole* Brian Fikkert, Kelly M. Kopic, 2019-03-05 Western Civilization is wealthier, but it isn't happier. We are the richest people ever to walk the face of the earth, but according to research, we aren't becoming happier. Families and communities are increasingly fragmented, loneliness is skyrocketing, and physical and mental health are on the decline. Our unprecedented wealth doesn't seem to be doing us much good. Yet, when we try to help poor people at home or abroad, our implicit assumption is that the goal is to help them to become like us. If they would just do things our way, they'd be fine! But even when they seem to pursue our path, they too find that the American Dream doesn't work for them. What if we have the wrong idea altogether? What if the molds we are using to help poor people don't actually fit any of us? What if the goal isn't to turn other countries into the United States or to turn America's impoverished communities into its affluent suburbs? In *Becoming Whole* (building on the best-selling *When Helping Hurts*), Brian Fikkert and Kelly M. Kopic look at the true sources of brokenness and poverty and uncover the surprising pathways to human flourishing, for poor and non-poor alike. Exposing the misconceptions of both Western Civilization and the Western church about the nature of God, human beings, and the world, they redefine success and offer new ways of achieving that success. Through biblical insights, scientific research, and practical experience, they show you how the good news of the kingdom of God reshapes our lives and our poverty alleviation ministries, moving everybody involved towards wholeness.

becoming a living god: *Quest for the Living God* Elizabeth A. Johnson, 2011-07-21 'Since the middle of the twentieth century,' writes Elizabeth Johnson, 'there has been a renaissance of new insights into God in the Christian tradition. On different continents, under pressure from historical events and social conditions, people of faith have glimpsed the living God in fresh ways. It is not that a wholly different God is discovered from the One believed in by previous generations. Christian faith does not believe in a new God but, finding itself in new situations, seeks the presence of God there. Aspects long-forgotten are brought into new relationships with current events, and the depths of divine compassion are appreciated in ways not previously imagined.' This book sets out the fruit of these discoveries. The first chapter describes Johnson's point of departure and the rules of engagement, with each succeeding chapter distilling a discrete idea of God. Featured are transcendental, political, liberation, feminist, black, Hispanic, interreligious, and ecological theologies, ending with the particular Christian idea of the one God as Trinity.

becoming a living god: *The Living God* Kaytalin Platt, 2019-05-21 In a land of magic where parallel worlds are just a portal away, civil war rages. Saran and Keiler are elemental mages bound by love and sorcery: one destined to rule a kingdom, the other to destroy it. Five years ago, Saran reached into Keleir Ahriman's heart and imprisoned the demon within him, tying her soul to his. Together, they've conspired against Saran's father—a fanatical king who worships that world-ending demon inside Keleir, a being known as the Vel d'Ekaru. When Saran risks everything to save a village of innocent people, the king rips her magic away, splintering the wall she built around Keleir's heart. Powerless and desperate, Saran struggles to see her rebellion finished and stop Keleir from becoming the Vel d'Ekaru—the Living God. In a world that is equal parts magic and political

intrigue, heroine and hero must now battle their way back to each other if they are to overcome their doomed destinies.

becoming a living god: Book on the Living God B Yin R, 2007-09-01 You should not read this book if you believe the teachings of your faith with heart and soul. You should not read this book if you have never doubted God. This book is written for all those who suffered bitter conflicts in themselves in their labours, never found Him.

becoming a living god: The Language of God Francis Collins, 2008-09-04 Dr Francis S. Collins, head of the Human Genome Project, is one of the world's leading scientists, working at the cutting edge of the study of DNA, the code of life. Yet he is also a man of unshakable faith in God. How does he reconcile the seemingly unreconcilable? In THE LANGUAGE OF GOD he explains his own journey from atheism to faith, and then takes the reader on a stunning tour of modern science to show that physics, chemistry and biology -- indeed, reason itself -- are not incompatible with belief. His book is essential reading for anyone who wonders about the deepest questions of all: why are we here? How did we get here? And what does life mean?

becoming a living god: The Analogy of Being Thomas Joseph White, 2011 Does all knowledge of God come through Christ alone, or can human beings discover truths about God philosophically? The Analogy of Being assembles essays by expert Catholic, Protestant, and Orthodox theologians to examine the relationship between divine revelation in the person of Jesus Christ and the philosophical capacities of natural reason. These essays were inspired by the lively, decades-long debate between Karl Barth and Erich Przywara, which was first sparked in 1932 when Barth wrote that the use of natural theology in Roman Catholic thinking was the invention of the Antichrist. The contributors to The Analogy of Being analyze and reflect on both sides of Barth and Przywara's spirited discourse, offering diverse responses to a controversy reaching to the very core of Christian faith and theology. It would be difficult to match the range and quality of commentators on this historic exchange between a Catholic philosopher and a renowned Reformed theologian on a subject of enduring significance, given the centrality of analogy to any issue in philosophical theology. Moreover, the contributions exhibit how the issues have come to span ecclesial boundaries as their import has progressively evolved. A splendid collection! David Burrell, C.S.C. Uganda Martyrs University A profound testimony to the enduring significance of the analogia entis debate between Erich Przywara and Karl Barth. Hans Boersma Regent College In a fresh ecumenical context, this extraordinary volume rekindles the mid-twentieth-century encounter between ressourcement thinkers and metaphysical theology. The voices of Przywara, Barth, Balthasar, and others speak anew through leading theologians of our own day in these masterfully orchestrated essays. Matthew Levering University of Dayton

becoming a living god: Living with a Wild God Barbara Ehrenreich, 2014-04-08 From the New York Times bestselling author of Nickel and Dimed comes a brave, frank, and exquisitely written memoir that will change the way you see the world. Barbara Ehrenreich is one of the most important thinkers of our time. Educated as a scientist, she is an author, journalist, activist, and advocate for

social justice. In *Living With a Wild God*, she recounts her quest-beginning in childhood-to find the Truth about the universe and everything else: What's really going on? Why are we here? In middle age, she rediscovered the journal she had kept during her tumultuous adolescence, which records an event so strange, so cataclysmic, that she had never, in all the intervening years, written or spoken about it to anyone. It was the kind of event that people call a mystical experience-and, to a steadfast atheist and rationalist, nothing less than shattering. In *Living With a Wild God*, Ehrenreich reconstructs her childhood mission, bringing an older woman's wry and erudite perspective to a young girl's impassioned obsession with the questions that, at one point or another, torment us all. The result is both deeply personal and cosmically sweeping-a searing memoir and a profound reflection on science, religion, and the human condition. With her signature combination of intellectual rigor and uninhibited imagination, Ehrenreich offers a true literary achievement-a work that has the power not only to entertain but amaze.

becoming a living god: God of Becoming and Relationship Rabbi Bradley Shavit Artson, DHL, 2013-10-10 You no longer have to choose between what you know and what you believe—an accessible introduction to a theological game-changer. I wrote this book for you if you want to be able to locate your life in a single, encompassing story, one that includes everything from the first moment the universe began until yesterday, a narrative that embraces deepest personal meaning, a yearning to love and be loved, a quest for social justice and compassion. —from the Introduction Much of what you were told you should believe when you were younger forces you to choose between your spirit and your intellect, between science and religion, between morality and dogma: unchanging laws of nature vs. miracles that sound magical; a good God vs. the tragedies that strike all living creatures; a God who knows the future absolutely vs. an open future that you help to shape through your choices. This fascinating introduction to Process Theology from a Jewish perspective shows that these are false choices. Inspiring speaker, spiritual leader and philosopher Rabbi Bradley Shavit Artson presents an overview of what Process Theology is and what it can mean for your spiritual life. He explains how Process Theology can break you free from the strictures of ancient

Greek and medieval European philosophy, allowing you to see all creation not as this or that, us or them, but as related patterns of energy through which we connect to everything. Armed with Process insights and tools, you can break free from outdated religious dichotomies and affirm that your religiosity, your spirit, your mind and your ethics all strengthen and refine each other.

becoming a living god: *The Book of Longings* Sue Monk Kidd, 2020-04-21 “An extraordinary novel . . . a triumph of insight and storytelling.” —Associated Press “A true masterpiece.” —Glennon Doyle, author of *Untamed* An extraordinary story set in the first century about a woman who finds her voice and her destiny, from the celebrated number one New York Times bestselling author of *The Secret Life of Bees* and *The Invention of Wings* In her mesmerizing fourth work of fiction, Sue Monk Kidd takes an audacious approach to history and brings her acclaimed narrative gifts to imagine the story of a young woman named Ana. Raised in a wealthy family with ties to the ruler of Galilee, she is rebellious and ambitious, with a brilliant mind and a daring spirit. She engages in furtive scholarly pursuits and writes narratives about neglected and silenced women. Ana is expected to marry an older widower, a prospect that horrifies her. An encounter with eighteen-year-old Jesus changes everything. Their marriage evolves with love and conflict, humor and pathos in Nazareth, where Ana makes a home with Jesus, his brothers, and their mother, Mary. Ana's pent-up longings intensify amid the turbulent resistance to Rome's occupation of Israel, partially led by her brother, Judas. She is sustained by her fearless aunt Yaltha, who harbors a compelling secret. When Ana commits a brazen act that puts her in peril, she flees to Alexandria, where startling revelations and greater dangers unfold, and she finds refuge in unexpected surroundings. Ana determines her fate during a stunning convergence of events considered among the most impactful in human history. Grounded in meticulous research and written with a reverential approach to Jesus's life that focuses on his humanity, *The Book of Longings* is an inspiring, unforgettable account of one woman's bold struggle to realize the passion and potential inside her, while living in a time, place and culture devised to silence her. It is a triumph of storytelling both timely and timeless, from a masterful writer at the height of her powers.

becoming a living god: *Living the God-Breathed Life* Thom Gardner, 2011-01-01 *Living the God-Breathed Life* is more about becoming rather than doing. It reflects a Jesus worldview that disdains religious zealotry and mere orthodoxy in spiritual experiences. Learning to be present with Christ at His table of bounty brings you a life full of peace, power, and presence. You are invited to dine in His presence of acceptance where you can let go of all your burdens and meet Him face-to-face for a heart-to-heart relationship. *Living the God-Breathed Life* is divided into three inspirational parts: The Conversation—spiritual conformation The Table—personal transformation The Encounter—with your living Christ The God-Breathed life removes What if, I should and ought to and invites us to a more face-to-face and hands-on experience of God; *Living the God-Breathed Life* is scripturally sound and consistent. It is the realm of life and living God always intended to enjoy with you. Insightful “Join the Journey” questions at the end of each chapter and an interactive final chapter guide you in experiencing the truths presented through powerful personal times with God.

becoming a living god: *Conversations with God for Teens* Neale Donald Walsch, 2012-10-01 Suppose you could ask God any question and get an answer. What would it be? Young people all over the world have been asking those questions. So Neale Donald Walsch, author of the internationally bestselling *Conversations with God* series had another conversation. *Conversations with God for Teens* is a simple, clear, straight-to-the-point dialogue that answers teens questions about God, money, sex, love, and more. *Conversations with God for Teens* reads like a rap session at a church youth group, where teenagers discuss everything they ever wanted to know about life but were too afraid to ask God. Walsch acts as the verbal conduit, showing teenagers how easy it is to converse with the divine. When Claudia, age 16, from Perth, Australia, asks, Why can't I just have sex with everybody? What's the big deal?, the answer God offers her is: Nothing you do will ever be okay with everybody. 'Everybody' is a large word. The real question is can you have sex and have it be okay with you? There's no doubt that the casual question-and-answer format will help make God feel welcoming and accessible to teens. *Conversations with God for Teens* is the perfect gift purchase for

parents, grandparents, and anyone else who wants to provide accessible spiritual content for the teen(s) in their lives.

becoming a living god: We Become What we Worship G K Beale, 2020-05-21 The heart of the biblical understanding of idolatry, argues Gregory Beale, is that we take on the characteristics of what we worship. Employing Isaiah 6 as his interpretive lens, Beale demonstrates that this understanding of idolatry permeates the whole canon, from Genesis to Revelation. Beale concludes with an application of the biblical notion of idolatry to the challenges of contemporary life.

becoming a living god: Keep in Step with the Spirit (second edition) J I Packer, 2020-05-21 Since we live by the Spirit, let us keep in step with the Spirit (Galatians 5:25). The Holy Spirit empowers us, guides us, and enables us to grow and endure in our relationship with the Father through Jesus Christ. Often the most misunderstood member of the Trinity, the person of the Spirit continues to attract attention today amidst church revivals and renewals. In this new edition of his classic *Keep in Step with the Spirit*, J. I. Packer seeks to help Christians reaffirm the biblical call to holiness and the Spirit's role in keeping our covenant with God. Packer guides us through the riches and depth of the Spirit's work, assesses versions of holiness and the charismatic life, and shows how Christ must always be at the centre of true Spirit-led ministry. A new chapter explores Christian assurance. With abiding relevance and significance, *Keep in Step with the Spirit* sets forth vital knowledge for healthy and joyous Christian living, through understanding and experience of God the Holy Spirit. Here is a book for every serious believer to read and re-read.

becoming a living god: Gay Girl, Good God Jackie Hill Perry, 2018-09-03 "I used to be a lesbian." In *Gay Girl, Good God*, author Jackie Hill Perry shares her own story, offering practical tools that helped her in the process of finding wholeness. Jackie grew up fatherless and experienced gender confusion. She embraced masculinity and homosexuality with every fiber of her being. She knew that Christians had a lot to say about all of the above. But was she supposed to change herself? How was she supposed to stop loving women, when homosexuality felt more natural to her than heterosexuality ever could? At age nineteen, Jackie came face-to-face with what it meant to be made new. And not in a church, or through contact with Christians. God broke in and turned her heart toward Him right in her own bedroom in light of His gospel. Read in order to understand. Read in order to hope. Or read in order, like Jackie, to be made new.

becoming a living god: A Testament of Devotion Thomas R. Kelly, 1996-08-02 Since its first publication in 1941, *A Testament of Devotion*, by the renowned Quaker teacher Thomas Kelly, has been universally embraced as a truly enduring spiritual classic. Plainspoken and deeply inspirational, it gathers together five compelling essays that urge us to center our lives on God's presence, to find quiet and stillness within modern life, and to discover the deeply satisfying and lasting peace of the inner spiritual journey. As relevant today as it was a half-century ago, *A Testament of Devotion* is the ideal companion to that highest of all human arts-the lifelong conversation between God and his creatures. I have in mind something deeper than the simplification of our external programs, our absurdly crowded calendars of appointments through which so many pantingly and frantically gasp. These do become simplified in holy obedience, and the poise and peace we have been missing can really be found. But there is a deeper, an internal simplification of the whole of one's personality, stilled, tranquil, in childlike trust listening ever to Eternity's whisper, walking with a smile into the dark.

becoming a living god: Leaving Buddha Tenzin Lakhpa, Eugene Bach, 2019-03-05 Where Does the Search for Truth Lead? When Tenzin Lakhpa is fifteen years old, his parents give him over to a local temple in Tibet as an offering. Unable to change his fate, he wholeheartedly embraces his life as a monk and begins a quest for full enlightenment through the teachings of Buddhism. From his local monastery to the famed Potala Palace in Lhasa, Tibet, he learns deep mysteries of Tibetan

Buddhism. Yearning to study with the current Dalai Lama, he eventually escapes from China by means of an excruciating, two-thousand-mile, secret trek over the Himalayas—barefoot, with no extra gear, changes of clothing, or money. His dream is realized when he finally sits under the Dalai Lama himself. But his desire to go deeper only grows, leading him to unexpected conclusions.... Follow the fascinating, never-before-told, true story of what causes a highly dedicated Tibetan Buddhist monk to make the radical decision to walk away from the teachings of Buddha and leave his monastery to follow Jesus Christ. Discover the reasons other monks want him dead before he can share his story with others. Leaving Buddha dares to expose the mysterious world of Tibetan Buddhism, with its layered teachings, intricate practices—and troubling secrets. Ultimately, it tells a moving story about the search for truth, the path of enlightenment, and how no one is beyond the reach of a loving God. This gripping narrative will resonate with people from all backgrounds and nations.

becoming a living god: The Living God and the Fullness of Life Jürgen Moltmann, 2015-11-06 Modern humanity has accepted a truncated, impoverished definition of life. Focusing solely on material realities, we have forgotten that joy, purpose, and meaning come from a life that is both immersed in the temporal and alive to the transcendent. We have, in other words, ceased to live in God. In this book, renowned theologian Jürgen Moltmann shows us what that life of joy and purpose looks like. Describing how we came to live in a world devoid of the ultimate, he charts a way back to an intimate connection with the biblical God. He counsels that we adopt a theology of life, an orientation that sees God at work in both the mundane and the extraordinary and that pushes us to work for a world that fully reflects the life of its Creator. Moltmann offers a telling critique of the shallow values of consumerist society and provides a compelling rationale for why spiritual sensibilities and encounter with God must lie at the heart of any life that seeks to be authentically human.

becoming a living god: Living God's Future Now Samuel Wells, Walter Brueggemann, Steve Chalke, Sarah Coakley, Michael Curry, Chine McDonald, Stephen Cottrell, Rowan Williams, 2022-10-31 Arguably the most imaginative and energetic church response to the pandemic has been that of HeartEdge, the interdenominational church renewal movement founded at St Martin in the Fields by Samuel Wells but now extending beyond the UK to Europe, North America and Australia. From serving thousands of meals on London's streets to becoming, in all but name, an online conference centre and theological college offering hundreds of events, one outstanding feature of its programme has been Samuel Wells' monthly conversations about the future of the Church with leading figures from Britain and America, attended by large online audiences. This volume offers a distillation of those conversations which, instead of being preoccupied with decline, focus on what Christian presence and practice might look like in the world that is being reshaped by what the pandemic has revealed, and the theology that is needed to sustain such a vision.

becoming a living god: Life with God Richard J. Foster, 2009-10-13 "If you want to discover new ways of entering the Bible, and letting it enter you, you will find no better guide than Richard Foster." — Lauren F. Winner, Duke Divinity School, author of *Girl Meets God* "Foster's work is not for those readers who are seeking quick answers or a behavioral checklist of what the Bible says they should do. Rather, it is a deep reflective guide to spiritual rumination and growth." — Publishers Weekly Richard Foster, the beloved, bestselling author of *Celebration of Discipline*, *Streams of Living Water*, and *Prayer*, shows the intimate connection between Scripture and spirituality, revealing the secrets to living the "with-God life."

becoming a living god: Longing for God Richard J. Foster, Gayle D. Beebe, 2016-02-12 Do you long for the closeness with God that you've tasted in fleeting moments? You can begin to fill that longing by developing your capacity to receive and respond to God's love. In this rich resource Richard Foster and Gayle Beebe introduce you to people from the past who have known God deeply and model the seven paths to intimacy with God from Christian history.

becoming a living god: Soul Revolution John Burke, 2008-10-21 You've heard it all before. The promises for a better life get tiresome after awhile, because you know they don't deliver. However,
