

Chicago Mayor Voter Guide

Chicago Mayor Voter Guide: Your Complete Guide to the 2024 Election

Choosing your next mayor is a crucial decision impacting every aspect of Chicago life – from public safety and infrastructure to education and economic development. This comprehensive Chicago Mayor Voter Guide is designed to empower you with the information you need to make an informed choice in the upcoming 2024 election. We'll delve into the key candidates, their platforms, and the crucial issues facing our city, helping you navigate the complexities of the election and cast your vote with confidence.

Understanding the Chicago Mayoral Election Process

The Chicago mayoral election is a two-round process. If no candidate secures over 50% of the vote in the first round, a runoff election is held between the top two candidates. Understanding this process is crucial, as it can influence your strategic voting choices. Familiarize yourself with the election dates and registration deadlines – these are readily available on the Chicago Board of Elections website. We'll cover key dates and registration information later in this guide.

Key Candidates for Chicago Mayor (2024) [Replace with

Actual Candidates as they emerge]

This section will be updated as candidates officially announce their campaigns. For now, we'll discuss the key areas voters should consider when evaluating candidates. When reviewing candidates, focus on:

Candidate Platforms:

Public Safety: How does each candidate plan to address crime rates, particularly violent crime? What specific initiatives are they proposing? Look beyond slogans and examine the details of their proposed strategies.

Economic Development: What is their vision for economic growth in Chicago? How do they plan to support small businesses, attract investment, and create jobs? Consider their approach to taxation and its impact on economic activity.

Education: What is their position on school funding, teacher retention, and improving educational outcomes for all Chicago students? Look at their plans for addressing the achievement gap and ensuring equitable access to quality education.

Infrastructure: How do they plan to address issues such as road repairs, public transportation improvements, and the city's aging infrastructure? Understand their funding proposals and timelines for implementing improvements.

Healthcare Access: What is their approach to ensuring affordable and accessible healthcare for all Chicago residents? This includes considering their stances on expanding health insurance coverage and addressing healthcare disparities.

Environmental Concerns: Examine their plans to address climate change, improve air and water quality, and promote sustainable practices within the city.

Candidate Background and Experience:

Thoroughly research the background and experience of each candidate. Their past performance in government or the private sector can provide valuable insight into their leadership style and potential effectiveness as mayor. Seek credible sources of information – avoid relying solely on campaign materials.

Analyzing the Key Issues Facing Chicago

Beyond individual candidate platforms, several crucial issues will shape the 2024 mayoral race. Understanding these issues and where the candidates stand is critical to making an informed decision:

Crime and Public Safety:

Chicago's crime rate is a perennial concern for residents. Consider each candidate's proposed solutions to address violent crime, gang activity, and police reform. Analyze their plans for community policing and their approach to addressing the root causes of crime.

Budget and Fiscal Responsibility:

Chicago faces significant budgetary challenges. Evaluate each candidate's proposed solutions for addressing the city's financial situation. Consider their plans for increasing revenue, controlling spending, and prioritizing essential services.

Infrastructure and Development:

Addressing Chicago's aging infrastructure and promoting sustainable development are crucial issues. Examine each candidate's plan for improving public transportation, roads, and other essential infrastructure. Consider their approach to urban development and their vision for the future of the city.

Finding Reliable Information and Resources

Navigating the plethora of information available during an election campaign can be overwhelming. Here are some reliable sources for unbiased information:

Chicago Board of Elections: This is your primary source for election dates, candidate information, and voter registration details.

Reputable News Outlets: Focus on established news organizations known for their journalistic integrity.

Candidate Websites: While you should approach candidate websites with a critical eye, they offer insight into their platforms and policy positions.

Non-Partisan Voter Guides: Several organizations provide non-partisan voter guides that offer information on candidates and their positions on key issues.

Making Your Vote Count: A Step-by-Step Guide

1. **Register to Vote:** Ensure your voter registration is up-to-date. Check your registration status and update it if needed.
2. **Research the Candidates:** Thoroughly research each candidate's platform and background.
3. **Attend Candidate Forums:** Attend candidate forums and debates to hear the candidates directly address key issues.
4. **Compare and Contrast:** Compare and contrast the candidates' positions on issues that are important to you.
5. **Cast Your Vote:** Vote early or on Election Day.

Conclusion:

The Chicago mayoral election is a significant event shaping the future of our city. By carefully considering the candidates, their platforms, and the crucial issues facing Chicago, you can make an

informed decision and exercise your right to vote effectively. This guide is intended to equip you with the necessary tools; remember to conduct your own thorough research to make the best choice for yourself and your community.

FAQs:

1. When is the Chicago mayoral election? [Insert Date – This needs updating closer to the election]
2. Where can I register to vote? Visit the Chicago Board of Elections website.

chicago mayor voter guide: Local Politics: A Practical Guide to Governing at the Grassroots Terry Christensen, Tom Hogen-Esch, 2014-12-18 Unlike most competing texts that are densely written and heavily theoretical, with little flavor of political life, this book is a readable, jargon-free introduction to real-life local politics for today's students. While it encompasses local government and politics in cities and towns across America, Local Politics: A Practical Guide to Governing at the Grassroots gives special attention to the politics of suburbia, where many students live, and encourages them to become engaged in their own communities. The book is also distinguished by its strong emphasis on nuts-and-bolts practical politics. It provides focused discussion of institutions, roles, and personalities as well as the dynamic environment of local

politics (demographics, immigration, globalization, etc.) and major policy issues (budgets, land use, transportation, education, etc.). Other texts treat communities as abstractions and readers as passive observers. *Local Politics: A Practical Guide to Governing at the Grassroots* is designed to inspire civic engagement as well as understanding. It features In Your Community research projects for students in every chapter along with informative tables, clear charts, essential terms, and guides to useful websites.

chicago mayor voter guide: *Not For Tourists Guide to Chicago 2021* Not For Tourists, 2020-10-13 The Not For Tourists Guide to Chicago is a map-based, neighborhood-by-neighborhood dream guide that divides Chi-Town into sixty mapped neighborhoods from Gold Coast and Lincoln Park to Wrigleyville and Lakeview. Designed to lighten the load of already street-savvy locals, commuters, business travelers, and yes, tourists too, every map is dotted with user-friendly NFT icons that plot the nearest essential services and entertainment locations, while providing important information on things like kid-friendly activities, public transportation, restaurants, bars, and Chicago's art scene. Need to find the best deep-dish pizza hideouts around? NFT has you covered. How about a list of the top sports attractions in the famously sports-crazy city? We've got that, too. The nearest beach, jazz club, coffee shop, or bookstore—whatever you need—NFT puts it at your fingertips. This book also features: • A foldout highway map • Sections on the North Side, Near North Side, Near West Side, the Greater Loop, the South Side, and Greater Chicago • More than 150 neighborhood and city maps It's the only key to the Windy City that Rahm Emanuel can't give you.

chicago mayor voter guide: *The Rough Guide to Chicago* Rich McHugh, 2003 An honest, illustrated, detailed guide to the quintessential American city. Full coverage of all the neighbourhoods, including the downtown Loop and its prominent skyline, and ethnic enclaves like Greektown and Pilsen, plus sights from the Art Institute of Chicago to the shops on Michigan Avenue and all the Frank Lloyd Wright houses in Oak Park. Listings of restaurants, nightlife and accommodation cater for all budgets and include places to hear the Chicago Blues and engage in local pastimes such as rooting for the doomed Cubs baseball team. Tours and excursions to the North Shore are also listed.

chicago mayor voter guide: *Voter's Guide to the 1952 Elections* Public Affairs Research Council of Louisiana, inc, 1951

chicago mayor voter guide: *The Minneapolis Reckoning* Michelle S. Phelps, 2024-05-07 Since the beginning of the Black Lives Matter Movement in 2014, police brutality, police violence, and police reform have emerged as central public policy concerns, and throughout that time, Minneapolis has been at the center of these conversations, both as a leader in progressive police reform and as a demonstration of the failure of those reforms. From solidarity protests with Ferguson in 2014, to an occupation of a police precinct following the killing of Jamar Clark in 2015, protests following the death of Justine Damond (Ruszczyk) in 2017, and the uprising following George Floyd's murder in 2020, activists in Minneapolis have long demanded that the city take measures to make Black Lives Matter. In 2020, these demands shifted from police reform and accountability toward police defunding and abolition, culminating in a deeply contested ballot initiative to replace the Minneapolis Police Department with a new Department of Public Safety—a debate that has come to symbolize the rift in opinion about the role of policing that continues to divide the nation. The *Minneapolis Reckoning* uses Minneapolis as a case study to understand policing, police violence, and anti-police-violence activism in the twenty-first century. Drawing on fieldwork conducted between 2017 and 2021, as well as detailed historical analyses of transformations in the Minneapolis Police Department from the Great Migration to the present, Michelle Phelps tells the complex story of elected officials, elite interests, activist organizers, and residents struggling to gain power over the police. Tracing the ways in which movements pushing for the transformation of policing have crashed into the local politics of race, inequality, and violence, both in the years leading up to the murder of George Floyd and in its aftermath, Phelps offers revealing lessons about the political struggle over policing and the power of social movements

for racial justice to create change--

chicago mayor voter guide: Chicago Tribune Index , 1999

chicago mayor voter guide: *Meet the Candidates 2020: Pete Buttigieg* Scott Dworkin, 2019-07-02 Who is Pete Buttigieg? The mayor of South Bend, Indiana emerged from relative obscurity to become a serious contender for president of the United States of America. Is he the right foil for Donald Trump? Mayor Pete Buttigieg has raised seven million dollars and captivated the nation in media and at town halls during his short time as candidate for president of the United States. He's a veteran of the war in Afghanistan as a lieutenant in the Navy Reserve, a Harvard graduate and Rhodes scholar, well-liked by his South Bend constituents, and now a bestselling author with his recent book, *Shortest Way Home*. He's also a 37-year old millennial and openly gay—no president has ever been either. *Meet the Candidates 2020: Pete Buttigieg: A Voter's Guide* is your handbook to understanding the man that Barack Obama christened the future of the Democratic Party. Buttigieg transcends expected labels: millennial and media savvy, but conversational or better in eight languages; a Harvard grad and corporate consultant who settled in the small town he grew up in; a progressive but not a revolutionary. From his revered decency to his standard progressive stances on the issues of the environment, gun control, LGBTQ rights, and immigration, this guide is your primer on Mayor Pete. The *Meet the Candidates 2020* series is the informed voter's guide to making a decision in the 2020 Democratic primary and presidential election. Each book gives an unbiased, political insider's analysis of each contender, featuring: candidate interviews; an introduction by campaign adviser, Democratic Coalition co-founder, and Dworkin Report host Scott Dworkin; and compilation and writing by Occupy Democrats Editor at Large Grant Stern. In two hours of reading, you'll understand their defining characteristics, credentials, campaign issues, challenges, presidential chances, and everything else you need to know to decide who should challenge Donald Trump. Whether it's for Elizabeth Warren, Joe Biden, Bernie Sanders, Kamala Harris, Julian Castro, Cory Booker, or another, *Meet the Candidates* is what you need to make an informed vote for president in 2020.

chicago mayor voter guide: Guide to Resources and Services Inter-university Consortium for Political and Social Research, 1997

chicago mayor voter guide: The CQ Press Guide to Urban Politics and Policy in the United States Christine Kelleher Palus, Richardson Dilworth, 2016-02-11 The CQ Press Guide to Urban Politics and Policy in the United States will bring the CQ Press reference guide approach to topics in urban politics and policy in the United States. If the old adage that "all politics is local" is even partially true, then cities are important centers for political activity and for the delivery of public goods and services. U.S. cities are diverse in terms of their political and economic development, demographic makeup, governance structures, and public policies. Yet there are some durable patterns across American cities, too. Despite differences in governance and/or geographic size, most cities face similar challenges in the management of public finances, the administration of public safety, and education. And all U.S. cities have a similar legal status within the federal system. This reference guide will help students understand how American cities (from old to new) have developed over time (Part I), how the various city governance structures allocate power across city officials and agencies (Part II), how civic and social forces interact with the organs of city government and organize to win control over these organs and/or their policy outputs (Part III), and what patterns of public goods and services cities produce for their residents (Part IV). The thematic and narrative structure allows students to dip into a topic in urban politics for deeper historical and comparative context than would be possible in either an A-to-Z encyclopedia entry or in an urban studies course text. FEATURES: Approximately 40 chapters organized in major thematic parts in one volume available in both print and electronic formats. Front matter includes an Introduction by the Editors along with biographical backgrounds about the Editors and the Contributing Authors. Back matter includes a compilation of relevant topical data or tabular presentation of major historical developments (population growth; size of city budgets; etc.) or historical figures (e.g., mayors), a bibliographic essay, and a detailed index. Sidebars are provided throughout, and chapters conclude

with References & Further Readings and Cross References to related chapters (as links in the e-version). This Guide is a valuable reference on the topics in urban politics and policy in the United States. The thematic and narrative structure allows researchers to dip into a topic in urban politics for a deeper historical and comparative context than would be possible in either an A-to-Z encyclopedia entry or in an urban studies course text.

chicago mayor voter guide: Guide to U.S. Elections Deborah Kalb, 2015-12-24 The CQ Press Guide to U.S. Elections is a comprehensive, two-volume reference providing information on the U.S. electoral process, in-depth analysis on specific political eras and issues, and everything in between. Thoroughly revised and infused with new data, analysis, and discussion of issues relating to elections through 2014, the Guide will include chapters on: Analysis of the campaigns for presidency, from the primaries through the general election Data on the candidates, winners/losers, and election returns Details on congressional and gubernatorial contests supplemented with vast historical data. Key Features include: Tables, boxes and figures interspersed throughout each chapter Data on campaigns, election methods, and results Complete lists of House and Senate leaders Links to election-related websites A guide to party abbreviations

chicago mayor voter guide: Finding Common Ground Zoltan Hajnal, Mark Baldassare, 2001

chicago mayor voter guide: Design for Democracy Marcia Lausen, 2008-11-15 In November 2000, when the now-infamous butterfly ballot confused crucial Florida voters during a hotly contested presidential race, the importance of well-designed ballots to a functioning democracy caught the nation's attention. Recognizing that our entire voting process—from registering to vote to following instructions at the polling place—can be almost as confusing as the Florida ballot, Design for Democracy builds on the lessons of 2000 by presenting innovative steps for redesigning elections in the service of citizens. Handsomely designed itself, this volume showcases adaptable design models that can improve almost every part of the election process by maximizing the clarity and usability of ballots, registration forms, posters and signs, informational brochures and guides, and even administrative materials for poll workers. Design for Democracy also lays out specific guidelines—covering issues of color palette, typography, and image use—that anchor the comprehensive election design system devised by the group of design specialists from whose name the book takes its title. Part of a major AIGA strategic program, this group's prototypes and recommendations have already been used successfully in major Illinois and Oregon elections and, collected here, are likely to spread across the country as more people become aware of the myriad benefits and broad applicability of improved election design. An essential tool for designers and election officials, lawmakers and citizens, Design for Democracy harnesses the power of design to increase voter confidence, promote government transparency, and, perhaps most important, create an informed electorate.

chicago mayor voter guide: Vote Her In Rebecca Sive, 2018-10-16 A seasoned political analyst and strategist argues why the U.S. must elect a woman president now and lays out a plan of action to make it happen. Yes. She. Can. Vote Her In addresses the unrealized dream of millions of American women: electing our first woman president. It makes the case for the urgency of women attaining equal executive power at all levels, including the presidency, and offers a comprehensive strategy for every woman to be a part of this campaign—the most important of our lifetimes. Women are wildly underrepresented at every level of the U.S. government: federal, state, and local. Research has shown that women in executive government positions are far more likely than men to commit to policies that benefit women, girls, and other marginalized groups. So, after centuries of underrepresentation, it's clear: our best bet for creating a system that is more fair, balanced, and just for everyone is electing our first Madam President—as soon as we can. Vote Her In is organized around the inspirational messages seen on protest signs carried at the record-breaking 2017 Chicago Women's March. Part One outlines the case for why we need to mobilize now, and Part Two provides a clear strategy for how to do it. Each chapter in Part Two includes an action plan that women can complete to help each other (or themselves) attain political power and work toward electing our first woman president. Author Rebecca Sive draws on her decades of political

experience to create this crucial book, which empowers every American man, woman, and child who cares about our nation's democratic future to harness their collective power in the run-up to 2020 and, at last, form a more perfect union. Praise for Rebecca Sive's *Vote Her In* "Rebecca astutely explores a critical question: If we believe in justice for every American, will we work to elect women to public offices across the country, including the presidency? We must!" —Lisa Madigan, former attorney general, Illinois "Sive takes her years of dedication to advancing women's political careers and causes and turns them into a call to action along with some of the practical tools needed for real and rapid progress." —Katherine Baicker, dean, University of Chicago Harris School of Public Policy "Far too few women, especially women of color, have the opportunity to become political leaders. Let's #VoteHerIn, as Sive's inspirational guide so powerfully argues." —Kimberly M. Foxx, state's attorney, Cook County, Illinois

chicago mayor voter guide: Florida Voter's Guide Hugh Douglas Price, 1958

chicago mayor voter guide: Kansas Voter's Guide, 1974

chicago mayor voter guide: American Constitutional Law, Volume II Ralph A. Rossum, 2018-05-15 This book examines how the Constitution and its amendments not only grant the national and state governments sufficient power to control the governed but also oblige these governments to control themselves. It considers the distribution of power in the national government.

chicago mayor voter guide: Illinois Politics Melissa Mouritsen, Kent D. Redfield, James D. Nowlan, 2024-08-06 Shifting demographics. Downstate versus Chicago. Billionaires and bribery. Even veteran observers need a roadmap to track Illinois' ever-changing political landscape. Melissa Mouritsen, Kent D. Redfield, and James D. Nowlan provide an up-to-date primer on Prairie State politics, government, and policies. Features include: Discussions of recent events like the 2015-2017 budget disaster, the response to COVID-19, and the fall of longtime House Speaker Michael Madigan; New chapters on corruption, social policies, and the political rules of the game; Perspectives on the nuts-and-bolts of campaign funding, the ways political actors acquire power or influence, and many other topics; Close examinations of complex issues like the state's increased polarization and its ongoing fiscal recovery. Fully revised and expanded, Illinois Politics blends detailed information with expert analysis to offer an essential resource for citizens, students, and public servants alike.

chicago mayor voter guide: Voter Suppression United States. Congress. House. Committee on the Judiciary. Subcommittee on the Constitution, Civil Rights, and Civil Liberties, 2008

chicago mayor voter guide: Guide to the Presidency and the Executive Branch Michael Nelson, 2012-08-13 This comprehensive two-volume guide is the definitive source for researchers seeking an understanding of those who have occupied the White House and on the institution of the U.S. presidency. Readers turn *Guide to the Presidency and the Executive Branch* for its wealth of facts and analytical chapters that explain the structure, powers, and operations of the office and the president's relationship with Congress and the Supreme Court. The fifth edition of this acclaimed reference completes coverage of the George W. Bush presidency, the 2008 election, and the first 3 years of the presidency of Barack Obama. This includes coverage of their handling of the economic crisis, wars abroad, and Obama's healthcare initiatives. The work is divided into eight distinct subject areas covering every aspect of the U.S. presidency, and all chapters in each subject area have been revised and updated: Origins and Development of the Presidency, including constitutional beginnings, history of the presidency and vice presidency, and presidential ratings Selection and Removal of the President, including the electoral process, a chronology of presidential elections, removal of the president and vice president, and succession Powers of the Presidency, including the unilateral powers of the presidency and those as chief of state, chief administrator, legislative leader, commander in chief, and chief economist The President, the Public, and the Parties, including presidential appearances, the president and political parties, the president and the news media, the presidency and pop culture, public support and opinion, and the president and interest groups The Presidency and the Executive Branch, including the White House Office, the Office of the Vice President, supporting organizations, the cabinet and executive departments, presidential

commissions, and executive branch housing, pay, and perquisites Chief Executive and Federal Government, including the president and Congress, the president and the Supreme Court, and the president and the bureaucracy Presidents, their Families, and Life in the White House and Beyond, including the daily life of the president, the first lady, the first family, friends of presidents, and life after the presidency Biographies of the Presidents, Vice Presidents, First Ladies This new volume also features more than 200 textboxes, tables, and figures. Major revisions cover the supporting White House organizations and the president's role as chief economist. Additional reference materials include explanatory headnotes, as well as hundreds of photographs with detailed captions.

chicago mayor voter guide: Democracy's Rebirth Dick Simpson, 2022-04-26 Dick Simpson draws upon his fifty-year career as a legislator, campaign strategist, and government advisor to examine the challenges confronting Americans in their struggle to build the United States as a multiracial, multiethnic democracy. Using Chicago as an example, Simpson examines how the political, racial, economic, and social inequalities dividing the nation play out in our neighborhoods and cities. His investigation of our current crisis and its causes delves into issues like money in politics, low voter participation, the politics of resentment, political corruption, and a host of structural problems. But Democracy's Rebirth goes beyond analysis. Simpson lays out a sober, practical manifesto meant to inspire people everywhere to educate themselves and do the hard work of creating the kind of strong institutions that will allow true democracy to flourish. With a foreword by Mayor Lori E. Lightfoot.

chicago mayor voter guide: From Politics to the Pews Michele F. Margolis, 2018-08-17 One of the most substantial divides in American politics is the "God gap." Religious voters tend to identify with and support the Republican Party, while secular voters generally support the Democratic Party. Conventional wisdom suggests that religious differences between Republicans and Democrats have produced this gap, with voters sorting themselves into the party that best represents their religious views. Michele F. Margolis offers a bold challenge to the conventional wisdom, arguing that the relationship between religion and politics is far from a one-way street that starts in the church and ends at the ballot box. Margolis contends that political identity has a profound effect on social identity, including religion. Whether a person chooses to identify as religious and the extent of their involvement in a religious community are, in part, a response to political surroundings. In today's climate of political polarization, partisan actors also help reinforce the relationship between religion and politics, as Democratic and Republican elites stake out divergent positions on moral issues and use religious faith to varying degrees when reaching out to voters.

chicago mayor voter guide: Student's Guide to Elections CQ Press, 2008-06-03 The first elections reference specifically created to support students and teachers in U.S. government course Student's Guide to Elections is an informative and engaging reference tool for young researchers seeking information on voting, the electoral process, and the history of U.S. elections. It offers accessible access to the key topics in high school U.S. government and U.S. history curricula. A comprehensive, single-volume resource, it features essays, encyclopedic entries, and primary source documents, to help students understand the history and significance of the U.S. electoral process. The user-friendly design includes boxed features, time lines, photos, maps, charts, tables, and political cartoons. Student's Guide to Elections is the first title in a brand new Student's Guide series from CQ Press. Uniquely, the Student's Guide series of books is written so that students need no prior knowledge to understand the essays, encyclopedia entries, or primary sources in these resources. With the 2008 presidential election looming in November, this volume will prove to be an indispensable resource for high school and public libraries, and a teaching resource for courses on U.S. government and political system.

chicago mayor voter guide: Electronic Democracy Graeme Browning, 1996 Turning computer owners into online activists by explaining how to be powerful players in the political process, this book teaches how to organize e-mail campaigns within congressional districts; access a wealth of information that will impact politicians at the local state and federal levels; monitor law-makers' voting records; and track campaign financing and contributions.

chicago mayor voter guide: The Unfinished Agenda of the Selma-Montgomery Voting Rights March, 2007-08-24 WHY A 56-MILE WALK FOR FREEDOM IN 1965 STILL CHALLENGES AMERICA TODAY THE VOTING RIGHTS ACT OF 1965 WAS THE CROWNING ACHIEVEMENT OF THE CIVIL RIGHTS MOVEMENT, FOREVER CHANGING POLITICS IN AMERICA. NOW, FOR THE FIRST TIME, VOICES OF THE ERA, ALONG WITH SOME OF TODAY'S MOST INFLUENTIAL WRITERS, SCHOLARS, AND SOCIAL ACTIVISTS, COMMEMORATE THE STRUGGLE AND EXAMINE WHY THE BATTLE MUST STILL BE WON. One of the difficult lessons we have learned is that you cannot depend on American institutions to function without pressure. Any real change in the status quo depends on continued creative action to sharpen the conscience of the nation.--MARTIN LUTHER KING JR. As long as half our eligible voters exercise the right that so many in Selma marched and died for, we've got a very long bridge to cross.--BILL CLINTON I would hope that students today can learn from Selma to acquire a better understanding of how oppressed people with limited resources can free themselves and make the world better.--CLAYBORNE CARSON, STANFORD UNIVERSITY

chicago mayor voter guide: Meet the Candidates 2020: Cory Booker Scott Dworkin, 2019-08-27 A primer on the policies and candidacy of the Democratic senator from New Jersey, who has made social and racial justice his foundation. Is he the right Democrat to take on Trump? Cory Booker, New Jersey senator and former mayor of Newark, has a voting record measured a third most liberal in his time in the Senate. Meet the Candidates 2020: Cory Booker: A Voter's Guide helps you understand exactly how liberal Booker is, where on the spectrum Booker sits among Democratic contenders for the presidency, and whether his positions are worthy of your vote. Booker, a voice for social progress and equality and a critic of President Trump, is campaigning on the platform of an end to the war on drugs and drug reform, single-payer healthcare, education reform, environmental reform and the Green New Deal, and criminal justice reform. He sits on the Committee on Environment and Public Works, Committee on Foreign Relations, and the Senate Committee on the Judiciary, where he emerged as a strong voice in the Kavanaugh hearings. The Meet the Candidates 2020 series is the informed voter's guide to making a decision in the 2020 Democratic primary and presidential election. Each book gives an unbiased, political insider's analysis of each contender, featuring: candidate interviews; an introduction by campaign adviser, Democratic Coalition co-founder, and Dworkin Report host Scott Dworkin; and compilation and writing by Occupy Democrats Editor at Large Grant Stern. In two hours of reading, you'll understand their defining characteristics, credentials, campaign issues, challenges, presidential chances, and everything else you need to know to decide who should challenge Donald Trump. Whether it's for Elizabeth Warren, Joe Biden, Bernie Sanders, Kamala Harris, Julian Castro, Cory Booker, or another, Meet the Candidates is what you need to make an informed vote for president in 2020.

chicago mayor voter guide: The Journalist's Toolbox Mike Reilley, 2023-12-22 Focusing on the how and why of digital reporting, this interactive textbook equips readers with all the skills they need to succeed in today's multimedia reporting landscape. The Journalist's Toolbox is an extension of the JournalistsToolbox.ai website, which provides links to tools, organized by beats and topics, as well as social channels, a newsletter, and more than 95 training videos relevant to journalists. This handbook offers a deep dive into these digital resources, explaining how they can be manipulated to build multimedia stories online and in broadcast. It covers all the basics of data journalism,

fact-checking, using social media, editing and ethics, as well as video, photo, and audio production and storytelling. The book considers digital journalism from a global perspective, including examples and interviews with journalists from around the world. Packed full of hands-on exercises and insider tips, *The Journalist's Toolbox* is an essential companion for students of online/digital journalism, multimedia storytelling and advanced reporting. This book will also make an ideal reference for practicing journalists looking to hone their craft. This book is supported by training videos, interactive charts and a pop-up glossary of key terms which are available as part of an interactive e-book+ or online for those using the print book.

chicago mayor voter guide: Guide to the Presidency Michael Nelson, 2015-05-01 The Guide to the Presidency is an extensive study of the most important office of the U.S. political system. Its two volumes describe the history, workings and people involved in this office from Washington to Clinton. The thirty-seven chapters of the Guide, arranged into seven distinct subject areas (ranging from the origins of the office to the powers of the presidency to selection and removal) cover every aspect of the presidency. Initially dealing with the constitutional evolution of the presidency and its development, the book goes on to expand on the history of the office, how the presidency operates alongside the numerous departments and agents of the federal bureaucracy, and how the selection procedure works in ordinary and special circumstances. Of special interest to the reader will be the illustrated biographies of every president from Washington to the present day, and the detailed overview of the vice-presidents and first ladies of each particular office. Also included are two special appendices, one of which gathers together important addresses and speeches from the Declaration of Independence to Clinton's Inaugural Address, and another which provides results from elections and polls and statistics from each office.
