## Atlanta Braves Spring Training TV Schedule: Catch Every Pitch!

Are you an Atlanta Braves fan eagerly awaiting the start of spring training? Do you want to know exactly when and where to catch all the action, even if you can't make it to Florida? This comprehensive guide provides the definitive Atlanta Braves spring training TV schedule, ensuring you don't miss a single pitch. We'll break down where to find broadcasts, highlight key games, and offer tips for maximizing your viewing experience. Get ready for some baseball!

## Understanding the 2024 Atlanta Braves Spring Training Broadcast Landscape

The television schedule for Atlanta Braves spring training games is typically spread across multiple networks. Unlike the regular season, which enjoys a consistent network presence, spring training games often see a more fragmented broadcasting approach. This means you need to be aware of which channels are carrying the games you want to watch.

#### Key Networks to Watch:

Bally Sports South: This is your primary source for Atlanta Braves spring training games. They often

broadcast a significant portion of the schedule. Check their online listings regularly.

**MLB Network:** MLB Network sometimes picks up select spring training games featuring notable teams or matchups. Keep an eye on their schedule.

**Local Affiliates:** Depending on your location, you may find local affiliates broadcasting certain games, especially those played against teams popular in your area.

**Important Note:** The exact broadcast schedule is usually released closer to the start of spring training. Check the official Atlanta Braves website and the websites of the aforementioned networks for the most up-to-date and accurate information. Scheduling changes are common in spring training.

## **How to Find the Most Accurate Atlanta Braves Spring Training TV Schedule**

Finding the exact broadcast details requires proactive searching. Here's a step-by-step guide:

1. **Visit MLB.com:** The official MLB website often publishes a master schedule including broadcast information as it becomes available.
2. **Check the Braves' Official Website:** The team's website is a crucial resource for all things Braves, including their spring training schedule and broadcast details. Look for their official news and press releases.
3. **Consult Bally Sports South:** As the primary broadcaster for the Braves, Bally Sports South's website and TV listings are essential for finding their game schedule.
4. **Utilize TV Listings:** Services like your cable provider's online guide, or websites like TV Guide, can help you find local broadcasts of spring training games.
5. **Use Social Media:** Follow the official Atlanta Braves social media accounts for updates, including any last-minute scheduling changes or broadcast announcements.

## **Beyond Television: Streaming Options for Atlanta Braves Spring Training**

If you don't have cable television, don't worry! There are several streaming options to catch the action:

**MLB.tv:** MLB.tv is a subscription service offering access to many spring training games. It's a great option for cord-cutters wanting to watch a large number of games.

**Bally Sports App:** Depending on your cable provider, you may be able to access Bally Sports South through their app, even without a cable box. Check your provider's compatibility.

Remember to check the blackout restrictions for each streaming service before subscribing.

# Key Games to Watch During Atlanta Braves Spring Training

While every spring training game offers a glimpse into the team's progress, some matchups are more highly anticipated than others. Keep an eye out for games against division rivals and high-profile teams. These games often attract more attention and are more likely to be televised.

## Maximizing Your Atlanta Braves Spring Training Viewing Experience

To fully enjoy the games, consider these tips:

**Create a Spring Training Watch Party:** Gather your friends and fellow Braves fans for a viewing party, enhancing the experience with snacks and team spirit.

**Follow Pre- and Post-Game Shows:** Many networks offer pre- and post-game shows providing insights and analysis.

**Engage on Social Media:** Join the online conversation using relevant hashtags, sharing your thoughts and reactions with other fans.

## Conclusion

Staying updated on the Atlanta Braves spring training TV schedule requires a multi-pronged approach. By utilizing the resources outlined above and staying vigilant, you'll be able to enjoy every moment of the team's preparation for the regular season. Get your popcorn ready, and let the baseball begin!

## Frequently Asked Questions (FAQs)

1. Are all Atlanta Braves spring training games televised? No, not all games are televised. The number of televised games varies year to year.
2. Where can I find a complete, printable schedule? A complete, printable schedule is not typically released in a single, official document. You need to compile the information from different sources listed above.
3. What if I live outside the Atlanta broadcast area? If you live outside the usual Bally Sports South broadcast area, your options are limited to MLB.tv or other streaming services that don't have blackouts in your region.

4. Do the broadcast schedules change often? Yes, the schedules are subject to change due to weather, player availability, or other unforeseen circumstances. Always check closer to the game date.
5. Can I watch spring training games on free streaming sites? While some free streaming sites might offer games, be cautious. Many are unreliable and may not provide a high-quality viewing experience or respect copyright laws. Using official streaming services like MLB.tv is highly recommended.

**atlanta braves spring training tv schedule:** *The Unofficial Guide to Walt Disney World for Grown-Ups* Eve Zibart, 2007-10 From the publishers of The Unofficial Guide to Walt Disney World A Tourist's Best Friend! —Chicago Sun-Times Indispensable —The New York Times A companion to The Unofficial Guide(r) to Walt Disney World(r), with hundreds of never-before-published tips for adults The Top 5 Ways The Unofficial Guide to Walt Disney World for Grown-Ups Can Help You Have the Perfect Trip: Tips on when to go and how to beat the crowds Practical tips on how to plan knock-out weddings, honey-moons, and anniversaries in Disney World Insider advice on Disney's exciting nightlife: Where to pop the question, dance all night, and find the best microbrews The lowdown on the best shops and souvenirs, so you can spend less time searching and more time having fun The straight story on Disney's golf and tennis facilities-as well as where to climb a rock wall and water slide at 60 mph This guide is a completely independent evaluation of Walt Disney World and has not been reviewed or approved by Walt Disney World or the Walt Disney Company, Inc.

**atlanta braves spring training tv schedule:** **A Nice Tuesday** Pat Jordan, 2005-09-01 In A Nice Tuesday, Pat Jordan chronicles his decision to reclaim the failed potential of his youth. A young baseball pitcher of inordinate promise, Jordan had been one of the Milwaukee Braves first ?bonus babies.? His struggle through the minor leagues and ultimate failure to play in the majors, eloquently chronicled in A False Spring, defined his youth. At fifty-six, Jordan realizes that ?this trivial thing? has also defined his life and decides to make a comeback. He whips himself back into playing condition and convinces an independent minor-league team, the Waterbury (Connecticut) Spirit, to let him return to the mound one last time. In this memoir, Jordan lays bare his midlife quest with honesty and humor, making A Nice Tuesday about much more than baseball.

**atlanta braves spring training tv schedule:** **Cincinnati Red and Dodger Blue** Tom Van Riper, 2017-04-13 Call it the forgotten rivalry. The Cincinnati Reds and the Los Angeles Dodgers may not share geographical boundaries, and today they don't even play in the same division, but for a period of time in the 1970s Dodgers vs. Reds was the best rivalry in Major League Baseball. They boasted the biggest names of the game—Johnny Bench, Steve Garvey, Pete Rose, Don Sutton, and Ron Cey, to name a few—and appeared in the World Series seven out of nine years. In Cincinnati Red and Dodger Blue: Baseball's Greatest Forgotten Rivalry, Tom Van Riper provides a fresh look at these two powerhouse teams and the circumstances that made them so pivotal. Van Riper delves into the players, managers, executives, and broadcasters from the rivalry whose impact on baseball continued beyond the 1970s—including the first recipient of Tommy John surgery (Tommy John himself), the all-time hit king turned gambling pariah (Pete Rose), and two young announcers who

would soon go on to national prominence (Al Michaels and Vin Scully). In addition, Van Riper recounts in detail the 1973 season when both teams were at or near their peak form, particularly the extra-inning nail-biter between the Reds and Dodgers that took place on September 21 and effectively decided the divisional race. Cincinnati Red and Dodger Blue includes never-before-published interviews with former players from the rivalry, providing a personal and in-depth look at this decade in baseball full of upheaval and change. Baseball's realignment in 1994 may have rendered this great rivalry nearly forgotten, but its story is one that will be enjoyed by baseball fans and historians of all generations.

**atlanta braves spring training tv schedule: Drama and Pride in the Gateway City** Society for American Baseball Research (SABR), 2013-04-01 By 1964 the storied St. Louis Cardinals had gone seventeen years without so much as a pennant. Things began to turn around in 1953, when August A. Busch Jr. bought the team and famously asked where all the black players were. Under the leadership of men like Bing Devine and Johnny Keane, the Cardinals began signing talented players regardless of color, and slowly their star started to rise again. Drama and Pride in the Gateway City commemorates the team that Bing Devine built, the 1964 team that prevailed in one of the tightest three-way pennant races of all time and then went on to win the World Series, beating the New York Yankees in the full seven games. All the men come alive in these pages—pitchers Ray Sadecki and Bob Gibson, players Lou Brock, Curt Flood, and Bobby Shantz, manager Johnny Keane, his coaches, the Cardinals' broadcasters, and Bill White, who would one day run the entire National League—along with the dramatic events that made the 1964 Cardinals such a memorable club in a memorable year.

Original.

**atlanta braves spring training tv schedule: Calling the Game** Stuart Shea, 2015-05-07 Calling the Game: Baseball Broadcasting from 1920 to the Present is an exhaustive, meticulously researched history of bringing the national pastime out of the ballparks and into living rooms via the airwaves. Every play-by-play announcer, color commentator, and ex-ballplayer who has presented a Major League Baseball game to the public is included here. So is every broadcast deal, radio station, and TV network. In addition to chapters for each of the game's thirty franchises, a history of national broadcasting and a look at some of the game's most memorable national broadcast moments are included, as are a foreword by Voice of the Chicago Cubs Pat Hughes, and an afterword by Jacques Doucet, the Voice of the Montreal Expos, 1972-2004. Each team chapter presents a chronological look from how and when the team began broadcasting (since all of the original sixteen major-league franchises predate radio) through the 2014 season. Author Stuart Shea details the history and

strategies that shaped each club's broadcast crews, including the highlights and scandals, the hirings and firings, the sponsorships and corporate maneuverings. From the leap to Brooklyn from the radio booth of the Atlanta Crackers by young Ernie Harwell, to the dismissal of Mel Allen by the Yankees, from the tutelage of the now-legendary Vin Scully under the wing of the already legendary Red Barber, to the ascendance of the great Jack Buck to the number one chair in St. Louis upon the ouster of Harry Caray, the stories of the personalities who connect us to the game are all here. *Calling the Game* is a groundbreaking and illuminating look at the people and the story behind the soundtrack of summer for millions of baseball fans.

**atlanta braves spring training tv schedule: Milwaukee Braves** William Povletich, 2012-08-22 During their thirteen years in Wisconsin, the Milwaukee Braves never endured a losing season, won two National League pennants, and in 1957 brought Milwaukee its only World Series championship. With a lineup featuring future Hall of Famers Henry Aaron, Warren Spahn, Eddie Matthews, Red Schoendienst, and Phil Niekro, the team immediately brought Milwaukee Big League credentials, won the hearts of fans, and shattered attendance records. The Braves' success in Milwaukee prompted baseball to redefine itself as a big business—resulting in franchises relocating west, multi-league expansion, and teams leveraging cities for civically funded stadiums. But the Braves' instant success and accolades made their rapid fall from grace after winning the 1957 world championship all the more stunning, as declining attendance led the team to Atlanta in one of the ugliest divorces between a city and baseball franchise in sports history. Featuring more than 100 captivating photos, many published here for the first time, Milwaukee Braves preserves the Braves' legacy for the team's many fans and introduces new generations to a fascinating chapter in sports history.

**atlanta braves spring training tv schedule: Dodgerland** Michael Fallon, 2016-06-01 The 1977-78 Los Angeles Dodgers came close. Their tough lineup of young and ambitious players squared off with the New York Yankees in consecutive World Series. The Dodgers' run was a long time in the making after years of struggle and featured many homegrown players who went on to noteworthy or Hall of Fame careers, including Don Sutton, Steve Garvey, Davey Lopes, and Steve Yeager. *Dodgerland* is the story of those memorable teams as Chavez Ravine began to change, baseball was about to enter a new era, and American culture experienced a shift to the "me" era. Part journalism, part social history, and part straight sportswriting, *Dodgerland* is told through the lives of four men, each representing different aspects of this L.A. story. Tom Lasorda, the vocal manager of the Dodgers, gives an up-close view of the team's struggles and triumphs; Tom Fallon, a suburban small-business owner, witnesses the Dodgers' season and the changes to California's landscape—physical, social, political, and economic; Tom Wolfe, a chronicler of California's ever-changing culture, views the events of 1977-78 from his Manhattan writer's loft; and Tom Bradley, Los Angeles's mayor and the region's most dominant political figure of the time, gives a glimpse of the wider political, demographic, and economic forces that affected the state at the time. The boys in blue drew baseball's focus in those two seasons, but the intertwining narratives tell a larger story about California, late 1970s America, and great promise unrealized.

**atlanta braves spring training tv schedule: For It's One, Two, Three, Four Strikes You're Out at the Owners' Ball Game** G. Richard McKelvey, 2017-07-06 Many assume incorrectly that confrontations between baseball's players and management began in the 1960s when the Major League Baseball Players Association started showing signs of becoming a union to be reckoned with. (The tensions of the 1960s prompted the owners to form the Player Relations Committee to deal with them and in February 1968, the two groups negotiated the game's first Basic Agreement.) The struggles between players and management to gain the upper hand did not, however, start there—the two groups have had numerous clashes since baseball began (as well as since the 1968 agreement). There have been various periods of conflict and peace throughout the century and before. This work traces the history of the relationship between players and management from baseball's early years to the new challenges and developing tensions that led to spring training lockouts instigated by the owners and to player strikes in 1972, 1981, 1985, and 1994. An important

agreement in 1996 brought labor peace once again. The future of player-management relations is also covered.

**atlanta braves spring training tv schedule: Down to the Last Pitch** Tim Wendel, 2014-04-01 Never in baseball history had a last place team rebounded to take the pennant the following season. Yet in 1991, lightning struck twice as the Minnesota Twins and the Atlanta Braves, a pair of cellar dwellers the year before, faced each other in an unforgettable World Series. For both clubs, the turnaround was one for the ages. Minnesota and Atlanta rallied throughout the 1991 season around a crop of rising stars—Kirby Puckett, Kent Hrbek, Tom Glavine, John Smoltz—who each spirited their team's unlikely run all the way to the World Series. And what a Fall Classic it proved to be, with five of the seven games decided by a single run, four decided on the final pitch, and three—including game seven—ending in extra innings. When the final out was recorded, the cover headline in *Baseball Weekly* read: "Best World Series Ever." In *Down to the Last Pitch*, Tim Wendel delivers all the hopes, dreams, and drama in a season—and a Series—touched by magic.

**atlanta braves spring training tv schedule: Call Me Ted** Ted Turner, Bill Burke, 2008-11-10 Early to bed, early to rise, work like hell and advertise! These words of fatherly advice helped shape Ted Turner's remarkable life, but they only begin to explain the colorful, energetic, and unique style that has made Ted into one of the most amazing personalities of our time. Along the way - among his numerous accomplishments - Ted became one of the richest men in the world, the largest land owner in the United States, revolutionized the television business with the creation of TBS and CNN, became a champion sailor and winner of the America's Cup, and took home a World Series championship trophy in 1995 as owner of the Atlanta Braves. An innovative entrepreneur, outspoken nonconformist, and groundbreaking philanthropist, Ted Turner is truly a living legend, and now, for the first time, he reveals his personal story. From his difficult childhood to the successful launch of his media empire to the catastrophic AOL/Time Warner deal, Turner spares no details or feelings and takes the reader along on a wild and sometimes bumpy ride. You'll also hear Ted's personal take on how we can save the world...share his experiences in the dugout on the day when he appointed himself as manager of the Atlanta Braves....learn how he almost lost his life in the 1979 Fastnet sailing race (but came out the winner)...and discover surprising details about his dealings with Fidel Castro, Mikhail Gorbachev, Jimmy Carter, Bill Gates, Jack Welch, Warren Buffett, and many more of the most influential people of the past half century. Ted also doesn't shrink from the darker and more intimate details of his life. With his usual frankness, he discusses a childhood of loneliness (he was left at a boarding school by his parents at the tender age of four), and the emotional impact of devastating losses (Ted's beloved sister died at seventeen and his hard-charging father committed suicide when Ted was still in his early twenties). Turner is also forthcoming about his marriages, including the one to Oscar-winning actress, Jane Fonda. Along the way, Ted's friends, colleagues, and family are equally revealing in their unique Ted Stories which are peppered throughout the book. Jane Fonda, especially, provides intriguing insights into Ted's inner drive and character. In *Call Me Ted*, you'll hear Ted Turner's distinctive voice on every page. Always forthright, he tells you what makes him tick and what ticks him off, and delivers an honest account of what he's all about. Inspiring and entertaining, *Call Me Ted* sheds new light on one of the greatest visionaries of our time.

**atlanta braves spring training tv schedule: The Mad Fisherman** Charlie Moore, Charles Salzberg, 2009-05-26 Charlie Moore was married with two kids (and one on the way) when his

Massachusetts bait-and-tackle shop sank without a trace. A skilled fisherman and a savvy entrepreneur trained in his father's cigar shop, Charlie decided to support his family by starring on his own TV fishing show. After all, the ones playing on the TV in Charlie's shop all day had one thing in common: they were dull. As a rule, people called Charlie many things, but never, ever dull. In fact, when he told friends about his television idea, they called him crazy. Today, everyone calls him the Mad Fisherman. The Mad Fisherman is the incredible story of how Charlie cold-called his way into doing short spots for no money for a regional outdoors show while working odd jobs to pay for diapers. When the TV station refused to pay up once the show was a hit, he hooked show sponsors himself, turning Charlie Moore Outdoors into a profitable enterprise. Charlie's success opened doors at ESPN and gave birth to the groundbreaking Beat Charlie Moore, an entirely new kind of outdoors show on which Charlie goes mano y mano with pro fishermen and celebrities alike. Charlie's very competitive, but he still pays more attention to amusing his audience than beating his competitors. But he usually does both, anyway. Guest fishermen on Charlie's boat have included NFL quarterback Drew Bledsoe, Massachusetts governor and presidential hopeful Mitt Romney (who waterskiied off the back of Charlie's boat), Rickey Medlocke of Lynyrd Skynyrd, UConn basketball coach Jim Calhoun, Ted Nugent, Adam West (TV's Batman), and Darryl McDaniels of Run-DMC. No matter how famous they are on dry land, they turn into ordinary guys when Charlie hands them a fishing pole. Well, except Ted Nugent. With unflagging energy, a wild sense of humor, and a sheer love of the outdoors, Charlie Moore entertains and amuses a million and a half people every week.
