

Bad Case Of Stripes

A Bad Case of Stripes: Understanding and Treating Zebra Mussels

Have you ever noticed strange, striped markings on your boat, dock, or even your favorite swimming spot? If so, you might have a "bad case of stripes"—a less-than-charming encounter with zebra mussels. This blog post dives deep into the world of zebra mussels, exploring their identification, the environmental and economic damage they cause, and most importantly, how to prevent and control their spread. We'll cover everything from effective prevention methods to the latest research on eradication strategies, helping you understand and combat this invasive species.

Identifying the Stripes: Recognizing Zebra Mussels

The telltale "stripes" refer to the distinctive D-shaped shell of the zebra mussel (*Dreissena*

polymorpha), which is typically marked with alternating light and dark stripes. However, the color and pattern can vary, making identification challenging for the untrained eye. They are small, usually only reaching about an inch in length, but their prolific reproduction and aggregation make their presence undeniable.

Distinguishing Zebra Mussels from Other Species

It's crucial to differentiate zebra mussels from native mussels. While several species share similar shell shapes, zebra mussels are often found in dense clusters, attaching themselves firmly to almost any hard surface. Their characteristic stripes and relatively small size can also help in identification. If you are unsure, consulting with a local environmental agency or aquatic biologist is always recommended.

The Serious Impact of a Zebra Mussel Infestation

A "bad case of stripes" isn't just an aesthetic problem. Zebra mussels are an invasive species with far-reaching consequences. Their rapid reproduction and ability to attach to almost any hard surface leads to:

Environmental Damage:

Displacement of Native Species: Zebra mussels outcompete native mussels and other aquatic organisms for food and habitat, leading to biodiversity loss.

Altered Ecosystem Dynamics: Their filtering capacity can drastically alter water clarity and nutrient cycling, impacting the entire food web.

Habitat Degradation: Their dense aggregations can clog pipes and waterways, hindering water flow and affecting aquatic plant life.

Economic Impacts:

Infrastructure Damage: Zebra mussels can colonize water intake pipes, cooling systems of power plants, and other infrastructure, causing significant damage and costly repairs.

Recreational Impacts: Their sharp shells can make beaches unpleasant and even dangerous for swimmers, while their presence can negatively impact fishing and boating activities.

Fisheries Impacts: They can alter the food web, negatively affecting native fish populations and impacting the fishing industry.

Preventing the Spread: Your Role in Combating Zebra Mussels

Prevention is the most effective strategy in managing zebra mussel infestations. Simple yet crucial actions can significantly reduce the risk of spreading these invasive species:

Cleaning Your Boats and Equipment:

Thoroughly inspect your boat, trailer, and any equipment that comes into contact with water for zebra mussels before transporting them to a different water body. Remove any visible mussels and clean all surfaces with hot water (at least 140°F) or high-pressure washing.

Draining Water:

Completely drain all water from your boat, motor, live wells, and any other equipment before leaving a water body. This prevents the accidental transport of larval mussels.

Drying Your Equipment:

Allow your boat and equipment to dry completely for at least five days before entering another water body. This is crucial as zebra mussel larvae can survive for a short period out of water.

Control and Eradication Strategies: Current Research and Methods

While prevention is key, established infestations require more aggressive control measures. Research continues to explore effective eradication techniques, with varying degrees of success depending on the scale and location of the infestation.

Chemical Control:

Certain chemicals have been shown to be effective in killing zebra mussels, but their use is carefully

regulated due to potential impacts on the environment and other aquatic organisms.

Biological Control:

Researchers are exploring the use of natural predators or parasites to control zebra mussel populations. However, this approach requires extensive research to ensure it does not negatively impact the wider ecosystem.

Mechanical Removal:

In some cases, manual removal of zebra mussels from affected surfaces is possible, but this method is labor-intensive and only effective for smaller infestations.

Conclusion

A "bad case of stripes" caused by zebra mussels is a serious issue with significant ecological and economic consequences. By understanding their identification, impact, and prevention strategies, we can collectively work towards minimizing their spread and protecting our waterways. Active participation in prevention efforts is crucial in safeguarding our aquatic ecosystems for future generations.

FAQs

1. Can zebra mussels survive freezing temperatures? While freezing temperatures can kill adult zebra mussels, their eggs and larvae can survive through winter in some conditions, leading to repopulation in spring.
2. Are zebra mussels edible? While technically edible, zebra mussels are not recommended for consumption due to the potential accumulation of toxins and parasites.
3. How long do zebra mussels live? Zebra mussels typically live for 3-5 years, but their rapid reproduction ensures continuous population growth.
4. What should I do if I find zebra mussels? Immediately report your finding to your local environmental agency or water management authority. Do not try to remove them yourself without proper training.

5. Are there any natural predators of zebra mussels in North America? While some native predators might consume zebra mussel larvae or juveniles, no single predator effectively controls their population. Research into this continues.

bad case of stripes: *A Bad Case of Stripes* David Shannon, 2016-08-30 It's the first day of school, and Camilla discovers that she is covered from head to toe in stripes, then polka-dots, and any other pattern spoken aloud! With a little help, she learns the secret of accepting her true self, in spite of her peculiar ailment.

bad case of stripes: *Hey, That's MY Monster!* Amanda Noll, 2018-03-21 This enhanced eBook features read-along narration. Winner: CLC Seal of Approval 2017 Literary Classics Book Awards, Silver, Preschool/Early Reader Fantasy Finalist: 2017 Literary Classics Book Awards 2017 PNBA Long-List When Ethan looks under the bed for his monster, he finds this note instead: So long, kid. Gotta go. Someone needs me more than you do. -Gabe How will Ethan ever get to sleep without his monster's familiar, comforting snorts? And who could need Gabe more than Ethan does? Gabe must have gone to Ethan's little sister's room! She has been climbing out of bed every night to play, and obviously needs a monster to help her get to sleep - but not HIS monster! Ethan tries to help his sister find her own monster, but none are the perfect blend of cute and creepy. Just when it seems that Ethan will lose his monster forever, an uninvited, tutu-toting little monster full of frightening fun appears. Following in the spooky-silly tradition of *I Need My Monster*, here's another irresistible monster-under-the-bed story with the perfect balance of giggles and shivers.

bad case of stripes: *It's Christmas, David!* David Shannon, 2016-09-27 The bestselling star of *No, David!* turns Christmas traditions upside down with laugh-aloud humor. Readers of all ages will vividly remember trying to peek at hidden gift packages; writing scrolls of wish lists to Santa; and struggling to behave at formal Christmas dinner parties. Always in the background, we know Santa Claus is watching, soon to decide if David deserves a shiny new fire truck or a lump of coal under the tree. From playing with delicate ornaments to standing in an endlessly long line for Santa, here are common Christmas activities--but with David's naughty trimmings. A surefire hit that is destined to be an annual classic.

bad case of stripes: *David Goes to School* David Shannon, 2016-07-26 David's teacher has her hands full. From running in the halls to chewing gum in class, David's high-energy antics fill each schoolday with trouble-and are sure to bring a smile to even the best-behaved reader.

bad case of stripes: *Peppa Pig: Peppa Loves St. Patrick's Day* Scholastic, 2022-02-01 Peppa learns about and celebrates St. Patrick's Day in this original 8x8 storybook. Includes a special fact sheet in the back. Based on the hit show on Nick Jr. Peppa and George are going to Ireland for an Irish-dancing festival! But when the band forget their instruments, will Peppa's new Irish four-leaf clover be able to bring them some luck? This brand-new story features a glittery cover and is the perfect introduction to Ireland and St. Patrick's Day for little Peppa fans.

bad case of stripes: *Grow Up, David!* David Shannon, 2018-08-28 Laugh-aloud humor abounds when David can't resist bugging his big brother. In this funny romp, David careens from one mischievous antic to the next... until he finally wins his brother's approval. Little-brother antics have never been so endearing -- or true to life! David Shannon's beloved character in his bestselling book *No, David!* captures the attention and hearts of young children as few characters can. Readers relish David's exuberance, defiance, and wildly energetic curiosity, and when there's trouble, you can bet David did it! Now he's taunting his older brother by eating his Halloween candy, making a bathroom mess, and following him up the tree house. You're too little! won't stop David's tricks in this all-time read it again favorite. With millions of copies in print and four sequels, *No, David!* hit the ground running in 1998 and was a Caldecott Honor Book, a New York Times Best Illustrated Book, and a classic for 20 years. Based on a book the author wrote and illustrated when he was five, David captures the timeless no-no's familiar to every child. *Grow Up, David!* is nothing short of exhilarating.

bad case of stripes: *David Gets in Trouble* David Shannon, 2016-07-26 Caldecott Honor artist and bestseller David Shannon make readers laugh aloud in this next story about the troublemaking David! When David gets in trouble, he always says . . . 'NO! It's not my fault! I didn't mean to! It was an accident!' Whatever the situation, David's got a good excuse. And no matter what he's done wrong, it's never really his fault. Soon, though, David realizes that making excuses makes him feel bad, and saying he's sorry makes him feel better. Once again, David Shannon entertains us with young David's mischievous antics and a lighthearted story that's sure to leave kids (and parents) laughing.

bad case of stripes: *Imogene's Antlers* David Small, 2013-11-27 This whimsical story of a little girl who wakes one morning to discover she has grown antlers has delighted children since it was first published 15 years ago. The perfect Christmas present for any kid looking forward to a visit from Santa's reindeer--or any reader looking for some year-long fun! The family doctor, the school principal, and even Imogene's know-it-all brother, Norman, fail to resolve her dilemma. Imogene, the cook, and the kitchen maid, however, make the best of things, finding unusual uses for Imogene's new horns. Meanwhile, the problem appears to be solved when Imogene awakes the next morning antler-free. But the family (and the reader) are in for a surprise when Imogene comes down to breakfast. . . .

bad case of stripes: *I'll Always Love You* Hans Wilhelm, 2015-03-25 A gentle and moving story about losing a friend, and the importance of always expressing your love. Elfie the dachshund is the best dog anyone could ever ask for. Every day, she and her owner explore and play together. And every night, her owner tells her I'll always love you. Elfie owner grow up together, but growing up can mean having to say goodbye to the ones you love. This tender story is a perfect way to make the topic of loss a little less scary for kids (and grownups).

bad case of stripes: *Salt in His Shoes* Deloris Jordan, Roslyn M. Jordan, 2003-11 This heartwarming picture book, written by the superstar's mother and sister, teaches that hard work and determination are much more important in becoming a champion.

bad case of stripes: *Outside the Gates* Molly Gloss, 2019-01-01 Villagers were always warned that monsters live outside the gates, but when a young boy named Vren is cast out, he finds a home in the world beyond, in Whiting Award winner Molly Gloss's classic fantasy novel. Vren has always been told that the world beyond the gates of his village is one filled with monsters, giants, and other terrifying creatures. But when he confides with his family about his ability to talk to animals, he's outcast to the very world he's been taught to fear his whole life. He expects to die alone, lost and confused, but he finds something different altogether—refuge in a community of shadowed people with extraordinary powers. Thirty years later, Molly Gloss's dystopian fantasy novel is just as timely, poignant, and stirring as ever, in a brand-new edition!

bad case of stripes: *My No, No, No Day!* Rebecca Patterson, 2012 After having a day in which nothing is right, tired Bella cuddles with her mother and talks about having a more cheerful day tomorrow.

bad case of stripes: *The Handmaid's Tale* Margaret Atwood, 2011-09-06 An instant classic and eerily prescient cultural phenomenon, from "the patron saint of feminist dystopian fiction" (New York Times). Now an award-winning Hulu series starring Elizabeth Moss. In this multi-award-winning, bestselling novel, Margaret Atwood has created a stunning Orwellian vision of the near future. This is the story of Offred, one of the unfortunate "Handmaids" under the new social order who have only one purpose: to breed. In Gilead, where women are prohibited from holding jobs, reading, and forming friendships, Offred's persistent memories of life in the "time before" and her will to survive are acts of rebellion. Provocative, startling, prophetic, and with Margaret Atwood's devastating irony, wit, and acute perceptive powers in full force, *The Handmaid's Tale* is at once a mordant satire and a dire warning.

bad case of stripes: *Different--A Great Thing to Be!* Heather Avis, 2021-06-29 NEW YORK TIMES BESTSELLER • This joyful rhyming book encourages children to value the "different" in all people, leading the way to a kinder world in which the differences in all of us are celebrated and

embraced. Macy is a girl who's a lot like you and me, but she's also quite different, which is a great thing to be. With kindness, grace, and bravery, Macy finds her place in the world, bringing beauty and laughter wherever she goes and leading others to find delight in the unique design of every person. Children are naturally aware of the differences they encounter at school, in their neighborhood, and in other everyday relationships. They just need to be given tools to understand and appreciate what makes us "different," permission to ask questions about it, and eyes to see and celebrate it in themselves as well as in those around them.

bad case of stripes: Greedy: Notes from a Bisexual Who Wants Too Much Jen Winston, 2021-10-05 Named one of the Best Books of 2021 by Oprah Daily, Glamour, Shondaland, BuzzFeed, and more! A hilarious and whip-smart collection of essays, offering an intimate look at bisexuality, gender, and, of course, sex. Perfect for fans of Lindy West, Samantha Irby, and Rebecca Solnit—and anyone who wants, and deserves, to be seen. If Jen Winston knows one thing for sure, it's that she's bisexual. Or wait—maybe she isn't? Actually, she definitely is. Unless...she's not? Jen's provocative, laugh-out-loud debut takes us inside her journey of self-discovery, leading us through stories of a childhood "girl crush," an onerous quest to have a threesome, and an enduring fear of being bad at sex. Greedy follows Jen's attempts to make sense of herself as she explores the role of the male gaze, what it means to be "queer enough," and how to overcome bi stereotypes when you're the posterchild for all of them: greedy, slutty, and constantly confused. With her clever voice and clear-eyed insight, Jen draws on personal experiences with sexism and biphobia to understand how we all can and must do better. She sheds light on the reasons women, queer people, and other marginalized groups tend to make ourselves smaller, provoking the question: What would happen if we suddenly stopped? Greedy shows us that being bisexual is about so much more than who you're sleeping with—it's about finding stability in a state of flux and defining yourself on your own terms. This book inspires us to rethink the world as we know it, reminding us that Greedy was a superpower all along.

bad case of stripes: *No, David!* David Shannon, 2006-02 Have you met David yet? If not, you're in for a treat . . . and children will be tickled pink by his antics and amusing scrapes. See what happens to David in a typical day at home. He doesn't mean to misbehave, but somehow he just can't help but get into trouble Amusing matching of picture and text will have children laughing out loud and happy to read and re-read the story for a long time to come.

bad case of stripes: *Good Boy, Fergus!* David Shannon, 2016-08-30 Meet Fergus, the canine star of the upcoming book from Caldecott Honor artist David Shannon. Much like Shannon's beloved characters, David and Alice, the adorable Fergus is always getting in trouble! Follow Fergus as he experiences the perfect doggy day--well, except for his bath, of course! From chasing cats and motorcycles to being scratched on his favorite tickle spot, David Shannon's newest sweet and silly character will inspire young readers to laugh out loud at his mischievous antics. Fans of Shannon's previous books will love reading all about this naughty but lovable dog!

bad case of stripes: *The Rain Came Down* David Shannon, 2009 Rainfall adversely effects the demeanour and temperament of a town's inhabitants.

bad case of stripes: *Too Many Toys* David Shannon, 2008 Although he finally agrees that he has too many toys and needs to give them away, there is one toy that Spencer absolutely cannot part with.

bad case of stripes: Bedhead Margie Palatini, 2000-06 After many unsuccessful attempts one morning to control his unruly hair, Oliver and his family think that they have solved the problem--until he gets to school and finds that it is class picture day. Full color.

bad case of stripes: The Things They Carried Tim O'Brien, 2009-10-13 A classic work of American literature that has not stopped changing minds and lives since it burst onto the literary scene, *The Things They Carried* is a ground-breaking meditation on war, memory, imagination, and the redemptive power of storytelling. *The Things They Carried* depicts the men of Alpha Company: Jimmy Cross, Henry Dobbins, Rat Kiley, Mitchell Sanders, Norman Bowker, Kiowa, and the character Tim O'Brien, who has survived his tour in Vietnam to become a father and writer at the

age of forty-three. Taught everywhere—from high school classrooms to graduate seminars in creative writing—it has become required reading for any American and continues to challenge readers in their perceptions of fact and fiction, war and peace, courage and fear and longing. The Things They Carried won France's prestigious Prix du Meilleur Livre Etranger and the Chicago Tribune Heartland Prize; it was also a finalist for the Pulitzer Prize and the National Book Critics Circle Award.

bad case of stripes: *Why Evolution is True* Jerry A. Coyne, 2010-01-14 For all the discussion in the media about creationism and 'Intelligent Design', virtually nothing has been said about the evidence in question - the evidence for evolution by natural selection. Yet, as this succinct and important book shows, that evidence is vast, varied, and magnificent, and drawn from many disparate fields of science. The very latest research is uncovering a stream of evidence revealing evolution in action - from the actual observation of a species splitting into two, to new fossil discoveries, to the deciphering of the evidence stored in our genome. *Why Evolution is True* weaves together the many threads of modern work in genetics, palaeontology, geology, molecular biology, anatomy, and development to demonstrate the 'indelible stamp' of the processes first proposed by Darwin. It is a crisp, lucid, and accessible statement that will leave no one with an open mind in any doubt about the truth of evolution.

bad case of stripes: *David Smells!* David Shannon, 2005 David explores his world using all of his five senses.

bad case of stripes: *Alice the Fairy* David Shannon, 2016-07-26 Alice has a nose for trouble, but luckily she's a fairy--a Temporary Fairy. She has a magic wand, fairy wings, and a blanket, all of which she uses to disappear, to fly, to transform her dad into a horse, and to turn his cookies into her own! There are still a few things Alice needs to learn to become a Permanent Fairy, like how to float her dog on the ceiling and make her clothes put themselves away, but she's working on it--sort of. Here's an endearing, funny story about a girl and her magical imagination, sure to delight every fairy in training!

bad case of stripes: *The Real Santa* Nancy Redd, 2023-10-03 Join one Black family on their journey to discover what Santa looks like in this joyous tale celebrating identity, family and holiday cheer! It's not Christmas without Santa! But what does Santa truly look like? Does he match the figurines on the mantel, or the faces on our favorite holiday sweaters? Does he look like you or like me? Find out in this joyous and cozy celebration of family, representation, and holiday spirit! Destined to be a new classic, and perfect for any child looking to see some of themselves in Santa Claus.

bad case of stripes: *Visualize This* Nathan Yau, 2011-06-13 Practical data design tips from a data visualization expert of the modern age Data doesn't decrease; it is ever-increasing and can be overwhelming to organize in a way that makes sense to its intended audience. Wouldn't it be wonderful if we could actually visualize data in such a way that we could maximize its potential and tell a story in a clear, concise manner? Thanks to the creative genius of Nathan Yau, we can. With this full-color book, data visualization guru and author Nathan Yau uses step-by-step tutorials to show you how to visualize and tell stories with data. He explains how to gather, parse, and format data and then design high quality graphics that help you explore and present patterns, outliers, and relationships. Presents a unique approach to visualizing and telling stories with data, from a data visualization expert and the creator of flowingdata.com, Nathan Yau Offers step-by-step tutorials and practical design tips for creating statistical graphics, geographical maps, and information design to find meaning in the numbers Details tools that can be used to visualize data-native graphics for the Web, such as ActionScript, Flash libraries, PHP, and JavaScript and tools to design graphics for print, such as R and Illustrator Contains numerous examples and descriptions of patterns and outliers and explains how to show them *Visualize This* demonstrates how to explain data visually so that you can present your information in a way that is easy to understand and appealing.

bad case of stripes: *How I Became a Pirate* Melinda Long, 2003 Pirates have green teeth when they have any teeth at all. I know about pirates, because one day, when I was at the beach

building a sand castle and minding my own business, a pirate ship sailed into view. So proclaims Jeremy Jacob, a boy who joins Captain Braid Beard and his crew in this witty look at the finer points of pirate life by the Caldecott Honor winning illustrator David Shannon and the storyteller Melinda Long. Jeremy learns how to say scurvy dog, sing sea chanteys, and throw food . . . but he also learns that there are no books or good night kisses on board: Pirates don't tuck. A swashbuckling adventure with fantastically silly, richly textured illustrations that suit the story to a T.

bad case of stripes: Ribbon Rescue Robert N. Munsch, Eugenie Fernandes, 2002 A young girl unselfishly gives away the ribbons from her new dress to help various people on their way to a wedding. The girl in the story is identified as wearing a traditional Mohawk ribbon dress.

bad case of stripes: They're So Flamboyant Michael Genhart, 2021-10-19 flam·boy·ant - (of a person-or bird!-or their behavior) tending to attract attention because of their confidence, exuberance, and stylishness This fun and funny bird's-eye tome to individuality, community, and harmony follows the reactions of a neighborhood full of birds when a "flamboyance" of flamingos moves in. Each band of birds—a gaggle of geese, a dole of doves, a charm of finches, a brood of chickens, a scream of swifts, and an unkindness of ravens—all have their feathers ruffled and express their apprehension about the new and different arrivals. Bright pink colors, long legs, how dare they! Even a watch of nightingales patrols after dark. When the band of jays decides it is time to settle down the neighborhood, the pride of peacocks takes the lead, with support from a waddle of penguins, a venue of vultures, a mob of emus, and a gulp of cormorants. Finally, they all land at the flamingos' welcome party only to realize that they had all been birdbrained. Their new neighbors are actually quite charming, and not so scary and different after all. Includes a note from the author on helping children to learn about acceptance, avoid stereotyping, and model welcoming behavior.

bad case of stripes: The Bad Seed Jory John, 2018-05-08 A New York Times bestseller! This is a book about a bad seed. A baaaaaaaaaad seed. How bad? Do you really want to know? He has a bad temper, bad manners, and a bad attitude. He's been bad since he can remember! This seed cuts in line every time, stares at everybody and never listens. But what happens when one mischievous little seed changes his mind about himself, and decides that he wants to be—happy? With Jory John's charming and endearing text and bold expressive illustrations by Pete Oswald, here is The Bad Seed: a funny yet touching tale that reminds us of the remarkably transformative power of will, acceptance, and just being you. Perfect for readers young and old, The Bad Seed proves that positive change is possible for each and every one of us. Check out Jory John and Pete Oswald's funny, bestselling books for kids 4-8 and anyone who wants a laugh: The Bad Seed The Good Egg The Cool Bean The Couch Potato The Good Egg Presents: The Great Eggscape! The Bad Seed Presents: The Good, the Bad, the Spooky! The Cool Bean Presents: As Cool as It Gets That's What Dinosaurs Do

bad case of stripes: Tickle Monster Josie Bissett, 2008 A loveable monster from planet tickle is on a mission to spread laughter on earth.

bad case of stripes: Stellanluna 25th Anniversary Edition Janell Cannon, 2018-08-07 Celebrate the twenty-fifth anniversary of Stellanluna with a deluxe edition of this bestselling picture book classic, now with bonus crafts and activities! Knocked from her mother's safe embrace by an attacking owl, Stellanluna lands headfirst in a bird's nest. This adorable baby fruit bat's world is literally turned upside down when she is adopted by the occupants of the nest and adapts to their peculiar bird habits. Two pages of notes at the end of the story provide factual information about bats. "Delightful and informative but never didactic; a splendid debut." —Kirkus Reviews For this anniversary edition, color has been added to the ink drawings and the interior design now allows for more art to be seen. Plus there is a code for a downloadable crafts and activity kit, two pages of updated notes about bats, and a special note from the author.

bad case of stripes: Roy Digs Dirt David Shannon, 2020-04-07 Woof! Meet Roy, an adorable white dog who is wild about digging, digging, digging in the dirt! David Shannon's picture books are loved for their endearing characters and laugh-aloud humor, and Roy's charming naughtiness will remind readers of what they love about Shannon's No, David!, a bestselling Caldecott Honor Book about a boy with a nose for trouble. Although it's a smelly task for those who have to constantly bathe

him, Roy's happiness centers on his very favorite thing-dirt-and from sunrise to sunset, he burrows in it, rolls in it, and digs up buried treasures. There's terror in every terrier, and when Roy runs into the house after being sprayed by a skunk, he faces the dreaded bathtub. Readers will see themselves in Roy's childlike delight each time he makes the biggest mess ever.

bad case of stripes: Bugs in My Hair! David Shannon, 2016-09-27 Is something bugging you? Bestselling award-winner David Shannon shows the funny side of waging war against -- oh no! -- head lice. This book is guaranteed to make you laugh -- and itch! From the opening picture of a happy, oversized louse appearing with his suitcases, you know these bugs are determined to stay, and Mom is about to go nuts! Nobody talks about them, but they are everywhere. (Some estimate 20 million children a year host them.) Oh the shame and humiliation of having bugs in your hair! But if you go to school, or have play dates, chances are good you might meet them someday. Maybe you already have! Lucky for you, the unwelcome bugs in this story are so funny you will be laughing aloud -- even when Mom attacks them with battle-tested anti-lice weapons. Shannon peppers his hilarious scenes with fun, nitpicking facts about these lousy critters and pokes fun at common denial: It's probably ash from that volcano in Pogo Pogo. Soon the party's over -- Bye bye, Little Nasties! Once again Shannon has created a fresh, highly entertaining read-aloud classic that begs to be read again and again.

bad case of stripes: The Flat Man Rose Impey, Moira Kemp, 2007-01-01 At night strange noises can be heard around the house and in your bedroom. It's probably just your little brother snuffling in his sleep or the draught blowing through the skirting board - but could it be the Flat Man trying to squeeze in?

bad case of stripes: Reading, Grade 2 Carson-Dellosa Publishing, 2015-06-26 Standards-Based Connections Reading for grade 2 offers focused skill practice in reading comprehension. A skill assessment will point out students' learning gaps. This allows teachers to choose appropriate student pages for individualized remediation. The student pages emphasize five important reading comprehension skills: summarizing, inferring, story elements, comparing and contrasting, and cause and effect. The book includes high-interest fiction and nonfiction, with texts about moving day, volcanoes, Laura Ingalls Wilder, planets, poetry, and more. --Each 96-page book in the Standards-Based Connections Reading series includes a skill assessment, an assessment analysis, targeted practice pages, and an answer key, making this series an ideal resource for differentiation and remediation. The skill assessments and assessment analyses help teachers determine individualized instructional needs. And, the focused, comprehensive practice pages and self-assessments guide students to reflection and exploration for deeper learning!

bad case of stripes: Grace for President Kelly DiPucchio, 2018-10-04 A fresh, fun, and thought-provoking New York Times bestseller about the American electoral college and why every vote counts from bestselling and award-winning duo Kelly DiPucchio and LeUyen Pham. Where are the girls? When Grace's teacher reveals that the United States has never had a female president, Grace decides she wants to be the nation's first and immediately jumpstarts her political career by running in her school's mock election! The race is tougher than she expected: her popular opponent declares that he's the best man for the job and seems to have captured the votes of all of the class's boys. But Grace is more determined than ever. Even if she can't be the best man for the job, she can certainly try to be the best person! This timely story not only gives readers a fun introduction to the American electoral system but also teaches the value of hard work, courage, independent thought -- and offers an inspiring example of how to choose our leaders.

bad case of stripes: Dog Breath: The Horrible Trouble with Hally Tosis Dav Pilkey, 2019-10-01 From Dav Pilkey, creator of the New York Times bestselling Dog Man and Captain Underpants series, comes Hally Tosis, the adorable dog that will take your breath away! Hally Tosis is a great family dog, but there is one rotten thing about her: her breath! It is so smelly, Hally's pet parents want to find a new home for her. The children, desperate to keep their beloved pet, try everything to rid Hally of her stinky stench. They take her for a breathtaking view, a movie that would leave her breathless, and a ride on a roller coaster that would make her lose her breath, but

bad case of stripes: How Georgie Radbourn Saved Baseball David Shannon, 2012 After Boss outlaws baseball in America, spring stops coming--until a young boy beats the tyrant at his own game.
