full cast of little house on the prairie: *Bright Lights, Prairie Dust* Karen Grassle, 2021-11-16 Karen Grassle, the beloved actress who played Ma on Little House on the Prairie, grew up at the edge of the Pacific Ocean in a family where love was plentiful but alcohol wreaked havoc. In this candid memoir, Grassle reveals her journey to succeed as an actress even as she struggles to overcome depression, combat her own dependence on alcohol, and find true love. With humor and hard-won wisdom, Grassle takes readers on an inspiring journey through the political turmoil on '60s campuses, on to studies with some of the most celebrated artists at the famed London Academy of Music and Dramatic Arts, and ultimately behind the curtains of Broadway stages and storied Hollywood sets. In these pages, readers meet actors and directors who have captivated us on screen and stage as they fall in love, betray and befriend, and don costumes only to reveal themselves. We know Karen Grassle best as the proud prairie woman Caroline Ingalls, with her quiet strength and devotion to family, but this memoir introduces readers to the complex, funny, rebellious, and soulful woman who, in addition to being the force behind those many strong women she played, fought passionately—as a writer, producer, and activist—on behalf of equal rights for women. full cast of little house on the prairie: *Diary of a Stage Mother's Daughter* Melissa Francis, 2012-11-06 The Glass Castle meets The Battle Hymn of the Tiger Mother in this dazzlingly honest and provocative family memoir by former child actress and current Fox Business Network anchor Melissa Francis. When Melissa Francis was eight years old, she won the role of lifetime: playing Cassandra Cooper Ingalls, the little girl who was adopted with her brother (played by young Jason Bateman) by the Ingalls family on the world's most famous primetime soap opera, Little House on the Prairie. Despite her age, she was already a veteran actress, living a charmed life, moving from one Hollywood set to the next. But behind the scenes, her success was fueled by the pride, pressure, and sometimes grinding cruelty of her stage mother, as fame and a mother's ambition pushed her older sister deeper into the shadows. *Diary of a Stage Mother's Daughter* is a fascinating account of life as a child star in the 1980's, and also a startling tale of a family under the care of a highly neurotic, dangerously competitive tiger mother. But perhaps most importantly, now that Melissa has two sons of her own, it's a meditation on motherhood, and the value of pushing your children: how hard should you push a child to succeed, and at what point does your help turn into harm?

full cast of little house on the prairie: Acting My Face Anthony James, 2014-02-24 Actor

Anthony James has played killers, psychopaths, and other twisted characters throughout his Hollywood career. In the summer of 1967, James made his motion picture debut as the murderer in the Academy Award-winning Best Picture, *In the Heat of the Night*. His role in the 1992 Academy Award-winning Best Picture, *Unforgiven*, culminated a unique, twenty-eight-year career. Behind his menacing and memorable face, however, is a thoughtful, gentle man, one who muses deeply on the nature of art and creativity and on the family ties that have sustained him. James's *Acting My Face* renders Hollywood through the eyes and experience of an established character actor. James appeared on screen with such legendary stars as Clint Eastwood, Bette Davis, Gene Hackman, and Sidney Poitier, and in such classic television shows as *Gunsmoke*, *The Big Valley*, *Starsky and Hutch*, *Charlie's Angels*, and *The A-Team*. Yet, it is his mother's heroic story that captures his imagination. In an odyssey which in 1940 took her and her newly wedded husband from Greece to a small southern town in America where she bore her only child, James's mother suffered the early death of her husband when James was only eight years old. In the blink of an eye, she went from grand hostess of her husband's lavish parties to hotel maid. But like the lioness she was, she fought with great ferocity and outrageous will in her relentless devotion to James's future. And so it was, that on an August morning in 1960, eighteen-year-old James and his mother took a train from South Carolina three thousand miles to Hollywood, California, to realize his dream of an acting career. They possessed only two hundred dollars, their courage, and an astonishing degree of naiveté. After his retirement in 1994, James and his mother moved to Arlington, Massachusetts, where he concentrated on his painting and poetry. His mother died in 2008 at the age of ninety-four, still a lioness protecting her beloved son. *Acting My Face* is an unusual memoir, one that explores the true nature of a working life in Hollywood and how aspirations and personal devotion are forged into a career.

This updated Third Edition of *On the High Line*—published to coincide with the fifteenth anniversary of the park’s opening—remains the definitive guide to the park that transformed an entire neighborhood and became an inspiration to cities around the globe. In short entries organized by roughly two city block sections, the guide provides rich details about everything in view on both sides of the park. Illustrated with more than 110 black & white photographs, it covers historic and modern architecture; plants and horticulture; and important industries and technological innovations that developed in the neighborhoods the park traverses, from book publishing and food distribution to the introduction of cold storage and the development of radar, the elevator, and talking movies. Updated to include newly opened sections of the park, this edition also features a new conversation pertaining to the more controversial side of the High Line’s story and how it became a poster child for the most grievous manifestations of gentrification and inequity in public spaces. Author Annik LaFarge provides a frank discussion on how the park’s leadership created a platform for discussing these issues and for advising other projects on how to work more inclusively and from a social justice and equity perspective. *On the High Line* serves as an educated travel companion, someone invisibly perched on a visitor’s shoulder who can answer every question, including what was here before, moving back in time through the early 20th century, the Industrial Revolution, and the colonial and pre-European times when this stretch of what we call Manhattan was home to the Lenape people and much of it was covered by the waters of the Hudson River. A companion website with more than 650 photos—historic, contemporary, rooftop and aerial—can be viewed at HighLineBook.com.

Cast just before his twenty-third birthday, Dean Butler joined Little House on the Prairie halfway through its run, gaining instant celebrity and fans’ enduring affection. Ironically, when the late, great Michael Landon remarked that Little House would outlive everyone involved in making it, Butler deemed it unlikely. Yet for four decades and counting, Butler has been defined in the public eye as Almanzo Wilder—a role he views as the great gift of his life. Butler had been cast as a romantic lead before, notably in the made-for-TV movie of Judy Blume’s *Forever*, opposite Stephanie Zimbalist. But Little House was, and remains, one of the most treasured shows in television history. As the eventual husband of Laura “Half-pint” Ingalls—and the man who would share actress Melissa Gilbert’s first real-life romantic kiss—Butler landed as a central figure for the show’s devoted fans. Now, with wit and candor, Butler recounts his passage through the Prairie, sharing stories and anecdotes of the remarkable cast who were his on-screen family. But that was merely the beginning of a diverse career that includes Broadway runs and roles on two other classic shows—Moondoggie in *The New Gidget* and Buffy’s ne’er-do-well father, Hank, in *Buffy the Vampire Slayer*. Coming of age during a golden era of entertainment, Butler has evolved along with it, and today enjoys success and fulfillment as a director and producer—notably of NBC Golf’s *Feherty*—while remaining deeply loyal to Little House. The warmth, heart, and decency that fans of Laura and Almanzo fell in love with on Little House echo through this uplifting memoir, a story, in Butler’s words, about “good luck, good television, and the very good—if gloriously imperfect—people who made it so.”

full cast of little house on the prairie: **Mouse Tracks** Tim Hollis, Greg Ehrbar, 2023-04-21 Around the world there are grandparents, parents, and children who can still sing ditties by Tigger or Baloo the Bear or the Seven Dwarves. This staying power and global reach is in large part a testimony to the pizzazz of performers, songwriters, and other creative artists who worked with Walt Disney Records. *Mouse Tracks: The Story of Walt Disney Records* chronicles for the first time the fifty-year history of the Disney recording companies launched by Walt Disney and Roy Disney in the mid-1950s, when Disneyland Park, Davy Crockett, and the Mickey Mouse Club were taking the world by storm. The book provides a perspective on all-time Disney favorites and features anecdotes, reminiscences, and biographies of the artists who brought Disney magic to audio. Authors Tim Hollis

and Greg Ehrbar go behind the scenes at the Walt Disney Studios and discover that in the early days Walt Disney and Roy Disney resisted going into the record business before the success of The Ballad of Davy Crockett ignited the in-house label. Along the way, the book traces the recording adventures of such Disney favorites as Mickey Mouse, Donald Duck, Cinderella, Bambi, Jiminy Cricket, Winnie the Pooh, and even Walt Disney himself. Mouse Tracks reveals the struggles, major successes, and occasional misfires. Included are impressions and details of teen-pop princesses Annette Funicello and Hayley Mills, the Mary Poppins phenomenon, a Disney-style British Invasion, and a low period when sagging sales forced Walt Disney to suggest closing the division down. Complementing each chapter are brief performer biographies, reproductions of album covers and art, and facsimiles of related promotional material. Mouse Tracks is a collector's bonanza of information on this little-analyzed side of the Disney empire. Learn more about the book and the authors at www.mousetracksonline.com.

full cast of little house on the prairie: Patricia Neal Stephen Michael Shearer, 2006-05-19 The internationally acclaimed actress Patricia Neal has been a star on stage, film, and television for nearly sixty years. On Broadway she appeared in such lauded productions as Lillian Hellman's Another Part of the Forest, for which she won the very first Tony Award, and The Miracle Worker. In Hollywood she starred opposite the likes of Ronald Reagan, Gary Cooper, John Wayne, Paul Newman, Fred Astaire, and Tyrone Power in some thirty films. Neal anchored such classic pictures as The Day the Earth Stood Still, A Face in the Crowd, and Breakfast at Tiffany's, but she is perhaps best known for her portrayal of Alma Brown in Hud, which earned her the Academy Award for Best Actress in 1963. But there has been much, much more to Neal's life. She was born Patsy Louise Neal on January 20, 1926, in Packard, Kentucky, though she spent most of her childhood in Knoxville, Tennessee. Neal quickly gained attention for her acting abilities in high school, community, and college performances. Her early stage successes were overshadowed by the unexpected death of her father in 1944. Soon after she left New York for Hollywood in 1947, Neal became romantically involved with Gary Cooper, her married co-star in The Fountainhead, an attachment which brought them both a great deal of notoriety in the press and a great deal of heartache in their personal lives. In 1953, Neal married famed children's author Roald Dahl, a match that would bring her five

children and thirty years of dramatic ups and downs. In 1961, their son, Theo, was seriously injured in an automobile accident and required multiple neurosurgeries and years of rehabilitation; the following year their daughter, Olivia, died of measles. At the pinnacle of her screen career, Patricia Neal suffered a series of strokes which left her in a coma for twenty-one days. Variety even ran a headline erroneously stating that she had died. At the time, Neal was pregnant with her and Dahl's fifth child, Lucy, who was born healthy a few months later. After a difficult recovery, Neal returned to film acting, earning a second Academy Award nomination for *The Subject Was Roses*. She appeared in a number of television movie roles in the 1970s and 1980s and won a Golden Globe for Best Actress in a Dramatic TV Movie in 1971 for her role in *The Homecoming*. Patricia Neal: An Unquiet Life is the first critical biography detailing the actress's impressive film career and remarkable personal life. Author Stephen Michael Shearer has conducted numerous interviews with Neal, her professional colleagues, and her intimate friends and was given access to the actress's personal papers. The result is an honest and comprehensive portrait of an accomplished woman who has lived her life with determination and bravado.

From farm women bloggers, to back-to-the-land homesteaders and seed-savers, to rural graphic novelists and, ultimately, to the seven generations of farm daughters who have animated his own family since before the Civil War, the author travels across the region to shine new documentary light on this seedbed for American virtue, energy, and ingenuity. Packed with many memorable interviews, print artifacts, and historic images, this groundbreaking documentary history describes the centuries-long reiteration and reinterpretation of agrarian daughters in the field, over the airwaves, on the printed page, and in the court of public opinion. Offering a sweeping cultural and social history, it ranges widely and well from Jane Smiley's Pulitzer Prize-winning *A Thousand Acres* to Laura Ingalls Wilder's proto-feminist commentaries for the *Missouri Ruralist*; from the critical importance of rural girls and young women to time-honored organizations such as the Farm Bureau, 4-H, and FFA to the entrepreneurial role today's female agriculturalists and sustainable farm advocates play in farmers' markets, urban farms, and community-supported agriculture.
