

Fart On Command

Fart On Command: Mastering the Art of the Voluntary Emission

Ever wished you could control your gas? Imagine the comedic possibilities, the perfectly timed disruption, the sheer mastery over a bodily function often deemed involuntary. While achieving true "fart on command" in the way some might envision - a completely controlled, on-demand expulsion - is likely a myth for most, understanding the underlying mechanisms and developing certain techniques can significantly increase your chances of a strategically placed toot. This post delves into the science behind flatulence, explores techniques to potentially enhance control, and offers realistic expectations about mastering this surprisingly complex bodily function.

Understanding the Science Behind Flatulence

Before we delve into techniques, let's understand what we're dealing with. Flatulence, or gas, is primarily composed of swallowed air, undigested carbohydrates (like beans and cruciferous vegetables), and gases produced by gut bacteria during digestion. These gases build up in your intestines and are eventually expelled. The involuntary nature of most farts stems from the complex interplay of intestinal muscles and the pressure exerted by the gas buildup. We can't directly control these muscles with conscious thought like we can our biceps, but we can influence them indirectly.

The Role of Intestinal Muscles

The movement of gas through the intestines is largely controlled by peristalsis, the rhythmic contractions of smooth muscles lining the digestive tract. These contractions are involuntary, regulated by the autonomic nervous system, which is responsible for unconscious bodily functions. This is why you often experience sudden, unexpected gas.

Dietary Factors and Gas Production

Your diet plays a crucial role in gas production. Certain foods, particularly those high in fiber, complex carbohydrates, and sugars that are poorly digested, lead to increased gas production. Dairy products can also cause issues for those with lactose intolerance. Understanding which foods trigger excessive gas in your individual system is the first step towards managing it.

Techniques to Potentially Increase Control

While complete control might be elusive, several strategies can increase the likelihood of a voluntary emission:

1. Dietary Manipulation: The "Gas Diet"

Identifying and eliminating gas-producing foods from your diet is crucial. Keep a food diary to pinpoint your personal culprits. This might mean cutting back on beans, broccoli, Brussels sprouts, and other known gas-producing vegetables or experimenting with lactose-free alternatives if you suspect dairy is a problem.

2. Abdominal Muscle Exercises: Targeting the Core

While you can't directly control the intestinal muscles, strengthening your abdominal muscles might indirectly improve control. Exercises like planks, crunches, and leg raises can help strengthen the muscles surrounding your intestines, potentially providing a degree of influence over gas pressure. However, this isn't a guaranteed method.

3. Mindfulness and Awareness: Listening to Your Body

Pay close attention to your body's signals. You might notice patterns in when you experience gas buildup. Learning to recognize the early signs of gas pressure can help you find a more private place

to let it out.

4. Controlled Breathing Techniques: Manipulating Pressure

Deep breathing exercises might help to subtly alter the pressure within your abdomen. While this won't directly control gas release, it might influence the timing slightly. This is largely anecdotal, and scientific evidence is limited.

5. Realistic Expectations: Embrace the Imperfect Art

Let's be clear: perfect, on-demand farting is unlikely for most people. The focus should be on managing gas production and learning to recognize and respond to your body's signals, rather than aiming for impossible levels of control.

Conclusion

Mastering the art of "fart on command" is a humorous pursuit, but it's important to remember the limitations. While complete control is unlikely, understanding the physiological processes involved and employing the strategies outlined above can help you manage your flatulence and perhaps achieve a degree of strategic timing. Remember that a healthy gut and a balanced diet are key to minimizing excessive gas. Focus on managing your diet and overall digestive health, and you might find yourself with a little more control over this often unpredictable bodily function.

FAQs

1. Can I truly fart on command like in movies? No, the ability to perfectly control flatulence as depicted in movies is largely a fictional exaggeration.
2. Are there any medical conditions linked to excessive or uncontrollable gas? Yes, certain digestive disorders can lead to excessive gas. If you experience persistent or unusually severe gas, consult a doctor.
3. Can specific supplements help reduce gas? Some supplements, like probiotics and digestive enzymes, might help improve gut health and reduce gas, but effectiveness varies by individual.
4. Is it possible to train my abdominal muscles to control farts? Strengthening your abdominal muscles may offer indirect influence, but direct control is unlikely.

5. Is it embarrassing to fart? While societal norms often dictate that flatulence is embarrassing, it's a natural bodily function. Learning to manage it rather than fearing it is a healthier approach.

fart on command: How to Fart - Louder, Longer, and Stronger... Without Soiling Your Undies! R Sole Ph D, R. Sole, 2013-11-10 There are many books on the market giving solutions on how to stop farting. But what is there for people who want to fart more? To fart louder? To fart longer? To fart stronger...both pressure wise, and smell wise? Those that want to become champions at passing wind? Those that want to exercise their right to free speech, and exercise their sphincters at the same time? Those who say to hell with the clean air bill? And to those who want to fart responsibly, and not leave skid marks. And to those that just want to have fun! Well, to all those people, this book is written for you! In this concise, no fluff (well, actually full of fluff and hot air) report you'll learn to do exactly what the book title says... Fart louder, longer and stronger. In this short read you'll learn to build up the fart pressure with scientific food combining, and how to release it at will with advanced bowel control. Impress your friends, relatives, and partners. You'll be the talk of the town. Learn to create copious amounts of wind, and how to utilize it for best effect. You'll learn how to generate the gas, how to control and propel it, and how to make it smell beastly! From meek and mild through too big, bold and offensive...in fact deadly! Use these skills to clear a long bank queue, get a seat on a crowded train or bus, get extra leg room on a long flight, in fact the possibilities are endless. Go into stealth mode and watch people give each other the hairy eye ball as they try to figure out who dropped the clanger. Movie theaters, restaurants, amusement rides...nothing is safe...nothing is out of bounds. Get creative! Use your new found super powers to go above and beyond what others thought possible. Use shock and awe tactics. Singe peoples nose hairs. Create havoc. Have them gagging, and gasping for air. But with these new found powers comes great responsibility. Use them for good. Clear a bus to make a seat for a little old lady...and let someone else take the blame! (Insert evil chuckle here). Everything and anything is possible in this new paradigm of achievement that you will find your life propelled into. Blast yourself into success. Rise to heights and levels previously unimaginable. The world truly is your oyster, or perhaps I should say pickled egg. Forget about dropping your lunch, that will all be behind you...think about dropping a whole shopping trolley of cheese, tasty! Based on real science and food chemistry, this book is very much a practical guide, without getting bogged down too deeply into technical crap. Prac, not crap. There are enough scientific facts to keep the more technically minded satisfied. Onward and upward, go boldly forward into a hole (pun intended) new level of achievement, recognition, and farting pleasure. You will now be a famed Fartiste, and the envy of your colleagues, friends, and work mates. Walk tall, with your nose held high. You will exude a presence that commands attention. At last, gain the respect you deserve. OK, that's enough reading this blurb. Stop dreaming, and get into action and start reaping the rewards of fame and respect. Click the buy now button now, and let the fun begin!

fart on command: Bubble in the Bathtub Jo Nesbo, 2011-01-04 Doctor Proctor and the kids (and the fart powder!) are back with a time traveling bathtub and a very special mission! It's another fart-tastic adventure. The Fart Powder was such a successful invention that Doctor Proctor, Nilly, and Lisa couldn't stop there. Next up: a time-travelling bathtub. You just hop in, lather up the Time Soap, and wish for where you'd like to go. Doctor Proctor has plans for this new invention. You see, he lost his true love years ago, when Juliette Margarine married an evil count. The good Doctor has never quite gotten over this, and he's going back to change it. But when things go wrong, it's up to Nilly and Lisa to travel back in time to right all wrongs and reunite the two lovebirds. Nothing is quite so simple in a Jo Nesbo book. Enter a herd of hippos, a scheming assistant, and Time Soap that keeps going awry, sending Nilly and Lisa to the storming of the Bastille! Fortunately, as in every Jo Nesbo book, the Fart Powder solves everything.

fart on command: Fartiste Kathleen Krull, Paul Brewer, 2008-06-03 Across the world there are many an artiste - But none so outrageous as Joe, the Fartiste. The Fartiste doesn't sing, he

doesn't dance, and he doesn't act. But that doesn't stop him from taking the stage at Paris's famed Moulin Rouge, where he performs his much-loved act for celebrities and royalty with the funniest talent of all - Joe is the man who has perfected the art of the fart. Kathleen Krull and Paul Brewer bring new wind to their mostly true story about the man who made his pants dance, which is perfectly matched with Boris Kulikov's explosive art.

fart on command: The Harm in Asking Sara Barron, 2014-03-25 Welcome to the perverse and hilarious mind of Sara Barron. In *The Harm in Asking*, she boldly addresses the bizarre indignities of everyday life: from invisible pets to mobster roommates, from a hatred of mayonnaise to an unrequited love of k.d. lang, from the ruinous side effect of broccoli to the sheer delight of a male catalogue model. In a voice that is incisive and entirely her own, Barron proves herself the master of the awkward, and she achieves something wonderful and rare: a book that makes you laugh out loud. Simply put: if you read it, you will never be the same.* *That's not true. You'll probably stay the same. But you'll have laughed a lot. And you'll have learned a fun fact about Jessica Simpson's home spray. See? You didn't even know she had a home spray! The learning has already begun.

fart on command: Belly Laugh Fart Jokes for Kids Sky Pony Press, 2018-06-12 What do you call someone who doesn't fart in public? A private tooter! What do you call a cat that eats beans? Puss n' Toots. *Belly Laugh Fart Jokes for Kids* is full of hilarious fun! From snappy one-liners to hilarious stories, this collection is complete with three hundred hilarious fart jokes for kids and is complemented by witty line drawings. Perfect for long car rides and rainy days, this book is sure to bring laughter and fun into your home. For kids ages five and up, this book is perfect for home, school, or really anywhere! Also included is a Fart! button for added entertainment!

fart on command: *Inscriptions on a Belt* Curtis Bent, Kathleen Bent, W. P. Lear, 2016-11-14 *Inscriptions* is a fictional account of persons and events. The title is derived from the ritual of graduation at Harvest Valley School wherein students burned their names on the authors weight belt. With intrigue as its backdrop *Inscriptions* presents the personal stories of seven emotionally disturbed students and the staff whose job it was to nurture, heal, and educate them. The story is told through Lou, an educator who would rather be hanging out with his buddies in right field at Fenway, and Laura, a prodigal West Coast Catholic daughter who is seeking to escape the embracing hold of her Italian family. They are thrown together by State dictates to develop and implement a school-based therapeutic program. Their struggle to find a meeting of the minds mirrors the tension that frequently occurs between Education and Mental Health. The two professionals are joined in their venture by a host of vivid characters as they take on the complexities of the youngsters placed in their care, and seek to make a difference in their lives. The reader is invited to join the Valley Oak Day Treatment Program as they take on the challenges.

fart on command: **Voice Power** Renee Grant-Williams, 2018 Ever wonder what makes us buy from a certain salesperson or prefer one TV news announcer over another? In each case, a human voice is subtly captivating our ear and commanding our attention. Now celebrity voice coach Renee Grant-Williams reveals the trade secrets behind those persuasive voices and shows readers how to apply positive vocal techniques to business and personal situations. Much more than a guide to proper breathing or voice projection, this is a life-altering owner's manual to unleashing and directing the powers of communication within one's speaking voice. By exploring the rich connections between singing and speaking, Grant-Williams helps readers: Evaluate their VoicePower quotients Literally breathe new life into their voices Tap the amazing power of consonants?and silence Deliver sales pitches virtually guaranteed to sell Turn a voice mail message (incoming or outgoing) into a personal calling card Become more confident, persuasive presenters and public speakers.

fart on command: **Catch That and Paint it Purple: A Complete Guide to Farting** P. J. Whitehill, 2008-07-17 This is the only book on the subject of farting you will ever need - or probably want. Farts are a fascinating phenomenon on many levels. A fart can be funny, repulsive, embarrassing, rude, or even dastardly (in the case of a silent one). Farts can also provoke a variety of reactions. Some will laugh, some will be indignant, and other people will simply stop coming

around. But the undeniable truth about farting is that everybody does it. Yes, even women.

fart on command: *Howard Stern Comes Again* Howard Stern, 2019-05-14 Presents the first book in more than twenty years from the self-proclaimed King of All Media.

fart on command: *The Branch Office* Michael DeForest, 2021-03-04 Michael DeForest shares his memories of being a young sales rep in the 1980s and 1990s in this insightful and hilarious memoir. From the typical sales challenges of overcoming objections to sales calls that take strange turns, he somehow made it work during the Reaganomics era. He also highlights the crazy dating atmosphere that is typical in sales. The picture he paints is a no-holds-barred atmosphere where the only goal is to exceed targets. Work hard and play hard were the mottos he lived by ... but the play hard part usually took priority. The era of decadence pushed the limits on how much DeForest and his fellow sales professionals could get away with while keeping their jobs. While they may have pushed the limits, they had great fun. Join the author as he looks back at what it was like to work, live, and breathe sales during the 1980s and 1990s.

fart on command: *Fart Quest* Aaron Reynolds, 2020-09-15 Stay tuned for further gassy exploits. - Booklist, starred review Jam-packed with potty humor, feats of bravery, and magical friendships, *Fart Quest* by bestselling author Aaron Reynolds and illustrator Cam Kendell is perfect for every young hero looking for a wild adventure. After their masters are vaporized in a goblin battle gone bad, *Fart*, *Pan*, and *Moxie*—three lowly apprentices—decide to impersonate their mentors and pick up the mantle as heroes of the realm. But they need more than a fancy robe, magic staff, and book of magical beasts to be real heroes. They need a quest! So when The Great and Powerful Kevin puts out a call for help, seeking the coveted Golden Llama and its magical golden fart, young *Fart* and his friends jump at the chance and embark on a journey they were destined for. This title has Common Core connections.

fart on command: *Fluff the Farting Fish* Michael Rosen, 2013 Elvie longs for a puppy who does tricks, but her Mum buys her a fish instead. Nonetheless, Elvie is determined to train Fluff the fish to perform like a puppy, with hilarious results. Suggested level: junior.

fart on command: *Don D. Nibbelink's Fearsome Folklore of Farting* Don D. Nibbelink, 2008 Seekers of lowbrow laughs can turn to this comical collection of facts and fancies about the windy wonder and the art it has inspired, in this witty paean to all that is silent but deadly.

fart on command: *In the Beginning...Was the Command Line* Neal Stephenson, 2009-10-13 This is the Word -- one man's word, certainly -- about the art (and artifice) of the state of our computer-centric existence. And considering that the one man is Neal Stephenson, the hacker Hemingway (Newsweek) -- acclaimed novelist, pragmatist, seer, nerd-friendly philosopher, and nationally bestselling author of groundbreaking literary works (*Snow Crash*, *Cryptonomicon*, etc., etc.) -- the word is well worth hearing. Mostly well-reasoned examination and partial rant, Stephenson's *In the Beginning... was the Command Line* is a thoughtful, irreverent, hilarious treatise on the cyber-culture past and present; on operating system tyrannies and downloaded popular revolutions; on the Internet, Disney World, Big Bangs, not to mention the meaning of life itself.

fart on command: *The Tree of Young Dreamers* Frank Sousa, 2014-04-10 Brought up in the Depression, Johnny DaSilva is leader of a fun and imaginative gang that lives out their dreams in the Big Tree in which each has a branch that serves as the Lone Ranger's Silver, the race car of Morey Amsterdam, the rocket ship of Buck Rogers, the crow's nest for Black Bart the Pirate. When World War II broke out, they tried every ruse their young imaginations could think of to get into the marines, army, and navy but had to settle for the Boy Scouts. But the faux pas war to end all wars came too soon for the Big Tree Gang. Johnny is best described by an aunt as having the millstone around the neck of having a strict English Episcopalian conscience and bucking bronco Portuguese sexual proclivities. Two girls are in love with him, one wealthy and popular, the other sexually abused and who considered herself a worthless toy, until she met Johnny. Whatever they knew about the facts of life, male and female, were learned pretty much by trial and error.

fart on command: *My Pal George* Rick Cleveland, 2010 THE STORY: President Clinton's unlikely canine consultant finds himself crossing party lines in this sequel to MY BUDDY BILL.

George W. Bush calls on Clinton's unofficial advisor to train his Scottish Terrier, Barney, not to urinate on White

fart on command: Two Roads from Here Teddy Steinkellner, 2017-06-20 Five high school seniors face one life-changing decision and two very different roads.--

fart on command: Dave Barry's Complete Guide to Guys Dave Barry, 2010-07-28 Dave Barry is one funny human. --San Francisco Examiner For thousands of years, women have asked themselves: What is the deal with guys, anyway? What are they thinking? The answer, of course, is: virtually nothing. Deep down inside, guys are extremely shallow. But that has not stopped Dave Barry from writing an entire book about them. If you're a guy--or if you're attempting to share a remote control with one--you need this book, because it deals frankly and semi-thoroughly with such important guy issues as: Scratching The role of guys in world history, including the heretofore-unknown relationship between the discovery of North America and golf Why the average guy can remember who won the 1960 World Series, but not necessarily the names of all his children The Noogie Gene Why guys cannot simultaneously think and look at breasts Secret guy orgasm-delaying techniques, including the Margaret Thatcher Method Why guys prefer to believe that there is no such thing as a prostate And much, much more Whether you're a guy--or attempting to share a bathroom with one--Barry has some wacky words of wisdom for you. --USA Today

fart on command: The Amaranth Chronicles Alexander Barnes, Christopher Preiman, 2017-11-14 The Helix was meant to be a revolution, but even the most pure of intentions can spawn terrible evil, and the revolution of information and innovation they hoped for may not be the one they get.

fart on command: The Big Book of Farts James Carlisle, 2016-11-21 This wonderfully quirky, laugh out loud book is the PERFECT GIFT for FART lovers of all ages.

fart on command: Programming in Lua Roberto Ierusalimsky, 2006 Authored by Roberto Ierusalimsky, the chief architect of the language, this volume covers all aspects of Lua 5---from the basics to its API with C---explaining how to make good use of its features and giving numerous code examples. (Computer Books)

fart on command: Seek, Strike, and Destroy Christopher Richard Gabel, 1986 In the seventy years that have passed since the tank first appeared, antitank combat has presented one of the greatest challenges in land warfare. Dramatic improvements in tank technology and doctrine over the years have precipitated equally innovative developments in the antitank field. One cycle in this ongoing arms race occurred during the early years of World War II when the U.S. Army sought desperately to find an antidote to the vaunted German blitzkrieg. This Leavenworth Paper analyzes the origins of the tank destroyer concept, evaluates the doctrine and equipment with which tank destroyer units fought, and assesses the effectiveness of the tank destroyer in battle.

fart on command: Blood of the Fold Terry Goodkind, 2015-03-24 The Seeker of Truth takes his rightful place as the new ruler of D'Hara in the third novel of the #1 New York Times--bestselling author's epic fantasy series. After escaping from the Palace of Prophets, Richard comes to terms with his true identity as a War Wizard. But when he brings down the barrier between the Old and New Worlds, the Imperial Order suddenly poses a threat to the the freedom of all humankind. As the Imperial Order sends delegations and armies into the New World, Richard's only chance to stop the invasion is to claim his heritage as the new Lord Rahl and ruler of D'Hara. But convincing the D'Harans of his legitimacy won't be easy. Meanwhile, a powerful enemy is on the trail of Richard's love, Kahlan Amnell. And when the spell Richard cast to protect her is broken, he must martial his newfound authority--and the armies that come with it--to save her life.

fart on command: Fart Proudly Benjamin Franklin, 2003-03-31 Meet Benjamin Franklin as you've never met him before . . . This hilarious collection includes the Founding Father's satirical writings on farting, adultery, and other irreverent subjects you won't find in your history books. A mention of flatulence might conjure up images of bratty high school boys or lowbrow comics. But one of the most eloquent--and least expected--commentators on the subject is Benjamin Franklin. The writings in Fart Proudly reveal the rogue who lived peaceably within the philosopher and

statesman. Included are "The Letter to a Royal Academy"; "On Choosing a Mistress"; "Rules on Making Oneself Disagreeable"; and other jibes. Franklin's irrepressible wit found an outlet in perpetrating hoaxes, attacking marriage and other sacred cows, and skewering the English Parliament. Reminding us of the humorous, irreverent side of this American icon, these essays endure as both hilarious satire and a timely reminder of the importance of a free press.

fart on command: *Nyxia* Scott Reintgen, 2017-09-21 'Brilliant concept meets stellar execution in this fast-paced deep space adventure. I was hooked from page one' Victoria Schwab, No.1 New York Times Bestselling Author 'And just like that, I'm leaving Earth behind . . .' Emmett Atwater is just a poor kid plucked from the streets of Detroit. But now he and nine teenagers like him are travelling to a distant planet aboard the Babel corporation's lightship. Before they get there, they are told, two of them will be eliminated. The eight who make it will land on an alien world, where they will hunt for Nyxia, the most extraordinary substance in the universe. But first Emmett must endure frightening tests, rivalry with his fellow chosen ones and the fear that Babel aren't telling the truth. Because if Babel aren't, they'll be trapped, light years from home. And all alone . . . 'A high-octane thriller . . . Nyxia grabs you from the first line and never lets go.' Marie Lu, #1 New York Times bestselling author of the Young Elites series

fart on command: without special title United States. Congress. House. Committee on Appropriations. Subcommittee on Military Construction Appropriations, 1986

fart on command: *Ardennes 1944* Antony Beevor, 2015-11-03 The prizewinning historian and bestselling author of *D-Day*, *Stalingrad*, and *The Battle of Arnhem* reconstructs the Battle of the Bulge in this riveting new account On December 16, 1944, Hitler launched his 'last gamble' in the snow-covered forests and gorges of the Ardennes in Belgium, believing he could split the Allies by driving all the way to Antwerp and forcing the Canadians and the British out of the war. Although his generals were doubtful of success, younger officers and NCOs were desperate to believe that their homes and families could be saved from the vengeful Red Army approaching from the east. Many were exultant at the prospect of striking back. The allies, taken by surprise, found themselves fighting two panzer armies. Belgian civilians abandoned their homes, justifiably afraid of German revenge. Panic spread even to Paris. While some American soldiers, overwhelmed by the German onslaught, fled or surrendered, others held on heroically, creating breakwaters which slowed the German advance. The harsh winter conditions and the savagery of the battle became comparable to the Eastern Front. In fact the Ardennes became the Western Front's counterpart to Stalingrad. There was terrible ferocity on both sides, driven by desperation and revenge, in which the normal rules of combat were breached. The Ardennes—involving more than a million men—would prove to be the battle which finally broke the back of the Wehrmacht. In this deeply researched work, with striking insights into the major players on both sides, Antony Beevor gives us the definitive account of the Ardennes offensive which was to become the greatest battle of World War II.

fart on command: *Gods of Aberdeen* Micah Nathan, 2005-06-03 A haunting novel about a brilliant young man who enrolls at a small New England college and becomes entangled in a mysterious death -- and the ultimate scientific quest. Eric Dunne is a sixteen-year-old academic phenom. Desperate to escape his foster family, Eric graduates early from high school and earns a scholarship to Aberdeen College, a small, prestigious school in northern Connecticut. Aberdeen is a school for the privileged youth of America's elite, an isolated world where hard drinking and hard studying go hand in hand. When Eric is assigned a work-study job with the college's head librarian, Cornelius Graves, Eric begins to hear strange and disconcerting rumors about his new mentor. Despite himself, he is curiously drawn to Cornelius, if only to divine whether it's true that he's searching for the Philosopher's Stone, a mythical substance that supposedly holds the secret to eternal life. At the same time, Eric's preternatural aptitude for Latin quickly attracts the attention of Arthur Fitch, a charismatic and aloof senior who invites him to become a research assistant for Dr. William Cade, Aberdeen's most celebrated professor. Eric is accepted into Cade's small circle of sophisticated students, all of whom live off campus on Cade's country estate, and soon discovers that his new friends are not just conducting research for Dr. Cade -- they, too, are searching for the

Philosopher's Stone. When an alchemical experiment goes fatally wrong, Eric is drawn deeper into the dark secrets surrounding the legendary substance. As the police investigation narrows and Eric gets swept up in Professor Cade's obsession, the tensions on the estate and in Eric's new friendships threaten to explode and, with them, Eric's idealized world. Like *The Secret History* and *A Separate Peace*, *Gods of Aberdeen* demonstrates the selfishness and savagery that can lie at the heart of the most rarefied academic setting.

fart on command: *The Hotel New Hampshire* John Irving, 2018-10-25 Now available in eBook for the first time in America—the New York Times bestselling saga of a most unusual family from the award-winning author of *The World According to Garp*. “The first of my father’s illusions was that bears could survive the life lived by human beings, and the second was that human beings could survive a life led in hotels.” So says John Berry, son of a hapless dreamer, brother to a cadre of eccentric siblings, and chronicler of the lives lived, the loves experienced, the deaths met, and the myriad strange and wonderful times encountered by the family Berry. Hoteliers, pet-bear owners, friends of Freud (the animal trainer and vaudevillian, that is), and playthings of mad fate, they “dream on” in a funny, sad, outrageous, and moving novel by the remarkable author of *A Prayer for Owen Meany* and *Last Night in Twisted River*.

fart on command: *Himself* Jess Kidd, 2016-10-27 A BBC Radio 2 Book Club Choice Shortlisted for the Irish Book Awards 2016 Shortlisted for the Authors' Club Best First Novel Award 2017 Longlisted for the John Creasey (New Blood) Dagger 2017 1950. A teenage girl is brutally murdered in a forest. But, somehow, her baby survives. 1976. A mysterious and charming young man returns to the remote coastal village of Mulderrig, seeking answers about the mother who, it was said, had abandoned him on the steps of a Dublin orphanage. With the help of its oldest and most eccentric inhabitant, he will force the village to give up its ghosts. Nothing, not even the dead, can stay buried forever.

fart on command: *Tooth* Leslie Patricelli, 2018-09-04 Baby’s big smile is about to get toothier. Ouch. Baby’s mouth feels funny. Something is happening, and it’s not just that a puddle of drool keeps escaping. There it is — a new tooth! And where there’s one, there are soon to be more. From discovering what’s good to bite (and what’s not) to mastering the art of the toothbrush, Baby’s dental adventure is sure to give little teething buddies something to chew on.

fart on command: *"I fart in your general direction!"* Don H. Corrigan, 2023-07-26 This exhaustive work on flatulence breaks new wind on every aspect of abdominal gas in popular culture. A definitive taxonomy of farts details the characteristics of each variety, including barking spiders, cheek squeakers and green apple dirties. Philosophical positions on colonic expression are examined, from Confucius, Hume, Voltaire and the existentialists. Chapters cover a wide range of fart-focused stand-up comedy, cinema, children's books, toys and merchandise. The author's postscript describes a lifetime preparing for his subject through fraternity membership and offbeat assignments as a newspaper journalist.

fart on command: *Staff Ride Handbook For The Vicksburg Campaign, December 1862-July 1863 [Illustrated Edition]* Dr. Christopher Gabel, 2015-11-06 Includes over 30 maps and Illustrations The Staff Ride Handbook for the Vicksburg Campaign, December 1862-July 1863, provides a systematic approach to the analysis of this key Civil War campaign. Part I describes the organization of the Union and Confederate Armies, detailing their weapons, tactics, and logistical, engineer, communications, and medical support. It also includes a description of the U.S. Navy elements that featured so prominently in the campaign. Part II consists of a campaign overview that establishes the context for the individual actions to be studied in the field. Part III consists of a suggested itinerary of sites to visit in order to obtain a concrete view of the campaign in its several phases. For each site, or “stand,” there is a set of travel directions, a discussion of the action that occurred there, and vignettes by participants in the campaign that further explain the action and which also allow the student to sense the human “face of battle.” Part IV provides practical information on conducting a Staff Ride in the Vicksburg area, including sources of assistance and logistical considerations. Appendix A outlines the order of battle for the significant actions in the

campaign. Appendix B provides biographical sketches of key participants. Appendix C provides an overview of Medal of Honor conferral in the campaign. An annotated bibliography suggests sources for preliminary study.

fart on command: Bream Gives Me Hiccups Jesse Eisenberg, 2015-08-31 The wildly inventive debut collection of stories by the Oscar-nominated star of *The Social Network*. "Hilarious . . . It's a hoot" (People, The Best New Books). Jesse Eisenberg, known for his iconic film roles, his regular pieces in the *New Yorker* and two critically acclaimed plays, proves himself "a deeply original comic voice" in these 28 stories" about the funniness, sadness, and strangeness of everyday life and they really made me laugh" (Roz Chast). Moving from contemporary LA to the dorm rooms of an American college to ancient Pompeii, Eisenberg throws the reader into a universe of social misfits, reimagined scenes from history, and ridiculous overreactions; a college freshman forced to live with a roommate is stunned when one of her ramen packets goes missing ("She didn't have 'one' of my ramens. She had a chicken ramen."); Alexander Graham Bell has teething problems with his invention ("I've been calling Mabel all day, she doesn't pick up! Yes, of course I dialed the right number—2!"); and in the title story, a precocious and privileged nine-year-old boy finds himself in the uncomfortable position as an amateur restaurant critic. Featuring illustrations by award-winning cartoonist Jean Jillian, this "alphabet soup of sketches, riffs, and innovations" (Seattle Times) explores the various insanities of the modern world, "playfully bringing both familiar and wholly original scenarios to life" (Marie Claire). A Fall Books Preview Selection by Audible One of the Wall Street Journal's 15 Books to Read This Fall One of USA Today's Weekend Picks for Book Lovers One of People Magazine's Best New Books

fart on command: **Anika Nilles' Pad Book** Anika Nilles, 2020 To keep your hands agile and dive deeper into effective methods that really improve your pad technique, Anika Nilles' Pad Book is just the thing! Anika gives plenty of advice on what and how to practice on a pad. Her fundamental workouts deal with accents, phrasings, and stickings in regular and odd note values, mixed meters, hand independence, and polyrhythms. Anika also puts together a collection of warm-ups that suggest how to create your own rhythm patterns out of the technical features in this book. Anika's focus through it all---to show you how you can always be creative when you play.

fart on command: **1601** , 1929

fart on command: **Steel My Soldiers' Hearts** David H. Hackworth, Eilhys England, 2003-05-06 The commanding officer of an infantry battalion in Vietnam in 1969 recounts how he took over a demoralized unit of ordinary draftees and turned it into an elite fighting force, and describes its accomplishments.

fart on command: The Things They Carried Tim O'Brien, 2009-10-13 A classic work of American literature that has not stopped changing minds and lives since it burst onto the literary scene, *The Things They Carried* is a ground-breaking meditation on war, memory, imagination, and the redemptive power of storytelling. *The Things They Carried* depicts the men of Alpha Company: Jimmy Cross, Henry Dobbins, Rat Kiley, Mitchell Sanders, Norman Bowker, Kiowa, and the character Tim O'Brien, who has survived his tour in Vietnam to become a father and writer at the age of forty-three. Taught everywhere—from high school classrooms to graduate seminars in creative writing—it has become required reading for any American and continues to challenge readers in their perceptions of fact and fiction, war and peace, courage and fear and longing. *The Things They Carried* won France's prestigious Prix du Meilleur Livre Etranger and the Chicago Tribune Heartland Prize; it was also a finalist for the Pulitzer Prize and the National Book Critics Circle Award.

fart on command: *Happy Kid!* Gail Gauthier, 2006-05-18 All cynical Kyle wants is to get through the seventh grade unnoticed, but a self-help book from his well-meaning mother changes all that. Magically, the book seems to know all about him. And it wants him to improve his life. Not only is he friendless, mistakenly taking super-difficult accelerated courses, and infamous for allegedly being involved in a violent incident on the bus (a rep that has the school terror sticking to him like glue), one of the true A Kids wants to lure him into questioning whether his class cheated on their

state exams. How could a book help anyone through this kind of misery?

fart on command: The Percy Jackson and the Olympians, Book Three: Titan's Curse Rick Riordan, 2007-05 In this third book of the acclaimed series, Percy and his friends are escorting two new half-bloods safely to camp when they are intercepted by a mantichore and learn that the goddess Artemis has been kidnapped.
