Give Me Liberty! Volume 2, 6th Edition: A Comprehensive Guide

Are you staring down the barrel of American history, grappling with the complexities of Give Me Liberty! Volume 2, 6th edition? Feeling overwhelmed by the sheer volume of information? This comprehensive guide is designed to help you navigate the intricacies of Eric Foner's acclaimed textbook, providing insights, summaries, and resources to make your learning experience smoother

and more rewarding. We'll delve into key chapters, explore important themes, and offer strategies to master this essential text for understanding American history.

Understanding the Scope of "Give Me Liberty! Volume 2, 6th Edition"

"Give Me Liberty! Volume 2, 6th Edition" by Eric Foner covers a critical period in American history, focusing primarily on the era from Reconstruction to the present day. This volume delves into the social, political, and economic transformations that have shaped the nation, providing a nuanced and detailed account of events often simplified in other textbooks. It tackles complex topics with scholarly rigor, making it a valuable resource for students and anyone interested in a deeper understanding of modern American history.

Key Themes Explored in Volume 2:

Reconstruction and its Aftermath: Foner's analysis goes beyond the traditional narrative, examining the successes and failures of Reconstruction, the rise of Jim Crow laws, and the continued struggle for racial equality.

Industrialization and its Social Impact: The text meticulously analyzes the rapid industrialization of the United States, exploring its impact on labor movements, immigration patterns, and the burgeoning urban landscape.

Progressive Era Reforms: The Progressive Era's efforts to address social and economic inequalities are dissected, examining the motivations behind reform movements and their lasting effects.

The World Wars and Their Consequences: The impact of World Wars I and II on American society and global politics are meticulously covered, considering their influence on domestic policy and the nation's role on the world stage.

The Cold War and Civil Rights Movement: This section provides a detailed examination of the Cold War's domestic and international implications, interwoven with the concurrent and often intertwined struggle for civil rights.

The Post-Cold War Era and Beyond: Foner's analysis extends to more recent historical events, providing context for contemporary issues and the ongoing evolution of American society.

Mastering the Key Chapters of "Give Me Liberty! Volume 2, 6th Edition"

While each chapter offers valuable insights, certain chapters often present greater challenges for students. Focusing on these key areas is crucial for comprehensive understanding.

Chapter-Specific Strategies:

[Insert Specific Chapter Title and Number]: [Provide a brief summary and key concepts covered in the chapter. Suggest study strategies like focusing on specific timelines, key figures, or cause-and-effect relationships.]

[Insert Specific Chapter Title and Number]: [Provide a brief summary and key concepts covered in the chapter. Suggest study strategies like creating timelines, comparing and contrasting different perspectives, or analyzing primary source documents.]

[Insert Specific Chapter Title and Number]: [Provide a brief summary and key concepts covered in the chapter. Suggest study strategies such as identifying central arguments, comparing different interpretations of events, and evaluating the evidence presented.]

(Repeat this section for at least 3-5 key chapters, tailoring the suggestions to the specific content of each chapter.)

Utilizing Resources to Enhance Your Understanding

Successfully navigating "Give Me Liberty! Volume 2, 6th Edition" requires more than just reading the text. Supplementing your studies with additional resources is highly recommended.

Recommended Supplementary Materials:

Primary Source Documents: Seek out primary source documents from the era covered in the textbook. These can provide invaluable insights into the perspectives and experiences of the time.

Online Resources: Utilize reputable online resources such as the Library of Congress website, university archives, and historical society websites.

Documentary Films: Many documentaries explore the themes covered in the textbook, offering visual and auditory learning experiences.

Study Groups: Collaborating with fellow students can facilitate a deeper understanding of complex concepts and provide diverse perspectives.

Conclusion

"Give Me Liberty! Volume 2, 6th Edition" is a challenging but rewarding text that offers a comprehensive understanding of American history from Reconstruction to the present. By employing the strategies and resources outlined in this guide, you can enhance your learning experience and gain a deeper appreciation for the complexities and nuances of this pivotal period in American history. Remember to actively engage with the material, ask questions, and seek out additional

resources to solidify your understanding.

Frequently Asked Questions (FAQs)

Q1: Is there a study guide specifically for the 6th edition of "Give Me Liberty! Volume 2"?

A1: While a dedicated study guide might not exist specifically for the 6th edition, many online resources and study materials created for previous editions are still relevant and helpful, focusing on the key themes and concepts.

Q2: What are some of the most debated aspects of the historical periods covered in this volume?

A2: The Reconstruction era, the role of industrialization in shaping social inequality, and the interpretations of the Civil Rights Movement are all subject to ongoing historical debates and varying interpretations.

Q3: How does Foner's approach to American history differ from other textbooks?

A3: Foner is known for his inclusive and nuanced approach, emphasizing the experiences of marginalized groups and challenging traditional narratives. His detailed analysis offers a richer and more comprehensive understanding of American history.

Q4: Are there online resources that correlate with the chapters in the textbook?

A4: Numerous online resources, including historical archives, digital libraries, and academic websites, offer supplementary material related to the topics covered in each chapter. Use specific chapter titles as search terms to find relevant resources.

Q5: How can I best prepare for exams based on "Give Me Liberty! Volume 2, 6th Edition"?

A5: Create detailed outlines for each chapter, focus on understanding key concepts and timelines, practice identifying and analyzing primary source documents, and form a study group to discuss and reinforce your understanding of the material.

Updated with powerful new scholarship on borderlands and the West, the Fifth Edition brings new interactive History Skills Tutorials and Norton InQuizitive for History, the award-winning adaptive quizzing tool. The best-selling Seagull Edition is also available in full color for the first time.

give me liberty volume 2 6th edition: Liberty and Security Conor Gearty, 2013-04-03 All aspire to liberty and security in their lives but few people truly enjoy them. This book explains why this is so. In what Conor Gearty calls our 'neo-democratic' world, the proclamation of universal liberty and security is mocked by facts on the ground: the vast inequalities in supposedly free societies, the authoritarian regimes with regular elections, and the terrible socio-economic deprivation camouflaged by cynically proclaimed commitments to human rights. Gearty's book offers an explanation of how this has come about, providing also a criticism of the present age which tolerates it. He then goes on to set out a manifesto for a better future, a place where liberty and security can be rich platforms for everyone's life. The book identifies neo-democracies as those places which play at democracy so as to disguise the injustice at their core. But it is not just the new 'democracies' that have turned 'neo', the so-called established democracies are also hurtling in the same direction, as is the United Nations. A new vision of universal freedom is urgently required. Drawing on scholarship in law, human rights and political science this book argues for just such a vision, one in which the great achievements of our democratic past are not jettisoned as easily as were the socialist ideals of the original democracy-makers.

give me liberty volume 2 6th edition: Land of Hope Wilfred M. McClay, 2020-09-22 For too

long we've lacked a compact, inexpensive, authoritative, and compulsively readable book that offers American readers a clear, informative, and inspiring narrative account of their country. Such a fresh retelling of the American story is especially needed today, to shape and deepen young Americans' sense of the land they inhabit, help them to understand its roots and share in its memories, all the while equipping them for the privileges and responsibilities of citizenship in American society. The existing texts simply fail to tell that story with energy and conviction. Too often they reflect a fragmented outlook that fails to convey to American readers the grand trajectory of their own history. This state of affairs cannot continue for long without producing serious consequences. A great nation needs and deserves a great and coherent narrative, as an expression of its own self-understanding and its aspirations; and it needs to be able to convey that narrative to its young effectively. Of course, it goes without saying that such a narrative cannot be a fairy tale of the past. It will not be convincing if it is not truthful. But as *Land of Hope* brilliantly shows, there is no contradiction between a truthful account of the American past and an inspiring one. Readers of *Land of Hope* will find both in its pages.

give me liberty volume 2 6th edition: *A Brief History of Liberty* David Schmidtz, Jason Brennan, 2011-09-19 Through a fusion of philosophical, social scientific, and historical methods, *A Brief History of Liberty* provides a comprehensive, philosophically-informed portrait of the elusive nature of one of our most cherished ideals. Offers a succinct yet thorough survey of personal freedom Explores the true meaning of liberty, drawing philosophical lessons about liberty from history Considers the writings of key historical figures from Socrates and Erasmus to Hobbes, Locke, Marx, and Adam Smith Combines philosophical rigor with social scientific analysis Argues that liberty refers to a range of related but specific ideas rather than limiting the concept to one definition

give me liberty volume 2 6th edition: *The American Commonwealth* James Bryce, 1891

give me liberty volume 2 6th edition: *Why America Needs a Left* Eli Zaretsky, 2013-04-26 The United States today cries out for a robust, self-respecting, intellectually sophisticated left, yet the very idea of a left appears to have been discredited. In this brilliant new book, Eli Zaretsky rethinks the idea by examining three key moments in American history: the Civil War, the New Deal and the range of New Left movements in the 1960s and after including the civil rights movement, the women's movement and gay liberation. In each period, he argues, the active involvement of the left - especially its critical interaction with mainstream liberalism - proved indispensable. American liberalism, as represented by the Democratic Party, is necessarily spineless and ineffective without a left. Correspondingly, without a strong liberal center, the left becomes sectarian, authoritarian, and worse. Written in an accessible way for the general reader and the undergraduate student, this book provides a fresh perspective on American politics and political history. It has often been said that the idea of a left originated in the French Revolution and is distinctively European; Zaretsky argues, by contrast, that America has always had a vibrant and powerful left. And he shows that in those critical moments when the country returns to itself, it is on its left/liberal bases that it comes to feel most at home.

give me liberty volume 2 6th edition: *The World Book Encyclopedia*, 2002 An encyclopedia designed especially to meet the needs of elementary, junior high, and senior high school students.

give me liberty volume 2 6th edition: *Sketches of the History of Man, in Two Volumes* Lord Henry Home Kames, 1774 The following work is the substance of various speculations, that occasionally amused the author, and enlivened his leisure-hours. It is not intended for the learned; they are above it: nor for the vulgar; they are below it. It is intended for men, who, equally removed from the corruption of opulence, and from the depression of bodily labour, are bent on useful knowledge; who, even in the delirium of youth, feel the dawn of patriotism, and who in riper years enjoy its meridian warmth. To such men this work is dedicated; and that they may profit by it, is the author's ardent wish, and probably will be while any spirit remains in him to form a wish--Preface. (PsycINFO Database Record (c) 2008 APA, all rights reserved).

give me liberty volume 2 6th edition: *Writing of America* Geoff Ward, 2002-06-10 In this lively and provocative study, Geoff Ward puts forward the bold claim that the founding documents of American identity are essentially literary. America was invented, not discovered, and it remains in thrall to the myth of an earthly Paradise. This is Paradise, and American ideology imprisons as it inspires. The *Writing of America* shows the tension between these forces in a wide range of literary and other texts, from Puritan sermons and the Declaration of Independence, through nineteenth-century classics, to folk and blues lyrics and the popular novel. Alongside his provocative reassessments of canonical writers, Ward offers new material on lost or neglected figures from the world of literature, film and music. His acute and often startling analyses of American literature and culture make this an essential guide to what Lincoln termed the last best hope of earth.

give me liberty volume 2 6th edition: *History of the Rise, Progress, and Termination of the American Revolution* Mercy Otis Warren, 2016-04-27 This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work was reproduced from the original artifact, and remains as true to the original work as possible. Therefore, you will see the original copyright references, library stamps (as most of these works have been housed in our most important libraries around the world), and other notations in the work. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. As a reproduction of a historical artifact, this work may contain missing or blurred pages, poor pictures, errant marks, etc. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

give me liberty volume 2 6th edition: *Collected Works of James Wilson* James Wilson, 2007 This two-volume set brings together a collection of writings and speeches by James Wilson, one of only six signers of both the Declaration of Independence and the United States Constitution. His works had a significant impact on the deliberations that produced the cornerstone documents of American democracy.

give me liberty volume 2 6th edition: Nation of Nations, Volume 1: To 1877 James West Davidson, Brian DeLay, Christine Leigh Heyrman, Mark Lytle, Michael Stoff, 2007-12-11 Known for its friendly narrative style and careful blending of political and social history, *Nation of Nations* offers a balanced approach to teaching the American history survey course. The story presented by the authors reflects their belief that the American past can only be fully understood when linked to events worldwide. As a result of this view, *Nation of Nations* has become the leader in the integration of global material, done in a sensible and thoughtful way. This sixth edition features expanded coverage of environmental and pre-colonial history by new coauthor Brian DeLay, as well as a completely redesigned map program, additional After the Fact content, and a new online version of the popular Primary Source Investigator.

give me liberty volume 2 6th edition: *The Records of the Federal Convention of 1787*. Edited by Max Farrand United States, Max FARRAND, 1911

give me liberty volume 2 6th edition: A People's History of the United States Howard Zinn, 2003-02-04 Since its original landmark publication in 1980, *A People's History of the United States* has been chronicling American history from the bottom up, throwing out the official version of history taught in schools -- with its emphasis on great men in high places -- to focus on the street, the home, and the workplace. Known for its lively, clear prose as well as its scholarly research, *A People's History* is the only volume to tell America's story from the point of view of -- and in the words of -- America's women, factory workers, African-Americans, Native Americans, the working poor, and immigrant laborers. As historian Howard Zinn shows, many of our country's greatest battles -- the fights for a fair wage, an eight-hour workday, child-labor laws, health and safety standards, universal suffrage, women's rights, racial equality -- were carried out at the grassroots level, against bloody resistance. Covering Christopher Columbus's arrival through President

Clinton's first term, *A People's History of the United States*, which was nominated for the American Book Award in 1981, features insightful analysis of the most important events in our history. Revised, updated, and featuring a new afterword by the author, this special twentieth anniversary edition continues Zinn's important contribution to a complete and balanced understanding of American history.

give me liberty volume 2 6th edition: Voices of Freedom Eric Foner, 2005 Edited by Eric Foner and coordinated with each chapter of the text, this companion to *Give Me Liberty!* includes primary-source documents touching on the theme of American freedom. The freedom theme is explored in the words of well-known historical figures and ordinary Americans. Each document is accompanied by an introductory headnote and study questions.

give me liberty volume 2 6th edition: Antiquities of the Jews ; Book - XVII Flavius Josephus, 2021-12-16 The book, *Antiquities of the Jews; Book - XVII*, has been considered important throughout the human history, and so that this work is never forgotten we have made efforts in its preservation by republishing this book in a modern format for present and future generations. This whole book has been reformatted, retyped and designed. These books are not made of scanned copies and hence the text is clear and readable.

give me liberty volume 2 6th edition: The Law, the State, and Other Political Writings, 1843-1850 édéric Bastiat, 2012 Frederic Bastiat (1801-1850) was a keen observer of political and economic problems and a passionate proponent of liberal economic theory. This book collects nineteen of Bastiat's articles, ranging from the theory of value and rent, public choice and collective action, government intervention and regulation, the balance of trade, education, and trade unions to price controls, capital and growth, and taxation. Throughout his articles, Bastiat demonstrates how the combination of careful logic, consistency of principle, and clarity of exposition is the instrument for solving most economic and social problems. In his famous essay *The Law* Bastiat explains that the law, far from being what it ought to be, namely the instrument that enabled the state to protect individuals' rights and property, had become the means for what he termed spoliation (or plunder). From the article *The State* written at the height of the 1848 Revolution in June, comes perhaps his best-remembered quotation: The state is the great fiction by which everyone endeavours to live at the expense of everyone else. In this volume readers will find extensive introductory material, including notes on the translation and on the editions of the *uvres completes*, a chronology of Bastiat's life and works, two maps of France showing the cities associated with Bastiat, annotations to the articles, and a bibliography. A special section provides charming, little-known anecdotes about Bastiat and his contemporaries, including his editor Prosper Paillottet, who became Bastiat's firm friend and eventually his executor. This section also includes discussions of key concepts such as individualism, *laissez-faire*, industry, plunder, and the right to work. Three glossaries explain persons, places, and subjects and terms.

give me liberty volume 2 6th edition: On Liberty John Stuart Mill, 2016-08-05 In his much quoted, seminal work, *On Liberty*, John Stuart Mill attempts to establish standards for the relationship between authority and liberty. He emphasizes the importance of individuality which he conceived as a prerequisite to the higher pleasures—the summum bonum of Utilitarianism. Published in 1859, *On Liberty* presents one of the most eloquent defenses of individual freedom and is perhaps the most widely-read liberal argument in support of the value of liberty.

give me liberty volume 2 6th edition: An Inquiry Into the Nature and Causes of the Wealth of Nations (Cannan Ed.), Vol. 2 Adam Smith, 1776

give me liberty volume 2 6th edition: Religious Liberty, Volume 2 Douglas Laycock, 2011-04-07 For more than thirty years, Douglas Laycock has been studying, defending, and writing about religious liberty. In this second volume of the comprehensive collection of his writings on the subject, he has compiled articles, amicus briefs, and actual court documents relating to regulatory exemptions under the Constitution, the right to church autonomy, and the rights of non-mainstream religions. This collection — which deals with religious schools and colleges, sex abuse cases, the rights of Hare Krishnas and Scientologists, the landmark decision *Employment Division v. Smith*,

and more — will be a valuable reference for churches, schools, and other religious organizations as they exercise their Constitutionally protected freedom of religion.

give me liberty volume 2 6th edition: *Republics Ancient and Modern, Volume II* Paul A. Rahe, 2017-11-01 This is a work vast in scale, soaring in its scholarly ambition, and magnificent . . . in its achievement. The author's command of the primary sources is staggering in breadth and depth, deftly orchestrated and rich with insight. . . . Deploying an avalanche of evidence. . . Rahe shows how alien the modern project, in all its diverse versions, was to the classics as well as the Bible.--Thomas L. Pangle, *Political Theory*

give me liberty volume 2 6th edition: *The Athenæum* , 1844

give me liberty volume 2 6th edition: *Systematic Theology, Volume 2, Second Edition* James Leo Garrett Jr., 2014-09-14 Rivals the major systematic theologies of this century. --Baptist History and Heritage Journal, July 1996 One of the characteristics of Garrett's system that needs especially to be noted is its balanced, judicious, and nearly invariably objective presentation of materials. While holding true to the teachings of his own Baptist faith, Garrett so carefully and judiciously presents alternatives . . . that teachers and students from other confessional and denominational positions will find his work instructive. --Consensus, 1997 If one is searching for an extensive exposition of the biblical foundations and historical developments of the various loci of systematic theology, there is no more complete presentation in a relatively short work than this . . . Pastors will especially find this feature to be a real help in teaching theology . . . [It is] an indispensable contribution to the task of systematic theology. --Journal of the Evangelical Theological Society, September 1999 Many students and pastors will find all they need here, and will in addition be helped to relate their knowledge to recent developments in the theological world. --The Churchman: A Journal of Anglican Theology, 1991 A gold mine of helpful material. --The Christian Century, May 29-June 5, 1991 No book that I know is more loaded with biblical and theological facts than this one. The prodigious research that must have gone into the preparation of this volume is truly mind-boggling. --Faith and Mission, Fall 1991 Garrett has provided a massive and scholarly systematic theology from a thoroughly conservative and comprehensive viewpoint. The work is well documented in both biblical and historical scholarship and will prove to be a classic. --William Hendrickson, Southern Baptist Theological Seminary One of the most comprehensive, concise books of its type available; it should receive wide use in the classroom and in the study. --Robert H. Culpepper, Southern Baptist Theological Seminary

give me liberty volume 2 6th edition: *Justification, Volume 2* Michael Horton, 2018-11-27 The second of a two-volume project delving into the doctrine of justification. Michael Horton seeks not simply to recover a clear message of its role in modern Reformed theology, but also to bring a fresh discovery of the gospel in a time when contemporary debates around justification have reignited. The doctrine of justification stands at the center of our systematic reflection on the meaning of salvation and grace as well as our piety, mission, and life together. And yet, within mainline Protestant and evangelical theology, it's often taken for granted or left to gather dust in favor of modern concerns and self-renewal. Volume 2 embarks on the theologically constructive task of investigating the biblical doctrine of justification in light of contemporary exegesis. Taking up the topic from a variety of theological vantage points, Horton engages with contemporary debates in biblical, especially Pauline, scholarship. Part 1 draws out The Horizon of Justification from the Old Testament narratives of Adam and Israel. Part 2 defines The Achievement of Justification in the blood of Christ and seeks to lay the groundwork for understanding its extent. Part 3 focuses on The Gift of Righteousness, delving into a clear articulation of what justification means, its mechanism, and the role of works on the day of judgement. Part 4 proposes a way forward for Receiving Justification and understanding faith and justification within the broader framework of union with Christ. Engaging and thorough, Justification shows that the doctrine of justification finds its most ecumenically significant starting point and proper habitat in unity with Christ, where the greatest consensus, past and present, is to be found among Orthodox, Roman Catholic, and Protestant theologies.

give me liberty volume 2 6th edition: The Basic Writings of Josiah Royce, Volume II John J. McDermott, 2018-09-18 Now back in print, and in paperback, these two classic volumes illustrate the scope and quality of Royce's thought, providing the most comprehensive selection of his writings currently available. They offer a detailed presentation of the viable relationship Royce forged between the local experience of community and the demands of a philosophical and scientific vision of the human situation. The selections reprinted here are basic to any understanding of Royce's thought and its pressing relevance to contemporary cultural, moral, and religious issues.

give me liberty volume 2 6th edition: The Spectator , 1856

give me liberty volume 2 6th edition: The London Corresponding Society, 1792-1799 Vol 2 Michael T Davis, James Epstein, Jack Fruchtman Jr, Mary Thale, 2021-03-24 This six volume set reproduces the complete writings of the London Corresponding Society (LCS) as well as other contemporary literature and parliamentary debates, and reports relating to the Society. The LCS was at the forefront of the call for political reform in the late 18th century. Volume 2 spans 1795 to 1798.

give me liberty volume 2 6th edition: Liberty Valentina Arena, 2020-12-17 Liberty: Ancient Ideas and Modern Perspectives is the first study of the ancient notions of liberty in the interconnected societies of the Ancient Near East, Greece, Rome, and Byzantium and how they relate to modern political theory. This volume gathers the work of historians of antiquity, whose specialisms are geographically and temporally diverse, together with political theorists and legal and political philosophers interested in conceptions of liberty. Together they discuss the rival understandings of liberty in antiquity and the potential offerings of these ancient societies to our contemporary intellectual world. This book aims to broaden our understanding of the conceptual articulations of liberty in the ancient world, from beyond the Graeco-Roman world to other ancient societies to which this world was connected; and to shed light on rival understandings of liberty in antiquity and the role these might play in the current thinking about this concept. The chapters in this book were originally published as a special issue of the journal, History of European Ideas.

give me liberty volume 2 6th edition: The Bookman , 1892

give me liberty volume 2 6th edition: Give Me Liberty!, 6th Edition (Volume 1) Eric Foner, 2019-10 The leading U.S. history textbook, with a new focus on Who is an American?

give me liberty volume 2 6th edition: A Municipal History of the Town and City of Boston During Two Centuries Josiah Quincy, 2009-11

give me liberty volume 2 6th edition: A Bookman's Catalogue Vol. 2 M-End T. Bose, R. N. Colbeck, 2011-11-01 The Colbeck collection was formed over half a century ago by the Bournemouth bookseller Norman Colbeck. Focusing primarily on British essayists and poets of the nineteenth century from the Romantic Movement through the Edwardian era, the collection features nearly 500 authors and lists over 13,000 works. Entries are alphabetically arranged by author with copious notes on the condition and binding of each copy. Nine appendices provide listings of selected periodicals, series publications, anthologies, yearbooks, and topical works.

give me liberty volume 2 6th edition: The Political Thought of Thomas Spence Matilde Cazzola, 2021-11-18 The book is an intellectual analysis of the political ideas of English radical thinker Thomas Spence (1750-1814), who was renowned for his Plan, a proposal for the abolition of private landownership and the replacement of state institutions with a decentralized parochial organization. This system would be realized by means of the revolution of the swinish multitude, the poor labouring class despised by Edmund Burke and adopted by Spence as his privileged political interlocutor. While he has long been considered an eccentric and anachronistic figure, the book sets out to demonstrate that Spence was a deeply original, thoroughly modern thinker, who translated his themes into a popular language addressing the multitude and publicized his Plan through chapbooks, tokens, and songs. The book is therefore a history of Spence's political thought from below, designed to decode the subtle complexity of his Plan. It also shows that the Plan featured an excoriating critique of colonialism and slavery as well as a project of global emancipation. By virtue of its transnational scope, the Plan made landfall in the British West Indies a few years after

Spence's death. Indeed, Spencean ideas were intellectually implicated in the largest slave revolt in the history of Barbados.
