kuan yin spirit guide: Kuan Yin's Miracle Mantras Josefine Stark, Meiner Christine, Shanti Hee, 2011-11-27 *Kuan Yin's Miracle Mantras: Awakening the Healing Powers of the Heart* is based on decades of scientific research and both ancient and modern spiritual texts. It includes the direct experiences of the author and several contributors. This book is a key resource for anyone desiring to masterfully ride the waves of evolutionary change that humanity is currently undergoing. To ease this shift into post-2012 consciousness, the many tools and practices given here are based on the wisdom of the ancients (who foresaw these changes), coupled with its correlation to quantum science. The mantras in this book, especially The Great Compassion Mantra, are particularly intended for use in our time for the clearing away of any past records holding back our spiritual evolution and forward progress. Who is Kuan Yin? Her story, legends and miracles are well known throughout most of Asia. Her name means Hearer of Sounds. According to Eastern tradition, when Kuan Yin was about to enter heaven, she stood on the threshold and heard the cries of distress from the earth. She turned back to come to the aid of all who suffer in this plane. She is a cross-cultural figure revered by many traditions worldwide and is considered to be the essence or symbol of Divine Compassion. Many view her as both the impersonal and personal manifestations of Divine Mercy. Practices for nurturing the growth of this divine quality within ourselves and delivering it to the world are given in this book. Kuan Yin delivered The Great Compassion Mantra millennia ago so that living beings may obtain peace and joy, be healed of illness, enjoy prosperity, erase past sins and offenses, remove hardship and suffering, and increase spiritual attainment and virtue. The mantras are for people of all faiths, and the information in these pages is also a valuable aid for anyone

desiring to develop greater love, compassion and unity consciousness. And, of course, this book is for anyone who could use a few miracles! Part One, The Essence of Divine Compassion, covers Kuan Yin's lore, origins and history. Her lineage from Amitabha to Avalokitesvara to Tara is included. We learn the secrets of the science of sound through sonic healing and mantra, and how the use of visualization and feeling can accelerate the manifestation of a desired result. The phrase HeartSound, coined by the author, represents the convergence of the key techniques explained. There are chapters on how to protect oneself from lower astral entities, and a collection of miracle stories and Kuan Yin's appearances in modern times. Part Three, Miracle Mantras and Powerful Meditations, includes many of Kuan Yin's important ancient texts, such as The Great Compassion Dharani Sutra and The Heart Sutra, with explanations and commentaries and how the Heart Sutra describes the Source Field or Zero Point Field. It reveals Kuan Yin's Ten Vows, and her Thirty-Three Miracle Mantra Ritual. The original Chinese and/or Sanskrit glyphs are often included, with their translations and pronunciation guides. The book concludes with a beautiful forgiveness meditation, and a summation of the Twelve Power Tools contained herein for self-transformation and manifestation. formation and manifestation.

kuan yin spirit guide: The Way of the Rose Clark Strand, Perdita Finn, 2019-11-05 What happens when a former Zen Buddhist monk and his feminist wife experience an apparition of the Virgin Mary? "This book could not have come at a more auspicious time, and the message is mystical perfection, not to mention a courageous one. I adore this book."—Caroline Myss, author of *Anatomy of the Spirit* Before a vision of a mysterious "Lady" invited Clark Strand and Perdita Finn to pray the rosary, they were not only uninterested in becoming Catholic but finished with institutional religion altogether. Their main spiritual concerns were the fate of the planet and the future of their children and grandchildren in an age of ecological collapse. But this Lady barely even referred to the Church and its proscriptions. Instead, she spoke of the miraculous power of the rosary to transform lives and heal the planet, and revealed the secrets she had hidden within the rosary's prayers and mysteries—secrets of a past age when forests were the only cathedrals and people wove rose garlands for a Mother whose loving presence was as close as the ground beneath their feet. She told Strand and Finn: The rosary is My body, and My body is the body of the world. Your body is one with that body. What cause could there be for fear? Weaving together their own remarkable story of how they came to the rosary, their discoveries about the eco-feminist wisdom at the heart of this ancient devotion, and the life-changing revelations of the Lady herself, the authors reveal an ancestral path—available to everyone, religious or not—that returns us to the powerful healing rhythms of the natural world.

kuan yin spirit guide: *Kuan-yin* Chün-fang Yü, 2001-03-22 By far one of the most important objects of worship in the Buddhist traditions, the bodhisattva Avalokitesvara is regarded as the embodiment of compassion. He has been widely revered throughout the Buddhist countries of Asia since the early centuries of the Common Era. While he was closely identified with the royalty in South and Southeast Asia, and the Tibetans continue to this day to view the Dalai Lamas as his incarnations, in China he became a she—Kuan-yin, the Goddess of Mercy—and has a very different history. The causes and processes of this metamorphosis have perplexed Buddhist scholars for centuries. In this groundbreaking, comprehensive study, Chün-fang Yü discusses this dramatic transformation of the (male) Indian bodhisattva Avalokitesvara into the (female) Chinese Kuan-yin—from a relatively minor figure in the Buddha's retinue to a universal savior and one of the most popular deities in Chinese religion. Focusing on the various media through which the feminine Kuan-yin became constructed and domesticated in China, Yü thoroughly examines Buddhist scriptures, miracle stories, pilgrimages, popular literature, and monastic and local gazetteers—as well as the changing iconography reflected in Kuan-yin's images and artistic representations—to determine the role this material played in this amazing transformation. The book eloquently depicts the domestication of Kuan-yin as a case study of the indigenization of Buddhism in China and illuminates the ways this beloved deity has affected the lives of all Chinese people down the ages.

kuan yin spirit guide: Erosion Terry Tempest Williams, 2019-10-08 Timely and unsettling essays from an important and beloved writer and conservationist In *Erosion*, Terry Tempest Williams's fierce, spirited, and magnificent essays are a howl in the desert. She sizes up the continuing assaults on America's public lands and the erosion of our commitment to the open space of democracy. She asks: How do we find the strength to not look away from all that is breaking our hearts? We know the elements of erosion: wind, water, and time. They have shaped the spectacular physical landscape of our nation. Here, Williams bravely and brilliantly explores the many forms of erosion we face: of democracy, science, compassion, and trust. She examines the dire cultural and environmental implications of the gutting of Bear Ears National Monument—sacred lands to Native Peoples of the American Southwest; of the undermining of the Endangered Species Act; of the relentless press by the fossil fuel industry that has led to a panorama in which oil rigs light up the horizon. And she testifies that the climate crisis is not an abstraction, offering as evidence the drought outside her door and, at times, within herself. These essays are Williams's call to action, blazing a way forward through difficult and dispiriting times. We will find new territory—emotional, geographical, communal. The erosion of desert lands exposes the truth of change. What has been weathered, worn, and whittled away is as powerful as what remains. Our undoing is also our becoming. *Erosion* is a book for this moment, political and spiritual at once, written by one of our greatest naturalists, essayists, and defenders of the environment. She reminds us that beauty is its own form of resistance, and that water can crack stone.

kuan yin spirit guide: Kuan Yin Buddhism Hope Bradford Cht, 2019-09-28 In China and other parts of the Eastern Hemisphere, accounts of villagers having been visited by Goddess of Compassion and Mercy, Kuan Yin, have been handed down through the ages. While uncommon in the United States and the Western Hemisphere in general, such visitations are not completely unheard of. Along with Kuan Yin's profound parables and spiritual teachings, this manuscript chronicles the deity's numerous visitations to author Hope Bradford CHT following her transcribing of the book: *Oracle of Compassion: the Living Word of Kuan Yin*. A spiritualist and hypnotherapist, it was during that time that Kuan Yin promised to appear again to Ms. Bradford--that they enjoyed a very personal relationship. Included in this latest work, *Kuan Yin Buddhism: Parables, Visitations and Teachings*, Ms. Bradford delineates her amazing dreams and experiences with this revered deity of the Chinese Pantheon--that in addition to the originally-set down teachings, the ancient wisdom continues to this very day! At some point it was revealed that Hope's encounter and hence relationship with Kuan Yin was no accident: Hope, Kuan Yin sends you bands of energy. The bands look almost like the Milky Way, where nebulae are constantly born. She sends these bands through you so that the wisdom can be spoken by me. We're a team. I can't do this without you! Now, I see

Kuan Yin in such a beautiful form. Her countenance is such a brilliant white that there is a blue aura radiating out from Her. ~ Lena Lees

People want to know why I chose Lena and Hope to bring forth my message of loving-kindness to the world. It's alchemy! Lena and Hope's combined energy creates an open channel that I can manifest through. It is very rare in the world. It doesn't matter what nationality a person is. I can go wherever I want. I come to them because they are receptive. ~ Kuan Yin

According to Kuan Yin, earth is the most important step in our evolution where we, as limitless, spiritual beings, achieve physical manifestation in all of its complexities; wherein beliefs, intentions and desires are the driving forces for the personal creation of reality. Indeed, the significance of the goddess's imaginative transformations is that they are metaphors for the personal transformation of thought into matter. Beyond her shape-shifts are the goddess's profound parables demonstrating Her teachings on the nature of personal creation. Compassion at the level personified by Kuan Yin is not some luxury sentiment that might be expressed towards others at the appropriate moment. Indeed, it is at the very core of humanity's survival. And as Kuan Yin's Law of Compassion is intimately connected with all daily choices and emotions, such compassionate feelings on the part of the ego will join and expand the great rhapsody of light and sound stretching beyond any time/space constraints. In this book delineating the Kuan Yin Buddhism, the deity states: I know the whole story. You're at page ten but I understand the entire evolution. In reality, it's already over. It's a dream. Remember? You're living a dream. It's very complicated to hold the dream and live the dream. You are learning the art of juggling the dream and the world of dreams! Kuan Yin's profound teachings can help you understand: *Your purpose in life *The Love and Forgiveness Principle *How the moment is one's link to eternity *The power of sound and vibration *The power of imagination *Reincarnation *Love and relationships

kuan yin spirit guide: *Animal Sutras* Stephen Levine, 2019-09-17 THE RENOWNED TEACHER AND AUTHOR'S SPIRITUAL MEMOIR, AS TOLD THROUGH HIS LIFELONG ENCOUNTERS WITH ANIMALS AND NATURE "I love this book. It feels like a secret treasure bequeathed by Stephen Levine to be opened after his death—an overflowing vessel of insight, humor and literary genius. *Animal Sutras* may be the best book Stephen Levine ever wrote." —Mirabai Starr, *Wild Mercy* "Stephen was a profound healer of the heart, writer and meditation teacher. In *Animal Sutras*, his other gifts shine, as a wise poet-naturalist and Dharma storyteller-philosopher, offered here in a lyrical, quirky, playful, and inviting collection." —Jack Kornfield, *A Path With Heart* For Stephen Levine, "animal-people" were his greatest teachers. So, at age seventy, he began collecting animal spirit stories and transcendent moments in nature from throughout his life—from the green snake who taught him to meditate as a boy to the generous hen whom predators would not harm, and many more. "Animals have a natural mindfulness," Levine writes. "They know what they are doing. Humans, who are full of confusion and seldom wholly in touch with their mind/body, need encouragement and technique to live in the present." Stephen Levine (1937-2016) was an American poet, author, and spiritual teacher best known for his work, with his wife Ondrea, on death and dying. He is one of a generation of pioneering teachers who made Theravada Buddhism more widely available to students in the West. Like the writings of his colleague and close friend Ram Dass (formerly Richard Alpert), Levine's work is also flavored by the devotional practices and teachings of the Hindu guru Neem Karoli Baba. Levine spent many years in the Southwest, including one tending a wildlife sanctuary in southern Arizona, and among the mountains of New Mexico, where Ondrea still lives. His many books include *Who Dies?*, *A Year to Live*, *Unattended Sorrow*, and *Healing into Life and Death*.

They're not otherworldly gods with superhuman qualities but shining examples of our own highest potential. Archetypes of wisdom and compassion, the bodhisattvas of Buddhism are powerful and compelling images of awakening. Scholar and Zen teacher Taigen Dan Leighton engagingly explores the imagery and lore of the seven most important of these archetypal figures, bringing them alive as psychological and spiritual wellsprings. Emphasizing the universality of spiritual ideas, Leighton finds aspects of bodhisattvas expressed in a variety of familiar modern personages - from Muhammad Ali to Mahatma Gandhi, from Bob Dylan to Henry Thoreau, and from Gertrude Stein to Mother Teresa. This edition contains a revised and expanded introduction that frames the book as a exciting and broad-scoped view of Mahayana Buddhism. It's updated throughout to make it of more use to scholars and a perfect companion to survey courses of world religions or a 200-level course on Buddhism.
