

[Interview With A Vampire Fangs](#)

Interview with a Vampire: Fangs - Fact, Fiction, and Cinematic Flair

Are you fascinated by the glistening fangs of cinematic vampires? Have you ever wondered about the practical effects, the symbolic meaning, or even the surprisingly complex dental anatomy implied by those iconic teeth? This post dives deep into the world of "Interview with a Vampire" fangs, exploring their evolution from the novel to the screen, their impact on vampire lore, and the artistry behind their creation. We'll unravel the mystique surrounding these bloodsucking symbols and delve into the reasons why they remain such a powerful and enduring image in popular culture.

The Literary Bite: Fangs in Anne Rice's Novel

Anne Rice's *Interview with a Vampire* doesn't explicitly describe Lestat's fangs in meticulous detail. Instead, their presence is implied, a potent symbol of his predatory nature and otherworldly existence. The focus remains on Lestat's charisma, his tragic yearning, and his complex relationship with Louis. The fangs are less a focal point of description and more a subtextual element, a constant reminder of the character's monstrous yet alluring essence. This subtle approach allows the reader to fill in the blanks, enhancing the overall mystique and letting their imagination dictate the precise appearance of Lestat's fangs.

From Page to Screen: The Evolution of Cinematic Fangs

The transition from the novel's subtle implication to the visual reality of the 1994 film adaptation presented a unique challenge. The filmmakers had to create fangs that were simultaneously terrifying and alluring, reflecting the duality of Lestat's character. Tom Cruise's portrayal emphasized this duality, showcasing both the seductive charm and the underlying threat posed by his vampire nature. The design of the fangs, therefore, became a crucial element in conveying this complex personality.

The Practical Effects of Vampire Fangs

Creating realistic-looking fangs for the film wasn't a simple task. While early vampire films often relied on rudimentary methods, "Interview with a Vampire" aimed for a more sophisticated aesthetic. The film likely employed a combination of techniques, including custom-made dentures and prosthetic appliances, carefully designed to blend seamlessly with Cruise's natural teeth. The skilled makeup artists painstakingly crafted these appliances to create a look that was both convincing and subtly enhanced the actor's performance.

The Symbolic Power of the Fangs in the Film

Beyond the practical aspects of their creation, the fangs in the film serve a potent symbolic purpose. They visually represent the transgression of nature, the crossing of the boundaries between humanity and something other, more primal. The fangs are a constant, visual reminder of Lestat's undead nature, his predatory instincts, and his separation from the human world. Their presence on screen elevates the sense of unease and subtly amplifies the horror aspects of the narrative.

The Enduring Legacy: Fangs and Vampire Iconography

The fangs from "Interview with a Vampire" profoundly impacted the visual representation of vampires in subsequent films and media. The film's aesthetic, including the design of the fangs, contributed significantly to the modern interpretation of vampires as both terrifying and strangely alluring figures. This successful blend of horror and romance cemented the specific aesthetic of vampire fangs in popular culture. The film's impact can still be seen in countless vampire portrayals today, highlighting the enduring legacy of its visual design choices.

Beyond "Interview": Analyzing Fangs Across Vampire Media

While "Interview with a Vampire" holds a significant place in the history of vampire cinema, it's crucial to acknowledge that fang design has evolved even further. Modern vampire media often employs CGI and digital effects to refine and enhance the appearance of fangs, creating even more realistic and nuanced results. These advancements have led to a broader spectrum of visual

representations, moving beyond the initially groundbreaking design of the 1994 film. This ongoing evolution showcases the continuous adaptation and reinterpretation of vampire iconography, reflecting changes in cinematic technology and societal perceptions of the genre.

Conclusion

The fangs in "Interview with a Vampire," whether subtly implied in the novel or meticulously crafted for the screen, represent more than just sharp teeth. They are potent symbols of otherness, predation, and the enduring fascination with the vampire mythos. The film's impact on vampire aesthetics is undeniable, and its influence on the depiction of fangs remains a critical part of vampire cinematic history. Their evolution, from literary implication to sophisticated special effects, mirrors the ever-changing landscape of vampire culture itself.

FAQs:

1. Were Tom Cruise's fangs removable or permanently attached? Likely removable, as most screen fangs are crafted as dentures or appliances for ease of use and comfort during filming.
2. Did the design of the fangs influence other vampire films? Absolutely. The film's fangs significantly influenced the depiction of vampire teeth in subsequent productions, leading to a more refined and visually impactful representation.
3. What materials were likely used to create the fangs in the film? A combination of dental resin, acrylics, and potentially other materials for strength, realism, and comfort.
4. How did the lighting in the film enhance the visual impact of the fangs? Strategic lighting accentuated the gleam and sharpness of the fangs, further emphasizing their predatory nature and otherworldly quality.
5. Did Anne Rice have any input on the design of the fangs in the film adaptation? While specifics aren't widely documented, it's likely she was consulted, considering the importance of visual fidelity to her creation.

interview with a vampire fangs: The Wolf Gift Anne Rice, 2012-02-14 NATIONAL BESTSELLER • "Vintage Anne Rice—a lushly written, gothic ... metaphysical tale. This time, with werewolves." —The Wall Street Journal When Reuben Golding, a young reporter on assignment, arrives at a secluded mansion on a bluff high above the Pacific, it's at the behest of the home's enigmatic female owner. She quickly seduces him, but their idyllic night is shattered by violence when the man is inexplicably attacked—bitten—by a beast he cannot see in the rural darkness. It will set in motion a terrifying yet seductive transformation that will propel Reuben into a mysterious new world and raise profound questions. Why has he been given the wolf gift? What is its true

nature—good or evil? And are there others out there like him?

interview with a vampire fangs: *Interview with the Vampire* Anne Rice, 1991-09-13 The spellbinding classic that started it all, from the #1 New York Times bestselling author—the inspiration for the hit television series “A magnificent, compulsively readable thriller . . . Rice begins where Bram Stoker and the Hollywood versions leave off and penetrates directly to the true fascination of the myth—the education of the vampire.”—Chicago Tribune Here are the confessions of a vampire. Hypnotic, shocking, and chillingly sensual, this is a novel of mesmerizing beauty and astonishing force—a story of danger and flight, of love and loss, of suspense and resolution, and of the extraordinary power of the senses. It is a novel only Anne Rice could write.

interview with a vampire fangs: The Vampire Armand Anne Rice, 2002-10-29 See the difference, read #1 bestselling author Anne Rice in Large Print * About Large Print All Random House Large Print editions are published in a 16-point typeface In the latest installment of The Vampire Chronicles, Anne Rice summons up dazzling worlds to bring us the story of Armand - eternally young, with the face of a Botticelli angel. Armand, who first appeared in all his dark glory more than twenty years ago in the now-classic *Interview with the Vampire*, the first of The Vampire Chronicles, the novel that established its author worldwide as a magnificent storyteller and creator of magical realms. Now, we go with Armand across the centuries to the Kiev Rus of his boyhood - a ruined city under Mongol dominion - and to ancient Constantinople, where Tartar raiders sell him into slavery. And in a magnificent palazzo in the Venice of the Renaissance we see him emotionally and intellectually in thrall to the great vampire Marius, who masquerades among humankind as a mysterious, reclusive painter and who will bestow upon Armand the gift of vampiric blood. As the novel races to its climax, moving through scenes of luxury and elegance, of ambush, fire, and devil worship to nineteenth-century Paris and today's New Orleans, we see its eternally vulnerable and romantic hero forced to choose between his twilight immortality and the salvation of his immortal soul.

interview with a vampire fangs: *Interview with the Vampire* Anne Rice, 2010-11-17 The spellbinding classic that started it all, from the #1 New York Times bestselling author—the inspiration for the hit television series “A magnificent, compulsively readable thriller . . . Rice begins where Bram Stoker and the Hollywood versions leave off and penetrates directly to the true fascination of the myth—the education of the vampire.”—Chicago Tribune Here are the confessions of a vampire. Hypnotic, shocking, and chillingly sensual, this is a novel of mesmerizing beauty and astonishing force—a story of danger and flight, of love and loss, of suspense and resolution, and of the extraordinary power of the senses. It is a novel only Anne Rice could write.

interview with a vampire fangs: *Interview with the Vampire* Anne Rice, 2012 The New York Times bestselling first and second volumes in Anne Rice's Vampire Chronicles now join Ballantine's monthly Special Low Price mass market reissue program.

interview with a vampire fangs: Vampires, Hearts & Other Dead Things Margie Fuston, 2021-08-24 As her father lies gravely ill with pancreatic cancer, eighteen-year-old Victoria's last

hope is to find a vampire in New Orleans, an impossible mission that rekindles a special friendship.

interview with a vampire fangs: Vampyre Sanguinomicon Father Sebastiaan, 2010-09-01 Since the dawn of civilization the vampire has danced through the dreams and nightmares of every culture, expressed in folklore, literature, and art. Today, this fascination resonates in pop-culture, through hit television shows and movies and bestselling books. But what does it mean to be a vampire, a living and modern vampire? What many do not realize is that the Living Vampyre is on a serious, lifelong spiritual path. Best known as Strigoii Vii, the Living Vampyre is one who has embarked on a serious and lifelong spiritual path. Not just "kids in capes," the members of this magickal community seek to live in glamour and ritual every day. The Vampyre Sanguinomicon provides a profound perspective on the Vampyre culture, traditions, movement and philosophies, which are intended to challenge and inspire your views. Chapters include Vampyre Ritual, Vampyre Sensuality, Beginning Vampirism, and The Vampyre Wedding.

interview with a vampire fangs: Memnoch the Devil Anne Rice, 2010-11-17 STARTLING . . . FIENDISH . . . MEMNOCH'S TALE IS COMPELLING. --New York Daily News Like Interview with the Vampire, Memnoch has a half-maddened, fever-pitch intensity. . . . Narrated by Rice's most cherished character, the vampire Lestat, Memnoch tells a tale as old as Scripture's legends and as modern as today's religious strife. --Rolling Stone SENSUAL . . . BOLD, FAST-PACED. --USA Today Rice has penned an ambitious close to this long-running series. . . . Fans will no doubt devour this. --The Washington Post Book World MEMNOCH THE DEVIL OFFERS PASSAGES OF POETIC BRILLIANCE. --Playboy [MEMNOCH] is one of Rice's most intriguing and sympathetic characters to date. . . . Rice ups the ante, taking Lestat where few writers have ventured: into heaven and hell itself. She carries it off in top form. --The Seattle Times

interview with a vampire fangs: Slayers & Vampires: The Complete Uncensored, Unauthorized Oral History of Buffy & Angel Edward Gross, Mark A. Altman, 2017-09-26 From the bestselling authors of the critically acclaimed two-volume series The Fifty-Year Mission, comes Slayers & Vampires: The Complete, Uncensored, Unauthorized Oral History of Buffy The Vampire Slayer & Angel. Two decades after its groundbreaking debut, millions of fans worldwide remain enthralled with the incredible exploits of Joss Whedon's Buffy Summers, the slayer and feminist icon who saved the world...a lot; as well as Angel, the tortured vampire with a soul who fought against the apocalyptic forces of evil. Now, go behind-the-scenes of these legendary series that ushered in the new Golden Age of Television, with the candid recollections of writers, creators, executives, programmers, critics and cast members. Together they unveil the oftentimes shocking true story of how a failed motion picture became an acclaimed cult television series, how that show became a pawn between two networks, and the spin-off series that was as engaging as everything that came before. This is the amazing true story of Buffy and the friends, vampires, slayers, and demons who changed television forever. The authors talked to almost 100 writers, producers, directors, filmmakers, sociologists and stars from Buffy The Vampire Slayer and Angel in new and vintage interviews from their personal archives, among them: Joss Whedon Guillermo del Toro Felicia Day Anthony Stewart Head Charisma Carpenter James Marsters David Boreanaz Amy Acker J. August Richards Eliza Dushku Christian Kane Julie Benz And More! At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

interview with a vampire fangs: Interview with the Vixen (Archie Horror, Book 2) Rebecca Barrow, 2020-07-07 High school bites -- especially when you want to kill your classmates. Check out this original horror novel featuring Archie Comics characters! Everyone knows the characters from Riverdale: popular Archie Andrews, sophisticated Veronica Lodge, girl-next-door Betty Cooper, and angsty Jughead Jones. But this is not the Riverdale you know and love. Something twisted has awoken in the town with pep. Inspired by the iconic Archie Horror comics, this reimagined universe takes the grittiness of the TV show and adds a paranormal twist. Everyone thinks that Veronica Lodge has it all: the rich parents and the big house. The popular jock crush. The perfect best friend. But all that changes when she's bitten by an ancient vampire named Theodore Finch. Theodore is turning all of Riverdale's most powerful citizens into vampires -- including

Veronica's parents. But that's only the beginning of what he has planned... Veronica escapes from becoming one of Theodore's minions, but the lives of the entire town are at stake. Veronica can't defeat him alone. With some help from her friends, Veronica discovers how to turn everyone back to normal -- including herself. All they have to do is kill Theodore. But Veronica's bloodlust is getting harder to control. Can Betty, Archie, Dilton, and Cheryl figure out how to stop Theodore -- and save Veronica -- before it's too late? The Archie Horror series contains all-new, original stories that fans of horror AND fans of Riverdale will die for!

interview with a vampire fangs: Nice Girls Don't Have Fangs Molly Harper, 2009-03-31 The first in the Half-Moon Hollow series is "wry, delicious fun" (Susan Andersen, New York Times bestselling author) as it follows a librarian whose life is turned upside down by a tempestuous and sexy vampire. Maybe it was the Shenanigans gift certificate that put her over the edge. When children's librarian and self-professed nice girl Jane Jameson is fired by her beastly boss and handed twenty-five dollars in potato skins instead of a severance check, she goes on a bender that's sure to become Half Moon Hollow legend. On her way home, she's mistaken for a deer, shot, and left for dead. And thanks to the mysterious stranger she met while chugging neon-colored cocktails, she wakes up with a decidedly unladylike thirst for blood. Jane is now the latest recipient of a gift basket from the Newly Undead Welcoming Committee, and her life-after-lifestyle is taking some getting used to. Her recently deceased favorite aunt is now her ghostly roommate. She has to fake breathing and endure daytime hours to avoid coming out of the coffin to her family. She's forced to forgo her favorite down-home Southern cooking for bags of O negative. Her relationship with her sexy, mercurial vampire sire keeps running hot and cold. And if all that wasn't enough, it looks like someone in Half Moon Hollow is trying to frame her for a series of vampire murders. What's a nice undead girl to do?

interview with a vampire fangs: The Evolution Of The Vampire In Film and Television From Beast To Beauty Lea Cassandra Weller BA, 2013-06-18 An investigation of the modification and transformation of the vampire; contending that the vampire has evolved from a figure of fear to one of domestication and compassion. Researching into vampires and taking into account the historical evolution and contemporary significance this book will explore myth, repressed memories, desires and primordial images giving rise to the archetypal hero that is the modern vampire. With reference to Sigmund Freud's models and using Carl Jung's framework, including the collective i.e. the Shadow, Id, Ego, Superego will be explored in order to investigate this change from 'Beast to Beauty'. Studying cultural archetypes in relation to belief and historical evidence and following Freudian and Jungian approaches to psychoanalysis provides a pragmatic base for understanding the human psyche. The vampire show the evolution from a figure of fear to a figure of compassion and domestication.

interview with a vampire fangs: The Vampire Is Just Not That Into You Vlad Mezrich, 2009 Undead dating specialist Vlad Mezrich has all the answers, utilizing quizzes, top ten lists, language analysis, real-life (and real-death) testimonials, and fancy charts to show you what you need to do in order to get your vampire and keep him forever--P. [4] of cover.

interview with a vampire fangs: Vampyre Virtues; The Red Veils Father Sebastiaan Van Houten, Father Sebastiaan, 2011-09-01 Vampyre Virtues The Red Veils is the first book in history dedicated to furthering and defining Vampyre Culture, written to inspire and challenge the reader through a lexicon presenting 100 words of power related to the vampire mythos. Each Virtue promotes personal evolution and embraces the Vampyre Spirit with some examples including Primal Nature, Romance, Mystery, Transhumanism, Music, Culture, Glamour, Elegance, Courtesy, Chivalry, Immortality, Magick and Sensuality. Each Virtue is beautifully presented with the design of French conceptual artist William Vocant and an enticingly written forward by vampire author Gabrielle Faust. What makes this book unique and a must-read is the fact that it was written from the inspiration of over two decades of close interaction between Father Sebastiaan and his fang clients. This cumulative knowledge is presented to the reader in a simple and easily understandable format. Here is what the experts are saying about Vampyre Virtues The Red Veils; A definitive perspective of

modern Vampyre culture written by one of the most experienced thinkers in the international community. Dr. Mark Benecke, German Forensic Biologist An amazing piece of work. From Fledgling to Elder to ancient f**ks like me, there is something here for everyone. Lord Chaz, New Orleans I always have great consideration about the work of Father Sebastiaan, I love him as fangsmith, and I love him as an author too! Vampyre Virtues is a tome which every single vampire on the earth should read. Sonya Scarlet, Theatres des Vampires' lead vocalist Vampyre Virtues is a tome which can bring the reader into the possibility that we can be charged and embrace the best attributes of the darkest anti-hero of our modern age, the VAMPIRE. Magister Mael, Grand Magister of the Ordo Strigoi Vii This book reminds me of The Secret by Rhonda Byrne but written with the perspective of the vampire archetype. Adrian Lumley, Father Sebastiaan's fang client from 1997

interview with a vampire fangs: *Prince Lestat* Anne Rice, 2014-10-28 NATIONAL BESTSELLER • “Rice allows [her vampires] to do what they do best: wreak havoc and evoke terror. All while impeccably dressed.” —The Washington Post The vampire world is in crisis ... Old vampires, roused from deep slumber in the earth, are doing the bidding of a Voice commanding that they indiscriminately burn their kin in cities across the globe, from Paris to Mumbai, Hong Kong to San Francisco. Left with little time to spare, a host of familiar characters including Louis de Pointe du Lac, Armand, and even the vampire Lestat, must embark on a journey to discover who—or what—is driving this mysterious being.

interview with a vampire fangs: *A History of the Vampire in Popular Culture* Violet Fenn, 2021-05-12 An exploration of the continuing appeal of vampires in cultural and social history. Our enduring love of vampires—the bad boys (and girls) of paranormal fantasy—has persisted for centuries. Despite being bloodthirsty, heartless killers, vampire stories commonly carry erotic overtones that are missing from other paranormal or horror stories. Even when monstrous teeth are sinking into pale, helpless throats—especially then—vampires are sexy. But why? In *A History Of The Vampire In Popular Culture*, author Violet Fenn takes the reader through the history of vampires in “fact” and fiction, their origins in mythology and literature, and their enduring appeal on TV and film. We’ll delve into the sexuality--and sexism--of vampire lore, as well as how modern audiences still hunger for a pair of sharp fangs in the middle of the night.

interview with a vampire fangs: *Of Claws and Fangs* Faith Hunter, 2022-05-03 New York Times bestselling author Faith Hunter presents a stunning collection of stories from the world of shape-shifting vampire hunter Jane Yellowrock and beyond. Collected together for the first time, this volume contains shorter works featuring heroines Jane Yellowrock and Nell Ingram, as well as a host of other characters from the Jane Yellowrock and Soulwood series. Faith Hunter is “an expert at creating worlds filled with intriguing supernatural elements and exciting scenarios”* and her skills are on full display in this collection. From a vampire-filled Halloween evening in New Orleans to the searing tale of how a certain were-leopard first got his spots, this collection has something for everyone, and each story is sure to put the super in supernatural. With eighteen stories in all, *Of Claws and Fangs* will enrich and entertain—it’s a must-have for Faith Hunter’s readers and all lovers of fantasy. *RT Book Reviews

interview with a vampire fangs: *Suck It Up* Brian Meehl, 2008-05-13 ARE YOU UP to your neck in bloodsucking vampire stories? Tired of those tales about dentally enhanced dark lords? Before I wrote this book I thought all vampires were night-stalking, fangpopping, bloodsucking fiends. Then I met Morning McCobb. He’s a vegan vampire who drinks a soy-blood substitute called Blood Lite. He believes staking should be a hate crime. And someday he hopes to march in a Vampire Pride Parade. He was also the first vampire to out himself and try to show people of mortality, like you and me, that vampires are just another minority with special needs. Trust me—this is like no other vampire book you’ll ever feed on. So, as my buddy Morning says, “Pop the lid, and suck it up.”

interview with a vampire fangs: *The Changing Vampire of Film and Television* Tim Kane, 2015-01-09 Vampires have been a fixture of film since Bela Lugosi brought Bram Stoker's *Dracula* to life on the big screen in 1931. Over the decades the genre has been far from static, as vampire

narratives changed and evolved with the appetites of their viewing public. First depicted as formally dressed villains, vampires would later be portrayed as supernatural beings with some human characteristics, and still later as sympathetic figures. Focusing on 19 representative films and television productions, this critical study tracks the evolutionary changes of the screen vampire. It explores the factors that cause a genre to change and examines the alternating cycles of audience expectation. The author identifies three distinct modes of depiction: the Malignant Cycle (1931-1948), comprised primarily of the Universal films; the Erotic Cycle (1957-1985), which encompasses Hammer films and popular television shows such as *Dark Shadows*; and the Sympathetic Cycle (1987-present) including recent offerings such as *The Lost Boys*, *Interview with the Vampire* and *Buffy the Vampire Slayer*. Each film is evaluated in seven key areas including the act of the vampire biting the victim; process of the victim's infection; physical appearance and demeanor of the vampire and the vampire expert; and the eventual destruction of the vampire. Appendices include a complete filmography of the films examined. Instructors considering this book for use in a course may request an examination copy [here](#).

interview with a vampire fangs: *The Gothic: Probing the Boundaries* Eoghain Hamilton, 2020-04-14 This volume was first published by Interdisciplinary Press in 2012. The Gothic lives! From *The Castle of Otranto* to today's *Let Me In*, the Gothic continues to be part of popular consciousness. Yet, even as it has adapted to fit changing times and technologies, it has retained both its essence and its hold on our imagination. What defines the Gothic? What are its parameters? This collection of essays, the work of scholars who met at the first-ever global conference on the Gothic, looks at the Gothic today—in print and other media including cinema, in music, in fashion, and in the popular culture of countries around the world. This volume of essays is another step in the process of understanding a genre that stretches the boundaries of definition and continues to make its way, adapting and changing along the way, into new aspects of modern culture.

interview with a vampire fangs: *The Lights of Prague* Nicole Jarvis, 2021-05-18 For readers of *Verity* Schwab and *The Witcher*, science and magic clash in atmospheric gaslight-era Prague. In the quiet streets of Prague all manner of otherworldly creatures lurk in the shadows. Unbeknownst to its citizens, their only hope against the tide of predators are the dauntless lamplighters - a secret elite of monster hunters whose light staves off the darkness each night. Domek Myska leads a life teeming with fraught encounters with the worst kind of evil: pijavica, bloodthirsty and soulless vampiric creatures. Despite this, Domek finds solace in his moments spent in the company of his friend, the clever and beautiful Lady Ora Fischer - a widow with secrets of her own. When Domek finds himself stalked by the spirit of the White Lady - a ghost who haunts the baroque halls of Prague castle - he stumbles across the sentient essence of a will-o'-the-wisp captured in a mysterious container. Now, as its bearer, Domek wields its power, but the wisp, known for leading travellers to their deaths, will not be so easily controlled. After discovering a conspiracy amongst the pijavice that could see them unleash terror on the daylight world, Domek finds himself in a race against those who aim to twist alchemical science for their own dangerous gain.

interview with a vampire fangs: *Vampires' Most Wanted* Laura Enright, 2011-06-30 Although the word vampire was not introduced until the eighteenth century, variations of this hemo-craving creature have existed since long before the Christian era. Almost every civilization had a demon or spirit—often a god or goddess—whose bloodlust complicated things for the general populace. But sometimes it's not all about the blood. Modern vampire tales have stronger-willed and less traditional beings at their core: beings who strive to coexist with mortals by drinking synthetic blood, like *True Blood*'s Bill Compton, or who sparkle in the daylight instead of disintegrating, like *Twilight*'s Edward Cullen. Plus, these guys are way easier on the eyes than the more old-school vampires out there, especially filmmaker F. W. Murnau's infamous *Nosferatu*, a terrifying vampire in dire need of a manicure. Regardless of time, place, and blood type, Laura Enright cordially invites you into the dark underworld of the vampire. She sheds light (but not too much) on this captivating, age-defying creature by exploring topics ranging from the powers it can possess to what will kill it—for good. With close to thirty top-ten lists brimming with gore and fang-tastic facts, *Vampires'*

Most Wanted™ is sure to provide the reader with a biting good time.

interview with a vampire fangs: Grit Angela Duckworth, 2016-05-03 In this instant New York Times bestseller, Angela Duckworth shows anyone striving to succeed that the secret to outstanding achievement is not talent, but a special blend of passion and persistence she calls "grit." "Inspiration for non-geniuses everywhere" (People). The daughter of a scientist who frequently noted her lack of "genius," Angela Duckworth is now a celebrated researcher and professor. It was her early eye-opening stints in teaching, business consulting, and neuroscience that led to her hypothesis about what really drives success: not genius, but a unique combination of passion and long-term perseverance. In *Grit*, she takes us into the field to visit cadets struggling through their first days at West Point, teachers working in some of the toughest schools, and young finalists in the National Spelling Bee. She also mines fascinating insights from history and shows what can be gleaned from modern experiments in peak performance. Finally, she shares what she's learned from interviewing dozens of high achievers—from JP Morgan CEO Jamie Dimon to New Yorker cartoon editor Bob Mankoff to Seattle Seahawks Coach Pete Carroll. "Duckworth's ideas about the cultivation of tenacity have clearly changed some lives for the better" (The New York Times Book Review). Among *Grit's* most valuable insights: any effort you make ultimately counts twice toward your goal; grit can be learned, regardless of IQ or circumstances; when it comes to child-rearing, neither a warm embrace nor high standards will work by themselves; how to trigger lifelong interest; the magic of the Hard Thing Rule; and so much more. Winningly personal, insightful, and even life-changing, *Grit* is a book about what goes through your head when you fall down, and how that—not talent or luck—makes all the difference. This is "a fascinating tour of the psychological research on success" (The Wall Street Journal).

interview with a vampire fangs: Born in Blood Alexandra Ivy, 2013-12-24 Sergeant Duncan O'Connor finds himself drawn to diviner Callie Brown, who can see the last moments of murder victims, as they work together to find the powerful necromancer responsible for ripping out an exotic dancer's heart.

interview with a vampire fangs: Notes from the Ghostwriter Kaytee Thrun, 2007-10-01 Meet Devin Marks, a struggling romance novel ghostwriter who receives a new assignment from her publisher to ghostwrite a novel based on a vampire TV show. Worried about her lack of experience in that area, her publisher enlists the help of a mysterious and dark stranger who claims to be an occult and vampire expert. When the research begins, the stranger's true face is revealed, along with a dark hidden agenda stemming from World War II. He has her deciding between the lonely world she knew and her newfound bloody legacy as a vampire hunter.

interview with a vampire fangs: The Bite, the Breast and the Blood Amy Williams Wilson, 2018-10-09 Central to every vampire story is the undead's need for human blood, but equally compelling is the human ingestion of vampire blood, which often creates a bond. This blood connection suggests two primal, natural desires: breastfeeding and communion with God through a blood covenant. This analysis of vampire stories explores the benefits of the bonding experiences of breastfeeding and Christian and vampire narratives, arguing that modern readers and viewers are drawn to this genre because of our innate fascination with the relationship between human and maker.

interview with a vampire fangs: The Vampire in Folklore, History, Literature, Film and Television, 2015-10-07 This comprehensive bibliography covers writings about vampires and related creatures from the 19th century to the present. More than 6,000 entries document the vampire's penetration of Western culture, from scholarly discourse, to popular culture, politics and cook books. Sections by topic list works covering various aspects, including general sources, folklore and history, vampires in literature, music and art, metaphorical vampires and the contemporary vampire community. Vampires from film and television—from Bela Lugosi's *Dracula* to *Buffy the Vampire Slayer*, *True Blood* and the *Twilight Saga*--are well represented.

interview with a vampire fangs: Growing Up with Vampires Simon Bacon, Katarzyna Bronk, 2018-07-10 Vampire narratives are generally thought of as adult or young adult fare, yet there is a

long history of their appearance in books, film and other media meant for children. They emerge as expressions of anxiety about change and growing up but sometimes turn out to be new best friends who highlight the beauty of difference and individuality. This collection of new essays examines the history of vampires in 20th and 21st century Western popular media marketed to preteens and explores their significance and symbolism.

interview with a vampire fangs: *The Vampire Lestat* Anne Rice, 2010-11-17 #1 New York Times Bestselling author - Surrender to fiction's greatest creature of the night - Book II of the Vampire Chronicles The vampire hero of Anne Rice's enthralling novel is a creature of the darkest and richest imagination. Once an aristocrat in the heady days of pre-revolutionary France, now a rock star in the demonic, shimmering 1980s, he rushes through the centuries in search of others like him, seeking answers to the mystery of his eternal, terrifying existence. His is a mesmerizing story—passionate, complex, and thrilling. Praise for *The Vampire Lestat* "Frightening, sensual . . . Anne Rice will live on through the ages of literature. . . . To read her is to become giddy as if spinning through the mind of time, to become lightheaded as if our blood is slowly being drained away."—San Francisco Chronicle "Fiercely ambitious, nothing less than a complete unnatural history of vampires."—The Village Voice "Brilliant . . . its undead characters are utterly alive."—The New York Times Book Review "Luxuriantly created and richly told."—The Cleveland Plain Dealer

interview with a vampire fangs: *The Hunt* Andrew Fukuda, 2012-05-08 Don't Sweat. Don't Laugh. Don't draw attention to yourself. And most of all, whatever you do, do not fall in love with one of them. Gene is different from everyone else around him. He can't run with lightning speed, sunlight doesn't hurt him and he doesn't have an unquenchable lust for blood. Gene is a human, and he knows the rules. Keep the truth a secret. It's the only way to stay alive in a world of night—a world where humans are considered a delicacy and hunted for their blood. When he's chosen for a once in a lifetime opportunity to hunt the last remaining humans, Gene's carefully constructed life begins to crumble around him. He's thrust into the path of a girl who makes him feel things he never thought possible—and into a ruthless pack of hunters whose suspicions about his true nature are growing. Now that Gene has finally found something worth fighting for, his need to survive is stronger than ever—but is it worth the cost of his humanity?

interview with a vampire fangs: *How to Kill a Vampire* Liisa Ladouceur, 2013-09-01 Citing examples from folklore, as well as horror films, TV shows, and works of fiction, this book details all known ways to prevent vampirism, including how to protect oneself against attacks and how to destroy vampires. While offering explanations on the origins and uses of most commonly known tactics in fending off vampirism, the book also delves much deeper by collecting historical accounts of unusual burial rites and shocking superstitions from European history, from the "real" Serbian vampire Arnold Paole to the unique Bulgarian Djadadjii, a professional vampire "bottler." It traces the evolution of how to kill the fictional vampire—from Bram Stoker's *Dracula* and the Hammer horror films beginning in the 1950s to Anne Rice's *Lestat* and the dreamy vamps of *Twilight*, *True Blood*, and *The Vampire Diaries*—and also celebrates the most important slayers, including Van Helsing, Buffy, and Blade. In exploring how and why these monsters have been created and the increasingly complex ways in which they are destroyed, the book not only serves as a handy guide to the history and modern role of the vampire, it reveals much about the changing nature of human fears.

interview with a vampire fangs: *Empire of the Vampire* Jay Kristoff, 2021-09-14 THE INSTANT NEW YORK TIMES, USA TODAY, AND WALL STREET JOURNAL BESTSELLER From New York Times bestselling author Jay Kristoff comes *Empire of the Vampire*, the first illustrated volume of an astonishing new dark fantasy saga. From holy cup comes holy light; The faithful hand sets world aright. And in the Seven Martyrs' sight, Mere man shall end this endless night. It has been twenty-seven long years since the last sunrise. For nearly three decades, vampires have waged war against humanity; building their eternal empire even as they tear down our own. Now, only a few tiny sparks of light endure in a sea of darkness. Gabriel de León is a silversaint: a member of a holy brotherhood dedicated to defending realm and church from the creatures of the night. But even the

Silver Order could not stem the tide once daylight failed us, and now, only Gabriel remains. Imprisoned by the very monsters he vowed to destroy, the last silversaint is forced to tell his story. A story of legendary battles and forbidden love, of faith lost and friendships won, of the Wars of the Blood and the Forever King and the quest for humanity's last remaining hope: The Holy Grail.

interview with a vampire fangs: Vampire Films Around the World James Aubrey, 2020-10-09 Vampires are arguably the most popular and most paradoxical of gothic monsters: life draining yet passionate, feared yet fascinating, dead yet immortal. Vampire content produces exquisitely suspenseful stories that, combined with motion picture filmmaking, reveal much about the cultures that enable vampire film production and the audiences they attract. This collection of essays is generously illustrated and ranges across sixteen cultures on five continents, including the films *Let the Right One In*, *What We Do in the Shadows*, *Cronos*, and *We Are the Night*, among many others. Distinctly different kinds of European vampires have originated in Ireland, Germany, Sweden, and Serbia. North American vampires are represented by films from Mexico, Canada, and the USA. Middle Eastern locations include Tangier, Morocco, and a fictional city in Iran. South Asia has produced Bollywood vampire films, and east Asian vampires are represented by films from Korea, China, and Japan. Some of the most recent vampire movies have come from Australia and New Zealand. These essays also look at vampire films through lenses of gender, post-colonialism, camp, and otherness as well as the evolution of the vampiric character in cinema worldwide, together constituting a mosaic of the cinematic undead.

interview with a vampire fangs: Vampires Today Joseph P. Laycock, 2009-05-14 This book, about real vampires and the communities they have formed, explores the modern world of vampirism in all its amazing variety. Long before *Dracula*, people were fascinated by vampires. The interest has continued in more recent times with Anne Rice's *Lestat* novels, *Buffy the Vampire Slayer*, the HBO series *True Blood*, and the immensely popular *Twilight*. But vampires are not just the stuff of folklore and fiction. Based upon extensive interviews with members of the Atlanta Vampire Alliance and others within vampire communities throughout the United States, this fascinating book looks at the details of real vampire life and the many expressions of vampirism as it now exists. In *Vampires Today: The Truth about Modern Vampirism*, Joseph Laycock argues that today's vampires are best understood as an identity group, and that vampirism has caused a profound change in how individuals choose to define themselves. As vampires come out of the coffin, as followers of a religion or lifestyle or as people biologically distinct from other humans, their confrontation with mainstream society will raise questions, as it does here, about how we define normal and what it means to be human.

interview with a vampire fangs: *New Blood in Contemporary Cinema* Patricia Pisters, 2020-08-18 The book investigates contemporary women directors who put 'a poetics of horror' to new use in their work, expanding the range of gendered and racialized perspectives in the horror genre.

interview with a vampire fangs: *The Utterly Uninteresting and Unadventurous Tales of Fred, the Vampire Accountant* Drew Hayes, 2014-08-12 Some people are born boring. Some live boring. Some even die boring. Fred managed to do all three, and when he woke up as a vampire, he did so as a boring one. Timid, socially awkward, and plagued by self-esteem issues, Fred has never been the adventurous sort. One fateful night - different from the night he died, which was more inconvenient than fateful - Fred reconnects with an old friend at his high school reunion. This rekindled relationship sets off a chain of events thrusting him right into the chaos that is the parahuman world, a world with chipper zombies, truck driver wereponies, maniacal necromancers, ancient dragons, and now one undead accountant trying his best to survive. Because even after it's over, life can still be a downright bloody mess.

interview with a vampire fangs: *Screening the Undead* Leon Hunt, Sharon Lockyer, Milly Williamson, 2013-12-02 The vampire and the zombie, the two most popular incarnations of the undead, are brought together for a forensic critical investigation in *Screening the Undead*. Both have a long history in popular fiction, film, television, comics and games; the vampire also remains

central to popular culture today, from literary 'paranormal romance' to cult TV and movie franchises - by turns romantic, tortured, grotesque, countercultural, a goth icon or lonely outsider. The zombie can shamble or, nowadays, sprint with alarming velocity, and even dance. It frequently lends itself to metaphor and can stand in for fascism or ecological disaster, but is perhaps most frequently a harbinger and instrument of the apocalypse. Leading writers on Horror and cult media consider the sexy vampire and the grotesque zombie, as well as hybrid figures who do not fit neatly into either category. These are examined across a range of contexts, from the Swedish vampire to the Afro-American Blacula, from the lesbian vampire to the gay zombie, from the Spanish Knights Templar riding skeletal horses to dancing Japanese zombies. Screening the Undead sheds new light on these two icons of terror - and desire - whose popular longevity has taken them 'Beyond Life'.

interview with a vampire fangs: *The King's Concubine* Anne O'Brien, 2012-06-05 A child born in the plague year of 1348, abandoned and raised within the oppressive walls of a convent, Alice Perrers refused to take the veil, convinced that a greater destiny awaited her. Ambitious and quick witted, she rose above her obscure beginnings to become the infamous mistress of Edward III. But always, essentially, she was alone... Early in Alice's life, a chance meeting with royalty changes everything: Kindly Queen Philippa, deeply in love with her husband but gravely ill, chooses Alice as a lady-in-waiting. Under the queen's watchful eye, Alice dares to speak her mind. She demands to be taken seriously. She even flirts with the dynamic, much older king. But she is torn when her vibrant spirit captures his interest...and leads her to a betrayal she never intended. In Edward's private chambers, Alice discovers the pleasures and paradoxes of her position. She is the queen's confidante and the king's lover, yet she can rely only on herself. It is a divided role she was destined to play, and she vows to play it until the bitter end. Even as she is swept up in Edward's lavish and magnificent court, amassing wealth and influence for herself, becoming an enemy of his power-hungry son John of Gaunt, and a sparring partner to resourceful diplomat William de Windsor, she anticipates the day when the political winds will turn against her. For when her detractors voice their hatred, and accusations of treason swirl around her, threatening to destroy everything she has achieved, who will stand by Alice then? Includes a readers guide

interview with a vampire fangs: *The Radleys* Matt Haig, 2010-12-28 Soon to be a major film—starring Kelly Macdonald and Damien Lewis! From the bestselling author of *The Midnight Library*—an “irresistible...full of clever turns, darkly hilarious spins...Even if you're suffering from vampire fatigue...*The Radleys* is a fun, fresh contribution to the genre” (Associated Press). Just about everyone knows a family like the Radleys. Many of us grew up next door to one. They are a modern family, averagely content, averagely dysfunctional, living in a staid and quiet suburban English town. Peter is an overworked doctor whose wife, Helen, has become increasingly remote and uncommunicative. Rowan, their teenage son, is being bullied at school, and their anemic daughter, Clara, has recently become a vegan. They are typical, that is, save for one devastating exception: Peter and Helen are vampires and have—for seventeen years—been abstaining by choice from a life of chasing blood in the hope that their children could live normal lives. One night, Clara finds herself driven to commit a shocking—and disturbingly satisfying—act of violence, and her parents are forced to explain their history of shadows and lies. A police investigation is launched that uncovers a richness of vampire history heretofore unknown to the general public. And when the malevolent and alluring Uncle Will, a practicing vampire, arrives to throw the police off Clara's trail, he winds up throwing the whole house into temptation and turmoil and unleashing a host of dark secrets that threaten the Radleys' marriage. *The Radleys* is a moving, thrilling, and radiant domestic novel that explores with daring the lengths a parent will go to protect a child, what it costs you to deny your identity, the undeniable appeal of sin, and the everlasting, iridescent bonds of family love. Read it and ask what we grow into when we grow up, and what we gain—and lose—when we deny our appetites.
