In Search of Our Mothers' Gardens: Unearthing Legacy and Identity

Introduction:

Alice Walker's poignant essay, "In Search of Our Mothers' Gardens," isn't just a beautiful piece of literature; it's a powerful exploration of the often-unseen contributions of Black women and the enduring legacy they leave behind. This post delves deep into the essay's meaning, exploring its themes of hidden strength, resilience, and the vital connection between mothers and daughters. We'll analyze Walker's evocative imagery and unpack the lasting impact of this seminal work on our understanding of identity, heritage, and the power of unspoken narratives. Prepare to embark on a journey of self-discovery as we unearth the rich symbolism and profound implications of this timeless essay.

H2: The Power of Unspoken Narratives: Unveiling Hidden Histories

Walker masterfully highlights the silencing of Black women's voices throughout history. Their contributions, often relegated to the domestic sphere, are frequently overlooked in the grand narratives of societal progress. The "gardens" in the essay aren't merely literal spaces; they represent the creativity, strength, and resilience of Black women expressed through their daily lives – the nurturing of families, the cultivation of community, and the perseverance in the face of adversity. These acts, often performed quietly and without recognition, are the foundation upon

which subsequent generations build. Walker encourages us to recognize these hidden histories and to reclaim the stories that have been suppressed.

H2: The Garden as Metaphor: Cultivating Resilience and Creativity

The central metaphor of the "garden" is richly layered. It symbolizes the space where Black women expressed themselves creatively, even within the confines of limited opportunities. Their gardens – be they literal flowerbeds, meticulously kept homes, or the nurturing of their children – represent acts of defiance and self-expression in the face of systemic oppression. The beauty and vitality of these gardens mirror the inherent strength and creativity that are often overlooked or dismissed. This deliberate cultivation represents a tenacious refusal to be silenced, a quiet rebellion expressed through acts of beauty and care.

H2: Intergenerational Trauma and the Weight of Legacy

Walker also explores the intergenerational trauma experienced by Black women and its impact on their daughters. The essay acknowledges the burden of inherited pain and the challenges of breaking free from cycles of hardship. However, it simultaneously emphasizes the power of inherited resilience. The gardens, passed down through generations, represent a continuous thread of strength and perseverance, a legacy that transcends individual struggles. Understanding this legacy allows for a more empathetic and informed approach to addressing the challenges faced by subsequent generations.

H2: Reclaiming Identity: The Daughter's Journey of Discovery

The essay is ultimately a journey of self-discovery for Alice Walker. Through exploring her mother's life and the lives of other Black women, she rediscovers her own identity and gains a deeper understanding of her heritage. This journey is mirrored in the experiences of many readers who connect with Walker's powerful narrative. The essay empowers readers to explore their own familial histories and to uncover the hidden stories of strength and resilience within their own lineages. It encourages us to actively seek out and celebrate the contributions of the women who came before us.

H2: The Enduring Impact of "In Search of Our Mothers' Gardens"

"In Search of Our Mothers' Gardens" continues to resonate with readers across generations. Its

exploration of identity, resilience, and the power of hidden narratives remains profoundly relevant. The essay's enduring impact lies in its ability to foster introspection, encourage empathy, and inspire a deeper appreciation for the often-unsung contributions of Black women. It serves as a powerful call to action, urging us to listen to the silenced voices of the past and to honor the legacies they leave behind. It compels us to actively seek out the gardens—both literal and metaphorical—that represent the enduring strength and creativity of Black women.

Conclusion:

Alice Walker's "In Search of Our Mothers' Gardens" is more than just an essay; it's a testament to the enduring power of the human spirit. By exploring the lives and contributions of Black women, Walker illuminates the importance of acknowledging hidden histories and celebrating the resilience of those who came before us. The essay's lasting impact lies in its ability to foster self-discovery, encourage empathy, and inspire us all to cultivate our own gardens of strength, creativity, and resilience.

in search of our mothers gardens: In Search of Our Mothers' Gardens Alice Walker, 2004 Walker's essays and articles written between 1966 and 1982 discuss the concept and influence of art and the artist's life, criticisms of authors such as Jean Toomer and Zora Neale Hurston, studies in the civil rights movement and feminist movement, and her own ideas while writing her book *The Color Purple*.

in search of our mothers gardens: We Are the Ones We Have Been Waiting for Alice Walker, 2007-11-06 A New York Times bestseller in hardcover, Pulitzer Prize winner Alice Walker's *We Are the Ones We Have Been Waiting For* was called "stunningly insightful" and "a book that will inspire hope" by Publishers Weekly. Drawing equally on Walker's spiritual grounding and her progressive political convictions, each chapter concludes with a recommended meditation to teach

us patience, compassion, and forgiveness. *We Are the Ones We Have Been Waiting For* takes on some of the greatest challenges of our times and in it Walker encourages readers to take faith in the fact that, despite the daunting predicaments we find ourselves in, we are uniquely prepared to create positive change. The hardcover edition of *We Are the Ones We Have Been Waiting For* included a national tour that saw standing-room-only crowds and standing ovations. Walker's clear vision and calm meditative voice—truly “a light in darkness”—has struck a deep chord among a large and devoted readership.

in search of our mothers gardens: *Homegrown* bell hooks, Amalia Mesa-Bains, 2017-09-13 In *Homegrown*, cultural critics bell hooks and Amalia Mesa-Bains reflect on the innate solidarity between Black and Latino culture. Riffing on everything from home and family to multiculturalism and the mass media, hooks and Mesa-Bains invite readers to re-examine and confront the polarizing mainstream discourse about Black-Latino relationships that is too often negative in its emphasis on political splits between people of color. A work of activism through dialogue, *Homegrown* is a declaration of solidarity that rings true even ten years after its first publication. This new edition includes a new afterword, in which Mesa-Bains reflects on the changes, conflicts, and criticisms of the last decade.

in search of our mothers gardens: *Hard Times Require Furious Dancing* Alice Walker, 2013-08-27 I was born to grow, / alongside my garden of plants, / poems / like / this one“ So writes Alice Walker in this new book of poems, poems composed over the course of one year in response to joy and sorrow both personal and global: the death of loved ones, war, the deliciousness of love, environmental devastation, the sorrow of rejection, greed, poverty, and the sweetness of home. The poems embrace our connections while celebrating the joy of individuality, the power we each share to express our truest, deepest selves. Beloved for her ability to speak her own truth in ways that speak for and about countless others, she demonstrates that we are stronger than our circumstances. As she confronts personal and collective challenges, her words dance, sing, and heal.

in search of our mothers gardens: *Within the Circle* Angelyn Mitchell, 1994 *Within the Circle* is the first anthology to present the entire spectrum of twentieth-century African American literary and cultural criticism. It begins with the Harlem Renaissance, continues through civil rights, the Black Arts Movement, and on into contemporary debates of poststructuralist and black feminist theory. Drawing on a quote from Frederick Douglass for the title of this book, Angelyn Mitchell explains in her introduction the importance for those within the circle of African American literature to examine their own works and to engage this critical canon. The essays in this collection--many of which are not widely available today--either initiated or gave critical definition to specific periods or movements of African American literature. They address issues such as integration, separatism, political action, black nationalism, Afrocentricity, black feminism, as well as the role of art, the artist, the critic, and the audience. With selections from Langston Hughes, Sterling Brown, W. E. B. DuBois, Zora Neale Hurston, Richard Wright, James Baldwin, Toni Morrison, Barbara Smith, Alice Walker, Henry Louis Gates, Jr., and many others, this definitive collection provides a dynamic model of the cultural, ideological, historical, and aesthetic considerations in African American literature and literary criticism. A major contribution to the study of African American literature, this volume will serve as a foundation for future work by students and scholars. Its importance will be

recognized by all those interested in modern literary theory as well as general readers concerned with the African American experience. Selections by (partial list): Houston A. Baker, Jr., James Baldwin, Sterling Brown, Barbara Christian, W. E. B. DuBois, Ralph Ellison, LeRoi Jones, Sarah Webster Fabio, Henry Louis Gates, Jr., W. in search of our mothers gardens: In Search of The Color Purple Salamishah Tillet, 2021-01-12 Mixing cultural criticism, literary history, biography, and memoir, an exploration of Alice Walker's critically acclaimed and controversial novel, *The Color Purple* Alice Walker made history in 1983 when she became the first black woman to win the Pulitzer Prize and the National Book Award for *The Color Purple*. Published in the Reagan era amid a severe backlash to civil rights, the Jazz Age novel tells the story of racial and gender inequality through the life of a 14-year-old girl from Georgia who is haunted by domestic and sexual violence. Prominent academic and activist Salamishah Tillet combines cultural criticism, history, and memoir to explore Walker's epistolary novel and shows how it has influenced and been informed by the zeitgeist. *The Color Purple* received both praise and criticism upon publication, and the conversation it sparked around race and gender still continues today. It has been adapted for an Oscar-nominated film and a hit Broadway musical. Through archival research and interviews with Walker, Oprah Winfrey, and Quincy Jones (among others), Tillet studies Walker's life and how themes of violence emerged in her earlier work. Reading *The Color Purple* at age 15 was a groundbreaking experience for Tillet. It continues to resonate with her—as a sexual violence survivor, as a teacher of the novel, and as an accomplished academic. Provocative and personal, *In Search of The Color Purple* is a bold work from an important public intellectual, and captures Alice Walker's seminal role in rethinking sexuality, intersectional feminism, and racial and gender politics.

in search of our mothers gardens: Meridian Alice Walker, 2011-11-22 "A classic novel of both feminism and the Civil Rights movement" in 1960s Atlanta by the Pulitzer Prize-winning author of *The Color Purple* (Ms.). As she approaches the end of her teen years, Meridian Hill has already married, divorced, and given birth to a son. She's looking for a second chance, and at a small college outside Atlanta, Georgia, in the early 1960s, Meridian discovers the civil rights movement. So fully does the cause guide her life that she's willing to sacrifice virtually anything to help transform the conditions of a people whose subjugation she shares. Meridian draws from Walker's own experiences working alongside some of the heroes of the civil rights movement, and the novel stands as a shrewd and affecting document of the dissolution of the Jim Crow South. This ebook features an illustrated biography of Alice Walker including rare photos from the author's personal collection.

in search of our mothers gardens: Understanding Alice Walker Thadious M. Davis, 2021-08-20 Understanding Alice Walker serves both as an introduction to the Pulitzer Prize and National Book Award winner's large body of work and as a critical analysis of her multifaceted canon. Thadious M. Davis begins with Walker's biography and her formative experiences in the South and then presents ways of accessing and reading Walker's complex, interconnected, and sociopolitically invested career in writing fiction, poetry, critical essays, and meditations. Although best known for her novel *The Color Purple* and her landmark essays *In Search of Our Mothers' Gardens: Womanist Prose*, Walker began her career with *Once: Poems*, *The Third Life of Grange Copeland*, and *In Love and Trouble: Stories of Black Women*. She has remained committed not merely to writing in multiple genres but also to conveying narratives of the hope and transformation possible within the human condition and as visualized through the lens of race and gender. Davis traces Walker's literary voice as it emerges from the civil rights and feminist movements to encourage an individual and collective search for justice and joy and then evolves into forceful advocacy for world peace, spiritual liberation, and environmental conservancy. Her writing, a rich amalgamation of the cutting-edge and popular, the new-age and difficult, continues to be paradigm shifting and among the most important produced in the last half of the twentieth century and among

the most consistently prophetic in the first part of the twenty-first century.

in search of our mothers gardens: Alice Walker Evelyn C. White, 2004 Drawing on papers, letters, journals, and extensive interviews with Walker, her family, friends, and colleagues, and with leading American cultural figures including Gloria Steinem, Quincy Jones, and Oprah Winfrey, White assesses one of the most influential writers of modern time.

in search of our mothers gardens: *You Can't Keep a Good Woman Down* Alice Walker, 2011-11-22 Women stand their ground in the midst of crisis in this story collection by the New York Times-bestselling author of *The Color Purple*. This collection builds on Alice Walker's earlier work, the much-praised *In Love & Trouble*. But unlike her first collection of stories, the women in these tenderly wrought tales face their problems head on, proving powerful and self-possessed even when degraded by others—sometimes by those closest to them. But even as the female protagonists face exploitation, social asymmetries, and casual cruelties, Walker leavens her stories with ample wit and, as always, an eye for the redemptive power of love. A collection that reveals a master of fiction approaching the fullness of her talent, these are the stories Walker produced while penning *The Color Purple*. This ebook features an illustrated biography of Alice Walker including rare photos from the author's personal collection.

in search of our mothers gardens: *Gathering Blossoms Under Fire* Alice Walker, 2022-04-12 From National Book Award and Pulitzer Prize-winning author Alice Walker and edited by critic and writer Valerie Boyd, comes an unprecedented compilation of Walker's fifty years of journals drawing an intimate portrait of her development over five decades as an artist, human rights and women's activist, and intellectual. For the first time, the edited journals of Alice Walker are gathered together to reflect the complex, passionate, talented, and acclaimed Pulitzer Prize winner of *The Color Purple*. She intimately explores her thoughts and feeling as a woman, a writer, an African American, a wife, a daughter, a mother, a lover, a sister, a friend, a citizen of the world. In an unvarnished and singular voice, she explores an astonishing array of events: marching in Mississippi with other foot soldiers of the Civil Rights Movement, led by Martin Luther King, Jr.; her marriage to a Jewish lawyer, defying laws that barred interracial marriage in the 1960s South; an early miscarriage; writing her first novel; the trials and triumphs of the Women's Movement; erotic encounters and enduring relationships; the ancestral visits that led her to write *The Color Purple*; winning the Pulitzer Prize; being admired and maligned, sometimes in equal measure, for her work and her activism; and burying her mother. A powerful blend of Walker's personal life with political events, this "revelation, a road map, and a gift to us all" (Tayari Jones, New York Times bestselling author of *An American Marriage*) offers rare insight into a literary legend.

in search of our mothers gardens: *The Gathering, A Womanist Church* Irie Lynne Session, Kamilah Hall Sharp, Jann Aldredge-Clanton, 2020-08-21 A womanist church has great power to transform church and society, primarily because womanist theology centers the experiences of Black women while working for the survival and wholeness of all people and all creation. Experiences of the triple oppression of racism, sexism, and classism give Black women an epistemological insight into recognizing injustice and creating solutions that benefit all. The Gathering is unique, the only church founded and identified as "womanist," applying womanist theology to the full life and worship of a church. The Gathering, a womanist faith community in Dallas, Texas, welcomes all people to partner in pursuing racial equity, LGBTQ equality, and dismantling PMS (patriarchy, misogyny, and sexism), following Jesus in liberating the oppressed and lifting up the marginalized. The Gathering, A Womanist Church tells the story of the birth and ongoing development of a womanist faith community. This book includes personal narratives of people transformed in this community, womanist co-pastors' sermons informed by their experiences and those of other Black women, and litanies for womanist worship.

in search of our mothers gardens: *Winter Garden* Kristin Hannah, 2010-02-02 Can a woman ever really know herself if she doesn't know her mother? From the author of the smash-hit bestseller *Firefly Lane* and *True Colors* comes Kristin Hannah's powerful, heartbreaking novel that illuminates the intricate mother-daughter bond and explores the enduring links between the present and the past. Meredith and Nina Whitson are as different as sisters can be. One stayed at home to raise her children and manage the family apple orchard; the other followed a dream and traveled the world to become a famous photojournalist. But when their beloved father falls ill, Meredith and Nina find themselves together again, standing alongside their cold, disapproving mother, Anya, who even now, offers no comfort to her daughters. As children, the only connection between them was the Russian fairy tale Anya sometimes told the girls at night. On his deathbed, their father extracts a promise from the women in his life: the fairy tale will be told one last time—and all the way to the end. Thus begins an unexpected journey into the truth of Anya's life in war-torn Leningrad, more than five decades ago. Alternating between the past and present, Meredith and Nina will finally hear the singular, harrowing story of their mother's life, and what they learn is a secret so terrible and terrifying that it will shake the very foundation of their family and change who they believe they are.

in search of our mothers gardens: *The Color Purple* Alice Walker, 2011-09-20 The Pulitzer Prize- and National Book Award-winning novel is now a new, boldly reimagined film from producers Oprah Winfrey and Steven Spielberg, starring Taraji P. Henson, Danielle Brooks, and Fantasia Barrino. A PBS Great American Read Top 100 Pick Celie has grown up poor in rural Georgia, despised by the society around her and abused by her own family. She strives to protect her sister, Nettie, from a similar fate, and while Nettie escapes to a new life as a missionary in Africa, Celie is left behind without her best friend and confidante, married off to an older suitor, and sentenced to a life alone with a harsh and brutal husband. In an attempt to transcend a life that often seems too much to bear, Celie begins writing letters directly to God. The letters, spanning 20 years, record a journey of self-discovery and empowerment guided by the light of a few strong women. She meets Shug Avery, her husband's mistress and a jazz singer with a zest for life, and her stepson's wife, Sofia, who challenges her to fight for independence. And though the many letters from Celie's sister are hidden by her husband, Nettie's unwavering support will prove to be the most breathtaking of all. *The Color Purple* has sold more than five million copies, inspired an Academy Award-nominated film starring Oprah Winfrey and directed by Steven Spielberg, and been adapted into a Tony-winning Broadway musical. Lauded as a literary masterpiece, this is the groundbreaking novel that placed Walker "in the company of Faulkner" (*The Nation*), and remains a wrenching—yet intensely uplifting—experience for new generations of readers. This ebook features a new introduction written by the author on the 25th anniversary of publication, and an illustrated biography of Alice Walker including rare photos from the author's personal collection. *The Color Purple* is the 1st book in the *Color Purple Collection*, which also includes *The Temple of My Familiar*

and Possessing the Secret of Joy.

Sampling from travel

accounts, periodicals, government reports on food and diet, and interviews with more than thirty people born before 1945, Opie reconstructs an interrelated history of Moorish influence on the Iberian Peninsula, the African slave trade, slavery in the Americas, the emergence of Jim Crow, the Great Migration, the Great Depression, and the Civil Rights and Black Power movements. His grassroots approach reveals the global origins of soul food, the forces that shaped its development, and the distinctive cultural collaborations that occurred among Africans, Asians, Europeans, and Americans throughout history. Opie shows how food can be an indicator of social position, a site of community building and cultural identity, and a juncture at which different cultural traditions can develop and impact the collective health of a community. "Opie goes back to the sources and traces soul food's development over the centuries. He shows how Southern slavery, segregation, and the Great Migration to the North's urban areas all left their distinctive marks on today's African American cuisine."—Booklist "An insightful portrait of the social and religious relationship between people of African descent and their cuisine."—FoodReference.com

in search of our mothers gardens: Inheriting Our Mothers' Gardens Letty M. Russell, 1988-01-01 This book represents a major contribution toward the development of a global feminist theology. The personal histories and experiences of women of African, Asian, Anglo-American, and Latin-American heritage recounted here make it possible to analyze the social and historical contexts of their Christian faith. Their insights into the lives of those who have been oppressed or excluded, in the Third World or in the United States, clear the way for understanding the partnership of men and women everywhere.

in search of our mothers gardens: A Half-Built Garden Ruthanna Emrys, 2022-07-26 A literary descendent of Ursula K. Le Guin, Ruthanna Emrys crafts a novel of extra-terrestrial diplomacy and urgent climate repair bursting with quiet, tenuous hope and an underlying warmth. *A Half-Built Garden* depicts a world worth building towards, a humanity worth saving from itself, and an alien community worth entering with open arms. It's not the easiest future to build, but it's one that just might be in reach. On a warm March night in 2083, Judy Wallach-Stevens wakes to a warning of unknown pollutants in the Chesapeake Bay. She heads out to check what she expects to be a false alarm—and stumbles upon the first alien visitors to Earth. These aliens have crossed the galaxy to save humanity, convinced that the people of Earth must leave their ecologically-ravaged planet behind and join them among the stars. And if humanity doesn't agree, they may need to be saved by force. But the watershed networks that rose up to save the planet from corporate devastation aren't ready to give up on Earth. Decades ago, they reorganized humanity around the hope of keeping the world livable. By sharing the burden of decision-making, they've started to heal our wounded planet. Now corporations, nation-states, and networks all vie to represent humanity to these powerful new beings, and if anyone accepts the aliens' offer, Earth may be lost. With everyone's eyes turned skyward, the future hinges on Judy's effort to create understanding, both within and beyond her own species. in search of our mothers gardens: *The Cushion in the Road* Alice Walker, 2013-04-09 The National Book Award- and Pulitzer Prize-winning author of *The Color Purple* explores our modern world with "compassion, courage, and humor" (Booklist). Alice Walker once ached for retirement, but in the turmoil of the Democratic primaries and the economic collapse of 2008, she realized she simply had a great deal more to say. Leaving her meditation cushion behind, she found herself traveling the world once again to speak of our intertwined personal, spiritual, and political destinies through ruminations, poems, essays, and letters. At the height of her literary powers, this revered American novelist, poet, essayist, and activist invites readers on a journey of political awakening and spiritual insight. While visiting subjects she has addressed throughout her career—including racism, Africa, Palestinian solidarity, and Cuba—as well as addressing emergent issues, such as the presidency of Barack Obama and health care, Walker explores her conflicting impulses to retreat into inner contemplation and to remain deeply engaged with the world. Rich with humor and wisdom, and informed by Walker's unique eye for the details of human and natural experience, *The Cushion in the Road* is "a heartfelt response to a new generation's yearning for public service" (Kirkus Reviews). "Walker's concern for the state of humanity and the planet comes through as impassioned and genuine." —Publishers Weekly "Quintessential Alice Walker: edgy, demanding, prayerful, loving, and aware. An essential companion for those who wish to be a force for positive change in our perpetually challenging world." —ForeWord Magazine "Infused with a quiet grace and gentle resolve to act responsibly." —Kirkus Reviews

Goldfarb, Isabella Stewart Gardner Museum (Boston, Mass.), 1995-01-01 This book takes you through the collection gallery by gallery, illuminating the art and installations in each room--From preface.

in search of our mothers gardens: *Keeper of the Hearth* Odette England, Douglas Robert Nickel, Lucy Gallun, Phillip Prodger, 2020 This lavish book marks the 40th anniversary of Barthes' renowned work *Camera Lucida* in 2020. Artist Odette England invited 199 of the world's best-known contemporary photographers, writers, critics, curators and art historians to contribute an image or text that reflects on Barthes' unpublished snapshot of his mother, aged five. This snapshot is known as the winter garden photograph. Barthes discusses it at length in *Camera Lucida*, but never reproduces it. It is one of the most famous unseen photographs in the world.

in search of our mothers gardens: *The Alice Walker Collection* Alice Walker, 2013-03-07 This stunning ebook collection brings together the complete works of Alice Walker's non-fiction and includes: IN SEARCH OF OUR MOTHERS' GARDENS; LIVING BY THE WORD; THE SAME RIVER TWICE; ANYTHING WE LOVE CAN BE SAVED; WE ARE THE ONES WE HAVE BEEN WAITING FOR; and THE CHICKEN CHRONICLES Whether discovering Alice Walker for the first time or finding works by her that you haven't read before, this is a must-have collection from a true heavyweight of contemporary American letters.

in search of our mothers gardens: *Why War Is Never a Good Idea* Alice Walker, 2007-09-18 Though War is Old It has not Become wise. Poet and activist Alice Walker personifies the power and wanton devastation of war in this evocative poem. Stefano Vitale's compelling paintings illustrate this unflinching look at war's destructive nature and unforeseen consequences.

in search of our mothers gardens: *Taking the Arrow Out of the Heart* Alice Walker, 2018-10-02 * WINNER of the NAACP Image Award for Outstanding Literary Work * Alice Walker, author of the National Book Award and Pulitzer Prize-winning *The Color Purple*—"an American novel of permanent importance" (San Francisco Chronicle)—crafts a bilingual collection that is both playfully imaginative and intensely moving. Presented in both English and Spanish, Alice Walker shares a timely collection of nearly seventy works of passionate and powerful poetry that bears

witness to our troubled times, while also chronicling a life well-lived. From poems of painful self-inquiry, to celebrating the simple beauty of baking frittatas, Walker offers us a window into her magical, at times difficult, and liberating world of activism, love, hope and, above all, gratitude. Whether she's urging us to preserve an urban paradise or behold the delicate necessity of beauty to the spirit, Walker encourages us to honor the divine that lives inside all of us and brings her legendary free verse to the page once again, demonstrating that she remains a revolutionary poet and an inspiration to generations of fans.

in search of our mothers gardens: *Revolutionary Petunias* Alice Walker, 2011-11-22 National Book Award Finalist: The love poems of an author caught up in a hopeful and sometimes violent upheaval. When Alice Walker published her second collection of poems in 1976, she had spent the previous decade deeply immersed in the civil rights movement. In these verses are her most visceral reactions to a moment in history that would shape the country, and that she herself influenced through words and advocacy. In hymns to ancestors, passionate polemics, and laments for lost possibilities, Walker addresses the problems of the past while keeping an eye on the possibilities of the future. Even in the midst of the call for change, these poems reveal a deep yearning for individual connection to others, as well as a deeply personal connection to nature. This ebook features an illustrated biography of Alice Walker including rare photos from the author's personal collection.

in search of our mothers gardens: The Third Life of Grange Copeland Alice Walker, 2011-11-22 From the New York Times-bestselling author of *The Color Purple*: A "moving, tender" novel of a Deep South tenant farmer's quest for a new life (Publishers Weekly). Grange Copeland, a deeply conflicted and struggling tenant farmer in the Deep South of the 1930s, leaves his family and everything he's ever known to find happiness and respect in the cold cities of the North. This misadventure, his "second life," proves a dismal failure that sends him back where he came from to confront his now-grown-up son's disastrous relationships with his own family, including Grange's granddaughter, Ruth Copeland, a child that Grange grows to love. Love becomes the substance of his third and final life. He spends it in devotion to Ruth, teaching and protecting her—though the cost of doing so is almost more than he can bear. From a Pulitzer Prize and National Book Award winner, this is an "honest sensitive tale . . . leavened by those moments of humor and warmth that have enabled men and women to endure so much tragedy" (Chicago Daily News). This ebook features an illustrated biography of Alice Walker including rare photos from the author's personal collection.
