

# Mulatto Definition Ap World History

"The Three Mulattoes of Esmeraldas" (1599) is one of the works in "Revealing the African Presence in Renaissance Europe," at the Walters Art Museum in Baltimore. Museo Nacional del Prado, Madrid

## **Mulatto Definition AP World History: Understanding a Complex Term**

The term "mulatto" carries a heavy historical weight, particularly within the context of AP World History. Understanding its meaning, its evolution, and its problematic nature is crucial for navigating the complexities of colonial history and racial dynamics. This post provides a comprehensive exploration of the "mulatto" definition within the framework of AP World History, unpacking its usage, implications, and the reasons why its use is increasingly discouraged in favor of more nuanced and respectful terminology. We'll delve into its origins, how it was employed across different colonial contexts, and its lasting impact on social structures and identities.

## **What is the Traditional Definition of Mulatto in AP World History?**

Traditionally, in the context of AP World History, "mulatto" referred to a person of mixed African and European ancestry. This seemingly simple definition, however, belies a complex reality shaped by the brutal realities of slavery and colonialism. The term was often imposed upon individuals, lacking agency and reflecting the power dynamics of a racially hierarchical society. The social and legal status of a "mulatto" varied significantly across different colonial empires and time periods.

# **The Social and Legal Implications of Being Classified as a Mulatto**

The classification of someone as a "mulatto" had profound consequences. In many colonial societies, it determined their social standing, legal rights, and access to opportunities. While often positioned somewhere between the enslaved African population and the dominant European group, "mulatto" status didn't necessarily equate to freedom or equality. Many "mulattos" experienced discrimination and prejudice, facing limitations in education, property ownership, and social mobility. Their legal standing frequently remained ambiguous, shifting based on the specific laws and societal norms of the region.

## **Variations in the Use of "Mulatto" Across Different Colonial Contexts**

The meaning and application of "mulatto" varied significantly across different colonial contexts. In the Americas, for example, the strictness of racial categorization differed between Spanish, Portuguese, French, and British colonies. The specific legal frameworks and social structures influenced how "mulatto" identity was defined and its impact on individuals' lives. Some societies had more fluid racial classifications, allowing for more social mobility, while others maintained rigidly defined racial hierarchies.

### **#### The Spanish Colonial System and Casta Paintings**

In the Spanish colonial system, a complex system of racial classifications known as castas emerged. This system visually represented different racial mixtures, with "mulatto" being one category among many. Casta paintings, vividly depicting these racial classifications, highlight the social significance placed on these distinctions and the intricate social hierarchy they represented.

### **#### The French and British Colonial Systems**

In comparison to the Spanish system, the French and British systems also employed racial categories, but their structure and implications differed. The legal and social implications of being identified as a "mulatto" varied considerably across these colonial powers, highlighting the regional and temporal specificity of racial classification systems.

## **The Problematic Nature of the Term "Mulatto" in Modern Scholarship**

Today, the term "mulatto" is widely considered problematic and outdated. It's perceived as a remnant of a discriminatory system of racial classification that reinforced colonial power structures and perpetuated prejudice. The term lacks the nuance necessary to capture the complexities of mixed-race identities and fails to account for the individual experiences and agency of those who

were labeled as such. Modern scholarship emphasizes the importance of using more inclusive and respectful language that reflects the diverse realities of mixed-race individuals throughout history.

## **Moving Beyond "Mulatto": Modern Approaches to Understanding Mixed-Race Identities**

Instead of using "mulatto," historians and scholars now strive to employ more accurate and sensitive language. Terms like "mixed-race," "biracial," or "multiracial" better reflect the diversity of experiences and identities. Focusing on individual stories, social contexts, and the agency of individuals allows for a more nuanced and respectful understanding of historical realities. Research that highlights the agency and lived experiences of mixed-race individuals within historical contexts offers a far richer and more accurate portrayal than the simplistic label of "mulatto."

## **Conclusion**

The term "mulatto," while historically prevalent in discussions of AP World History, is a problematic and outdated label rooted in colonial systems of oppression. Understanding its historical usage within various colonial contexts is vital for appreciating the complexities of race and power dynamics. However, contemporary scholarship emphasizes the need to move beyond such simplistic and often derogatory classifications, opting instead for more inclusive and respectful terminology that acknowledges the richness and diversity of mixed-race identities and experiences.

## **FAQs:**

1. Why is the term "mulatto" considered offensive? The term is inherently linked to a system of racial classification that dehumanized and marginalized individuals. Its usage reinforces historical power imbalances and denies agency to those it describes.
2. What alternative terms should be used instead of "mulatto"? Terms like "mixed-race," "biracial," "multiracial," or using specific descriptions related to the individual's ancestry are more appropriate and respectful.
3. How did the social status of "mulattos" vary across different colonies? Social status varied dramatically depending on the specific colonial power, its legal framework, and prevailing social norms. Some colonies had more fluid systems, while others maintained rigid hierarchies.
4. What role did casta paintings play in understanding colonial racial classifications? Casta paintings offer visual representations of the complex racial categories employed by the Spanish colonial system, highlighting the social significance placed on racial distinctions.
5. How can we ensure more accurate and respectful representations of mixed-race identities in

historical studies? Prioritizing the voices and experiences of individuals from mixed-race backgrounds, moving beyond simplistic racial categories, and using inclusive language are crucial steps towards more accurate and respectful historical accounts.

**mulatto definition ap world history: The Haitian Revolution** Toussaint L'Ouverture, 2019-11-12 Toussaint L'Ouverture was the leader of the Haitian Revolution in the late eighteenth century, in which slaves rebelled against their masters and established the first black republic. In this collection of his writings and speeches, former Haitian politician Jean-Bertrand Aristide demonstrates L'Ouverture's profound contribution to the struggle for equality.

**mulatto definition ap world history: Casta Painting** Ilona Katzew, 2005-06-21 Casta painting is a distinctive Mexican genre that portrays racial mixing among the Indians, Spaniards & Africans who inhabited the colony, depicted in sets of consecutive images. Ilona Katzew places this art form in its social & historical context.

**mulatto definition ap world history: Even the Rat was White** Robert V. Guthrie, 2004 The classic edition of *Even the Rat Was White* presents a history of prejudice within the field of Social Psychology--now at a more affordable cost! *Even the Rat Was White* views history from all perspectives in the quest for historical accuracy. Histories and other background materials are presented in detail concerning early African-American psychologists and their scientific contributions, as well as their problems, views, and concerns of the field of social psychology. Archival documents that are not often found in mainstream resources are uncovered through the use of journals and magazines, such as the *Journal of Black Psychology*, the *Journal of Negro Education*, and *Crisis*. The text is divided into three parts. Part I, *Psychology and Racial Differences*, expands and updates historical materials that helped form racial stereotypes and negative views towards African-Americans. Part II, *Psychology and Psychologists*, is updated with specifics of what and how psychology was taught in the pre-1970 Black colleges, and brings forward the contributions of Black psychologists. Part III, *Conclusion*, discusses the implication of the previous chapters and the impact of new historical information on the field of psychology.

**mulatto definition ap world history: Racially Mixed People in America** Maria P. P. Root, 1992-02-03 Although America has been experiencing a biracial baby boom for the last 25 years, there has been a dearth of information about how racially mixed people identify and view themselves as well as relate to one another. *Racially Mixed People in America* bridges this gap and offers a comprehensive look at all the issues involved in doing research with mixed race people, all in the context of America's multiracial past and present.

**mulatto definition ap world history: The Diversity Style Guide** Rachele Kanigel, 2018-10-15 New diversity style guide helps journalists write with authority and accuracy about a complex, multicultural world A companion to the online resource of the same name, *The Diversity Style Guide* raises the consciousness of journalists who strive to be accurate. Based on studies, news reports and style guides, as well as interviews with more than 50 journalists and experts, it offers the best, most up-to-date advice on writing about underrepresented and often misrepresented groups. Addressing such thorny questions as whether the words Black and White should be capitalized when referring to race and which pronouns to use for people who don't identify as male or female, the book helps readers navigate the minefield of names, terms, labels and colloquialisms that come with living in a diverse society. *The Diversity Style Guide* comes in two parts. Part One offers enlightening chapters on Why is Diversity So Important; Implicit Bias; Black Americans; Native People; Hispanics and Latinos; Asian Americans and Pacific Islanders; Arab Americans and Muslim Americans; Immigrants and Immigration; Gender Identity and Sexual Orientation; People with Disabilities; Gender Equality in the News Media; Mental Illness, Substance Abuse and Suicide; and Diversity and Inclusion in a Changing Industry. Part Two includes Diversity and Inclusion Activities and an A-Z Guide with more than 500 terms. This guide: Helps journalists, journalism students, and other media writers better understand the context behind hot-button words so they can report with confidence and sensitivity

Explores the subtle and not-so-subtle ways that certain words can alienate a source or infuriate a reader Provides writers with an understanding that diversity in journalism is about accuracy and truth, not political correctness. Brings together guidance from more than 20 organizations and style guides into a single handy reference book The Diversity Style Guide is first and foremost a guide for journalists, but it is also an important resource for journalism and writing instructors, as well as other media professionals. In addition, it will appeal to those in other fields looking to make informed choices in their word usage and their personal interactions.

**mulatto definition ap world history: Passing** Nella Larsen, 2022 Harlem Renaissance author Nella Larsen (1891 –1964) published just two novels and three short stories in her lifetime, but achieved lasting literary acclaim. Her classic novel *Passing* first appeared in 1926.

**mulatto definition ap world history: Hoosiers and the American Story** Madison, James H., Sandweiss, Lee Ann, 2014-10 A supplemental textbook for middle and high school students, *Hoosiers and the American Story* provides intimate views of individuals and places in Indiana set within themes from American history. During the frontier days when Americans battled with and exiled native peoples from the East, Indiana was on the leading edge of America's westward expansion. As waves of immigrants swept across the Appalachians and eastern waterways, Indiana became established as both a crossroads and as a vital part of Middle America. Indiana's stories illuminate the history of American agriculture, wars, industrialization, ethnic conflicts, technological improvements, political battles, transportation networks, economic shifts, social welfare initiatives, and more. In so doing, they elucidate large national issues so that students can relate personally to the ideas and events that comprise American history. At the same time, the stories shed light on what it means to be a Hoosier, today and in the past.

**mulatto definition ap world history: The New-York Conspiracy** Daniel Horsmanden, 1810

**mulatto definition ap world history: Slavery and Social Death** Orlando Patterson, 2018-10-15 Winner of the Distinguished Contribution to Scholarship Award, American Sociological Association Co-Winner of the Ralph J. Bunche Award, American Political Science Association In a work of prodigious scholarship and enormous breadth, which draws on the tribal, ancient, premodern, and modern worlds, Orlando Patterson discusses the internal dynamics of slavery in sixty-six societies over time. These include Greece and Rome, medieval Europe, China, Korea, the Islamic kingdoms, Africa, the Caribbean islands, and the American South. Praise for the previous edition: "Densely packed, closely argued, and highly controversial in its dissent from much of the scholarly conventional wisdom about the function and structure of slavery worldwide." —Boston Globe "There can be no doubt that this rich and learned book will reinvigorate debates that have tended to become too empirical and specialized. Patterson has helped to set out the direction for the next decades of interdisciplinary scholarship." —David Brion Davis, New York Review of Books "This is clearly a major and important work, one which will be widely discussed, cited, and used. I anticipate that it will be considered among the landmarks in the study of slavery, and will be read by historians, sociologists, and anthropologists—as well as many other scholars and students." —Stanley Engerman

**mulatto definition ap world history: A Lesson Before Dying** Ernest J. Gaines, 2004-01-20 NATIONAL BOOK CRITICS CIRCLE AWARD WINNER • A deep and compassionate novel about a young man who returns to 1940s Cajun country to visit a Black youth on death row for a crime he didn't commit. Together they come to understand the heroism of resisting. An instant classic. —Chicago Tribune A "majestic, moving novel...an instant classic, a book that will be read, discussed and taught beyond the rest of our lives (Chicago Tribune), from the critically acclaimed author of *A Gathering of Old Men* and *The Autobiography of Miss Jane Pittman*. *A Lesson Before Dying* reconfirms Ernest J. Gaines's position as an important American writer. —Boston Globe Enormously moving.... Gaines unerringly evokes the place and time about which he writes. —Los Angeles Times "A quietly moving novel [that] takes us back to a place we've been before to impart a lesson for living." —San Francisco Chronicle

**mulatto definition ap world history: Theory of Social Organization** Charles Fourier, 1876

**mulatto definition ap world history: Killing the Black Body** Dorothy Roberts, 2014-02-19 Killing the Black Body remains a rallying cry for education, awareness, and action on extending reproductive justice to all women. It is as crucial as ever, even two decades after its original publication. A must-read for all those who claim to care about racial and gender justice in America. —Michelle Alexander, author of *The New Jim Crow* In 1997, this groundbreaking book made a powerful entrance into the national conversation on race. In a media landscape dominated by racially biased images of welfare queens and crack babies, *Killing the Black Body* exposed America's systemic abuse of Black women's bodies. From slave masters' economic stake in bonded women's fertility to government programs that coerced thousands of poor Black women into being sterilized as late as the 1970s, these abuses pointed to the degradation of Black motherhood—and the exclusion of Black women's reproductive needs in mainstream feminist and civil rights agendas. "Compelling. . . . Deftly shows how distorted and racist constructions of black motherhood have affected politics, law, and policy in the United States." —Ms.

**mulatto definition ap world history: The Writings of Thomas Jefferson** Thomas Jefferson, 1905 Containing his Autobiography, Notes on Virginia, parliamentary manual, official papers, messages and addresses, and other writings, official and private, now collected and published in their entirety for the first time, including all of the original manuscripts, deposited in the Department of state and published in 1853 by order of the joint committee of Congress; with numerous illustrations and a comprehensive analytical index.

**mulatto definition ap world history: Race in Another America** Edward E. Telles, 2006-09-25 This is the most comprehensive and up-to-date book on the increasingly important and controversial subject of race relations in Brazil. North American scholars of race relations frequently turn to Brazil for comparisons, since its history has many key similarities to that of the United States. Brazilians have commonly compared themselves with North Americans, and have traditionally argued that race relations in Brazil are far more harmonious because the country encourages race mixture rather than formal or informal segregation. More recently, however, scholars have challenged this national myth, seeking to show that race relations are characterized by exclusion, not inclusion, and that fair-skinned Brazilians continue to be privileged and hold a disproportionate share of wealth and power. In this sociological and demographic study, Edward Telles seeks to understand the reality of race in Brazil and how well it squares with these traditional and revisionist views of race relations. He shows that both schools have it partly right—that there is far more miscegenation in Brazil than in the United States—but that exclusion remains a serious problem. He blends his demographic analysis with ethnographic fieldwork, history, and political theory to try to understand the enigma of Brazilian race relations—how inclusiveness can coexist with exclusiveness. The book also seeks to understand some of the political pathologies of buying too readily into unexamined ideas about race relations. In the end, Telles contends, the traditional myth that Brazil had harmonious race relations compared with the United States encouraged the government to do almost nothing to address its shortcomings.

**mulatto definition ap world history: The Cambridge World History of Slavery: Volume 3, AD 1420-AD 1804** David Eltis, Stanley L. Engerman, Keith R. Bradley, Paul Cartledge, Seymour Drescher, 2011-07-25 The various manifestations of coerced labour between the opening up of the Atlantic world and the formal creation of Haiti.

**mulatto definition ap world history: Africa from the Sixteenth to the Eighteenth Century** Bethwell A. Ogot, 1992 The result of years of work by scholars from all over the world, The UNESCO General History of Africa reflects how the different peoples of Africa view their civilizations and shows the historical relationships between the various parts of the continent. Historical connections with other continents demonstrate Africa's contribution to the development of human civilization. Each volume is lavishly illustrated and contains a comprehensive bibliography. This fifth volume of the acclaimed series covers the history of the continent from the beginning of the sixteenth century to the close of the eighteenth century in which two themes emerge: first, the continuing internal evolution of the states and cultures of Africa during this period second, the increasing involvement

of Africa in external trade--with major but unforeseen consequences for the whole world. In North Africa, we see the Ottomans conquer Egypt. South of the Sahara, some of the larger, older states collapse, and new power bases emerge. Traditional religions continue to coexist with both Christianity (suffering setbacks) and Islam (in the ascendancy). Along the coast, particularly of West Africa, Europeans establish a trading network which, with the development of New World plantation agriculture, becomes the focus of the international slave trade. The immediate consequences of this trade for Africa are explored, and it is argued that the long-term global consequences include the foundation of the present world-economy with all its built-in inequalities.

**mulatto definition ap world history: Real American** Julie Lythcott-Haims, 2017-10-03

"Courageous, achingly honest. —Michelle Alexander, New York Times bestselling author of *The New Jim Crow: Mass Incarceration in the Age of Colorblindness* "A compelling, incisive and thoughtful examination of race, origin and what it means to be called an American. Engaging, heartfelt and beautifully written, Lythcott-Haims explores the American spectrum of identity with refreshing courage and compassion." —Bryan Stevenson, New York Times bestselling author of *Just Mercy: A Story of Justice and Redemption* A fearless memoir in which beloved and bestselling *How to Raise an Adult* author Julie Lythcott-Haims pulls no punches in her recollections of growing up a black woman in America. Bringing a poetic sensibility to her prose to stunning effect, Lythcott-Haims briskly and stirringly evokes her personal battle with the low self-esteem that American racism routinely inflicts on people of color. The only child of a marriage between an African-American father and a white British mother, she shows indelibly how so-called micro aggressions in addition to blunt force insults can puncture a person's inner life with a thousand sharp cuts. *Real American* expresses also, through Lythcott-Haims's path to self-acceptance, the healing power of community in overcoming the hurtful isolation of being incessantly considered the other. The author of the New York Times bestselling anti-helicopter parenting manifesto *How to Raise an Adult*, Lythcott-Haims has written a different sort of book this time out, but one that will nevertheless resonate with the legions of students, educators and parents to whom she is now well known, by whom she is beloved, and to whom she has always provided wise and necessary counsel about how to embrace and nurture their best selves. *Real American* is an affecting memoir, an unforgettable *cri de coeur*, and a clarion call to all of us to live more wisely, generously and fully.

**mulatto definition ap world history: The Multiracial Experience** Maria P. P. Root, 1996 In this book Maria Root uses her multiracial experience to challenge current theoretical and political conceptualizations of race, and redefine the way race and social relations are defined.

**mulatto definition ap world history: The Hybrid Muse** Jahan Ramazani, 2001-10 Postcolonial novelists such as Salman Rushdie and V.S. Naipaul are widely celebrated, yet the achievements of these poets have been strangely neglected. This work argues that these poets have dramatically expanded the atlas of English literature.

**mulatto definition ap world history: The Afro-Argentines of Buenos Aires, 1800-1900** George Reid Andrews, 1980

**mulatto definition ap world history: Epic Encounters** Melani McAlister, 2001 A wonderfully original and compelling study, essential for understanding the complex relations between the US and the nations and peoples of the Mideast. McAlister argues powerfully that American interests in the Mideast range far beyond the realm of foreign policy to become of paramount importance to the creation of American culture in the post World War II era. . . . A model for those interested in the interconnections of culture and foreign policy in an era of globalization. An engrossing read.--Amy Kaplan, author of *The Social Construction of American Realism* Melani McAlister has written a marvelous book that draws together a vast array of materials from the media, archives, scholarly sources, and popular culture, interpreting it through her rich knowledge of cultural studies. Scholars in many fields--American studies, sociology, religious studies, political science, media studies, among others--will want to read this lively and engaging book.--Robert Wuthnow, author of *After Heaven: Spirituality in America Since the 1950s*, and *Creative Spirituality: The Way of the Artist* A fascinating and completely original analysis of the relation between culture and foreign policy. . . this book casts

entirely new light on US military, financial, and emotional investments in the Middle East. Conservative Christian sensibilities, television, Biblical epics, Black Power, and a host of gender-related representations--these and other factors all played a part in the shaping of American foreign policy in ways that have never before been noticed. No historian of twentieth-century American culture or politics should miss this brilliant book!--Gail Bederman, author of *Manliness and Civilization: A Cultural History of Gender and Race in the US, 1880-1917* Diplomatic historians are now turning to Edward Said's *Orientalism* to explore the cultural dimensions of 20th Century America's representations of the Middle East. They are too late! Melani McAlister develops a post-orientalist approach to U.S. culture, foreign policy, and identity. Hers is also the first book ever to recognize that African -Americans matter to such a project. *Epic Encounters* is a blockbuster of a book.--Robert Vitalis, author of *When Capitalists Collide: Business Conflict and the End of Empire in Egypt*

**mulatto definition ap world history: The Voting Rights Act of 1965** Laurie Collier Hillstrom, 2009 Provides a detailed account of the events that led to the Voting Rights Act of 1965. Explores both the racial discrimination and violence that pervaded the South and the civil rights protests that changed American voting rights. Includes a narrative overview, biographical profiles, primary source documents, and other helpful features.

**mulatto definition ap world history: The Conquest of a Continent; or, The Expansion of Races in America** Madison Grant, 2023-05-09 Reproduction of the original.

**mulatto definition ap world history: Colonial Phantoms** Dixa Ramírez, 2018-04-24 Using a blend of historical and literary analysis, *Colonial Phantoms* reveals how Western discourses have ghosted—miscategorized or erased—the Dominican Republic since the nineteenth century despite its central place in the architecture of the Americas. Through a variety of Dominican cultural texts, from literature to public monuments to musical performance, it illuminates the Dominican quest for legibility and resistance.

**mulatto definition ap world history: The Concept of Race** Ashley Montagu, 1969 'Ten distinguished scientists attack the concept of race as a biologically unsound, socially invalid and prejudicial means of human classification.' -- cover.

**mulatto definition ap world history: A Patriot's History of the United States** Larry Schweikart, Michael Patrick Allen, 2004-12-29 For the past three decades, many history professors have allowed their biases to distort the way America's past is taught. These intellectuals have searched for instances of racism, sexism, and bigotry in our history while downplaying the greatness of America's patriots and the achievements of "dead white men." As a result, more emphasis is placed on Harriet Tubman than on George Washington; more about the internment of Japanese Americans during World War II than about D-Day or Iwo Jima; more on the dangers we faced from Joseph McCarthy than those we faced from Josef Stalin. *A Patriot's History of the United States* corrects those doctrinaire biases. In this groundbreaking book, America's discovery, founding, and development are reexamined with an appreciation for the elements of public virtue, personal liberty, and private property that make this nation uniquely successful. This book offers a long-overdue acknowledgment of America's true and proud history.

**mulatto definition ap world history: Mixed Blood** Paul R. Spickard, 1989 *Mixed Blood* serves an important function in drawing together a far-ranging set of experiences, all of which bear on the phenomenon of intermarriage. -- from publisher's site

**mulatto definition ap world history: American Slavery as it is** , 1839

**mulatto definition ap world history: Quicksand** Nella Larsen, 2022 Harlem Renaissance author Nella Larsen (1891 -1964) published just two novels and three short stories in her lifetime, but achieved lasting literary acclaim. Her classic novel *Quicksand* first appeared in 1928.

**mulatto definition ap world history: UNESCO General History of Africa, Vol. I, Abridged Edition** Jacqueline Ki-Zerbo, Unesco. International Scientific Committee for the Drafting of a General History of Africa, 1990 This volume covers the period from the end of the Neolithic era to the beginning of the seventh century of our era. This lengthy period includes the civilization of Ancient

Egypt, the history of Nubia, Ethiopia, North Africa and the Sahara, as well as of the other regions of the continent and its islands.--Publisher's description

**mulatto definition ap world history: Suggestions to Medical Authors and A.M.A. Style Book** American Medical Association, 1919

**mulatto definition ap world history: Low-intensity Conflict in the Third World** Stephen Blank, Air University (U.S.). Center for Aerospace Doctrine, Research, and Education, 1988 A common thread ties together the five case studies of this book: the persistence with which the bilateral relationship between the United States and the Soviet Union continues to dominate American foreign and regional policies. These essays analyze the LIC environment in Central Asia, the Middle East, Southeast Asia, Latin America, and sub-Saharan Africa.

**mulatto definition ap world history: *Laughter Out of Place*** Donna M. Goldstein, 2013-09-29 Drawing on the author's experience in Brazil, this text provides a portrait of everyday life among the women of the favelas - a portrait that challenges much of what we think we know about the 'culture of poverty'. It helps us understand the nature of joking and laughter in the shantytown.

**mulatto definition ap world history: *Neither Black Nor White Yet Both*** Werner Sollors, 1999 Why can a white woman give birth to a black baby, while a black woman can never give birth to a white baby in the United States? What makes racial passing so different from social mobility? Why are interracial and incestuous relations often confused or conflated in literature, making miscegenation appear as if it were incest? Werner Sollors examines these questions and others in *Neither Black nor White yet Both*, a fully researched investigation of literary works that, in the past, have been read more for a black-white contrast of either-or than for an interracial realm of neither, nor, both, and in-between. From the origins of the term race to the cultural sources of the Tragic Mulatto, and from the calculus of color to the retellings of various plots, Sollors examines what we know about race, analyzing recurrent motifs in scientific and legal works as well as in fiction, drama, and poetry. Copyright © Libri GmbH. All rights reserved.

**mulatto definition ap world history: *Black World*** , 1975

**mulatto definition ap world history: *American Mixed Race*** Naomi Zack, 1995 This exciting multidisciplinary collection brings together twenty-two original essays by scholars on the cutting edge of racial theory, who address both the American concept of race and the specific problems experienced by those who do not fit neatly into the boxes society requires them to check.

**mulatto definition ap world history: Atlantic Africa and the Spanish Caribbean, 1570-1640** David Wheat, 2016-03-09 This work resituates the Spanish Caribbean as an extension of the Luso-African Atlantic world from the late sixteenth to the mid-seventeenth century, when the union of the Spanish and Portuguese crowns facilitated a surge in the transatlantic slave trade. After the catastrophic decline of Amerindian populations on the islands, two major African provenance zones, first Upper Guinea and then Angola, contributed forced migrant populations with distinct experiences to the Caribbean. They played a dynamic role in the social formation of early Spanish colonial society in the fortified port cities of Cartagena de Indias, Havana, Santo Domingo, and Panama City and their semirural hinterlands. David Wheat is the first scholar to establish this early phase of the Africanization of the Spanish Caribbean two centuries before the rise of large-scale sugar plantations. With African migrants and their descendants comprising demographic majorities in core areas of Spanish settlement, Luso-Africans, Afro-Iberians, Latinized Africans, and free people of color acted more as colonists or settlers than as plantation slaves. These ethnically mixed and economically diversified societies constituted a region of overlapping Iberian and African worlds, while they made possible Spain's colonization of the Caribbean.

**mulatto definition ap world history: Early Latin America** James Lockhart, Stuart B. Schwartz, 1983-09-30 A brief general history of Latin America in the period between the European conquest and the independence of the Spanish American countries and Brazil serves as an introduction to this quickly changing field of study.

**mulatto definition ap world history:** Southscapes Thadious M. Davis, 2011 In this innovative approach to southern literary cultures, Thadious Davis analyzes how black southern writers use their spatial location to articulate the vexed connections between society and environment, particularly under segregation and its legacies.<
