

Michigan Appellate Opinion Manual

STATE OF MICHIGAN COURT OF APPEALS

MARY FREE BED REHABILITATION
HOSPITAL, BRONSON HEALTH CARE
GROUP, INC., and YU JU CHEN,

Plaintiffs-Appellees,

v

FARMERS INSURANCE GROUP OF
COMPANIES, a/k/a FARMERS GROUP, INC.,
and MID-CENTURY INSURANCE COMPANY,

Defendants,

and

ILLINOIS FARMERS INSURANCE COMPANY,

Defendant-Appellant.

UNPUBLISHED
December 22, 2015

No. 321328
Kent Circuit Court
LC No. 13-002433-NF

Before: MARKEY, P.J., and MURPHY and STEPHENS, JJ.

PER CURIAM.

In this no-fault action to recover personal injury protection (PIP) benefits, defendant Illinois Farmers Insurance Company appeals as of right the circuit court order granting summary disposition and judgment to plaintiffs, Mary Free Bed Rehabilitation Hospital, Bronson Health Care Group, and Yu Ju Chen. We affirm.

I. BACKGROUND

This matter arises out of an automobile accident that occurred on March 19, 2012, in Battle Creek, Michigan. Plaintiff, Yu Ju Chen (Chen), the passenger of the automobile, was paralyzed in the accident. Chen's boyfriend, Jason Liao (Jason) was the operator of the vehicle rented from Hertz. Chen filed suit against defendant as the insurer of Jason. Both Chen and Jason were Illinois residents traveling through Michigan from Chicago, Illinois to Ontario, Canada. Chen filed suit in Michigan against defendant alleging that it owed her PIP benefits because it was Jason's insurer.

Navigating the Labyrinth: Your Guide to the Michigan Appellate Opinion Manual

Navigating the complexities of Michigan's appellate court system can feel like traversing a labyrinth. Understanding the rules, procedures, and formatting requirements is crucial for success, and that's where the Michigan Appellate Opinion Manual becomes your indispensable guide. This comprehensive guide will demystify the manual, offering practical insights and explanations to empower you to confidently prepare and file your appellate briefs. Whether you're an experienced attorney or just starting your legal career, understanding this crucial resource is vital. We'll explore its key components, practical applications, and how to effectively utilize it to maximize your chances

of a favorable outcome.

Understanding the Purpose and Scope of the Michigan Appellate Opinion Manual

The Michigan Appellate Opinion Manual isn't just a collection of rules; it's a blueprint for effective appellate advocacy. Its primary purpose is to ensure consistency and clarity in appellate filings, making it easier for the court to process and understand the arguments presented. The manual covers a vast range of topics, including:

Formatting Requirements: This section meticulously outlines the specific formatting rules for briefs, motions, and other filings. Understanding these rules is critical, as non-compliance can lead to delays or even rejection of your submission.

Citation Rules: Proper citation of authorities is paramount in legal writing. The manual provides detailed guidance on how to cite cases, statutes, and other sources correctly, adhering to the Michigan Rules of Appellate Procedure.

Content Requirements: The manual dictates the specific content requirements for various filings, ensuring that all necessary information is included in a clear and organized manner. This includes outlining the required sections of an appellate brief, such as the statement of facts, argument, and conclusion.

Ethical Considerations: The manual also touches upon ethical considerations related to appellate advocacy, emphasizing the importance of professionalism, accuracy, and integrity in all filings.

Key Sections to Master in the Michigan Appellate Opinion Manual

While the entire manual is crucial, some sections demand more attention than others. These include:

Rule 6.101 - Formatting of Briefs: This section details the precise formatting requirements for appellate briefs. Pay close attention to font size, line spacing, margins, and pagination. Errors in formatting can lead to your brief being rejected.

Rule 6.102 - Contents of Briefs: This section outlines the specific components required in an appellate brief, including the statement of facts, standard of review, argument, and conclusion. Understanding these requirements ensures your brief is comprehensive and addresses all necessary elements.

Rule 6.106 - Citations: Accurate and consistent citation is crucial. This section details the specific rules for citing cases, statutes, rules, and other authorities. Mastering these rules will significantly enhance the credibility and persuasiveness of your arguments.

Rule 6.107 - Appendices: This section clarifies the rules for preparing and submitting appendices, including the formatting and organization of exhibits.

Practical Application: How to Effectively Utilize the Manual

The Michigan Appellate Opinion Manual isn't just for passive reading; it's a tool to be actively used throughout the appellate process. Here are some practical tips:

Consult the Manual Early: Don't wait until the last minute to consult the manual. Incorporate its guidelines into your writing process from the very beginning.

Use a Checklist: Create a checklist based on the manual's requirements to ensure all necessary elements are included in your filings.

Seek Clarification When Needed: If you're unsure about a specific rule or requirement, don't hesitate to seek clarification from experienced legal professionals or court staff.

Regularly Update Your Knowledge: Appellate rules and procedures can change. Stay informed by regularly reviewing the manual for updates and amendments.

Beyond the Manual: Supporting Resources for Appellate Advocacy

While the Michigan Appellate Opinion Manual is the primary resource, other valuable tools can enhance your understanding and improve your chances of success:

Michigan Rules of Appellate Procedure: This is the overarching set of rules governing appellate proceedings in Michigan.

Michigan Court Rules: Familiarize yourself with the broader set of court rules that impact appellate practice.

Legal Research Databases: Utilize online legal research databases like Westlaw or LexisNexis to find relevant case law and statutes.

Conclusion

The Michigan Appellate Opinion Manual is an invaluable resource for anyone navigating the complexities of Michigan's appellate courts. By thoroughly understanding its rules and guidelines, you can ensure your filings are accurate, consistent, and persuasive, significantly increasing your chances of a favorable outcome. Remember to utilize it proactively, consult it frequently, and seek clarification when needed. Mastering this manual is a crucial step toward becoming a successful appellate advocate.

Frequently Asked Questions (FAQs)

1. Where can I find the Michigan Appellate Opinion Manual? The manual is typically available on the Michigan Supreme Court's website.
2. Is the manual updated regularly? Yes, the manual is periodically updated to reflect changes in the rules and procedures. Always check for the most current version.
3. What happens if I don't follow the formatting rules in the manual? Non-compliance with the formatting rules can result in your brief being rejected or delayed.
4. Can I use the manual to prepare other legal documents besides appellate briefs? While primarily focused on appellate briefs, the principles and formatting guidelines can be helpful for other legal filings.
5. Are there any training resources available to help me understand the manual better? Some bar associations and legal organizations may offer training or workshops on appellate advocacy and the use of the Michigan Appellate Opinion Manual. Check their websites for details.

michigan appellate opinion manual: California Style Manual Bernard Ernest Witkin, 1977

michigan appellate opinion manual: Strengthening Forensic Science in the United States National Research Council, Division on Engineering and Physical Sciences, Committee on Applied and Theoretical Statistics, Policy and Global Affairs, Committee on Science, Technology, and Law, Committee on Identifying the Needs of the Forensic Sciences Community, 2009-07-29 Scores of talented and dedicated people serve the forensic science community, performing vitally important work. However, they are often constrained by lack of adequate resources, sound policies, and

national support. It is clear that change and advancements, both systematic and scientific, are needed in a number of forensic science disciplines to ensure the reliability of work, establish enforceable standards, and promote best practices with consistent application. Strengthening Forensic Science in the United States: A Path Forward provides a detailed plan for addressing these needs and suggests the creation of a new government entity, the National Institute of Forensic Science, to establish and enforce standards within the forensic science community. The benefits of improving and regulating the forensic science disciplines are clear: assisting law enforcement officials, enhancing homeland security, and reducing the risk of wrongful conviction and exoneration. Strengthening Forensic Science in the United States gives a full account of what is needed to advance the forensic science disciplines, including upgrading of systems and organizational structures, better training, widespread adoption of uniform and enforceable best practices, and mandatory certification and accreditation programs. While this book provides an essential call-to-action for congress and policy makers, it also serves as a vital tool for law enforcement agencies, criminal prosecutors and attorneys, and forensic science educators.

michigan appellate opinion manual: Guide to Foreign and International Legal Citations, 2006 Formerly known as the International Citation Manual--p. xv.

michigan appellate opinion manual: Judging Statutes Robert A. Katzmann, 2014-08-14 In an ideal world, the laws of Congress--known as federal statutes--would always be clearly worded and easily understood by the judges tasked with interpreting them. But many laws feature ambiguous or even contradictory wording. How, then, should judges divine their meaning? Should they stick only to the text? To what degree, if any, should they consult aids beyond the statutes themselves? Are the purposes of lawmakers in writing law relevant? Some judges, such as Supreme Court Justice Antonin Scalia, believe courts should look to the language of the statute and virtually nothing else. Chief Judge Robert A. Katzmann of the U.S. Court of Appeals for the Second Circuit respectfully disagrees. In *Judging Statutes*, Katzmann, who is a trained political scientist as well as a judge, argues that our constitutional system charges Congress with enacting laws; therefore, how Congress makes its purposes known through both the laws themselves and reliable accompanying materials should be respected. He looks at how the American government works, including how laws come to be and how various agencies construe legislation. He then explains the judicial process of interpreting and applying these laws through the demonstration of two interpretative approaches, purposivism (focusing on the purpose of a law) and textualism (focusing solely on the text of the written law). Katzmann draws from his experience to show how this process plays out in the real world, and concludes with some suggestions to promote understanding between the courts and Congress. When courts interpret the laws of Congress, they should be mindful of how Congress actually functions, how lawmakers signal the meaning of statutes, and what those legislators expect of courts construing their laws. The legislative record behind a law is in truth part of its foundation, and therefore merits consideration.

michigan appellate opinion manual: Prince's Dictionary of Legal Citations Julie Roberts Furgerson, Mary Miles Prince, 2021 Assists the legal profession in citing legal authorities according to the rules given in *The Bluebook: A Uniform System of Citation*, 21st ed. (2020). This title is a companion to *The Bluebook* (not a replacement) and applies Bluebook rules to a representative collection of common legal authorities. The citations included are based on Bluebook rules, and the abbreviations are those found in *The Bluebook* or derived from its guidelines. Besides updating both Bluebook and state court rule references, this edition has been updated to reflect Twenty-First

Edition Bluebook revisions. The new edition has reduced its total page count--from 560 pages to 365 pages--in part by placing the citation information contained in T2 Foreign Jurisdictions in a free online database, and in part by having T6 abbreviations cover case names and institutional authors, as well as periodical titles. The various subsections of T13 from the twentieth edition are either contained in an expanded and slightly revised T6 or in the combined single T13 section Institutional Names in Periodical Titles. Rule 18.8 was added to the twenty-first edition to provide citation guidance for photographs and illustrations.--Publisher.

michigan appellate opinion manual: *United States Code* United States, 2013 The United States Code is the official codification of the general and permanent laws of the United States of America. The Code was first published in 1926, and a new edition of the code has been published every six years since 1934. The 2012 edition of the Code incorporates laws enacted through the One Hundred Twelfth Congress, Second Session, the last of which was signed by the President on January 15, 2013. It does not include laws of the One Hundred Thirteenth Congress, First Session, enacted between January 2, 2013, the date it convened, and January 15, 2013. By statutory authority this edition may be cited U.S.C. 2012 ed. As adopted in 1926, the Code established prima facie the general and permanent laws of the United States. The underlying statutes reprinted in the Code remained in effect and controlled over the Code in case of any discrepancy. In 1947, Congress began enacting individual titles of the Code into positive law. When a title is enacted into positive law, the underlying statutes are repealed and the title then becomes legal evidence of the law. Currently, 26 of the 51 titles in the Code have been so enacted. These are identified in the table of titles near the beginning of each volume. The Law Revision Counsel of the House of Representatives continues to prepare legislation pursuant to 2 U.S.C. 285b to enact the remainder of the Code, on a title-by-title basis, into positive law. The 2012 edition of the Code was prepared and published under the supervision of Ralph V. Seep, Law Revision Counsel. Grateful acknowledgment is made of the contributions by all who helped in this work, particularly the staffs of the Office of the Law Revision Counsel and the Government Printing Office--Preface.

michigan appellate opinion manual: *Civil RICO, 18 U.S.C., 1961-1968* Frank M. Marine, Frank J. Marine, 2007

michigan appellate opinion manual: *The Chickenshit Club* Jesse Eisinger, 2017-07-11 Winner of the 2018 Excellence in Financial Journalism Award From Pulitzer Prize-winning journalist Jesse Eisinger, "a fast moving, fly-on-the-wall, disheartening look at the deterioration of the Justice Department and the Securities and Exchange Commission...It is a book of superheroes" (San

Francisco Review of Books). Why were no bankers put in prison after the financial crisis of 2008? Why do CEOs seem to commit wrongdoing with impunity? The problem goes beyond banks deemed "Too Big to Fail" to almost every large corporation in America—to pharmaceutical companies and auto manufacturers and beyond. The Chickenshit Club—an inside reference to prosecutors too scared of failure and too daunted by legal impediments to do their jobs—explains why in "an absorbing financial history, a monumental work of journalism...a first-rate study of the federal bureaucracy" (Bloomberg Businessweek). Jesse Eisinger begins the story in the 1970s, when the government pioneered the notion that top corporate executives, not just seedy crooks, could commit heinous crimes and go to prison. He brings us to trading desks on Wall Street, to corporate boardrooms and the offices of prosecutors and FBI agents. These revealing looks provide context for the evolution of the Justice Department's approach to pursuing corporate criminals through the early 2000s and into the Justice Department of today, including the prosecutorial fiascos, corporate lobbying, trial losses, and culture shifts that have stripped the government of the will and ability to prosecute top corporate executives. "Brave and elegant...a fearless reporter...Eisinger's important and profound book takes no prisoners" (The Washington Post). Exposing one of the most important scandals of our time, *The Chickenshit Club* provides a clear, detailed explanation as to how our Justice Department has come to avoid, bungle, and mismanage the fight to bring these alleged criminals to justice. "This book is a wakeup call...a chilling read, and a needed one" (NPR.org).

michigan appellate opinion manual: The Language of the Law David Mellinkoff, 2004-05-13 This book tells what the language of the law is, how it got that way and how it works out in the practice. The emphasis is more historical than philosophical, more practical than pedantic.

michigan appellate opinion manual: Representing Yourself in Federal Court United States District Court, Northern District of California, 2017-08-04 This Handbook is designed to help people dealing with civil lawsuits in federal court without legal representation. Proceeding without a lawyer is called proceeding pro se¹, a Latin phrase meaning for oneself, or sometimes in propria persona, meaning in his or her own person. Representing yourself in a lawsuit can be complicated, time consuming, and costly. Failing to follow court procedures can mean losing your case. For these reasons, you are urged to work with a lawyer if possible. Chapter 2 gives suggestions on finding a lawyer. Do not rely entirely on this Handbook. This Handbook provides a summary of civil lawsuit procedures, but it may not cover all procedures that may apply in your case. It also does not teach you about the laws that will control your case. Make sure you read the applicable federal and local court rules and do your own research at a law library or online to understand your case. The United States District Court for the Northern District of California has Clerk's Offices in the San Francisco, San Jose and Oakland courthouses. Clerk's Office staff can answer general questions, but they cannot give you any legal advice. For example, they cannot help you decide what to do in your lawsuit, tell you what the law means, or even advise you when documents are due. There are Legal Help Centers in the San Francisco, Oakland and San Jose courthouses where you can get free help with your lawsuit from an attorney who can help you prepare documents and give limited legal advice. This attorney will not be your lawyer and you will still be representing yourself. See Chapter 2 for more details.

michigan appellate opinion manual: *Typography for Lawyers* Matthew Butterick, 2015 Originally released to great acclaim in 2010, *Typography for Lawyers* was the first guide to the essentials of typography aimed specifically at lawyers. Author Matthew Butterick, an attorney and Harvard-trained typographer, dispelled the myth that legal documents are incompatible with

excellent typography. Butterick explained how to get professional results with the tools you already have quickly and easily. Revised and updated & the second edition includes: new topics such as email, footnotes, alternate figures, and OpenType features; advice for presentations, contracts, grids of numbers, and court opinions; technical tips covering the newest versions of Word and WordPerfect for Windows and OS X; new font recommendations, including two that are free; new essays on the font copyrights, screen-reading considerations, and typographic disputes that have reached the courts; a refreshed layout, featuring type features designed by the author.--from Amazon.com website.

michigan appellate opinion manual: Making Your Case Antonin Scalia, Bryan A. Garner, 2008 In their professional lives, courtroom lawyers must do these two things well: speak persuasively and write persuasively. In this noteworthy book, two noted legal writers systematically present every important idea about judicial persuasion in a fresh, entertaining way. The book covers the essentials of sound legal reasoning, including how to develop the syllogism that underlies any argument. From there the authors explain the art of brief writing, especially what to include and what to omit, so that you can induce the judge to focus closely on your arguments. Finally, they show what it takes to succeed in oral argument.
