raisin in the sun full text: Twelve Angry Men Reginald Rose, 2006-08-29 A landmark American drama that inspired a classic film and a Broadway revival—featuring an introduction by David Mamet A blistering character study and an examination of the American melting pot and the judicial system that keeps it in check, Twelve Angry Men holds at its core a deeply patriotic faith in the U.S. legal system. The play centers on Juror Eight, who is at first the sole holdout in an 11-1 guilty vote. Eight sets his sights not on proving the other jurors wrong but rather on getting them to look at the situation in a clear-eyed way not affected by their personal prejudices or biases. Reginald Rose deliberately and carefully peels away the layers of artifice from the men and allows a fuller picture to form of them—and of America, at its best and worst. After the critically acclaimed teleplay aired in 1954, this landmark American drama went on to become a cinematic masterpiece in 1957 starring Henry Fonda, for which Rose wrote the adaptation. More recently, Twelve Angry Men had a successful, and award-winning, run on Broadway. raisin in the sun full text: Lorraine Hansberry: The Life Behind A Raisin in the Sun Charles J. Shields, 2022-01-18 The moving story of the life of the woman behind A Raisin in the Sun, the most widely anthologized, read, and performed play of the American stage, by the New York Times bestselling author of Mockingbird: A Portrait of Harper Lee Written when she was just twenty-eight, Lorraine Hansberry's landmark A Raisin in the Sun is listed by the National Theatre as one of the hundred most significant works of the twentieth century. Hansberry was the first Black woman to have a play performed on Broadway, and the first Black and youngest American playwright to win a New York Critics' Circle Award. Charles J. Shields's authoritative biography of one of the twentieth century's most admired playwrights examines the parts of Lorraine Hansberry's life that have escaped public knowledge: the influence of her upper-class background, her fight for peace and nuclear disarmament, the reason why she embraced Communism during the Cold War, and her dependence on her white husband—her best friend, critic, and promoter. Many of the identity issues about class, sexuality, and race that she struggled with are relevant and urgent today. This dramatic telling of a passionate life—a very American life through self-reinvention—uses previously unpublished interviews with close friends in politics and theater, privately held correspondence, and deep research to reconcile old mysteries and raise new questions about a life not fully described until now.

raisin in the sun full text: Gender in Lorraine Hansberry's A Raisin in the Sun Gary Wiener, 2011-02-10 The landmark play *A Raisin in the Sun* takes its title from a Langston Hughes poem which poses the questions What happens to a dream deferred? Does it dry up like a raisin in the sun? Focusing on a working-class African-American family in Chicago who save enough to purchase either a business in a black neighborhood or a house in a white neighborhood, the play exposes issues of racism and gender as the women of the family make important decisions that push against both racial and gender lines. This volume discusses gender in the play, looking at how the female characters fight both racism and male chauvinism, how the play is dominated by strong female characters, and how characters resist the stereotype of the emasculating female. The book also presents contemporary perspectives on race and feminism in the twenty-first century. Contributors include Barbara Ehrenreich, Jewelle L. Gomez, and Sharon Friedman.

Lorraine Hansberry, who died at thirty-four, was by all accounts a force of nature. Although best-known for her work *A Raisin in the Sun*, her short life was full of extraordinary experiences and achievements, and she had an unflinching commitment to social justice, which brought her under FBI surveillance when she was barely in her twenties. While her close friends and contemporaries, like James Baldwin and Nina Simone, have been rightly celebrated, her story has been diminished and relegated to one work—until now. In 2018, Hansberry will get the recognition she deserves with the PBS American Masters documentary “Lorraine Hansberry: Sighted Eyes/Feeling Heart” and Imani Perry’s multi-dimensional, illuminating biography, *Looking for Lorraine*. After the success of *A Raisin in the Sun*, Hansberry used her prominence in myriad ways: challenging President Kennedy and his brother to take bolder stances on Civil Rights, supporting African anti-colonial leaders, and confronting the romantic racism of the Beat poets and Village hipsters. Though she married a man, she identified as lesbian and, risking censure and the prospect of being outed, joined one of the nation’s first lesbian organizations. Hansberry associated with many activists, writers, and musicians, including Malcolm X, Langston Hughes, Duke Ellington, Paul Robeson, W.E.B. Du Bois, among others. *Looking for Lorraine* is a powerful insight into Hansberry’s extraordinary life—a life that was tragically cut far too short. raisin in the sun full text: Using Informational Text to Teach A Raisin in the Sun Audrey Fisch, Susan Chenelle, 2016-02-12 The Common Core State Standards mean major changes for language arts teachers, particularly the emphasis on “informational text.” How do we shift attention toward informational texts without taking away from the teaching of literature? The key is informational texts deeply connected to the literary texts you are teaching. Preparing informational texts for classroom use, however, requires time and effort. Using Informational Text to Teach Literature is designed to help. In this second volume (the first volume is on *To Kill a Mockingbird*), we offer informational texts connected to Lorraine Hansberry’s *A Raisin in the Sun*. Readings range in genre (commencement address, historical and cultural analysis, government report, socioeconomic research study, and Supreme Court decision) and topic (housing discrimination past and present, abortion, the racial and cultural politics of hair, socioeconomic mobility and inequality, the violence associated with housing desegregation, and the struggle against the legacy of systemic racism). Each informational text is part of a student-friendly unit, with reading strategies and vocabulary, writing, and discussion activities. Teachers need to incorporate nonfiction in ways that enhance their teaching of literature. The Using Informational Text to Teach Literature series is an invaluable supportive tool.

is not right.' - Claudette Colvin On March 2, 1955, an impassioned teenager, fed up with the daily injustices of Jim Crow segregation, refused to give her seat to a white woman on a segregated bus in Montgomery, Alabama. Instead of being celebrated as Rosa Parks would be just nine months later, fifteen-year-old Claudette Colvin found herself shunned by her classmates and dismissed by community leaders. Undaunted, a year later she dared to challenge segregation again as a key plaintiff in *Browder v. Gayle*, the landmark case that struck down the segregation laws of Montgomery and swept away the legal underpinnings of the Jim Crow South. Based on extensive interviews with Claudette Colvin and many others, Phillip Hoose presents the first in-depth account of an important yet largely unknown civil rights figure, skillfully weaving her dramatic story into the fabric of the historic Montgomery bus boycott and court case that would change the course of American history. Claudette Colvin is the National Book Award Winner for Young People's Literature, a Newbery Honor Book, A YALSA Award for Excellence in Nonfiction for Young Adults Finalist, and a Robert F. Sibert Honor Book.

raisin in the sun full text: A Memory for Wonders Veronica Namoyo Le Goulard, 1993 Here for the first time is a captivating autobiography of a French girl raised in the wild Moroccan frontier by her communist parents who fled France and vowed that no one would speak to her of God and influence the development of her mind with oppressive superstition. Everything in her education, environment and training was targeted toward making her a perfect product of Marxist atheism. She sucked anti-Catholicism with her mother's milk. But God had other plans for Lucette. Emotionally neglected by her parents, Lucette became a difficult child leading a colorful life full of mischievous adventure all the while experiencing an unutterable loneliness. But the Hound of Heaven was gently pursuing her. At the age of three, upon witnessing the overwhelming beauty of a sunset after a violent sirocco sand storm, she gained the unshakable certainty that this beauty was created, and that there was a God. She began to pray. That was the first link in a chain of remarkable events that grace alone could forge, which led her to embrace the faith and become a Poor Clare nun in Algiers. Disowned by her parents, she put all her trust in Him for whom all things are possible. Her faith was rewarded with a dramatic answer to the prayers of her heart. Lucette, now Mother Veronica Namoyo, is an Abbess and foundress of two flourishing monasteries in Africa.

She learned from an early age what made her miserable, and for Scaachi anything can be cause for despair. Whether it's a shopping trip gone awry; enduring awkward conversations with her bikini waxer; overcoming her fear of flying while vacationing halfway around the world; dealing with Internet trolls, or navigating the fears and anxieties of her parents. Alongside these personal stories are pointed observations about life as a woman of color: where every aspect of her appearance is open for critique, derision, or outright scorn; where strict gender rules bind in both Western and Indian cultures, leaving little room for a woman not solely focused on marriage and children to have a career (and a life) for

herself. With a sharp eye and biting wit, incomparable rising star and cultural observer Scaachi Koul offers a hilarious, scathing, and honest look at modern life.

raisin in the sun full text: The Scarred Letter Val Muller, 2014-06-24 Heather Primm never anticipated that a single blog post could ruin her life. Heather's scoop about steroid use by key players on the school football team sets off an investigation that strips the Orchard Valley Thunderbolts of their state title-and earns Heather a coveted journalism prize. Hated by those involved in the scandal, despised by jealous members of the newspaper staff, ignored by her newly-popular ex-boyfriend, and even berated by her mother, Heather is attacked and a chilling T is carved into her face. Now stigmatized as a traitor, she becomes the object of scorn for nearly all of Orchard Valley High. But when the school offers to send her to a private academy to hush up the matter, Heather is forced to make a decision. Should she refuse to allow fear to control her life by holding to the truth, or accept the chance to escape and build a new life? Written by a veteran English teacher, *The Scarred Letter* weaves themes from Nathaniel Hawthorne's *The Scarlet Letter* into an accessible, intelligent tale of modern isolation and a young woman's quest for truth and acceptance. Authentic reboot of Nathaniel Hawthorne's *The Scarlet Letter* for today's readers. Heather Primm publishes the truth on her blog and pays an appalling price. It's up to Heather's younger sister to remind her what's true and what's not--and help her find a way forward. A powerful book. -- Adele Abbot, author, *Of Machines & Magics* and *Postponing Armageddon* High school becomes the perfect substitute for Hawthorne's Puritan society in this accessible take on *The Scarlet Letter*. Surrounded by ruthless cliques and wannabe outsiders, Heather finds out just how hard

standing up for yourself and your beliefs can be. A powerful message for readers of all ages. -- Sheri S. Levy, author, *Seven Days to Goodbye*

raisin in the sun full text: *The Girl Who Flew Away* Val Muller, 2017-03-07 No good deed goes unpunished when freshman Steffie Brenner offers to give her awkward new neighbor a ride home after her first day at school. When her older sister Ali stops at a local park to apply for a job, Steffie and Madison slip out of the car to explore the park--and Madison vanishes. Already in trouble for a speeding ticket, Ali insists that Steffie say nothing about Madison's disappearance. Even when Madison's mother comes looking for her. Even when the police question them. Some secrets are hard to hide, though--especially with Madison's life on the line. As she struggles between coming clean or going along with her manipulative sister's plan, Steffie begins to question if she or anyone else is really who she thought they were. After all, the Steffie she used to know would never lie about being the last person to see Madison alive--nor would she abandon a friend in the woods: alone, cold, injured, or even worse. But when Steffie learns an even deeper secret about her own past, a missing person seems like the least of her worries...

raisin in the sun full text: *Examining Lorraine Hansberry's A Raisin in the Sun as Counternarrative* Carl A. Grant, 2023-09-29 Examining Lorraine Hansberry's *A Raisin in the Sun* as Counternarrative: Understanding the Black Family and Black Students shows how and why Lorraine Hansberry's play, *A Raisin in the Sun*, should be used as a teaching tool to help educators develop a more accurate and authentic understanding of the Black Family. The purpose of this book is to help educators develop a greater awareness of Black children and youth's, humanity, academic potential and learning capacity, and for teachers to develop the consciousness to disavow white supremacy, American exceptionalism, myths, racial innocence, and personal absolution within the education system. This counternarrative responds to the flawed and racist perceptions, stereotypes, and tropes that are perpetuated in schools and society about the African American family and Black students in US schools. It is deliberative and reverberating in addressing anti-Black racism. It argues that, if Education is to be reimagined through a social justice structure, teachers must be educated with works that include Black artists and educators, and teachers must be committed to decolonizing their own minds. *Examining Lorraine Hansberry's A Raisin in the Sun as Counternarrative: Understanding the Black Family and Black Students* is important reading for undergraduate and postgraduate courses in Educational Foundations, Curriculum and Instruction, Education Policy, Multicultural Education, Social Justice Education, and Black Studies. It will also be beneficial reading for in-service educators.
