The captives include a recently retired couple who relentlessly hunt down fixer-uppers to avoid the painful truth that they can’t fix their own marriage. After oil was discovered beneath their land, the Osage rode in chauffeured automobiles, built mansions, and sent their children to study in Europe. Then, one by one, the Osage began to be killed off. The family of an Osage woman, Mollie Burkhart, became a prime target. One of her relatives was shot. Another was poisoned. And it was just the beginning, as more and more Osage were dying under mysterious circumstances, and many of those who dared to investigate the killings were themselves murdered. As the death toll rose, the newly created FBI took up the case, and the young director, J. Edgar Hoover, turned to a former Texas Ranger named Tom White to try to unravel the mystery. White put together an undercover team, including a Native American agent who infiltrated the region, and together with the Osage began to expose one of the most chilling conspiracies in American history. **night agent imdb: The Night of the Iguana** Tennessee Williams, 2009-10-30 Now published for the first time as a trade paperback with a new introduction and the short story on which it was based. Williams wrote: "This is a play about love in its purest terms." It is also Williams's robust and persuasive plea for endurance and resistance in the face of human suffering. The earthy widow Maxine Faulk is proprietress of a rundown hotel at the edge of a Mexican cliff overlooking the Pacific Ocean where the defrocked Rev. Shannon, his tour group of ladies from a West Texas women's college, the self-described New England spinster Hannah Jelkes and her ninety-seven-year-old grandfather, Jonathan Coffin ("the world's oldest living and practicing poet"), a family of grotesque Nazi vacationers, and an iguana tied by its throat to the veranda, all find themselves assembled for a rainy and turbulent night. This is the first trade paperback edition of The Night of the Iguana and comes with an Introduction by award-winning playwright Doug Wright, the author's original Foreword, the short story "The Night of the Iguana" which was the germ for the play, plus an essay by noted Tennessee Williams scholar, Kenneth Holditch. "I'm tired of conducting services in praise and worship of a senile delinquent—yeah, that's what I said, I shouted! All your Western theologies, the whole mythology of them, are based on the concept of God as a senile delinquent and, by God, I will not and cannot continue to conduct services in praise and worship of this...this...this angry, petulant old man." —The Rev. T. Lawrence Shannon, from The Night of the Iguana
