

St George Family History Center

Unlocking Your Ancestral Legacy: A Guide to the St. George Family History Center

Are you captivated by the stories whispered through generations? Do you yearn to connect with your roots and understand the tapestry of your family's past? Then the St. George Family History Center is your gateway to a richer understanding of who you are. This comprehensive guide dives deep into the resources, services, and experiences awaiting you at this remarkable facility, helping you navigate your genealogical journey with confidence. We'll explore everything from accessing vital records to utilizing cutting-edge technology, ensuring your visit is both productive and rewarding.

H2: Discovering the Heart of Genealogical Research in St. George

The St. George Family History Center, located in the heart of Utah's stunning southwestern landscape, is more than just a library; it's a vibrant hub for family history enthusiasts. Its strategic location, nestled within a region rich in Mormon pioneer history, provides unparalleled access to unique and extensive genealogical resources. Whether you're a seasoned researcher or just beginning your family history quest, this center offers something for everyone. The knowledgeable staff are passionate about helping individuals uncover their past, providing personalized guidance and support at every stage of your research.

H2: A Treasure Trove of Resources: What You'll Find at the Center

The St. George Family History Center boasts an impressive collection of resources meticulously curated to assist in genealogical research. This includes:

H3: Extensive Microfilm and Microfiche Collections:

The center houses an extensive collection of microfilmed and microfiche historical records, encompassing vital records such as birth certificates, marriage licenses, death certificates, census records, and immigration documents from across the globe. These resources offer a window into the lives of your ancestors, providing invaluable details about their lives and circumstances.

H3: Computerized Databases and Software:

Beyond physical records, the center offers access to a wide array of computerized databases, including Ancestry.com, FamilySearch, and other essential genealogical software. These digital tools allow for efficient searching, record indexing, and collaborative research. Staff members are well-versed in using this software and are happy to assist visitors in their research.

H3: Specialized Collections:

The St. George Family History Center often houses specialized collections focusing on local Utah history and the unique genealogical challenges presented by researching pioneer families. These collections can be crucial for anyone tracing their ancestry in the region.

H3: Expert Assistance and Workshops:

Perhaps the most valuable resource at the center is its knowledgeable and friendly staff. They offer personalized assistance to guide researchers through the sometimes complex world of genealogy. The center also regularly hosts workshops and training sessions designed to enhance research skills and introduce new methodologies.

H2: Planning Your Visit: Making the Most of Your Research Time

To maximize your time at the St. George Family History Center, it's beneficial to plan ahead. Consider the following:

H3: Research Preparation:

Before your visit, gather any information you already possess about your family, such as names, dates, locations, and any existing family trees. This will provide a strong foundation for your research.

H3: Utilizing Online Resources:

Familiarize yourself with the online resources available through FamilySearch and other genealogical websites. This pre-research can help you identify key records and focus your efforts during your visit.

H3: Contacting the Center:

Reach out to the St. George Family History Center in advance to confirm operating hours, inquire about specific collections, and schedule any assistance you may need.

H2: Beyond the Center: Exploring St. George's Rich History

While the Family History Center is a focal point for genealogical research, St. George itself offers a wealth of historical sites and attractions. Exploring these locations can enrich your understanding of your ancestors' lives and provide a tangible connection to the past.

H2: Conclusion

The St. George Family History Center is a crucial resource for anyone embarking on a genealogical journey. Its comprehensive resources, knowledgeable staff, and welcoming atmosphere make it an ideal location for both novice and experienced researchers. By leveraging its offerings and planning your visit effectively, you can unlock your ancestral legacy and embark on a fascinating exploration of your family history.

Frequently Asked Questions (FAQs)

1. What are the operating hours of the St. George Family History Center? Operating hours vary; it's best to check their official website or contact them directly for the most up-to-date schedule.
2. Is there a cost to utilize the resources at the center? Most resources are free to use, however, some specialized software or databases might require membership or fees.
3. Do I need an appointment to visit the center? While appointments aren't always mandatory, it's advisable, especially if you require extensive assistance or have specific research needs.
4. What types of records are commonly available at the center? The center holds a wide range of records, including birth, marriage, death, census, immigration, and military records, as well as many local and regional historical documents.
5. Can I access the center's resources remotely? While some resources are available online through

FamilySearch, a visit to the center allows access to the full range of physical and specialized collections.

st george family history center: A Guide to Mormon Family History Sources Kip Sperry, 2011-01-01 Never before has the wide array of Mormon family history sources been gathered into one comprehensive and easy-to-use guide. In *A Guide to Mormon Family History Sources*, author, professor, and lecturer Kip Sperry explains electronic databases, websites, microfilm collections, indexed, and more, all relating to the Latter-day Saint family history. Whether you are taking your first step into your Latter-day Saint ancestry, your fiftieth, or your five-hundredth, *A Guide to Mormon Family History Sources* will lead you to something new.

st george family history center: *The 19th Wife* David Ebershoff, 2009-06-02 It is 1875, and Ann Eliza Young has recently separated from her powerful husband, Brigham Young, prophet and leader of the Mormon Church. Expelled and an outcast, Ann Eliza embarks on a crusade to end polygamy in the United States. A rich account of her family's polygamous history is revealed, including how both she and her mother became plural wives. Yet soon after Ann Eliza's story begins, a second exquisite narrative unfolds—a tale of murder involving a polygamist family in present-day Utah. Jordan Scott, a young man who was thrown out of his fundamentalist sect years earlier, must reenter the world that cast him aside in order to discover the truth behind his father's death. And as Ann Eliza's narrative intertwines with that of Jordan's search, readers are pulled deeper into the mysteries of love, family, and faith.

st george family history center: *"Swell Suffering"* Veda Tebbs Hale, 2011-05-01 2012 Best Biography Award, Mormon History Association Maurine Whipple, author of what some critics consider Mormonism greatest novel, *The Giant Joshua*, is an enigma. Her prize-winning novel has never been out of print, and its portrayal of the founding of St. George draws on her own family history to produce its unforgettable and candid portrait of plural marriage's challenges along with its winsome, gallant, and sparkling heroine Clory McIntyre. Yet Maurine's life is full of contradictions and unanswered questions. Why did she never finish her projected trilogy after writing what she considered to be its first volume? Why, when she considered herself an outcast from St. George society, did she never leave it for longer than a few months? What happened to her dreams of romantic love, marriage, and a family? Given the on-going popularity of *The Giant Joshua* and at least three attempts to put the story on the screen, why has a movie never been made? For extended periods of her life, she was paralyzed by personal suffering, yet did her greatest creative achievement emerge from that pain? Veda Tebbs Hale, a personal friend of the paradoxical novelist, answers these questions with sympathy and tact, nailing each insight down with thorough research in Whipple's vast but under-utilized collected papers. By her mastery of Whipple's letters, diaries, exhaustive oral histories, and draft after draft of unrealized dreams, Veda Hale bring a novelist's life into focus. Exasperating, dazzlingly creative, courageous, brave, frequently misguided, Maurine Whipple emerges in this biography as an unforgettable character in her own right.

st george family history center: Explorer's Guide Utah Christine Balaz, 2009-06-01 Utah: An

Explorer's Guide introduces the reader to the best of the state's accommodations, restaurants, and attractions. Emphasizing the appeal of Utah's natural beauty and adventure, this guidebook includes some of the nation's best skiing, mountain biking, and hiking, as well as galleries, entertainment, and traditional tourist attractions, including Mormon points of interest. Each item was selected for quality, location, variety, uniqueness, and regional and historical significance.

st george family history center: Massacre at Mountain Meadows Ronald W. Walker, Richard E. Turley, Glen M. Leonard, 2008-08-19 On September 11, 1857, a band of Mormon militia, under a flag of truce, lured unarmed members of a party of emigrants from their fortified encampment and, with their Paiute allies, killed them. More than 120 men, women, and children perished in the slaughter. Massacre at Mountain Meadows offers the most thoroughly researched account of the massacre ever written. Drawn from documents previously not available to scholars and a careful re-reading of traditional sources, this gripping narrative offers fascinating new insight into why Mormons settlers in isolated southern Utah deceived the emigrant party with a promise of safety and then killed the adults and all but seventeen of the youngest children. The book sheds light on factors contributing to the tragic event, including the war hysteria that overcame the Mormons after President James Buchanan dispatched federal troops to Utah Territory to put down a supposed rebellion, the suspicion and conflicts that polarized the perpetrators and victims, and the reminders of attacks on Mormons in earlier settlements in Missouri and Illinois. It also analyzes the influence of Brigham Young's rhetoric and military strategy during the infamous Utah War and the role of local Mormon militia leaders in enticing Paiute Indians to join in the attack. Throughout the book, the authors paint finely drawn portraits of the key players in the drama, their backgrounds, personalities, and roles in the unfolding story of misunderstanding, misinformation, indecision, and personal vendettas. The Mountain Meadows Massacre stands as one of the darkest events in Mormon history. Neither a whitewash nor an exposé, Massacre at Mountain Meadows provides the clearest and most accurate account of a key event in American religious history.

st george family history center: Fun with the Family Florida Stephen Morrill, Del Adele Woodyard, 2009-11-24 Fun with the Family Florida leads the way to historical attractions, children's museums, festivals, parks, and much more.

st george family history center: The Mormon Battalion Norma Ricketts, 1997-01-15 Few events in the history of the American Far West from 1846 to 1849 did not involve the Mormon Battalion. The Battalion participated in the United States conquest of California and in the discovery of gold, opened four major wagon trails, and carried the news of gold east to an eager American public. Yet, the battalion is little known beyond Mormon history. This first complete history of the wide-ranging army unit restores it to its central place in Western history, and provides descendants a complete roster of the Battalion's members.

st george family history center: The Utah Guide, 3rd Ed Alan Kent Powell, 2003 This is the most comprehensive guidebook to the state of Utah, with information on historic attractions, festivals, cultural events, outdoor activities, accommodations, and restaurants. 139 photos. 9 maps.

Ancestry magazine is published 6 times yearly by Ancestry Inc.,

parent company of Ancestry.com.

st george family history center: A Houck Family History Norma Crowley Reynolds, 2008 Martin Hauck, son of Martin Hauck and Barbara Sonnenberger, was born 10 February 1683 in Wessingen, Hohenzollern. He married Anna Maria Kunz, daughter of Georg Kunz and Eva Scherer, in 1712. They had eight children. Many of their descendants immigrated to America.

st george family history center: The Francis Richard Family: From French Nobility to Florida Pioneers Mark A. McDonough, 2010-12 After killing a man in a duel, Louis Francois was forced to flee Florence and his privileged life of a nobleman. He started over in the French colony of St. Domingue (Haiti). He married, took on the Richard surname of his extended family, started his own family and a successful plantation. The Slave Revolt of 1791 forced them to flee. They made their way to Florida, a Spanish colony. Despite enduring the privations of pioneer life and Indian attacks, the Richards survived and even prospered. During the Patriot War of 1812, Georgian rebels devastated the area and forced the Richards to abandon their plantations. Francis Jr. returned and operated a sawmill plantation. He fathered 11 children with his slaves; educated, and provided for them all. Raising 15 children on his plantation during the Seminole Wars, brother John Charles became the progenitor of a long line Florida Richards. While most members of the Richard Clan were prominent citizens, quite a few were of dubious character, and met violent deaths.

st george family history center: A History of Washington County Douglas D. Alder, Karl F. Brooks, 2007

st george family history center: Mormon Battalion Norma Ricketts, 1997-01-01 Few events in the history of the American Far West from 1846 to 1849 did not involve the Mormon Battalion. The Battalion participated in the United States conquest of California and in the discovery of gold, opened four major wagon trails, and carried the news of gold east to an eager American public. Yet, the battalion is little known beyond Mormon history. This first complete history of the wide-ranging army unit restores it to its central place in Western history, and provides descendants a complete roster of the Battalion's members.

st george family history center: A Sourcebook for Genealogical Research Foster Stockwell, 2015-09-18 Genealogists can sometimes require obscure resources when in search of information about ancestors. Tracking down records to complete a family tree can become laborious when the researcher doesn't know where to begin looking. Many of the best resources are maintained regionally or even locally, and aren't widely known. This reference work serves as a guide to both beginning and experienced genealogy researchers. The sourcebook is easily accessible and usable, featuring approximately 270 entries on all aspects of genealogical research and family history compilation. The entries are listed alphabetically and cross-referenced so any researcher can quickly find the information he or she is seeking. Each state and each of the provinces of Canada has its own entry; other countries are listed under appropriate headings. The author also provides more than 700 addresses from all over the world so that the genealogist or general researcher may contact any one of these organizations to obtain specific information about particular births, deaths, marriages, or other life events in order to complete a family tree.

st george family history center: Workman Family History Thelma Chidester Anderson, 1962 This is a record of the Workmans from 1534 in England.

st george family history center: History and Genealogy of the Pearsall Family in England and America Clarence Eugene Pearsall, 1928

st george family history center: County Cavan and County Leitrim, Ireland, genealogy and family history notes Michael C. O'Laughlin, 2002 This illustrated, well indexed book, was created exclusively to help you find your family in Counties Cavan and Leitrim in Ireland. Focusing specifically on families within these neighbouring counties, the book includes an introduction to research and sources in each county. The most numerous families from birth records are given, as well as rather rare Cavan and Leitrim families found in heraldic records. Included you will find a full page map of both counties from the Atlas of Ireland, along with a listing of modern parishes and old townlands, along with the address and location of records for more research. This work includes

copies of actual records (some worn, torn and faded), it also includes rough sketches of family coats of arms and notes from centuries past - seldom found elsewhere. The resources provided here will help research any family in the county, including old Irish families, and settler families from England, Scotland, Wales and the continent. This book is a hands on guide for finding your family in Cavan and Leitrim - some family history is included - but it is not a gigantic collection of family histories. For that see 'The Book of Irish Families Great and Small'.

st george family history center: *Directory of Historical Organizations in the United States and Canada* American Association for State and Local History, 2002 This multi-functional reference is a useful tool to find information about history-related organizations and programs and to contact those working in history across the country.

st george family history center: **Ware Family History** Wanda Ware DeGidio, 2003

st george family history center: **The Center** Christina K. Schaefer, 1996 This book's aim is simple: to identify resources in the Washington, DC area that will aid family historians in tracing their ancestors. In meeting that goal, it shows the researcher precisely what genealogical resources are available in the nation's capital and where they can be found. More than a tool, this book is a resource in itself.

st george family history center: **The 1996 Genealogy Annual** Thomas Jay Kemp, 1997-12 The Genealogy Annual is a comprehensive bibliography of the year's genealogies, handbooks, and source materials. It is divided into three main sections.

liFAMILY HISTORIES-/licites American and international single and multifamily genealogies, listed alphabetically by major surnames included in each book.

liGUIDES AND HANDBOOKS-/liincludes reference and how-to books for doing research on specific record groups or areas of the U.S. or the world.

liGENEALOGICAL SOURCES BY STATE-/liconsists of entries for genealogical data, organized alphabetically by state and then by city or county.

The Genealogy Annual, the core reference book of published local histories and genealogies, makes finding the latest information easy. Because the information is compiled annually, it is always up to date. No other book offers as many citations as The Genealogy Annual; all works are included. You can be assured that fees were not required to be listed.

st george family history center: *Black Genesis* James M. Rose, Alice Eichholz, 2003 Designed with both the novice and the professional researcher in mind, this text provides reference resources and introduces a methodology specific to investigating African-American genealogy. In the second edition, information has been reorganized by state. Within each state are listings for resources such as state archives, census records, military records, newspapers, and manuscript collections.

Regular features include "Found!" by Megan Smolenyak, reader-submitted heritage recipes, Howard Wolinsky's tech-driven "NextGen," feature articles, a timeline, how-to tips for Family Tree Maker, and insider insight to new tools and records at Ancestry.com. Ancestry magazine is published 6 times yearly by Ancestry Inc., parent company of Ancestry.com.

st george family history center: *Nineteenth-Century Mormon Architecture and City Planning* C. Mark Hamilton, 1995-08-24 This book is the first comprehensive study of Mormon architecture. It centers on the doctrine of Zion which led to over 500 planned settlements in Missouri, Illinois, Utah, Idaho, Wyoming, Colorado, New Mexico, Arizona, California, Nevada, Canada, and Mexico. This doctrine also led to a hierarchy of building types from temples and tabernacles to meetinghouses and tithing offices. Their built environment stands as a monument to a unique utopian society that not only survived but continues to flourish where others have become historical or cultural curiosities. Hamilton's account, augmented by 135 original and historical photographs, provides a fascinating example of how religious teachings and practices are expressed in planned communities and architecture types.

st george family history center: *Moon Utah* W. C. McRae, Judy Jewell, 2019-05-28 From remote deserts and arid mountain ranges to colorful canyons and world-famous national parks, Moon Utah reveals the best of this adventurous state. st george family history center: *The 19th Wife (Random House Reader's Circle Deluxe Reading Group Edition)* David Ebershoff, 2012-06-11 "A literary tour de force . . . [David] Ebershoff intertwines a modern-day murder mystery with a sweeping historical saga."—People (4 out of 4 stars) It is 1875, and Ann Eliza Young has recently separated from her powerful husband, Brigham Young, prophet and leader of the Mormon Church. Expelled and an outcast, Ann Eliza embarks on a crusade to end polygamy in the United States. A rich account of her family's polygamous history is revealed, including how both she and her mother became plural wives. Yet soon after Ann Eliza's story begins, a second exquisite narrative unfolds—a tale of murder involving a polygamist family in present-day Utah. Jordan Scott, a young man who was thrown out of his fundamentalist sect years earlier, must reenter the world that cast him aside in order to discover the truth behind his father's death. As Ann Eliza's narrative intertwines with that of Jordan's search, readers are pulled deeper into the mysteries of love, family, and faith. This new deluxe eBook edition

features more than sixty-five additional pages of exclusive, author-approved annotations throughout the text, which contain new illustrations and photographs, to enrich your reading experience. Praise for *The 19th Wife* “Engrossing . . . remarkable . . . a book packed with historical illumination, unforgettable characters and the deepest questions about the tenacity of belief . . . The greatest triumph is the way [The 19th Wife] illuminates the larger landscapes of faith.”—The Washington Post Book World “Wonderfully lyrical . . . The 19th Wife is a big book, in every sense of the word. It sweeps across time and delves deeply into a world long hidden from sight . . . and in the process it does that thing all good novels do: It entertains us.”—Los Angeles Times “Rarely has a work of fiction seemed more timely. . . . A page-turning epic . . . [a] tour de force.”—Vogue “Wonderful . . . as chilling as it is entertaining.”—New York Daily News “Part history class, part exposé, part love story, *The 19th Wife* is thoroughly addictive. . . . Ebershoff not only imparts a valuable lesson on religion, but spins a compelling tale that makes readers question the power of faith and what we believe and why.”—USA Today “Ambitious . . . fascinating . . . Ebershoff demonstrates abundant virtuosity, as he convincingly inhabits the voices of both a nineteenth-century Mormon wife and a contemporary gay youth excommunicated from the church, while also managing to say something about the mysterious power of faith.”—The New Yorker

st george family history center: *Your Sister in the Gospel* Quincy D. Newell, 2019-04-05
Dear Brother, Jane Manning James wrote to Joseph F. Smith in 1903, I take this opportunity of writing to ask you if I can get my endowments and also finish the work I have begun for my dead.... Your sister in the Gospel, Jane E. James. A faithful Latter-day Saint since her conversion sixty years earlier, James had made this request several times before, to no avail, and this time she would be just as unsuccessful, even though most Latter-day Saints were allowed to participate in the endowment ritual in the temple as a matter of course. James, unlike most Mormons, was black. For that reason, she was barred from performing the temple rituals that Latter-day Saints believe are necessary to reach the highest degrees of glory after death. A free black woman from Connecticut, James positioned herself at the center of LDS history with uncanny precision. After her conversion, she traveled with her family and other converts from the region to Nauvoo, Illinois, where the LDS church was then based. There, she took a job as a servant in the home of Joseph Smith, the founder and first prophet of the LDS church. When Smith was killed in 1844, Jane found employment as a servant in Brigham Young's home. These positions placed Jane in proximity to Mormonism's most powerful figures, but did not protect her from the church's racially discriminatory policies. Nevertheless, she remained a faithful member until her death in 1908. *Your Sister in the Gospel* is the first scholarly biography of Jane Manning James or, for that matter, any black Mormon. Quincy D. Newell chronicles the life of this remarkable yet largely unknown figure and reveals why James's story changes our understanding of American history.

st george family history center: *Ebony*, 1999-02 EBONY is the flagship magazine of Johnson Publishing. Founded in 1945 by John H. Johnson, it still maintains the highest global circulation of any African American-focused magazine.

st george family history center: Family History and Temples Including Grigg and Related Family Genealogies Dick Grigg, 2011-12-14 This is a compilation of references to Family History and temple work from the Bible, Book of Mormon, Doctrine and Covenants, Pearl of Great Price, and Modern Church Leaders. Also there is a chapter on faith promoting stories from family history experiences and a chapter on family stories and descendant charts of the Grigg family. There is information on how modern research techniques using computers, digitizing of records and the internet facilitates the researching and finding of your ancestors. The last chapter is an update and republishing of the the book titled Parley M. Grigg, Jr. and Thankful Halsey Gardners Descendants and History published in 1992. This correlated publication shows that in all ages of the world since the creation of Adam, God has desired His Holy Ordinances to be done in a House built to His name, namely a Temple of God. This compilation is also designed to show that Jesus plan of redemption for all mankind includes vicarious ordinance work for the dead to be done in Gods Holy Temples by those living in the Dispensation of the Fullness of Times. This was all in Gods plan for the

redemption of all mankind before the foundation of this world.
