Sleeping Dog Parents Guide: Understanding Your Canine's Slumber

Is your furry friend snoring softly beside you, or perhaps sprawled dramatically across the entire sofa? Understanding your dog's sleep patterns isn't just cute; it's crucial for their well-being and your peace of mind. This comprehensive Sleeping Dog Parents Guide will equip you with the knowledge to recognize normal sleep behaviors, identify potential problems, and create a sleep environment that promotes healthy rest for your canine companion. We'll delve into sleep stages, common sleep positions, and what to watch out for, providing you with practical tips and advice.

Understanding Your Dog's Sleep Cycles

Dogs, like humans, experience different sleep stages. Knowing these stages can help you interpret your dog's behavior and identify potential health issues.

Light Sleep (REM and Non-REM): This is the stage where your dog might twitch, whimper, or even make running motions in their sleep. It's a vital stage for memory consolidation and brain development. Don't worry if you see these seemingly active movements – it's perfectly normal.

Deep Sleep (Slow-Wave Sleep): This is the restorative sleep phase where your dog's body and mind truly rest. Their breathing slows, and they are less responsive to external stimuli. This stage is essential for physical repair and energy replenishment.

The Importance of Sufficient Sleep: Just like humans, dogs need sufficient sleep to maintain their physical and mental health. Puppies require significantly more sleep than adult dogs – up to 18-20 hours a day! Adult dogs typically need 12-14 hours, although individual needs can vary depending on breed, age, activity level, and overall health. Insufficient sleep can lead to behavioral problems, decreased immunity, and increased susceptibility to illness.

Decoding Your Dog's Sleeping Positions

The way your dog sleeps can offer clues about their personality and comfort level.

Curled Up: This classic position offers security and warmth, conserving body heat. It's often seen in smaller dogs and those feeling anxious.

Sprawled Out: This relaxed position suggests a confident and comfortable dog feeling safe in their environment.

Sleeping on Their Back: This vulnerable position indicates a high level of trust and comfort in their surroundings.

Sleeping with Their Head on Your Lap: This signifies a strong bond and deep affection between you and your canine companion.

Sleeping Near Their Human: This behavior reflects your dog's social nature and desire for closeness and security.

Recognizing Signs of Sleep Problems

While a sleeping dog is often a peaceful sight, there are some signs to watch out for that might indicate underlying health issues.

Excessive Sleeping or Lethargy: If your dog is sleeping significantly more than usual or exhibiting unusual lethargy, it's crucial to consult your veterinarian. This could be a symptom of various conditions, including illness, pain, or depression.

Restlessness and Frequent Awakenings: If your dog is restless throughout the night,

frequently shifting positions or waking up, it could signify discomfort, pain, or anxiety.

Snoring or Noisy Breathing: While occasional snoring is normal, excessive or loud snoring can indicate respiratory problems and should be addressed by a vet.

Night Terrors or Sleepwalking: While less common, dogs can experience night terrors, exhibiting sudden awakenings with whimpering, barking, or unusual movements. Consult your veterinarian if you observe this behavior consistently.

Creating a Conducive Sleep Environment

A comfortable and safe sleeping environment is key to ensuring your dog gets the rest they need.

Quiet and Dark Space: Dogs prefer quiet, dark places to sleep. Provide a comfortable bed in a quiet area of your home, away from excessive noise and light.

Temperature Control: Ensure the room temperature is comfortable for your dog. Avoid extreme temperatures, as both heat and cold can disrupt their sleep.

Safe and Secure: Make sure your dog's sleeping area is safe and secure, free from hazards.

Routine and Consistency: Establishing a consistent bedtime routine can help regulate your dog's sleep cycle and promote better rest.

Conclusion

Understanding your dog's sleep patterns is an essential part of responsible pet ownership. By paying attention to your dog's sleep habits, their positions, and recognizing potential problems, you can contribute to their overall health and well-being. A well-rested dog is a happy dog, and a happy dog brings joy to the entire family. Remember, if you have concerns about your dog's sleep, always consult with your veterinarian.

FAQs

1. My dog sleeps a lot more than usual. Should I be worried? Increased sleeping can be a sign of illness, pain, or other underlying health issues. Consult your vet immediately.

2. My dog is constantly restless at night. What can I do? Try creating a calmer sleep environment, addressing any anxiety triggers, and establishing a consistent bedtime routine. If the problem persists, consult your vet.

3. Is it okay to let my dog sleep in my bed? This is a personal preference. Ensure your dog is comfortable and doesn't disrupt your sleep.
4. What kind of bed is best for my dog? Choose a bed that is appropriately sized and supportive for your dog's breed and size. Consider orthopedic beds for older dogs.
5. My dog snores loudly. Is this a cause for concern? Loud or consistent snoring might signal respiratory problems. Schedule a veterinary check-up to rule out any underlying health issues.

sleeping dog parents guide: *The House on Mango Street* Sandra Cisneros, 2013-04-30
 NATIONAL BESTSELLER • A coming-of-age classic about a young girl growing up in Chicago • Acclaimed by critics, beloved by readers of all ages, taught in schools and universities alike, and translated around the world—from the winner of the 2019 PEN/Nabokov Award for Achievement in International Literature. “Cisneros draws on her rich [Latino] heritage...and seduces with precise, spare prose, creat[ing] unforgettable characters we want to lift off the page. She is not only a gifted writer, but an absolutely essential one.” —The New York Times Book Review *The House on Mango Street* is one of the most cherished novels of the last fifty years. Readers from all walks of life have fallen for the voice of Esperanza Cordero, growing up in Chicago and inventing for herself who and what she will become. “In English my name means hope,” she says. “In Spanish it means too many letters. It means sadness, it means waiting. Told in a series of vignettes—sometimes heartbreaking, sometimes joyous—Cisneros’s masterpiece is a classic story of childhood and self-discovery and one of the greatest neighborhood novels of all time. Like Sinclair Lewis’s *Main Street* or Toni Morrison’s *Sula*, it makes a world through people and their voices, and it does so in language that is poetic and direct. This gorgeous coming-of-age novel is a celebration of the power of telling one’s story and of being proud of where you're from.

sleeping dog parents guide: *Good Nights* Maria Goodavage, Jay Gordon, 2007-04-01 Your baby sleeps in your bed, and you love it. Except for those nagging worries about safety. (She's so small, I'm so big!) And what your relatives are saying. (She'll never leave your bed!) And that little foot that always ends up on your face. Worry no more! *Good Nights* puts your concerns about the family bed to rest, with fun and easy-to-use guidance on safety, coping with criticism, and even keeping the spark in your marriage (albeit outside the bedroom). With warmth and humor, Dr. Jay Gordon, a nationally recognized pediatrician who has endorsed the family bed for decades, and Maria Goodavage, a former USA Today staff writer with training in sleep research, give you everything you'll need in order to thrive - and at times, simply survive - with the family bed. *Good Nights* provides a comprehensive look at: - SCIENTIFIC RESEARCH - Science is uncovering a wealth of advantages, including possible protection from SIDS, for babies who share their parents' bed. - SURPRISING BENEFITS - Parents of young babies get much more sleep with the family bed! And little ones who spend time sleeping next to parents end up more independent (you read that right!) and closer to their parents than their cribbed peers. - SAFETY - The authors give simple-to-follow advice on how to make your family bed at least as safe as a crib. - SOUND SLEEP - Yes, it can be had. *Good Nights* lets you know how to overcome the obstacles. - SEX - Ditto. - SAYING GOOD-BYE - Your child really will leave your bed! *Good Nights* helps you help your child move on when the time is right. If you're among the record number of parents turning to the family bed, turn to *Good Nights*. It's a bedside companion you won't want to be without.

sleeping dog parents guide: *The Bone Spindle* Leslie Vedder, 2022-01-11 An Instant Indie Bestseller! Sleeping Beauty meets Indiana Jones in this thrilling fairytale retelling for fans of *Sorcery of Thorns* and *The Cruel Prince*. Fi is a bookish treasure hunter with a knack for ruins and riddles, who definitely doesn't believe in true love. Shane is a tough-as-dirt girl warrior from the north who likes cracking skulls, pretty girls, and doing things her own way. Briar Rose is a prince under a sleeping curse, who's been waiting a hundred years for the kiss that will wake him. Cursed princes

are nothing but ancient history to Fi—until she pricks her finger on a bone spindle while exploring a long-lost ruin. Now she's stuck with the spirit of Briar Rose until she and Shane can break the century-old curse on his kingdom. Dark magic, Witch Hunters, and bad exes all stand in her way—not to mention a mysterious witch who might wind up stealing Shane's heart, along with whatever else she's after. But nothing scares Fi more than the possibility of falling in love with Briar Rose. Set in a lush world inspired by beloved fairytales, *The Bone Spindle* is a fast-paced young adult fantasy full of adventure, romance, found family, and snark.

sleeping dog parents guide: *The Conscious Parent's Guide to Childhood Anxiety* Sherianna Boyle, 2015-12-12 Help your child feel confident and capable! If your child has been given a diagnosis of anxiety, you may be feeling overwhelmed and unsure of what to do next. With *The Conscious Parent's Guide to Childhood Anxiety*, you will learn how to take a relationship-centered approach to parenting that engages your child and ensures that he succeeds behaviorally, socially, and cognitively. Conscious parenting is about being present with your child and taking the time to understand how to help him flourish. By practicing this mindful method, you can support your child emotionally and help nurture his development. This easy-to-use guide helps you to: Communicate openly with your child about anxiety Build a supportive home environment Determine your child's anxiety triggers Learn strategies that will help your child release anxiety and feel calm Teach your child long-term coping skills Discipline your child without increasing his anxiety Educate and work with teachers and school officials With *The Conscious Parent's Guide to Childhood Anxiety*, you will learn to create a calm and mindful atmosphere for the whole family, while helping your child feel competent, successful, and healthy.

sleeping dog parents guide: *A Modern Parents' Guide to Nursery Rhymes* Jennifer Griffin, 2022-03-29 Because it's two o'clock in the morning and you can't remember "Twinkle, Twinkle, Little Star" Once upon a time, every parent knew Little Jack Horner, Wee Willie Winkie, and Little Miss Muffet. Now you will, too, with this crash course on timeless pleasures of Mother Goose and beyond. It features more than 70 poems, lullabies, rounds, and riddles, from classics like "Hey Diddle Diddle," to newer songs like "The Wheels on the Bus," too wonderful non-English versus including "Pío, Pío, Pío," the sweet yet dramatic Chilean ditty about chickens. Plus, exactly how to perform the intricate finger ballet known as "Itsy Bitsy Spider." Includes downloadable recordings.

sleeping dog parents guide: *Smith's Dream* Christian K. Stead, 1978

sleeping dog parents guide: *Anorexia And Bulimia: A Parent's Guide To Recognising Eating Disorders and Taking Control* Dee Dawson, 2012-05-31 Anorexia nervosa is a condition in which sufferers diet continually and starve themselves. They may also use laxatives, vomiting or exercise excessively in order to control weight. Anorexia usually occurs in young women, starting in their teens, and it is estimated that about 2 per cent of all young women suffer from it. Bulimia is an eating disorder which is also on the rise among young people. They use the binge/purge cycle to extreme in their attempts to control their weight. This is a comprehensive, positive and practical guide to detecting the early signs of eating disorders and then curing them. Written with years of experience and expertise, it encourages parents to understand the illness, overcome their fears and take control of the situation, whether that means enforcing a strict meal plan or taking the decision to seek professional help. The book includes early signs to look out for; the possible effects of the illness, both physical and psychological; the treatments available and, most importantly, the plan, which helps parents to take positive action and really make a difference to their child's life.

sleeping dog parents guide: *Parent Guides to Connecting in Chaos* Axis, 2023-11-21 The five parent guides in this bundle offer deep insights and clear strategies for confronting difficult topics with your teen. Many of these topics trigger complex emotions and can intimidate parents away from broaching the subject for fear of doing it wrong or making things awkward. The concise format and conversational style make the guides accessible and understandable. Parents will feel empowered to strengthen their relationships with their kids through tough times.

sleeping dog parents guide: *Freewater* Amina Luqman-Dawson, 2022-02-01 Winner of the John Newbery Medal Winner of the Coretta Scott King Author Award Award-winning author Amina

Luqman-Dawson pens a lyrical, accessible historical middle-grade novel about two enslaved children's escape from a plantation and the many ways they find freedom. After an entire young life of enslavement, twelve-year-old Homer escapes Southerland Plantation with his little sister Ada, leaving his beloved mother behind. Much as he adores her and fears for her life, Homer knows there's no turning back, not with the overseer on their trail. Through tangled vines, secret doorways, and over a sky bridge, the two find a secret community called Freewater, deep in the recesses of the swamp. In this new, free society made up of escaped slaves and some born-free children, Homer cautiously embraces a set of spirited friends, almost forgetting where he came from. But when he learns of a threat that could destroy Freewater, he hatches a plan to return to Southerland plantation, overcome his own cautious nature, and free his mother from enslavement. Loosely based on a little-mined but important piece of history, this is an inspiring and deeply empowering story of survival, love, and courage.

sleeping dog parents guide: Canine Enrichment for the Real World Allie Bender, Emily Strong, 2019-11-08 In the world of dogs, there is now more awareness than ever of the need to provide enrichment, especially in shelters. But what exactly is enrichment? The concept is pretty straightforward: learn what your dog's needs are, and then structure an environment and routine that allows them to engage in behaviors they find enriching. To truly enrich your dog's life, you should offer them opportunities to engage in natural or instinctual behaviors. Aside from the limitations we have to place on a dog in today's modern, busy world, the biggest constraint to enriching your dog's life is your imagination! What the experts say about Canine Enrichment: Don't let the word "enrichment" in the title fool you into thinking that the scope of this book is too narrow or not something you will find valuable. It focuses comprehensively on meeting your dog's needs and is written in a holistic, science-based, practical, straightforward, and easy-to-understand way. I love this book! Ken Ramirez, author of Animal Training: Successful Animal Management Through Positive Reinforcement Canine Enrichment is a deep dive into what dogs really need and how we can provide it. It's a great book for dog lovers who want to go beyond the standard superficialities of "dogs need exercise." Just the chapter on agency is worth the price of the book! Patricia McConnell, Ph.D., CAAB Emeritus, author of The Other End of the Leash and The Education of Will The scope of this book is ambitious and the authors deliver, navigating the subject of enrichment with depth and relevance. Caregivers will gain critically important perspectives and practical information to improve the lives of their animals. Susan G. Friedman, Ph.D., Professor Emeritus, Utah State University, and founder of Behavior Works, LLC

sleeping dog parents guide: Indivisible Daniel Aleman, 2021-05-04 This timely, moving debut novel follows a teen's efforts to keep his family together as his parents face deportation. Mateo Garcia and his younger sister, Sophie, have been taught to fear one word for as long as they can remember: deportation. Over the past few years, however, the fear that their undocumented immigrant parents could be sent back to Mexico started to fade. Ma and Pa have been in the United States for so long, they have American-born children, and they're hard workers and good neighbors. When Mateo returns from school one day to find that his parents have been taken by ICE, he realizes that his family's worst nightmare has become a reality. With his parents' fate and his own future hanging in the balance, Mateo must figure out who he is and what he is capable of, even as he's forced to question what it means to be an American. Daniel Aleman's Indivisible is a remarkable story—both powerful in its explorations of immigration in America and deeply intimate in its portrait of a teen boy driven by his fierce, protective love for his parents and his sister.

sleeping dog parents guide: Keeper of the Lost Cities Shannon Messenger, 2012-10-02 A New York Times bestselling series A USA TODAY bestselling series A California Young Reader Medal-winning series In this riveting series opener, a telepathic girl must figure out why she is the key to her brand-new world before the wrong person finds the answer first. Twelve-year-old Sophie has never quite fit into her life. She's skipped multiple grades and doesn't really connect with the older kids at school, but she's not comfortable with her family, either. The reason? Sophie's a Telepath, someone who can read minds. No one knows her secret—at least, that's what she thinks...

But the day Sophie meets Fitz, a mysterious (and adorable) boy, she learns she's not alone. He's a Telepath too, and it turns out the reason she has never felt at home is that, well...she isn't. Fitz opens Sophie's eyes to a shocking truth, and she is forced to leave behind her family for a new life in a place that is vastly different from what she has ever known. But Sophie still has secrets, and they're buried deep in her memory for good reason: The answers are dangerous and in high-demand. What is her true identity, and why was she hidden among humans? The truth could mean life or death—and time is running out.

sleeping dog parents guide: The Thinking Parent's Guide to College Admissions Eva Ostrum, 2006 Furnishes a guide on how to negotiate the college admissions process, offering advice, tools, and procedures that cover everything from the college application timetable to writing an effective application essay.

sleeping dog parents guide: Parent's Guide to Los Angeles, 1996 Karin Mani, 1995-09

sleeping dog parents guide: The Parents' Guide to L.A., 1995 Karin Mani, 1994-10

sleeping dog parents guide: The A-Z Guide to Exposure Dawn Huebner, Erin Neely, 2023-01-19 The art of exposure lies in perfectly pitched challenges. Get them wrong and nothing changes. Get them right and you set an anxious child free. This practical resource guide contains 75 creative, user-friendly lists of exposure activities appropriate for 5-12-year olds struggling with anxiety. Entries cover a wide range of fears and concerns, such as Clowns, Making Mistakes, Picky Eating, Separation Anxiety, and Vomiting. An essential addition to the therapeutic toolbox of practitioners using Exposure and Response Prevention (ERP), this A-Z guide combines evidence-based guidance with inventive, engaging, actionable activities for an extensive list of childhood fears and concerns.

sleeping dog parents guide: A Parent's Guide to the Prevention and Control of Drug Abuse Paul M. Goldhill, 1971

sleeping dog parents guide: Treating Chronically Traumatized Children Arianne Struik, 2014-04-16 Professionals working with traumatized children are often asked whether it would be better to 'let sleeping dogs lie', because the child may not be ready to discuss their experiences, and out of fear that they may become further distressed or disturbed. In *Treating Chronically Traumatized Children*, Arianne Struik presents the case for waking those 'sleeping dogs' in a safe and structured environment, in order to allow the healing process to begin and prevent trauma later in life. Struik has developed a method for those cases labelled most difficult to treat, involving deregulated, traumatized children who refuse to talk about their memories, or claim to have 'forgotten' them completely. It incorporates factors in the child's environment and network to ensure that they are safe and secure before beginning the process, and stable throughout treatment. Downloadable worksheets enhance the book's content and make each section straightforward to work through, supporting the child through the stabilization, processing and integration phases of treatment. Illustrated throughout by case studies and comprehensive explanation of the theory and the treatment method, *Treating Chronically Traumatized Children* is clear and accessible and is ideal for psychologists, psychiatrists, psychotherapists and counsellors, as well as parents and anyone working with chronically traumatized children and adolescents.

sleeping dog parents guide: The Adventures of Dog Man 1: Dog Man Dav Pilkey, 2016-10-06 New from the creators of *Captain Underpants*, it's *Dog Man*, the crime-biting canine who is part dog, part man, and ALL COP! George and Harold have created a new hero who digs into deception, claws after crooks, and rolls over robbers. When Greg the police dog and his cop companion are injured on the job, a life-saving surgery changes the course of history, and *Dog Man* is born. With the head of a dog and the body of a human, this heroic hound has a real nose for justice. But can he resist the call of the wild to answer the call of duty? This new series from Dav Pilkey may use conventional spelling but it is still full of all the same humour and fun of George and Harold's previous graphic novels!

sleeping dog parents guide: Sleep Like a Tiger Mary Logue, 2012 2013 Randolph Caldecott Honor Award In this magical bedtime story, the lyrical narrative echoes a *Runaway Bunny* - like

cadence: Does everything in the world go to sleep? the little girl asks. In sincere and imaginative dialogue between a not-at-all sleepy child and understanding parents, the little girl decides in a cocoon of sheets, a nest of blankets, she is ready to sleep, warm and strong, just like a tiger. The Caldecott Honor artist Pamela Zagarenski's rich, luminous mixed-media paintings effervesce with odd, charming details that nonsleepy children could examine for hours. A rare gem.

sleeping dog parents guide: Greyfriars Bobby Eleanor Atkinson, 1912 The story of the loyalty of Bobby, a Skye Terrier.

sleeping dog parents guide: *The Electric Kingdom* David Arnold, 2022-03-01 New York Times bestseller David Arnold's most ambitious novel to date; Station Eleven meets *The 5th Wave* in a genre-smashing story of survival, hope, and love amid a ravaged earth. When a deadly Fly Flu sweeps the globe, it leaves a shell of the world that once was. Among the survivors are eighteen-year-old Nico and her dog, on a voyage devised by Nico's father to find a mythical portal; a young artist named Kit, raised in an old abandoned cinema; and the enigmatic Deliverer, who lives Life after Life in an attempt to put the world back together. As swarms of infected Flies roam the earth, these few survivors navigate the woods of post-apocalyptic New England, meeting others along the way, each on their own quest to find life and love in a world gone dark. *The Electric Kingdom* is a sweeping exploration of art, storytelling, eternal life, and above all, a testament to the notion that even in an exterminated world, one person might find beauty in another.

sleeping dog parents guide: *The Film Club* David Gilmour, 2008-05-06 A warmly witty account of the three years a man spent teaching life lessons to his high school dropout son by showing him the world's best (and occasionally worst) films. At the start of this brilliantly unconventional family memoir, David Gilmour is an unemployed movie critic trying to convince his fifteen-year-old son Jesse to do his homework. When he realizes Jesse is beginning to view learning as a loathsome chore, he offers his son an unconventional deal: Jesse could drop out of school, not work, not pay rent - but he must watch three movies a week of his father's choosing. Week by week, side by side, father and son watched everything from *True Romance* to *Rosemary's Baby* to *Showgirls*, and films by Akira Kurosawa, Martin Scorsese, Brian DePalma, Billy Wilder, among others. The movies got them talking about Jesse's life and his own romantic dramas, with mercurial girlfriends, heart-wrenching breakups, and the kind of obsessive yearning usually seen only in movies. Through their film club, father and son discussed girls, music, work, drugs, money, love, and friendship - and their own lives changed in surprising ways.

sleeping dog parents guide: *My Old Dog* Laura T. Coffey, 2015-09-18 "No Dog Should Die Alone" was the attention-grabbing — and heart-stirring — headline of journalist Laura T. Coffey's TODAY show website story about photographer Lori Fusaro's work with senior shelter pets. While generally calm, easy, and already house-trained, these animals often represent the highest-risk population at shelters. With gorgeous, joyful photographs and sweet, funny, true tales of "old dogs learning new tricks," Coffey and Fusaro show that adopting a senior can be even more rewarding than choosing a younger dog. You'll meet endearing elders like Marnie, the irresistible shih tzu who has posed for selfies with Tina Fey, James Franco, and Betty White; Remy, a soulful nine-year-old dog adopted by elderly nuns; George Clooney's cocker spaniel, Einstein; and Bretagne, the last known surviving search dog from Ground Zero. They may be slower moving and a tad less exuberant than puppies, but these pooches prove that adopting a senior brings immeasurable joy, earnest devotion, and unconditional love.

sleeping dog parents guide: *The Boys in the Boat (Movie Tie-In)* Daniel James Brown, 2023-12-05 The inspiration for the Major Motion Picture Directed by George Clooney—exclusively in theaters December 25, 2023! The #1 New York Times bestselling true story about the American rowing triumph of the 1936 Olympics in Berlin—from the author of *Facing the Mountain* For readers of *Unbroken*, out of the depths of the Depression comes an irresistible story about beating the odds and finding hope in the most desperate of times—the improbable, intimate account of how nine working-class boys from the American West showed the world at the 1936 Olympics in Berlin what true grit really meant. It was an unlikely quest from the start. With a team composed of the sons of

loggers, shipyard workers, and farmers, the University of Washington's eight-oar crew team was never expected to defeat the elite teams of the East Coast and Great Britain, yet they did, going on to shock the world by defeating the German team rowing for Adolf Hitler. The emotional heart of the tale lies with Joe Rantz, a teenager without family or prospects, who rows not only to regain his shattered self-regard but also to find a real place for himself in the world. Drawing on the boys' own journals and vivid memories of a once-in-a-lifetime shared dream, Brown has created an unforgettable portrait of an era, a celebration of a remarkable achievement, and a chronicle of one extraordinary young man's personal quest.

sleeping dog parents guide: Before We Were Strangers Renée Carlino, 2015-08-18 From the USA TODAY bestselling author of *Sweet Thing* and *Nowhere But Here* comes a love story about a Craigslist "missed connection" post that gives two people a second chance at love fifteen years after they were separated in New York City. To the Green-eyed Lovebird: We met fifteen years ago, almost to the day, when I moved my stuff into the NYU dorm room next to yours at Senior House. You called us fast friends. I like to think it was more. We lived on nothing but the excitement of finding ourselves through music (you were obsessed with Jeff Buckley), photography (I couldn't stop taking pictures of you), hanging out in Washington Square Park, and all the weird things we did to make money. I learned more about myself that year than any other. Yet, somehow, it all fell apart. We lost touch the summer after graduation when I went to South America to work for National Geographic. When I came back, you were gone. A part of me still wonders if I pushed you too hard after the wedding... I didn't see you again until a month ago. It was a Wednesday. You were rocking back on your heels, balancing on that thick yellow line that runs along the subway platform, waiting for the F train. I didn't know it was you until it was too late, and then you were gone. Again. You said my name; I saw it on your lips. I tried to will the train to stop, just so I could say hello. After seeing you, all of the youthful feelings and memories came flooding back to me, and now I've spent the better part of a month wondering what your life is like. I might be totally out of my mind, but would you like to get a drink with me and catch up on the last decade and a half? M

sleeping dog parents guide: Saying Goodbye to Your Dear Dog Dorothea Deley, 2020-10 Deciding when to euthanize your Dear Dog is one of the most difficult decisions you will make. You want to make the most loving choice for your Dear Dog, but you have questions: Will I euthanize my dog too soon - or too late? How do I know if my dog is suffering? Do dogs really give a sign they're ready to go? This warmly illustrated guidebook includes: Stories from other Dog Parents to inspire and comfort you Ten questions to help you notice changes in your dog's wellbeing Guide sheets to find out if your dog is happy and healthy - or sad and suffering Questions to ask your vet about your dog's prognosis and treatment options A guided meditation to hear your intuition - valuable in this decision Additional resources online, such as videos and printer-friendly PDFs of the guide sheets Are you a new Dog Parent facing this difficult decision for the first time? Are you an experienced Dog Parent caring for your sick or aging dog? Or are you a Dog and Kid Parent wondering how to talk to your children about pet euthanasia? You are not alone. Dorothea Deley and all the Dog Parents who shared their stories are here to hold your hand.

sleeping dog parents guide: Cheaper by the Dozen Frank B. Gilbreth, Ernestine Gilbreth Carey, 2013-11-05 The #1 New York Times-bestselling classic: A hilarious memoir of two parents, twelve kids, and "a life of cheerfully controlled chaos" (The New York Times). Translated into more than fifty languages, *Cheaper by the Dozen* is the unforgettable story of the Gilbreth clan as told by two of its members. In this endearing, amusing memoir, siblings Frank Jr. and Ernestine capture the hilarity and heart of growing up in an oversized family. Mother and Dad are world-renowned efficiency experts, helping factories fine-tune their assembly lines for maximum output at minimum cost. At home, the Gilbreths themselves have cranked out twelve kids, and Dad is out to prove that efficiency principles can apply to family as well as the workplace. The heartwarming and comic stories of the jumbo-size Gilbreth clan have delighted generations of readers, and will keep you and yours laughing for years. This ebook features an illustrated biography including rare photos from the authors' estates.

sleeping dog parents guide: A Professional's Guide to Working with Vulnerable and Traumatized Children Rikke Ludvigsen, 2024-06-21 This book presents "The Circle of Safety and Reconnection", a compassionate reflection model for working with vulnerable and traumatized children and young people in a nurturing way, providing hope for post-traumatic healing and growth. The circle is a holistic and comprehensive framework for professionals working to create safety for children against violence and abuse. It takes into consideration a child's individual, intergenerational, and collective trauma also assessing their risk and protection factors and using different tools to regulate the nervous system and promote healing. A step-by-step guide, populated with practice examples and exercises to walk the reader through using and adapting the model in practice, the book discusses the nature, signs, and ways of trauma, the reasons for it, and the different ways of healing these wounds outside the therapeutic context. Additionally, as this field is high risk for secondary traumatization, stress, burnout, and compassion fatigue, the author has dedicated a chapter focusing solely on the building of resilience in professionals. This text is written for all professionals working in the field, including therapists and psychologists, social workers, educators, foster parents, nurses, day-care workers, and students.

sleeping dog parents guide: The 5AM Club Robin Sharma, 2018-12-04 Legendary leadership and elite performance expert Robin Sharma introduced The 5am Club concept over twenty years ago, based on a revolutionary morning routine that has helped his clients maximize their productivity, activate their best health and bulletproof their serenity in this age of overwhelming complexity. Now, in this life-changing book, handcrafted by the author over a rigorous four-year period, you will discover the early-rising habit that has helped so many accomplish epic results while upgrading their happiness, helpfulness and feelings of aliveness. Through an enchanting—and often amusing—story about two struggling strangers who meet an eccentric tycoon who becomes their secret mentor, The 5am Club will walk you through: How great geniuses, business titans and the world's wisest people start their mornings to produce astonishing achievements A little-known formula you can use instantly to wake up early feeling inspired, focused and flooded with a fiery drive to get the most out of each day A step-by-step method to protect the quietest hours of daybreak so you have time for exercise, self-renewal and personal growth A neuroscience-based practice proven to help make it easy to rise while most people are sleeping, giving you precious time for yourself to think, express your creativity and begin the day peacefully instead of being rushed "Insider-only" tactics to defend your gifts, talents and dreams against digital distraction and trivial diversions so you enjoy fortune, influence and a magnificent impact on the world Part manifesto for mastery, part playbook for genius-grade productivity and part companion for a life lived beautifully, The 5am Club is a work that will transform your life. Forever.

sleeping dog parents guide: I Sleep in My Own Bed Glenn Wright, 2010-08-01 This book takes a child on a journey to all the places they wouldn't want to sleep and outlines the reasons why their own bed is the perfect place to sleep--p.[4] of cover.

sleeping dog parents guide: Violets Are Blue Barbara Dee, 2021-10-12 From the author of the acclaimed *My Life in the Fish Tank* and *Maybe He Just Likes You* comes a moving and relatable middle grade novel about secrets, family, and the power of forgiveness. Twelve-year-old Wren loves makeup—special effect makeup, to be exact. When she is experimenting with new looks, Wren can create a different version of herself. A girl who isn't in a sort-of-best friendship with someone who seems like she hates her. A girl whose parents aren't divorced and doesn't have to learn to like her new stepmom. So, when Wren and her mom move to a new town for a fresh start, she is cautiously optimistic. And things seem to fall into place when Wren meets potential friends and gets selected as the makeup artist for her school's upcoming production of *Wicked*. Only, Wren's mom isn't doing so well. She's taking a lot of naps, starts snapping at Wren for no reason, and always seems to be sick. And what's worse, Wren keeps getting hints that things aren't going well at her new job at the hospital, where her mom is a nurse. And after an opening night disaster leads to a heartbreaking discovery, Wren realizes that her mother has a serious problem—a problem that can't be wiped away or covered up. After all the progress she's made, can Wren start over again with her devastating

new normal? And will she ever be able to heal the broken trust with her mom?

sleeping dog parents guide: As Good as Dead Holly Jackson, 2021-09-28 THE MUST-READ MULTIMILLION BESTSELLING MYSTERY SERIES • The final book in the A Good Girl's Guide to Murder series that reads like your favorite true crime podcast or show. By the end, you'll never think of good girls the same way again... Pip is about to head to college, but she is still haunted by the way her last investigation ended. She's used to online death threats in the wake of her viral true-crime podcast, but she can't help noticing an anonymous person who keeps asking her: Who will look for you when you're the one who disappears? Soon the threats escalate and Pip realizes that someone is following her in real life. When she starts to find connections between her stalker and a local serial killer caught six years ago, she wonders if maybe the wrong man is behind bars. Police refuse to act, so Pip has only one choice: find the suspect herself—or be the next victim. As the deadly game plays out, Pip discovers that everything in her small town is coming full circle . . .and if she doesn't find the answers, this time she will be the one who disappears. . . And don't miss Holly Jackson's next thriller, *Five Survive*!

sleeping dog parents guide: The Montessori Baby Simone Davies, Junnifa Uzodike, 2021-05-11 It's time to change the way we see babies. Drawing on principles developed by the educator Dr Maria Montessori, *The Montessori Baby* shows how to raise your baby from birth to age one with love, respect, insight, and a surprising sense of calm. Cowritten by Simone Davies, author of the bestselling *The Montessori Toddler*, and Junnifa Uzodike, it's a book filled with hundreds of practical ideas for understanding what is actually happening with your baby, and how you can mindfully assist in their learning and development. Including how to: Prepare yourself for parenthood—physically, emotionally, intellectually, and spiritually. Become an active observer to understand what your baby is really telling you. Create Montessori spaces in your home, including “yes” spaces where nothing is off-limits. Set up activities that encourage baby's movement and language development at their own pace Raise a secure baby who's ready to explore the world with confidence.

sleeping dog parents guide: Please, Oh Please Can We Get A Dog Cheryl Peterson, 2007-07-17 That's one of the most dreaded questions children ask. This book helps you give the right answer—even if that answer is no. It reminds you that getting a dog is making a commitment, and that an adorable, little puppy can turn into a boisterous, big dog. It helps you take a realistic look at your family situation and the challenges and rewards of dog ownership so you can objectively answer questions such as: * Is your lifestyle suitable for a family dog? * What is involved with responsible dog ownership, and how much will it cost? * How much can you reasonably count on the kids to help once the newness of owning a dog has worn off? * What breed or mix will best fit your family? * How do you find the right dog? * How do you train the dog? If you decide to take the plunge and get a Chihuahua, Rottweiler, Poodle, Golden Retriever, Dachshund, or mixed breed, *Please, Oh Please Can We Get a Dog?* helps you get off to a good start so you and your kids can experience the joys of dog ownership for years to come.

sleeping dog parents guide: The Unbound V.E. Schwab, 2018-11-13 Each body has a story to tell, a life seen in pictures only Librarians can read. The dead are called Histories, and the vast realm in which they rest is the Archive. Last summer, Mackenzie Bishop, a Keeper tasked with stopping violent Histories from escaping the Archive, almost lost her life to one. Now, as she starts her junior year at Hyde School, she's struggling to get her life back. But moving on isn't easy, not when her dreams are haunted by what happened. She knows the past is past, knows it cannot hurt her, but it feels so real. When her nightmares begin to creep into her waking hours, she starts to wonder if she's truly safe. Meanwhile, people are vanishing without a trace, and the only thing they seem to have in common is Mackenzie. She's sure the Archive knows more than they are letting on, but before she can prove it, she becomes the prime suspect. Unless Mac can track down the real culprit, she'll lose everything: not only her role as Keeper, but her memories – and even her life. Can Mackenzie untangle the mystery before she herself unravels?

sleeping dog parents guide: A Parent's Guide to Asthma Nancy Sander, 1989 Asthma is the

leading cause of missed school days in America. Here, the president of the National Allergy and Asthma Network shares her expertise on every aspect of this debilitating condition--from finding a good doctor to allergy-proofing your home to regulating sports and activities for affected children. Line drawings.

sleeping dog parents guide: *The Screaming Staircase* Jonathan Stroud, 2013 Follows three young operatives of a Psychic Detection Agency as they battle an epidemic of ghosts in London

sleeping dog parents guide: *Understanding Animal Abuse and How to Intervene with Children and Young People* Gilly Mendes Ferreira, Joanne M. Williams, 2023-03-31 *Understanding Animal Abuse and How to Intervene with Children and Young People* offers a positive, compassion-based and trauma-informed approach to understanding and intervening in animal abuse. It provides an accessible cross-disciplinary synthesis of current international evidence on animal abuse and a toolkit for professionals working with people and/or animals to help them understand, prevent and intervene in cases of animal abuse. With contributions from experts in the field, this essential text offers ten user-friendly chapters with questions for reflection and key summary points. It offers a definition of animal abuse, synthesises the latest research on children, young people and animal abuse, explores the link between animal abuse and other forms of abuse and outlines legal perspectives on animal abuse. The second half of the book presents a practical toolkit for professionals, offering guidance and strategies for the prevention of and intervention in cases of animal abuse. It provides multidisciplinary perspectives on interventions; from teachers' and social workers roles in detection and intervention of childhood animal abuse, to the roles of enforcement agencies and veterinarians in legal cases of adult animal abuse. Together with a final chapter proposing new directions for research, policy and practice, this guide is for all who work with children, young people and/or animals, including psychologists, social workers, veterinarians, education professionals and animal welfare educators. It is also a key reading for those involved in legal and policy issues relating to animal welfare.

sleeping dog parents guide: Living with Kids and Dogs ... Without Losing Your Mind Colleen Pelar, 2013 Provides busy parents with simple, realistic advice to help ensure that the relationship between their kids and their dog is safe and enjoyable for all. You will learn how to help your child and dog develop a strong relationship, built on trust and cooperation; set your family up for success with a minimum of effort; recognize canine stress signals and know when your dog is getting worried about normal kid activity; identify serious behavior problems before someone gets hurt; prevent your child from becoming part of a growing statistic--children who have been bitten by a dog.
