

Sleepaway Camp Parents Guide

Sleepaway Camp Parents Guide: A Comprehensive Handbook for a Successful Summer

Sending your child to sleepaway camp is a big decision, filled with equal parts excitement and

apprehension. Will they make friends? Will they be homesick? Will they survive on camp food? This comprehensive sleepaway camp parents guide is designed to alleviate your anxieties and equip you with the tools to ensure your child has a fantastic, safe, and memorable summer experience. We'll cover everything from pre-camp preparation to staying connected while they're away, helping you navigate this exciting journey with confidence.

Before Camp: Preparation is Key

This section focuses on the essential steps you need to take before your child even sets foot on campgrounds. Proper preparation minimizes stress and maximizes your child's enjoyment.

Packing the Perfect Camp Trunk: What to Bring (and What to Leave Behind)

Packing for sleepaway camp can feel overwhelming. Avoid packing anxieties by creating a checklist with your child. Essential items include:

Clothing: Focus on practicality and comfort. Pack layers for varying temperatures, including rain gear. Label everything clearly with your child's name.

Toiletries: Stick to travel-sized containers and ensure everything is clearly labeled. Check the camp's specific guidelines on prohibited items.

Linens: Many camps provide linens, but check beforehand. If not, pack sheets, blankets, and pillows in easily identifiable bags.

Personal Items: Include comfort items like a favorite stuffed animal (if allowed), photos of family and friends, and a journal.

Medications: Ensure all medications are clearly labeled and accompanied by necessary prescriptions and allergy information. Communicate any medical conditions or allergies thoroughly with the camp director.

Communicating with the Camp: Building a Strong Relationship

Establish clear communication channels with the camp director and counselors before your child arrives. This builds trust and ensures you can address any concerns promptly. Ask about:

Camp policies: Familiarize yourself with rules regarding visitors, communication, emergencies, and pick-up/drop-off procedures.

Health and safety protocols: Understand the camp's procedures for illness, injuries, and allergies.

Contact information: Obtain the contact details of key personnel, including the camp director, nurse, and your child's counselor.

During Camp: Staying Connected and Supporting Your Child

Maintaining a healthy connection with your child during their stay is crucial for their well-being. However, remember that fostering independence is also a valuable aspect of the sleepaway camp experience.

Managing Homesickness: Strategies for Both Parent and Child

Homesickness is common. Prepare your child by talking openly about their feelings and establishing realistic expectations. Regular, but not overwhelming, communication can help. Encourage them to participate in activities and make friends.

Communication Strategies: Finding the Right Balance

The frequency and type of communication will depend on the camp's policies and your child's age and temperament. Avoid excessive calls, which can increase anxiety. Scheduled calls or emails might be more beneficial.

Dealing with Emergencies: Preparedness is Paramount

Have a clear emergency plan in place. Know how to contact the camp in case of an emergency and understand the camp's procedures for handling various situations.

After Camp: Reflecting on the Experience

The camp experience doesn't end when your child returns home. Take the time to discuss their experiences, address any challenges, and celebrate their accomplishments. This helps them process their feelings and prepares them for future adventures.

Processing the Experience: Talking About Camp

Encourage your child to share their stories and experiences. Ask open-ended questions and listen

actively. Acknowledge their emotions, whether positive or negative.

Planning for Next Year: Building on Success

If your child enjoyed their experience, consider registering for the following summer. Learning from this year's experience will help make next year even better.

Conclusion

Sending your child to sleepaway camp can be a rewarding experience for both parents and children. By following the guidelines in this sleepaway camp parents guide, you can help ensure your child has a safe, fun, and memorable summer. Remember that preparation, communication, and a positive attitude are key ingredients to a successful camp experience.

FAQs

Q1: How can I help my child overcome homesickness? A: Open communication before camp, establishing realistic expectations, and maintaining a healthy but not excessive communication schedule can help. Encourage participation in camp activities and making new friends.

Q2: What if my child gets sick at camp? A: Inform the camp immediately and follow their designated procedures for handling illness. Ensure you've provided complete medical information beforehand.

Q3: My child is anxious about sleeping away from home. What can I do? A: Talk openly about their anxieties and help them prepare by practicing packing, going to sleepovers with friends, or even having a "practice" night in a tent in your backyard.

Q4: How much contact should I have with my child during camp? A: The frequency of contact should be determined by the camp's policies and your child's individual needs. Too much contact can exacerbate homesickness; too little can lead to feelings of abandonment. Find a healthy balance.

Q5: What if my child doesn't want to go to sleepaway camp? A: Listen to your child's concerns. Try to understand their anxieties. If possible, discuss the reasons with them and explore alternatives or ways to make the experience more appealing if it's something you both believe would benefit them. Forcing a reluctant child could be detrimental.

sleepaway camp parents guide: *Homesick and Happy* Michael Thompson, 2012-05-01 An insightful and powerful look at the magic of summer camp—and why it is so important for children to be away from home . . . if only for a little while. In an age when it's the rare child who walks to

school on his own, the thought of sending your “little ones” off to sleep-away camp can be overwhelming—for you and for them. But parents’ first instinct—to shelter their offspring above all else—is actually depriving kids of the major developmental milestones that occur through letting them go—and watching them come back transformed. In *Homesick and Happy*, renowned child psychologist Michael Thompson, PhD, shares a strong argument for, and a vital guide to, this brief loosening of ties. A great champion of summer camp, he explains how camp ushers your children into a thrilling world offering an environment that most of us at home cannot: an electronics-free zone, a multigenerational community, meaningful daily rituals like group meals and cabin clean-up, and a place where time simply slows down. In the buggy woods, icy swims, campfire sing-alongs, and daring adventures, children have emotionally significant and character-building experiences; they often grow in ways that surprise even themselves; they make lifelong memories and cherished friends. Thompson shows how children who are away from their parents can be both homesick and happy, scared and successful, anxious and exuberant. When kids go to camp—for a week, a month, or the whole summer—they can experience some of the greatest maturation of their lives, and return more independent, strong, and healthy.

sleepaway camp parents guide: *Parents' Guide to Accredited Camps* , 1988

sleepaway camp parents guide: *Camp* Kayla Miller, 2019 Raina Telgemeier and Frazzled fans, rejoice Author-illustrator Kayla Miller is back with Olive in this emotional and honest story about navigating new experiences, learning to step outside one's comfort zone, and the satisfaction of blazing your own trails. Olive and Willow are happy campers Or are they? Olive is sure she'll have the best time at summer camp with her friend Willow - but while Olive makes quick friends with the other campers, Willow struggles to form connections and latches on to the only person she knows - Olive. It's s'more than Olive can handle The stress of being Willow's living security blanket begins to wear on Olive and before long...the girls aren't just fighting, they may not even be friends by the time camp is over. Will the two be able to patch things up before the final lights out? Look for more of Olive's adventures in Click

sleepaway camp parents guide: *The Working Parents Handbook* June Solnit Sale, Kit Kollenberg, 1996-03-14 Written primarily for first-time parents--although it features helpful advice that even veteran parents will find helpful--this book provides real-life solutions to the issues working parents face, from informing a boss about a pregnancy to dealing with vacation time for school-age children.

sleepaway camp parents guide: *A Parents' Guide to Special Education in New York City and the Metropolitan Area* Laurie Dubos, Jana Fromer, 2006-06-09 This essential guide profiles 33 schools in New York City for children with special needs, plus listings of medical professionals, camps, after-school programs, evaluation centers, and individuals in the field that were recommended by families of children with special needs. Includes information on referrals and evaluations, eligibility criteria, parents' rights, and more.

sleepaway camp parents guide: *Friendship List #2: 12 Before 13* Lisa Greenwald, 2018-09-04 Fans of Lauren Myracle and Wendy Mass will adore the second book in this hilarious series about two BFFs who master middle school with a list of twelve goals they MUST achieve before their thirteenth birthday. Inspired by the success of their first birthday bucket list, Ari and her BFF Kaylan set twelve new goals for the next school year. And number one is “keep our friendship strong.” But after a life-changing summer at camp, Ari feels torn between Kaylan and her camp friends. And as she faces down everything from boys to bat mitzvahs, Ari needs to figure out how to be her best self—before her friends come together at her thirteenth birthday party. Or the big win she and Kaylan were hoping for may become an epic fail.

sleepaway camp parents guide: *The Parent's Guide to Eating Disorders* Marcia Herrin, Nancy Matsumoto, 2010-02-01 The Parent's Guide to Eating Disorders shows that effective solutions begin at home and cost little more than a healthy investment of time, effort, and love. Based on exciting new research, it differs from similar books in several key ways. Instead of concentrating on the grim, expensive hospital stays of patients with severe disorders, the authors focus on the family,

teaching parents how to examine and understand their family's approach to food and body-image issues and its effect their child's behavior. Parents learn to identify an eating disorder early, to establish healthy attitudes toward food at a young age, and to intervene in a nonthreatening, nonjudgmental way. The authors concentrate on teens, the age group most often affected by eating disorders, as well as younger children. Individual chapters cover boys at risk, relapse training, dealing with friends, school, and summer camp, and much more. The book includes an appendix and sections on further reading, organizations and websites, residential and hospital programs, and references.

sleepaway camp parents guide: Click Kayla Miller, 2019 When a school variety show leaves Olive stranded without an act to join, she wonders why all of her friends have already formed their own groups without her.--Publisher's description.

sleepaway camp parents guide: The Parents' Guide to Psychological First Aid Gerald Koocher, Annette La Greca, 2010-11-01 Does your young daughter talk endlessly about invisible friends, dragons in the basement, and monsters in the closet? Is your teenager about to start high school or being victimized by bullies? Is your son mortally afraid of certain insects or of injections at the doctor's office? Compiled by two seasoned clinical psychologists, The Parents' Guide to Psychological First Aid brings together articles by recognized experts who provide you with the information you need to help your child navigate the many trying problems that typically afflict young people. Written in an engaging style, this book offers sage advice on a raft of everyday problems that have psychological solutions. The contributors cover such topics as body image and physical appearance; cigarettes, drugs, and alcohol; overeating and obesity; dental visits; the birth of a sibling and sibling rivalries; temper tantrums; fostering self-esteem; shyness and social anxiety; and much more. Each expert article provides an overview of the issues, offers reassurance for minor problems and strategies for crisis management, and discusses the red flags that indicate that professional help is needed. In addition, the book is organized into various categories to make it easier to find information. For instance, the Family Issues section includes articles on Blended Families, Divorce, and Traveling; the Adolescent Issues section covers such topics as Dating and Driving; and the Social/Peer Issues section explores such subjects as Sportsmanship, Homesickness, and Making Friends. An encyclopedic reference for parents concerned with maintaining the mental health of their children, this indispensable volume will help you help your child to deal effectively with stress and pressure, to cope with everyday challenges, and to rebound from disappointments, mistakes, trauma, and adversity.

sleepaway camp parents guide: Be Prepared Vera Brosgol, 2018-04-24 Beautifully drawn, brutally funny, brilliantly honest. Vera is such a good cartoonist I almost can't stand it." —Raina Telgemeier, author of Smile In Be Prepared, all Vera wants to do is fit in—but that's not easy for a Russian girl in the suburbs. Her friends live in fancy houses and their parents can afford to send them to the best summer camps. Vera's single mother can't afford that sort of luxury, but there's one summer camp in her price range—Russian summer camp. Vera is sure she's found the one place she can fit in, but camp is far from what she imagined. And nothing could prepare her for all the cool girl drama, endless Russian history lessons, and outhouses straight out of nightmares!

sleepaway camp parents guide: The Summer Camp Handbook Christopher Thurber, Jon Malinowski, 2015-01-30 The Summer Camp Handbook is the only resource that tells families everything they need to know about camp, including how to decide when the time is right, how to find and evaluate different camps, how to prepare for the adventure, how to prevent homesickness, and much more.

sleepaway camp parents guide: The Lake Natasha Preston, 2024-09-26 Get ready for another heart-racing, twist-filled thriller from the #1 NEW YORK TIMES bestselling author NATASHA PRESTON. WHAT WOULD YOU DO TO KEEP A SECRET SAFE? Esme and Kayla were once campers at Camp Pine Lake. Now they're back as counsellors-in-training. Esme loves the little girls in her cabin and thinks it's funny how scared they are of everything - the woods, the bugs, the boys . . . even swimming in the lake. It reminds her of how she and Kayla used to be all those years ago.

Because Esme and Kayla have kept a terrible secret. They vow that this summer will be awesome: two months of sun, s'mores, and flirting with the cute boy counsellors. Until they receive a stark message: THE LAKE NEVER FORGETS. The secret they've kept buried for so many years is about to resurface.

sleepaway camp parents guide: The Alex Crow Andrew Smith, 2015-03-10 "Andrew Smith is the Kurt Vonnegut of YA . . . [Smith's novels] are the freshest, richest, and weirdest books to hit the YA world in years." —Entertainment Weekly Skillfully blending multiple story strands that transcend time and place, award-winning Grasshopper Jungle author Andrew Smith chronicles the story of Ariel, a refugee who is the sole survivor of an attack on his small village. Now living with an adoptive family in Sunday, West Virginia, Ariel's story is juxtaposed against those of a schizophrenic bomber and the diaries of a failed arctic expedition from the late nineteenth century . . . and a depressed, bionic reincarnated crow.

sleepaway camp parents guide: The Music Parents' Survival Guide Amy Nathan, 2014-05-15 This book of parent-to-parent advice aims to encourage, support, and bolster the morale of one of music's most important back-up sections: music parents. Within these pages, more than 150 veteran music parents contribute their experiences, reflections, warnings, and helpful suggestions for how to walk the music-parenting tightrope: how to be supportive but not overbearing, and how to encourage excellence without becoming bogged down in frustration. Among those offering advice are the parents of several top musicians, including the mother of violinist Joshua Bell, the father of trumpeter Wynton Marsalis, the parents of cellist Alisa Weilerstein, and those of violinist Anne Akiko Meyers. The book also features advice from music educators and more than forty professional musicians, including Paula Robison, Sarah Chang, Anthony McGill, Jennifer Koh, Jonathan Biss, Toyin Spellman-Diaz, Marin Alsop, Christian McBride, Miguel Zenón, Stephanie Blythe, Lawrence Brownlee, Kelli O'Hara, as well as Joshua Bell, Alisa Weilerstein, Wynton Marsalis, Anne Akiko Meyers, and others. The topics they discuss span a wide range of issues faced by the parents of both instrumentalists and singers, from how to get started and encourage effective practice habits, to how to weather the rough spots, cope with the cost of music training, deal with college and career concerns, and help young musicians discover the role that music can play in their lives. The parents who speak here reach a unanimous and overwhelming conclusion that music parenting is well worth the effort, and the experiences that come with it - from sitting in on early lessons and watching their kids perform onstage to tagging along at music conventions as their youngsters try out instruments at exhibitors' booths - enrich family life with a unique joy in music.

sleepaway camp parents guide: Boys' Life , 1989-06 Boys' Life is the official youth magazine for the Boy Scouts of America. Published since 1911, it contains a proven mix of news, nature, sports, history, fiction, science, comics, and Scouting.

sleepaway camp parents guide: Happy Campers Audrey Monke, 2019-05-07 Audrey Sunshine Monke, mother of five and camp owner-director, shares nine powerful parenting techniques-inspired by the research-based practices of summer camp-to help kids thrive and families become closer. Research has proven that kids are happier and gain essential social and emotional skills at camp. A recognized parenting expert, Audrey Monke distills what she's learned from thousands of interactions with campers, camp counselors, and parents, and from her research in positive psychology, to offer intentional strategies parents can use to foster the benefits of camp at home. Our screen-obsessed, competitive society makes it harder than ever to raise happy, thriving kids. But there are tried-and-true methods that can help. Instead of rearing a generation of children who are overwhelmed, anxious, depressed, and who struggle to become independent, responsible adults, parents can create a culture that promotes the growth of important character traits and the social skills kids need for meaningful, successful lives. Thousands of parents attest to the magical benefits of summer camp for their kids, noting their children return more joyful, positive, confident, and resilient after just a few weeks. But you can learn exactly what it takes to promote these benefits at home. Complete with specific ideas to implement the most effective summer camp secrets, Happy Campers is a one of a kind resource for raising happy, socially intelligent, successful kids.

sleepaway camp parents guide: Kids, Alcohol and Drugs: A Parents' Guide Ruth Maxwell, 1991-08-27 EVERYTHING YOU NEED TO KNOW TO PREVENT YOUR CHILD FROM GETTING HOOKED—AND HOW TO HELP ONE WHO ALREADY IS Substance abuse can happen in any family, to any teenager. But it can be prevented and stopped before tragic consequences result. The critical deterrent is knowledge, pure and simple. Written by a chemical dependency counselor who has had years of experience working with emotionally disturbed teenagers, Kids, Alcohol & Drugs provides the knowledge you need. Ruth Maxwell offers hope, practical advice, and workable solutions that will teach you how to: • Recognize denial—and how it can stop you from seeing the reality of drug abuse in your home • Help your child deal with the unique pressures of adolescence from school, home life, and peer group • Learn what chemicals your teen might be using—and how they affect him or her • Determine the best form of treatment, incorporating both your teenager's needs and your own “Real support for parents. We especially liked the differentiation between cooperative kids who need help and non-cooperative kids needing help, as well as the distinction between parents who are helpful and those who are considered co-dependent. We will recommend Kids, Alcohol & Drugs to our Toughlove parents.”—Phyllis and David York, founders of Toughlove “With skill, insight, and empathy, Ruth Maxwell tackles one of the most insidious problems of our time so that parents can start their children—and themselves—on the road to recovery.”—Joyce Vedral, Ph.D., author of My Teenager Is Driving Me Crazy

sleepaway camp parents guide: A Parent's Guide to Mandarin Immersion Elizabeth Weise, 2014-09-15 Whether you're a preschool parent looking towards elementary school or a long-time Mandarin immersion family, this book will help explain how Mandarin immersion programs work and what you can expect from them. A Mandarin immersion parent herself, Elizabeth Weise gives families the background they need to make the most of the tremendous educational opportunity immersion represents. What the experts are saying: Weise combines journalistic writing talents with a longstanding interest in Chinese language learning to offer current and prospective parents an engaging and informative guide to Mandarin immersion education in the U.S. This handbook serves

as an excellent resource- chock full of news and information about how to get the most from your child's Mandarin immersion experience. Dr. Tara W. Fortune, Director, Immersion Projects, Center for Advanced Research on Language Acquisition, University of Minnesota If you'd like to understand the dynamics of Chinese immersion education, look no further. Beth Weise is a prescient and astute guide through this often confusing and misunderstood world. Her book is required reading for parents, administrators, and practitioners-a major contribution to the field. Chris Livaccari, Chinese Program Director, International School of the Peninsula, Palo Alto, California This book addresses issues of concern not only to parents but anyone involved in Chinese language education. It provides amazingly complete information and statistics about Chinese immersion programs. Painfully honest, it tells us about school and school district politics surrounding the implementation of these programs. Weise's insights make it a must-have guidebook for anyone interested in Chinese immersion. Dr. Christy Lao, Professor of Education and expert on second language acquisition at San Francisco State University, California Chapters include: A history of language immersion How Mandarin immersion works Immersion and your child's academic career Being bilingual is better Do they learn English? How much Chinese will they learn? Why schools choose Mandarin immersion Tips from parents Parent, student and school profiles

sleepaway camp parents guide: *9 Really Good Reasons to Send Your Child to... Camp ! (and to not stress about It)* Alison Medeva, 2016-09-13 Every year, millions of parents send their child off to summer camp in order to help make the most of the time they have out of school, and ensure that parents are not run ragged dealing with childcare issues 24/7 for ten to twelve weeks until the new fall semester starts. Summer camp has for many years been a popular and affordable option for childcare and fun for the kids, but a whole new generation of summer camps has been developing recently which offer more options than ever before. Every parent wants their child to have a great camping experience. Doing research and matching the right kind of camp to your child/ren can make all the difference between delight and disaster. Let's start with a look at the benefits of sending your child to summer camp.

sleepaway camp parents guide: *Cincinnati Magazine*, 1990-03 Cincinnati Magazine taps into the DNA of the city, exploring shopping, dining, living, and culture and giving readers a ringside seat on the issues shaping the region.

sleepaway camp parents guide: *The Smart Mamas' Guide to After-School Activities* Rosalyn Hoffman, 2012-08-07 You want the best for your kids, but resources are limited and you're overloaded with information. From the moment your kids are born, the kiddie-perfecting complex is pushing you to buy-buy-buy. And playtime is no different. You feel pressured to sign the kids up for an ever-escalating array of classes and clinics, send them to the right sleep-away or math enrichment camp, soccer clinic, ballet, art, and music classes—or else they're doomed to fail. Right? Not so fast. Lifestyle guru Rosalyn Hoffman knows that kids need balance: time to be bored and find their own inner resources, time to ride their bikes and shoot hoops, time to experience the joy of free play. And when it's time to sign them up for organized activities, Hoffman offers sane guidance for navigating the world of lessons and programs, explaining how to get them in everything from art classes to music lessons to sports to camp—without breaking the bank.

sleepaway camp parents guide: Mayo Clinic Guide to Raising a Healthy Child Angela C. Mattke, Mayo Clinic Children's Clinic, 2019-04-16 A parent's guide from "one of the most reliable, respected health resources that Americans have" (Publishers Weekly). Drawing from the collective wisdom of pediatric experts at Mayo Clinic, ranked #1 on US News & World Report's 2020-2021 Best Hospitals Honor Roll, Mayo Clinic Guide to Raising a Healthy Child addresses key questions and concerns many parents have about the preschool and school-age years. In this book, parents learn what to expect in the lively, wonder-filled time between ages 3 and 11. They'll find answers to family dilemmas such as feeding a picky eater, resolving sleep problems, addressing bullying, treating common injuries and illnesses, and coping with complex health care needs. Experts discuss what it takes to prepare a child for a rich and meaningful adult experience. This book is intended to be a companion manual for navigating those early to middle childhood years, offering encouragement and trusted advice from some of the best experts around, and helping your family find success. The book is divided into 6 sections: · Section 1 addresses growth and development · Section 2 focuses on health and safety · Section 3 discusses important topics related to emotional wellbeing · Section 4 covers common illnesses and concerns · Section 5 is devoted to special circumstances in raising a child · Section 6 provides tips and guidance creating a healthy family unit

sleepaway camp parents guide: You Deserve a Drink Mamrie Hart, 2015-05-26 A New York Times bestselling, riotously funny collection of boozy misadventures from the creator of the YouTube series, "You Deserve a Drink." Mamrie Hart is a drinking star with a Youtube problem. With over a million subscribers to her cult-hit video series "You Deserve a Drink," Hart has been entertaining viewers with a combination of tasty libations and raunchy puns since 2011. Hart also co-wrote/co-starred in *Dirty Thirty* and *Camp Takota* with Grace Helbig and Hannah Hart. Finally, Hart has compiled her best drinking stories—and worst hangovers—into one hilarious volume. From the spring break where she and her girlfriends avoided tan lines by staying at an all-male gay nudist resort, to the bachelorette party where she accidentally hired a sixty-year-old meth head to teach the group pole dancing (not to mention the time she lit herself on fire during a Flaming Lips concert), Hart accompanies each story with an original cocktail recipe, ensuring that *You Deserve a Drink* is as educational as it is entertaining. With cameos from familiar friends from the YouTube scene and a foreword by Grace Helbig, this glimpse into Hart's life brings warmth and humor to the woman fans know and love. And for readers who haven't met Mamrie yet—take a warm-up shot and break out the cocktail shaker: you're going to need a drink. "Hart is a pull-no-punches comedian with a talent for self-deprecation in the guise of self-aggrandizement, a winning formula."—The New York Times

sleepaway camp parents guide: Frugal Living: Your Complete Guide to Saving Money (Learn Over Creative Ways to Budget Your Finances and Lower) David Burks, 101-01-01 As economic growth put substantial pressure on the availability of people's resources, the concept of Frugal Living becomes more popular. It seems that we are finally getting the gist of it: frugal living is the answer to our economic, natural and psychological problems! The importance of frugal living transcends personal, industrial and political realms. He who is frugal is cheap, but happy. The term "frugal" also means to denote being a "cheapskate". If we think about it long and hard, there is actually nothing wrong about it. Here Is a Preview Of What You Will Learn... · Plan And Prepare, How To Start · Begin With A Budget · Limit Your Life Style · Increase Your Income · Decide Where To Put Your Savings · Decide On What To Do With Your Residual Income · And Much, Much More! Frugal living products such as journals and workbooks can help instill habits that you can keep consistently throughout life. If you found this frugal living book useful, don't forget to review and give a 5-star rating to help support our small business.

sleepaway camp parents guide: Money Grab \$\$ Timmy Knowstoomuch, 2022-08-16 What has happened to and in American youth soccer over the past fifty years? I will take you on a stroll down memory lane, sharing some of my fondest memories and others I would like to forget; but cannot. Soccer in America has become "All about the money." Some have forgotten it really is, and needs to always be "All about the players" and to develop their lifelong love of and passion for the sport. Parents are willing to pay "whatever the market will bear" as the club and/or coaches charge ever increasing to astronomical fees with the hope to have their child will succeed in obtaining the holy grail of a college soccer scholarship and not let their child fall behind their peers. The problem is that many parents have no idea what is actually going on in America's youth soccer today, what they may soon face, or how to best navigate any of it. The hashtag I use to describe this is #youcantmakethissoccerstuffup. Money Grab \$\$—A Parents' Guide to American Youth Soccer is an insider's view of the actual soccer player developmental life cycle beginning with recreational FUN then to the drama, pain points, best practice actions and costs of competitive soccer. From just starting in the sport through your player's developmental life cycle, we will share what it takes to enjoy, survive, and possibly even make a professional soccer team and then stay at that level. Having been involved for so long, I have heard this same parents' cry for help and understanding repeatedly, especially in the past few years. Parents who always want to do the best for their player but don't have a clue, or for those who thought they had the clue, only to find out otherwise, need guidance and insight into what is going on. It will be invaluable and settling to understand in advance the decisions parents may face so that they may make the correct ones given the information available or to obtain what is needed to make and intelligent, data-driven decision, what to look for in a coach and, when to run. It will also identify many of the current and potential methods for a variety of folks to take parent's hard-earned money out of their wallets providing little to nothing in return, also known as "Money Grab."
