By Edgar Allan Poe  
1845

*Edgar Allan Poe (1809-1849) was an American author, poet, and literary critic whose works are still widely read today. "The Raven" is perhaps his most famous poem, celebrated for its musicality, form, and supernatural atmosphere. As you read, take notes on how the speaker views the raven, as well as how the poem's structure contributes to its tone.*

- [1] Once upon a midnight dreary, while I pondered, weak  
and weary,  
Over many a quaint and curious volume of forgotten  
lore —

While I nodded, nearly napping, suddenly there  
came a tapping,

As of some one gently rapping, rapping at my  
chamber door.

- [5] "Tis some visitor," I muttered, "tapping at my  
chamber door —  
Only this and nothing more."

Ah, distinctly I remember it was in the bleak  
December;

And each separate dying ember wrought its ghost  
upon the floor.

Eagerly I wished the morrow; — vainly I had  
sought to borrow

- [10] From my books surcease<sup>1</sup> of sorrow — sorrow for the lost Lenore —  
For the rare and radiant maiden whom the angels name Lenore —  
Nameless here for evermore.

And the silken, sad, uncertain rustling of each purple curtain  
Thrilled me — filled me with fantastic terrors never felt before;

- [15] So that now, to still the beating of my heart, I stood repeating  
"Tis some visitor entreating entrance at my chamber door —  
Some late visitor entreating entrance at my chamber door; —  
This it is and nothing more."

Presently my soul grew stronger; hesitating then no longer,

- [20] "Sir," said I, "or Madam, truly your forgiveness I implore;

**the raven commonlit answers: *The Reason for the Darkness of the Night*** John Tresch, 2021-06-15 Finalist for the Los Angeles Times Book Prize | Finalist for the 2022 Edgar Award Winner of the 2021 Quinn Award An innovative biography of Edgar Allan Poe—highlighting his fascination and feuds with science. Decade after decade, Edgar Allan Poe remains one of the most popular American writers. He is beloved around the world for his pioneering detective fiction, tales of horror, and haunting, atmospheric verse. But what if there was another side to the man who wrote "The Raven" and "The Fall of the House of Usher"? In *The Reason for the Darkness of the Night*, John Tresch offers a bold new biography of a writer whose short, tortured life continues to fascinate. Shining a spotlight on an era when the lines separating entertainment, speculation, and scientific inquiry were blurred, Tresch reveals Poe's obsession with science and lifelong ambition to advance and question human knowledge. Even as he composed dazzling works of fiction, he remained an avid and often combative commentator on new discoveries, publishing and hustling in literary scenes that also hosted the era's most prominent scientists, semi-scientists, and pseudo-intellectual rogues. As one newspaper put it, "Mr. Poe is not merely a man of science—not merely a poet—not merely a man of letters. He is all combined; and perhaps he is something more." Taking us through his early training in mathematics and engineering at West Point and the tumultuous years that followed, Tresch shows that Poe lived, thought, and suffered surrounded by science—and that many of his most renowned and imaginative works can best be understood in its company. He cast doubt on perceived certainties even as he hungered for knowledge, and at the end of his life delivered a mind-bending lecture on the origins of the universe that would win the admiration of twentieth-century physicists. Pursuing extraordinary conjectures and a unique aesthetic vision, he remained a figure of explosive contradiction: he gleefully exposed the hoaxes of the era's scientific fraudsters even as he perpetrated hoaxes himself. Tracing Poe's hard and brilliant journey, *The Reason for the Darkness of the Night* is an essential new portrait of a writer whose life is synonymous with mystery and imagination—and an entertaining, erudite tour of the world of American science just as it was beginning to come into its own.

A "brilliant" (Lupita Nyong'o, *Time*), "poignant" (Entertainment Weekly), "soul-nourishing" (USA Today) memoir about coming of age during the twilight of apartheid "Noah's childhood stories are told with all the hilarity and intellect that characterizes his comedy, while illuminating a dark and brutal period in South Africa's history that must never be forgotten."—Esquire Winner of the Thurber Prize for American Humor and an NAACP Image Award • Named one of the best books of the year by The New York Time, USA Today, San Francisco Chronicle, NPR, Esquire, Newsday, and Booklist Trevor Noah's unlikely path from apartheid South Africa to the desk of *The Daily Show* began with a criminal act: his birth. Trevor was born to a white Swiss father and a black Xhosa mother at a time when such a union was punishable by five years in prison. Living proof of his parents' indiscretion, Trevor was kept mostly indoors for the earliest years of his life, bound by the extreme and often absurd measures his mother took to hide him from a government that could, at any moment, steal him away. Finally liberated by the end of South Africa's tyrannical white rule, Trevor and his mother set forth on a grand adventure, living openly and freely and embracing the opportunities won by a centuries-long struggle. *Born a Crime* is the story of a mischievous young boy who grows into a restless young man as he struggles to find himself in a world where he was never supposed to exist. It is also the story of that young man's relationship with his fearless, rebellious, and fervently religious mother—his teammate, a woman determined to save her son from the cycle of poverty, violence, and abuse that would ultimately threaten her own life. The stories collected here are by turns hilarious, dramatic, and deeply affecting. Whether subsisting on caterpillars for dinner during hard times, being thrown from a moving car during an attempted kidnapping, or just trying to survive the life-and-death pitfalls of dating in high school, Trevor illuminates his curious world with an incisive wit and unflinching honesty. His stories weave together to form a moving and searingly funny portrait of a boy making his way through a damaged world in a dangerous time, armed only with a keen sense of humor and a mother's unconventional, unconditional love.

**the raven commonlit answers:** And Still I Rise Maya Angelou, 2011-08-17 Maya Angelou's unforgettable collection of poetry lends its name to the documentary film about her life, *And Still I Rise*, as seen on PBS's *American Masters*. Pretty women wonder where my secret lies. I'm not cute or built to suit a fashion model's size But when I start to tell them, They think I'm telling lies. I say, It's in the reach of my arms, The span of my hips, The stride of my step, The curl of my lips. I'm a woman Phenomenally. Phenomenal woman, That's me. Thus begins "Phenomenal Woman," just one of the beloved poems collected here in Maya Angelou's third book of verse. These poems are

powerful, distinctive, and fresh—and, as always, full of the lifting rhythms of love and remembering. And Still I Rise is written from the heart, a celebration of life as only Maya Angelou has discovered it. “It is true poetry she is writing,” M.F.K. Fisher has observed, “not just rhythm, the beat, rhymes. I find it very moving and at times beautiful. It has an innate purity about it, unquenchable dignity. . . . It is astounding, flabbergasting, to recognize it, in all the words I read every day and night . . . it gives me heart, to hear so clearly the caged bird singing and to understand her notes.”

**the raven commonlit answers: Metamorphosis** Franz Kafka, 2021-03-19 Franz Kafka, the author has very nicely narrated the story of Gregor Samsa who wakes up one day to discover that he has metamorphosed into a bug. The book concerns itself with the themes of alienation and existentialism. The author has written many important stories, including “The Judgement”, and much of his novels “Amerika”, “The Castle”, “The Hunger Artist”. Many of his stories were published during his lifetime but many were not. Over the course of the 1920s and 30s Kafka’s works were published and translated instantly becoming landmarks of twentieth-century literature. Ironically, the story ends on an optimistic note, as the family puts itself back together. The style of the book epitomizes Kafka’s writing. Kafka very interestingly, used to present an impossible situation, such as a man’s transformation into an insect, and develop the story from there with perfect realism and intense attention to detail. The Metamorphosis is an autobiographical piece of writing, and we find that parts of the story reflect Kafka’s own life.

**the raven commonlit answers: Pilgrim at Tinker Creek** Annie Dillard, 2009-10-13 Winner of the Pulitzer Prize “The book is a form of meditation, written with headlong urgency, about seeing. . . . There is an ambition about her book that I like. . . . It is the ambition to feel.” — Eudora Welty, New York Times Book Review Pilgrim at Tinker Creek is the story of a dramatic year in Virginia’s Roanoke Valley, where Annie Dillard set out to chronicle incidents of beauty tangled in a rapture with violence. Dillard’s personal narrative highlights one year’s exploration on foot in the Virginia region through which Tinker Creek runs. In the summer, she stalks muskrats in the creek and contemplates wave mechanics; in the fall, she watches a monarch butterfly migration and dreams of Arctic caribou. She tries to con a coot; she collects pond water and examines it under a microscope. She unties a snake skin, witnesses a flood, and plays King of the Meadow with a field of grasshoppers. The result is an exhilarating tale of nature and its seasons.

**the raven commonlit answers: A Dream Within a Dream** Edgar Allan Poe, 2020-10-05 An example of Poe’s melancholic and morbid poetic pieces, A Dream Within a Dream is a poem that pitifully mourns the passing of time. The poet’s own life, teeming with depression, alcoholism, and misery, cannot but exemplify the subject matter and tone of the poem. The constant dilution of reality and fantasy is detrimental to the poetic speaker’s ability to hold reality in his hands. The quiet contemplation of the speaker is contrasted with thunderous passing of time that waits for no man. Edgar Allan Poe (1809-1849) was an American poet, author, and literary critic. Most famous for his poetry, short stories, and tales of the supernatural, mysterious, and macabre, he is also regarded as the inventor of the detective genre and a contributor to the emergence of science fiction, dark romanticism, and weird fiction. His most famous works include The Raven (1845), The Black Cat (1843), and The Gold-Bug (1843).

As he arrives, the narrator notes a thin crack extending from the roof, down the front of the building and into the lake. Although Poe wrote this short story before the invention of modern psychological science, Roderick's condition can be described according to its terminology. It includes a form of sensory overload known as hyperesthesia (hypersensitivity to textures, light, sounds, smells and tastes), hypochondria (an excessive preoccupation or worry about having a serious illness) and acute anxiety. It is revealed that Roderick's twin sister, Madeline, is also ill and falls into cataleptic, deathlike trances. The narrator is impressed with Roderick's paintings, and attempts to cheer him by reading with him and listening to his improvised musical compositions on the guitar. Roderick sings The Haunted Palace, then tells the narrator that he believes the house he lives in to be alive, and that this sentience arises from the arrangement of the masonry and vegetation surrounding it.
