the alchemist questions and answers: *The Alchemist* Ben Jonson, 2024-04-17 THE greatest of English dramatists except Shakespeare, the first literary dictator and poet-laureate, a writer of verse, prose, satire, and criticism who most potently of all the men of his time affected the subsequent course of English letters: such was Ben Jonson, and as such his strong personality assumes an interest to us almost unparalleled, at least in his age. Ben Jonson came of the stock that was centuries after to give to the world Thomas Carlyle; for Jonson's grandfather was of Annandale, over the Solway, whence he migrated to England. Jonson's father lost his estate under Queen Mary, having been cast into prison and forfeited. He entered the church, but died a month before his illustrious son was born, leaving his widow and child in poverty. Jonson's birthplace was Westminster, and the time of his birth early in 1573. He was thus nearly ten years Shakespeare's junior, and less well off, if a trifle better born. But Jonson did not profit even by this slight advantage. His mother married beneath her, a wright or bricklayer, and Jonson was for a time apprenticed to the trade.

the alchemist questions and answers: The Curious Incident of the Dog in the Night-Time Mark Haddon, 2009-02-24 A bestselling modern classic—both poignant and funny—narrated by a fifteen year old autistic savant obsessed with Sherlock Holmes, this dazzling novel weaves together an old-fashioned mystery, a contemporary coming-of-age story, and a fascinating excursion into a mind incapable of processing emotions. Christopher John Francis Boone knows all the countries of the world and their capitals and every prime number up to 7,057. Although gifted with a superbly logical brain, Christopher is autistic. Everyday interactions and admonishments have little meaning for him. At fifteen, Christopher's carefully constructed world falls apart when he finds his neighbour's dog Wellington impaled on a garden fork, and he is initially blamed for the killing. Christopher decides that he will track down the real killer, and turns to his favourite fictional character, the impeccably logical Sherlock Holmes, for inspiration. But the investigation leads him down some unexpected paths and ultimately brings him face to face with the dissolution of his parents' marriage. As Christopher tries to deal with the crisis within his own family, the narrative draws readers into the workings of Christopher's mind. the alchemist questions and answers: Thoughts and Sentiments on the Evil of Slavery

Quobna Ottobah Cugoano, 1999-02-01 A freed slave's daring assertion of the evils of slavery Born in present-day Ghana, Quobna Ottobah Cugoano was kidnapped at the age of thirteen and sold into slavery by his fellow Africans in 1770; he worked in the brutal plantation chain gangs of the West Indies before being freed in England. His *Thoughts and Sentiments on the Evil of Slavery* is the most direct criticism of slavery by a writer of African descent. Cugoano refutes pro-slavery arguments of the day, including slavery's supposed divine sanction; the belief that Africans gladly sold their own families into slavery; that Africans were especially suited to its rigors; and that West Indian slaves led better lives than European serfs. Exploiting his dual identity as both an African and a British citizen, Cugoano daringly asserted that all those under slavery's yoke had a moral obligation to rebel, while at the same time he appealed to white England's better self. the alchemist questions and answers: *The Testament of Solomon* King Solomon,

2017-03-15 This edition of the *Testament of Solomon* is a complete and accurate reprint of the original translation of ancient manuscripts by F.C. Conybeare first printed in 1898. It contains all Conybeare's original notes and commentary, including the Greek characters he footnoted for the reader's consideration. Beware of other editions of this work that do not contain all the original text. The *Testament of Solomon* is a pseudepigraphical work attributed to King Solomon the Wise of the

Old Testament. Written in the first-person narrative, the book tells the story of the creation of the magical ring of King Solomon and how Solomon's ring was used to bind and control demons, including Beelzebub. In this book of King Solomon, the discourses between the King and the various spirits are told, and the story shows how Solomon uses his wisdom to withstand the demons' tricks and guile and enlist their aid in the building of his temple. The spells and seals of Solomon used by the King to bind the spirits are detailed, which makes this work a book of Solomon's magic, similar in nature to the Lesser Key of Solomon the King and the Greater Key of Solomon the King, which both are King Solomon books of magic and contain various talismans of Solomon, including the secret seal of Solomon. The manuscripts from which this work was discovered date from the 15th, 16th, and 17th centuries. All were written in Greek. This dating makes most experts believe that the work is medieval. But some scholars, including D.C. Duling, argue that it is likely that the work comes from the 5th or 6th centuries. The various manuscripts used to source the work all date to medieval times, but the text itself, as well as references to other works, indicate the Testament is much older. For example, in the Dialogue of Timothy and Aquila, there is a direct reference to the Testament of Solomon. The Dialogue purports to have been written during the Archbishopric of Cyril in 444 C.E., and therefore, its reference would date the Testament before that time. Similarly, in the early 4th century Gnostic text On the Origin of the World, references to the book of Solomon and his 49 demons are made. No matter the date, the text provides an immensely interesting description of how King Solomon tamed various demons to build his temple. The text includes predictions of the coming of Christ, as one demon explains to Solomon that while he may be bound, the only thing that can truly take his power away is the man born from a virgin who will be crucified by the Jews.
